Program Objectives

As per the recommendations of Faculty Board, three new POs have been added.

- [PO.1]. Disciplinary Knowledge:** Enable students to understand the basic concepts in psychological, philosophical, political, and socio-economic domains.
- [PO.2]. Critical Thinking:** Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.
- [PO.3]. Effective Communication:** Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.
- [PO.4]. Social Interaction:** Elicit views of others, mediate disagreements and help reach conclusions in group settings.
- [PO.5]. Effective Citizenship:** Demonstrate empathetic social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.
- [PO.6]. Ethics:** Recognize different value systems including your own, understand the moral dimensions of your decisions, and accept responsibility for them
- [PO.7]. Environment and Sustainability:** Understand the issues of environmental contexts and sustainable development.
- [PO.8]. Research related Skills:** Develop a sense of inquiry, apply research methodologies, data analysis and interpretations to address real-life issues and reduce research gaps.
- [PO.9]. Digital Literacy:** Capability to use ICT in a variety of learning situations, demonstrate ability to assess, evaluate, and use a variety of relevant information sources.
- [PO.10]. Self-directed and Life-long Learning:** Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes.
