About the Program

Liberal Arts is a multidisciplinary educational framework that integrates a diverse range of subjects. The 4 years undergraduate Liberal Arts program at Manipal University Jaipur offers an expansive curriculum rooted in Social Sciences and Humanities, aligning with the recommendations of the New Education Policy by the Government of India.

Students will have an option to engage with any of the three major courses across three primary disciplines — Political Science, Sociology, and Psychology — and can further explore five minor courses in Philosophy, English, Political Science, Sociology and Economics. Complementary courses such as Music and Language training enhance students' skills and competencies.

This comprehensive approach aims to foster a dynamic learning environment, empowering students to navigate change, embrace diversity, and tackle complex challenges. The program cultivates critical thinking, problem-solving abilities, and social responsibility, preparing students to adapt confidently and thrive in an increasingly interconnected, multidisciplinary, and cross-cultural world.

Testimonials

Pragma Sharma
Batch 2022-2025

“ My experience has been truly enriching, offering great exposure to academics and extracurricular activities. The faculty in the department has been exceptionally supportive guiding us with expertise and dedication. Their encouragement has helped me develop a strong foundation in my field which has made my journey both inspiring and transformative. ”

“ Studying B.A. Liberal Arts has been a transformative experience. The combination of Philosophy, Psychology, Music, Political Science, and Sociology helped me grow both intellectually and personally. I learned to think critically, understand human behavior, express myself creatively, and analyze society deeply. The interdisciplinary approach and supportive faculty made learning exciting and meaningful. This course has truly broadened my perspective and opened up diverse career paths. ”
