# SELF WORTH

I have been isolating myself for more than a year  
Some said “you acting differently dear”  
healing was the process I was going through to align my soul,  
mind and body.  
So was this askew?  
putting myself first before anything and anyone else...wasn’t  
being ‘selfish’ is exactly how you spell.  
Been good a lot before...  
I let them break me into pieces and more.  
never did I ever realised back then , then not everyone deserves  
the same nature of benevolence ...  
understanding these things all alone  
I started to value the word Selfcare more  
I do trust a few out there  
who actually deserve my love and care.  
This feeling is my strength.  
I know as I bore all the past consequences, all alone.
