EVENTS

DANDIYA NIGHT

On 1st October 2025, Manipal University Jaipur came alive with colors, music, and festive spirit during the Dandiya Night 2025. The campus was beautifully decorated with vibrant drapes and lights, creating a perfect traditional atmosphere.

Students dressed in elegant ethnic outfits gathered to celebrate together, enjoying energetic dandiya and garba performances. Laughter, music, and togetherness filled the night as friends bonded, danced, and captured memorable moments.

The event was a true reflection of cultural unity and joy, making it one of the most memorable evenings of the festive season at MUJ

Time Managment

On 16th October 2025, Manipal University Jaipur hosted an insightful Time Management session that brought students and faculty together for a meaningful learning experience. The event took place in the university auditorium, creating a focused and engaging environment.

The session highlighted the importance of managing time effectively in both academic and personal life. Through practical insights and real-life examples, students gained a better understanding of how small changes in daily habits can lead to improved productivity and balance.

The interactive discussion and active participation made the session impactful and motivating. It was a valuable experience that encouraged students to reflect, learn, and take steps toward better time management.

DATATHON

On 6th November 2025, Manipal University Jaipur hosted an engaging and knowledge-driven Datathon, bringing together students to apply data analytics and problem-solving skills in a collaborative environment. The event created an atmosphere of focused learning, teamwork, and innovation.

Students actively participated in discussions, presentations, and analytical tasks, showcasing their technical understanding and real-world application of data concepts. The sessions encouraged critical thinking, collaboration, and hands-on learning.

A special highlight of the event was the impressive performance of Team Eagles, who secured 2nd Position in the Datathon. The team comprised Vinayak Sharma, Trishala Mulia, Darshan Rudani, and Palak Agarwal, whose dedication, coordination, and analytical approach stood out among the participants.

The Datathon proved to be a valuable learning experience, motivating students to explore data-driven solutions and strengthening the culture of innovation and excellence at MUJ.

VICHAR SE NAVCHAR

On 31st October 2025, Manipal University Jaipur successfully hosted “Vichar Se Navchar”, an event focused on transforming ideas into meaningful innovation. The program provided students with a platform to present their thoughts, perspectives, and solutions in a professional and encouraging environment.

Participants confidently shared their ideas, engaging in discussions that highlighted creativity, critical thinking, and problem-solving skills. Faculty members and mentors appreciated the efforts and guided students with valuable feedback, making the experience both enriching and motivating.

The event concluded with the recognition of participants for their enthusiasm and thoughtful contributions. Vichar Se Navchar truly reflected the spirit of innovation, learning, and intellectual growth within the MUJ community.

Placement training

On 14th October 2025, Manipal University Jaipur organized an informative Placement Training session aimed at preparing students for upcoming career opportunities. The session was held in a well-equipped auditorium and witnessed active participation from students across various disciplines.

The training focused on essential placement skills such as interview preparation, resume building, and understanding the recruitment process. Practical tips and real-life examples helped students gain clarity and confidence about campus placements.

The interactive session encouraged students to ask questions and engage actively, making it both insightful and motivating. Overall, the event played an important role in guiding students toward career readiness and professional growth.

THE TERM CLASS

Is a shinning glass.

Centre of enjoyment.

Place for punishment.

Place for knowledge, leadership and friend's gossip.

An area where subjects rocks.

An area haring funny talks.

Some like bunking this place.

But some have opposite case.

It is the place we share our views.

But this place some also misuse.

Though of many demerits

It gives us lot of credits.mentality?

REGRET

**The bag of regret is quite heavy
It takes birth from misery...
The more you carry the weight .
Your current thoughts will degrade.
Degradation of thoughts lead to repetition of moments.
The moments you don't want to recall...
Will be the only one left until you fall .
Throw away the bag of regret just on time,
Otherwise it will poison your entire life .**
