B.Com (Hons) Accounting

Admission 2025-26

About the Department

The Department of Commerce was established in Manipal University Jaipur in 2012. The department fosters excellence in teaching graduate and postgraduate courses in commerce and management. Apart from classroom learning, students are given practical exposure through frequent industry interactions and internships with reputed banks and financial institutions, chartered accountants, hotels, and other concerned industries. A well-rounded education is ensured by the department's extensive curriculum, which frequently stands out for covering fundamental topics including accounting, finance, marketing, and business law. Opportunities for experiential learning, such as workshops, seminars, and internships that connect theory with practice, are some of the unique features of the department. The department places a strong emphasis on research and analytical abilities for motivating students to work on projects that sharpen their critical thinking abilities. Career counseling, professional industry guest lectures, and networking activities all enhance the educational process and aid students in making a smooth transition into the field. The Department also has a Research Cluster named "Knowledge Alliance" for fostering the research culture among faculty and students.
