Manipal University Jaipur

The Manipal Education & Medical Group, with a legacy of excellence in higher education spanning over 72 years, established Manipal University Jaipur (MUJ) in 2011. Manipal University Jaipur (MUJ), a multidisciplinary university accredited with an A+ Grade by NAAC, is committed to nurturing talent and strengthening academics and research through unique and innovative practices.

Manipal University Jaipur (MUJ) offers a wide range of undergraduate, postgraduate, and doctoral programs across diverse fields, including Engineering, Architecture, Fine Arts, Hospitality, Humanities, Journalism & Mass Communication, Basic Sciences, Law, Business & Commerce, Management, Computer Applications, Hotel Management, and Social Sciences. Currently, more than 18000+ students from India and abroad are enrolled. The team of 700+ faculty members having excellent academic profiles and strong research backgrounds is an asset to the university.

Over the last decade, Manipal University Jaipur (MUJ) has become a preferred destination for students seeking quality education that prepares them for careers in industry, academia, and research. It has also gained the trust of leading recruiters and industry players.

Among Manipal University Jaipur (MUJ)'s faculties, the Faculty of Management, Commerce, and Arts is the second largest, with over 3,000 students and approximately 180 faculty members. This faculty offers both undergraduate and postgraduate degrees, across various fields in Management, Commerce, and Arts. As a part of a leading technological university, the Faculty of Management, Commerce, and Arts is uniquely situated to impart quality education through a multidisciplinary approach and innovative pedagogies.

Dr N N Sharma

President, MUJ

About FoMCA

“The Faculty of Management, Commerce and Arts (FoMCA) is the second largest Faculty of Manipal University Jaipur and in a short span of 13 years, the FoMCA has reached a milestone of approximately three thousand students and 180 faculty members and offers undergraduate, postgraduate and Ph.D. programs across different disciplines of management. We are one of the best management schools in the country with 81st rank in the prestigious NIRF-2025 ranking. The growth history of the FoMCA is a testament to our commitment towards providing quality management education through, various programs and cutting-edge research.” The Faculty of Management, Commerce and Arts (FoMCA) consists of two important schools.

About Department of Business Administration

The Department of Business Administration at Manipal University Jaipur, under the Faculty of Management, Commerce and Arts, is dedicated to delivering high-quality management education that aligns academic learning with contemporary business realities. The department aims to develop students with a strong conceptual foundation in management principles, complemented by analytical ability, ethical awareness, and a problem-solving mindset essential for today's competitive and dynamic business environment.

The department offers well-structured undergraduate and integrated programmes that emphasize both theoretical understanding and practical application. The curriculum is designed to encourage critical thinking, interdisciplinary learning, and data-informed decision-making through case studies, experiential projects, internships, and industry exposure. Supported by a team of qualified and experienced faculty members actively engaged in teaching and research, the department fosters an academically rigorous and professionally relevant learning environment. Through its focus on skill development, industry readiness, and responsible leadership, the Department of Business Administration seeks to prepare graduates who are capable of making meaningful contributions to organizations and society.

Program: Bachelors of Business Administration (Hons)

4 - Year Full Time Program

A Bachelor of Business Administration with Honors (BBA Hons) is an esteemed undergraduate degree program that delves into the fundamental aspects of business and management, offering a comprehensive education for aspiring professionals. This program extends over a period of four years, providing students with a robust foundation in various disciplines such as finance, marketing, human resources, entrepreneurship and research. The program is designed to groom students by nurturing key competencies such as strategic thinking, problem-solving, effective communication, and ethical decisionmaking.

It incorporates practical experiences through internships, industry projects, or case studies, ensuring that students are well-prepared for the dynamic challenges of the corporate world.

Key Highlights

- Develops critical thinking and problem-solving skills.
- Develop reflective thinking for both oneself and society.
- Personal development through self-paced and self-directed learning.
- Capable of demonstrating the ability to identify ethical issues related to one's work.
- Versatile, industry-oriented and in-demand degree
- Transformation of students into socially sensitive and responsible citizens who contribute towards sustainable development.

Eligibility

The candidate must have passed in **10+2** from recognized board or equivalent qualification as recognized by Association of Indian Universities (AIU) or other competent body with a minimum of **60%** marks in any discipline.

Specialisations Offered

- Human Resource Management
- Finance and Accounting
- Marketing
- Entrepreneurship and Family Business Management

In the first and second years, students are introduced to core courses that build a strong foundation in the discipline.

Dual and Super Specialization option is available in BBA (Hons.) program. Students are given the opportunity to tailor their educational path with dual and super specialization options.

Comprehensive 90 days Internship providing invaluable industry exposure.

Program: Bachelors of Business Administration (Business Analytics)

3 - Year Full Time Program

The BBA (Business Analytics) program has been specially designed to empower students in the domain of business analytics which is emerging as the key foundation of modern business. With an industry-relevant curriculum focused on real-world applications, this program is tailored to produce skilled and ready-to-be deployed professionals. The program offers a solid foundation for leveraging the power of data analytics to make informed decisions in a typical business setting to achieve a competitive advantage.

BBA in Business Analytics is extending to all sectors. With the availability of big data in all verticals, the importance of Business Analytics is omnipresent. It requires constant pragmatic investigation and analysis of past and present business performance. A graduate in this field will have a good understanding of the workings of a firm and a high level of analytical skills.

Through the program, students will learn to apply advanced statistical methods and predictive models to analyze large datasets and extract valuable insights that can inform business decisions.

USPs of the Program

- Practical Applications
- Versatile Skills
- In-Demand Skill Set
- Competitive Advantage
- Future-Proof

Testimonials

Soumi Majumder
Integrated MBA

“I am thrilled to be part of the inaugural IMBA cohort. The program has enriched my practical skills through well-designed subjects and meaningful electives. The faculty coordinator has consistently supported my academic journey. MUJ’s vibrant campus and active student clubs have provided me with numerous opportunities to grow beyond the classroom. I feel truly grateful for this experience.”

Saumya Sharma
BBA

“I have spent five years at MUJ, my transition from undergraduate to postgraduate studies has been both fascinating and rewarding. I earned my BBA here in 2020, and the curriculum—spanning Marketing, Finance, Accounting, as well as French and German—helped me develop strong business capabilities. In my final MBA semester, I secured a placement with Tata Technologies. The guidance and encouragement from faculty were instrumental in building my confidence and business mindset.”

Bharat Ramnani
BBA

“MUJ has offered a comprehensive education that significantly contributed to my development. The three-year BBA program challenged me with rigorous classroom sessions, projects, and assessments. Beyond academics, I actively participated in events and competitions that enriched my learning and teamwork abilities. These experiences strengthened both my career readiness and personal growth.”

Pranav Vashistha
BBA

“MUJ has played a key role in shaping my personality. I have developed stronger leadership, time management, and teamwork skills during my time here. The university’s world-class facilities and cultural diversity greatly enhanced my experience. I especially appreciate the dedication of professors, whose commitment to teaching has provided lifelong value.”

Kanav Kukar
BBA

“Business Administration at Manipal was absolutely fantastic! Working at a reputed organization now, I realise that the course curriculum was absolutely relevant to the real world business dynamics and I would definitely give credit to the faculty whose support has led me to where I am today. I’m absolutely taking all the lessons, learnings and experiences everywhere I go further in life. Grateful!”

Navankur Singh Chauhan
BBA (Business Analytics)

“The curriculum is well-designed, covering a broad spectrum of subjects from business strategy to data analysis techniques. What sets this program apart is its focus on emerging trends in analytics, ensuring that students are well-prepared to tackle the challenges of the dynamic business landscape. The course work not only hones technical skills but also fosters critical thinking and problem-solving abilities, essential attributes in the world of analytics.”

Testimonials

Sumit Singh

BBA

“I sincerely thank the instructors at MUJ for their guidance and support throughout my Bachelor of Business Administration. Their mentorship helped me refine my skills and achieve personal and academic milestones.”

Tanish Agarwal

BBA

“I am grateful for the opportunities provided by the School of Business and Commerce and the Directorate of Training and Placement. These platforms helped me enhance my skills and gain practical industry exposure, preparing me for future challenges.”

Devika Khurana

BBA

“MUJ was like a second home. It offered a comfortable yet challenging environment that pushed me to become my best self. The department consistently encouraged me to improve and evolve throughout my academic journey.”

Bhavesh Kumar

Integrated MBA

“I am proud to be a member of the inaugural Integrated MBA batch. This program has provided a comprehensive learning experience, and the faculty's support has greatly contributed to my academic growth.”

Dr. (CS) Arpita Agarwal

PhD

“I am deeply grateful for the education and experiences I gained at Manipal University Jaipur. Being part of the MUJ family has shaped my professional and personal growth. I am proud to be an alumna and look forward to staying connected and contributing to the university's legacy.”

Dr. Shweta Goyal

PhD

“Pursuing my Ph.D. at MUJ has been a memorable and enriching journey. The facilities are excellent, and the guidance from professors has been invaluable. I am grateful for the learning and support I received throughout my academic experience.”
