DEPARTMENT OF COMPUTER APPLICATIONS

“TECHNOLOGY IS BEST WHEN IT BRINGS PEOPLE TOGETHER”

## DEPARTMENT OF COMPUTER APPLICATIONS

### ABOUT THE DEPARTMENT

The Department of Computer Applications at Manipal University Jaipur (MUJ) strives for academic excellence with a cutting-edge curriculum. Since its inception in 2019, the department has reached significant heights, offering high-quality programs at both undergraduate and postgraduate levels. Currently, over 750 students are enrolled with 21 faculty members.

The department prepares students to design, develop, and implement software applications, emphasizing the latest programming languages and technologies. It aims to become a center of excellence, providing technical knowledge, innovation opportunities, and state-of-the-art facilities. The flexible curriculum is designed to let students explore their interests and is regularly updated with feedback from stakeholders. This foundation supports students in pursuing higher education in India and abroad.

### COURSES OFFERED

- Bachelor of Computer Applications (BCA),
- BCA Specialization (Cybersecurity / Data Science)
- BCA Honors (Software Product Engineering)
- Master of Computer Applications (MCA)
- **Ph. D. (Computer Science)**

## DEPARTMENT OF COMPUTER APPLICATIONS

### MESSAGE FROM THE HEAD OF COMPUTER APPLICATION DEPARTMENT

I am pleased to express my heartfelt appreciation for the successful release of the Newsletter from the Department of Computer Applications. Your dedication and efforts in showcasing the diverse talents of our students, both academically and creatively, are truly commendable. The Newsletter serves as a reflection of the myriad activities undertaken by our Department, offering a clear picture of our achievements. Moreover, it will play a significant role in nurturing the creative writing skills of our students and faculty members through their technical articles, essays and poetry, thereby enhancing students' reading practices. I am confident that this issue of the Newsletter will positively impact all students and individuals interested in not only Computer Applications and IT but also in arts, literature, sciences and other areas. Your continuous efforts in producing this Newsletter annually deserve immense recognition. I extend my sincere appreciation to the Department of Computer Applications and all faculty members for their wonderful contributions in accomplishing this task. Additionally, I congratulate all the students for their fruitful efforts

**Dr. Shilpa Sharma Kulkarni**

Associate Professor & Head,  
Department of Computer Applications  
Manipal University Jaipur

## DEPARTMENT OF COMPUTER APPLICATIONS

### INNOVATIVE IQ

**“Innovative IQ”** From 19th nov - 20th nov is a dynamic and engaging event organized to nurture entrepreneurial skills and innovative thinking among students. This event provides a platform for aspiring entrepreneurs to present their startup ideas, fostering a spirit of creativity and problem-solving. With the guidance of mentors and feedback from industry experts, participants can refine their concepts and gain valuable insights.

The event not only promotes the exchange of ideas but also serves as a hub for collaboration and networking, connecting students with like-minded individuals and professionals in the startup ecosystem. Through “Innovative IQ,” we aim to empower students to take the first steps toward realizing their entrepreneurial dreams and creating impactful solutions for real-world challenges

### FACULTY DEVELOPMENT PROGRAMME

Department of Computer Applications, Manipal University Jaipur organized a Faculty Development Program on **“Developing Healthy Work Culture at Work Place”** in association with **“NITTTR Chandigarh & MUJ-TEC”** from **2nd December 2024 to 6th December 2024** at Manipal University Jaipur. The objective of the FDP was to provide an in-depth understanding of how to cultivate and promote a healthy work environment at workplace.

**Department of Computer Applications**, Manipal University Jaipur is approved as a remote centre for the upcoming ICT-based FDP **“Developing Healthy Work Culture at Workplace”** from 02 - 06 December 2024.

This FDP was organized through online mode using Google Meet. This event was opened for faculties & research scholar. **Dr S. K Gupta of NITTTR Chandigarh** was chief coordinator for this programme, and all other resources persons were arranged by NITTTR.

## DEPARTMENT OF COMPUTER APPLICATIONS

### SOCIAL OUTREACH ACTIVITY

**On 24th December 2024** A societal outreach activity was conducted by the Department of Computer Applications, in collaboration with Cypher Club and the Directorate of Student Welfare at Manipal University Jaipur (MUJ). The event aimed to contribute to community welfare and engage students in meaningful social service. The objective is to promote the importance of education among underprivileged children. Provided essential snacks and refreshments to brighten the day of the children. Encouraged MUJ students to actively engage in community service. Strengthened collaboration, teamwork, and empathy among participants

## DEPARTMENT OF COMPUTER APPLICATIONS

### NGO VISIT (AAHAN)

The **Department of Computer Applications** organized a visit to **AAHAN Celebrating Diversity** - an NGO located in Shyam Nagar, Jaipur on **26th November 2024** in collaboration with Cypher Club & Directorate of Student Welfare and dedicated to uplifting the Especially abled under privileged children through education and skill development. The societal outreach activity aimed to foster empathy, inclusivity, and awareness about autism spectrum disorder (ASD) while engaging with autistic individuals through creative and recreational activities. This visit also served to encourage students and faculty members to contribute to the community through meaningful interactions and voluntary efforts. This event aimed to let the students dedicate themselves towards a social cause by participating in teaching and interacting with the autistic children of the NGO. It helped to nurture a feeling of empathy and gratefulness among the students who are much more privileged in comparison.

## DEPARTMENT OF COMPUTER APPLICATIONS

### INDUSTRIAL VISIT

Students of MUJ across several disciplines like BCA, MCA were taken to an exposure visit to the office of **Bhamashah Techno Hub, Jaipur, Govt. of Rajasthan**. about hundred interested and nominated students across different courses were selected for the industry visit. The students were accompanied by **Dr. Arpana Sinhal, Dr. Rekha Jain, Dr. Amit Hirawat** and **Mr. Shubham Jindal**. Upon reaching the Techno Hub, their representative briefed the students about the Techno hub facilities, services and initiatives. Students visited the tinkering lab and learned about the virtual reality applications. Many doubts and queries of the students were addressed.

## DEPARTMENT OF COMPUTER APPLICATIONS

### BIS STANDARD AWARENESS SESSION

The Standard Awareness Session at Manipal University Jaipur, organized in collaboration with the Bureau of Indian Standards (BIS), aimed to introduce students and faculty to the critical role of standards in ensuring quality, safety, and efficiency across various industries. This session provided valuable insights into BIS's contributions to national standardization, its impact on everyday products and services, and the significance of adhering to global standards for enhanced competitiveness. Attendees gained a better understanding of how standards shape industries and opportunities to engage with BIS initiatives.

During the session, attendees gained insights into:

- The role of BIS in developing and promoting national standards.
- The impact of standards on industry practices and everyday life.
- Real-world examples of how adhering to standards fosters quality assurance and safety.

### बीआईएस स्टैंडर्ड्स क्लब ने मानकों पर जागरूक किया

ब्यूरो/नवज्योति, जयपुर। मणिपाल विश्वविद्यालय जयपुर के कंप्यूटर एप्लीकेशन विभाग में बुधवार को भारतीय मानक ब्यूरो (बीआईएस) पर आधारित एक विशेष कार्यक्रम का आयोजन किया गया, जिसमें कुल 150 विद्यार्थियों ने उत्साहपूर्वक भाग लिया। इस कार्यक्रम के माध्यम से विद्यार्थियों को मानकों से संबंधित रचनात्मक और शैक्षणिक गतिविधियों में भाग लेने का अवसर मिला। कार्यक्रम की मुख्य अतिथि, भारतीय मानक ब्यूरो की संयुक्त निदेशक पूनम चौधरी ने बीआईएस मानकों पर अपना सत्र दिया और प्रश्नोत्तरी भी आयोजित की, जिसमें विद्यार्थियों ने गहरी रुचि से भाग लिया। कंप्यूटर एप्लीकेशन विभाग की प्रोफेसर एवं स्टैंडर्ड्स क्लब की संचालक डॉ. देवर्षि पल्लवी भट्ट ने पिछले पांच वर्षों में क्लब की उपलब्धियों को साझा किया। कार्यक्रम में विभिन्न प्रतियोगिताएं भी आयोजित की गईं जैसे रील निर्माण प्रतियोगिता, जिसमें विद्यार्थियों ने अपनी रचनात्मकता और तकनीकी कौशल का परिचय दिया। इसके अलावा, मानक लेखन प्रतियोगिता ने विद्यार्थियों को मानकों की प्रक्रिया को गहराई से समझने का अवसर दिया। इस आयोजन ने विद्यार्थियों को बीआईएस के कार्यों, उसके अहमियत और भारत में मानकों की भूमिका को गहराई से समझने का अवसर दिया, जिससे उनके ज्ञान और रुचि में उल्लेखनीय वृद्धि हुई।
