About Newsletter

The third issue of SPARK proudly highlights the remarkable achievements of our Electrical Engineering students in year-2024. This edition showcases success stories, including accolades in competitions, impactful training courses, and prestigious placements. It also features research breakthroughs with papers published in leading journals, emphasizing the department's commitment to innovation. From academic triumphs to inspiring alumni journeys, the newsletter captures the essence of excellence and perseverance. SPARK continues to serve as a platform to celebrate talent and share accomplishments within the department. Dive into this edition and explore the milestones that define our vibrant and dynamic EE community!

Skill Enhancements

Participation in Faculty Development Programme (FDP)

| Faculty Name | Organizing institution | Name of Event |
|--------------------------|--|---|
| Dr. Ritesh Singh | NITTR Chandigarh | AICTE Recognized FDP on "Curriculum Development aligned with NEP 2020" |
| Dr. Himanshu Priyadarshi | NITTR Chandigarh | AICTE Recognized FDP on "IoT Enabled Embedded Systems" |
| Dr. Himanshu Priyadarshi | Dept. of Business Administration, MUJ | FDP on "Fostering Creativity in Research across Disciplines and Career" |

Faculty Accomplishments

Ph.D. Awarded:

- Many congratulate to Dr. Himanshu Priyadarshi, Assistant Professor, for completion of Ph.D. from Manipal University Jaipur, Jaipur, India.

Research Outcomes

Journal Articles Published

- **Sweta Singh (Ph.D. Scholar), Neeraj Kanwar,** and Divya Zindani published a research paper titled as "3, 4-Quasirung Fuzzy Based Prospect Theory Approach for Identification of Suitable Microgrid Scenario" in scopus indexed journal *Journal of The Institution of Engineers (India): Series B* (2024): 1-11. (**SCOPUS-Q2**)
- **Neeraj Kanwar, Harshita Khandle,** and Vinay Kumar Jadoun published a research paper titled as "Performance Analysis of Reactive Power Circulation Control on Extra High Voltage Transmission System Parameters" in *IEEE Access* (2024). (**SCIE-Q2**)
- **Peeyush Garg** published a research paper titled as "Deformation and failure analysis of heterogeneous slope using nonlinear spatial probabilistic finite element method" in scopus indexed journal in *AIMS Mathematics*, 2024, 9(10): 26339-26370 (**SCIE-Q1**).

Conference paper presentations

- **Raj Kumar Soni (Ph.D. Scholar),** Manish Kumar Thukral, and Neeraj Kanwar published a research paper titled as "A comparative analysis of some recently proposed one-dimensional chaotic maps for IoT device data encryption." in conference AIP Conference Proceedings. (Vol. 3122. No. 1. AIP Publishing, 2024)
- Sunil Kumar Goyal, **Gaurav Gangil (Ph.D. Scholar),** and Amit Saraswat published a conference paper "A Review on Uncertainty Modelling Approaches for Stochastic Optimization in Power System." 2024 4th International Conference on Innovative Practices in Technology and Management (ICIPTM). IEEE, 2024.

Students Accomplishments

Students' Extra-circular Participation:

- **Ms. Arjavi Arya (229209006)**, student of V Semester, B.Tech. (Electrical and Computer Engineering), proudly represented Manipal University Jaipur as part of the university's football team in the **BITS Open Sports Meet (BOSM-2024)**, held at BITS PILANI, Rajasthan.

Students' Active Contributions:

- **Mr. Akash Mukherjee**, V Semester B.Tech. (Electrical and Computer Engineering) student, showcased organizational abilities as the Human Resource Director of **IEEE RAS** at MUJ. He successfully led the organization of Startup Weekend Jaipur by Google for Startups, an event that witnessed remarkable success with participation exceeding 150 attendees.

Students' Industry training:

- **Mr. Raghav Bhatia**, student of V Semester, B.Tech. (Electrical and Computer Engineering), during his summer vacation (July-September 2024), he visited Khanna Paper Ltd. and Pakka Ltd. to observe the Elixia AI system by Haber. Powered by Raspberry Pi, Elixia integrates sensors to monitor water quality and optimize paper production processes across various GSM types.

Alumni Accomplishments

Many congratulations our Alumni **Ms. Harshita Khandle** (*Alumni, B.Tech (Electrical and Electronics Engineering)-Batch 2017-21*), for getting admission in Master programme in "**Power Electronics, Electrical Machines and Drives**" at IIT Delhi.

Industrial Training courses
