VISION

Global Leadership in Higher Education and Human Development

MISSION

- Be the most preferred University for innovative and interdisciplinary learning
- Foster academic, research and professional excellence in all domains
- Transform young minds into competent professionals with good human values

VALUES

Integrity, Transparency, Quality, Team Work, Execution with Passion, Humane Touch

Chairperson's Message

Mr. S Vaitheeswaran

It gives me great pleasure to present the Annual Report 2024–25 of Manipal University Jaipur (MUJ). This year's report reflects the university's steady advancement, significant accomplishments, and unwavering dedication to fostering excellence in education, research, and societal engagement.

A major highlight of the year has been our continued strides toward the goals set under Vision 2025—our strategic blueprint for establishing MUJ as a globally recognised hub of learning and innovation. Vision 2025 aspires to cultivate an ecosystem that nurtures holistic learning, promotes interdisciplinary synergies, and instils strong ethical values in our students. Throughout the year, we have made substantial progress in aligning our academic offerings, research pursuits, and institutional culture with the aspirations of this vision.

Our students have brought laurels to the university through their exceptional achievements—whether in academics, research, sports, and cultural activities—enhancing MUJ's reputation as a vibrant and progressive institution. Our placement record this year has also been noteworthy, with students being recruited by leading organisations across diverse sectors. Equally commendable are our expanding outreach and socially driven initiatives, which reflect our firm commitment to contributing meaningfully to society.

I take immense pride in acknowledging the invaluable role of our faculty members. Their passion for teaching, innovation, and mentorship continues to drive the intellectual growth of the university. Their efforts have been instrumental in shaping confident, competent, and compassionate future leaders.

As we move ahead with renewed determination to fulfil the aspirations of Vision 2025, I express my sincere appreciation to all our stakeholders—students, faculty, staff, alumni, and partners—for their unwavering support. Your contributions has been central to our achievements and will continue to guide our journey forward.

With collective effort, enthusiasm, and shared purpose, I am confident that MUJ will continue to scale new heights and create a brighter, more impactful future for all.

President's Message

Dr. N N Sharma

It gives me immense pleasure to present the Annual Report for the academic session August 2024 to July 2025. This year has been a testament to Manipal University Jaipur's unwavering commitment to academic excellence, innovation, and holistic development. Our University continues to uphold the Manipal legacy while charting new pathways that reflect our vision for the future. Throughout this academic session, MUJ has made remarkable progress across teaching, research, collaborations, outreach, and student achievements. Our faculty have continued to lead with dedication and expertise, our students have excelled in diverse domains, and our administrative teams have supported every endeavour with efficiency and purpose. Together, we have built an ecosystem that encourages critical thinking, nurtures creativity, and inspires responsible global citizenship.

I am proud to highlight significant milestones in the University's standings and recognitions during this period. In the National Institutional Ranking Framework (NIRF) 2025, MUJ made notable strides with 58th rank in the overall University category, a rise from previous years. Our performance was further distinguished in key disciplines — including Engineering (58th), Architecture (21st), Law (32nd), and Management (81st) categories. MUJ was also recognized in the Innovation and Sustainable Development Goals (SDG) categories, securing places in the 11–50 band nationally, reflecting our commitment to inclusive excellence and sustainable impact. Maintaining rigorous quality standards, MUJ continues to hold an A+ grade from the National Assessment and Accreditation Council (NAAC). This accreditation underscores our adherence to high benchmarks in teaching-learning, research, infrastructure, and institutional governance. These accomplishments are not merely numbers on a chart; they symbolize the dedication and hard work of our entire community — faculty, staff, students, alumni, and partners. Our consistent upward trajectory in national rankings and quality assessments is a clear reflection of our strategic focus on excellence, innovation, and real-world relevance.

As we look forward, MUJ remains committed to fostering a learner-centred environment, promoting interdisciplinary education, and upholding the highest standards of quality and integrity. I extend my heartfelt appreciation to all faculty members, staff, students, parents, alumni, and partners for their steadfast support and contribution to the University's growth. I am confident that the momentum we have built will carry us into the next academic year with renewed energy and purpose. Together, we will continue to advance the mission and vision of Manipal University Jaipur and strengthen its position as a leading institution of higher learning.

Pro-President's Message

Dr. Karunakar A Kotegar

It is with great satisfaction that I present the Annual Report for 2024–25, a reflection of another year of purposeful growth, academic excellence, and institutional strengthening at Manipal University Jaipur (MUJ). This year has been marked by collective effort, strategic progress, and an unwavering commitment to quality across all domains of the university.

MUJ continues to advance steadily towards the aspirations of Vision 2025, our guiding framework for establishing the university as a leader in global education and research. Over the past year, we have intensified our focus on fostering interdisciplinary learning, expanding research capabilities, and creating an environment that inspires innovation, integrity, and holistic development. The initiatives undertaken across schools and departments demonstrate our consistent alignment with the goals of Vision 2025.

Our students have been at the forefront of this progress. Their achievements—whether in academics, research, cultural pursuits, sports, or community engagement—stand as testimony to the vibrant ecosystem that MUJ offers. The upward trajectory of our placement outcomes further underscores the confidence that leading organizations place in the capabilities of our graduates. Equally commendable has been the university's expanding role in community development and sustainability initiatives. Our outreach activities, social responsibility projects, and partnerships reflect MUJ's commitment to shaping responsible citizens and contributing to societal well-being.
I extend my sincere appreciation to our faculty members, whose dedication, expertise, and mentorship continue to elevate the academic and research landscape of MUJ. Their contributions remain central to the university's growth and to the success of our students.

As we approach the culmination of Vision 2025, I am confident that our persistent efforts, supported by the synergy of all stakeholders—students, faculty, staff, alumni, industry partners, and well-wishers—will propel MUJ towards even greater accomplishments. Let us continue working together with purpose and passion to strengthen our legacy and shape a future defined by excellence and impact.

Registrar's Message

Dr. Amit Soni

I am pleased to present the Annual Report 2024–25, which encapsulates a year of steady advancement, strengthened systems, and meaningful achievements at Manipal University Jaipur. The past year has been defined by collaborative effort and a renewed commitment to enhancing the academic, administrative, and operational framework of the University.

A significant part of our progress has been driven by the strategic priorities of Vision 2025, which continue to guide our institutional development. In line with this vision, we have worked consistently toward improving governance processes, streamlining administrative workflows, and ensuring greater efficiency across all departments. These initiatives have contributed to a more robust and responsive ecosystem that supports both academic excellence and student growth. This year has also witnessed notable achievements by our students and faculty members, reaffirming MUJ's position as a centre of learning, research, and holistic development. Enhanced placement outcomes, increased research visibility, and strong participation in co-curricular and cultural activities are reflections of the collective dedication of our university community.

We have taken proactive steps to ensure that our campus operations remain student-centric, technologically enabled, and in accordance with the highest standards of quality and compliance. Strengthening infrastructural facilities, enhancing digital platforms, and ensuring seamless academic and administrative support have remained key priorities throughout the year.

I extend my sincere appreciation to our faculty members, administrative staff, and support teams for their unwavering commitment to the University's mission. Their coordinated efforts have played a pivotal role in maintaining operational excellence and fostering a conducive environment for learning and innovation.

As we progress towards the goals outlined in Vision 2025, I am confident that MUJ will continue to expand its horizons and achieve new milestones. With the continued support of all stakeholders—students, parents, faculty, staff, alumni, and partners—we look forward to building an even stronger foundation for the years ahead.

Provost's Message

Dr. Nitu Bhatnagar

It is with great pride and a deep sense of responsibility that I present this message in the Annual Report of Manipal University Jaipur. The academic year under review stands as a testament to our collective commitment to excellence, innovation, and purposeful education.

Manipal University Jaipur has continued to strengthen its academic foundation by fostering a learner-centric ecosystem that integrates rigorous scholarship, interdisciplinary learning, and research-driven inquiry. Our faculty have remained at the forefront of teaching and research, contributing meaningfully to knowledge creation while mentoring students to become critical thinkers, ethical leaders, and responsible global citizens.

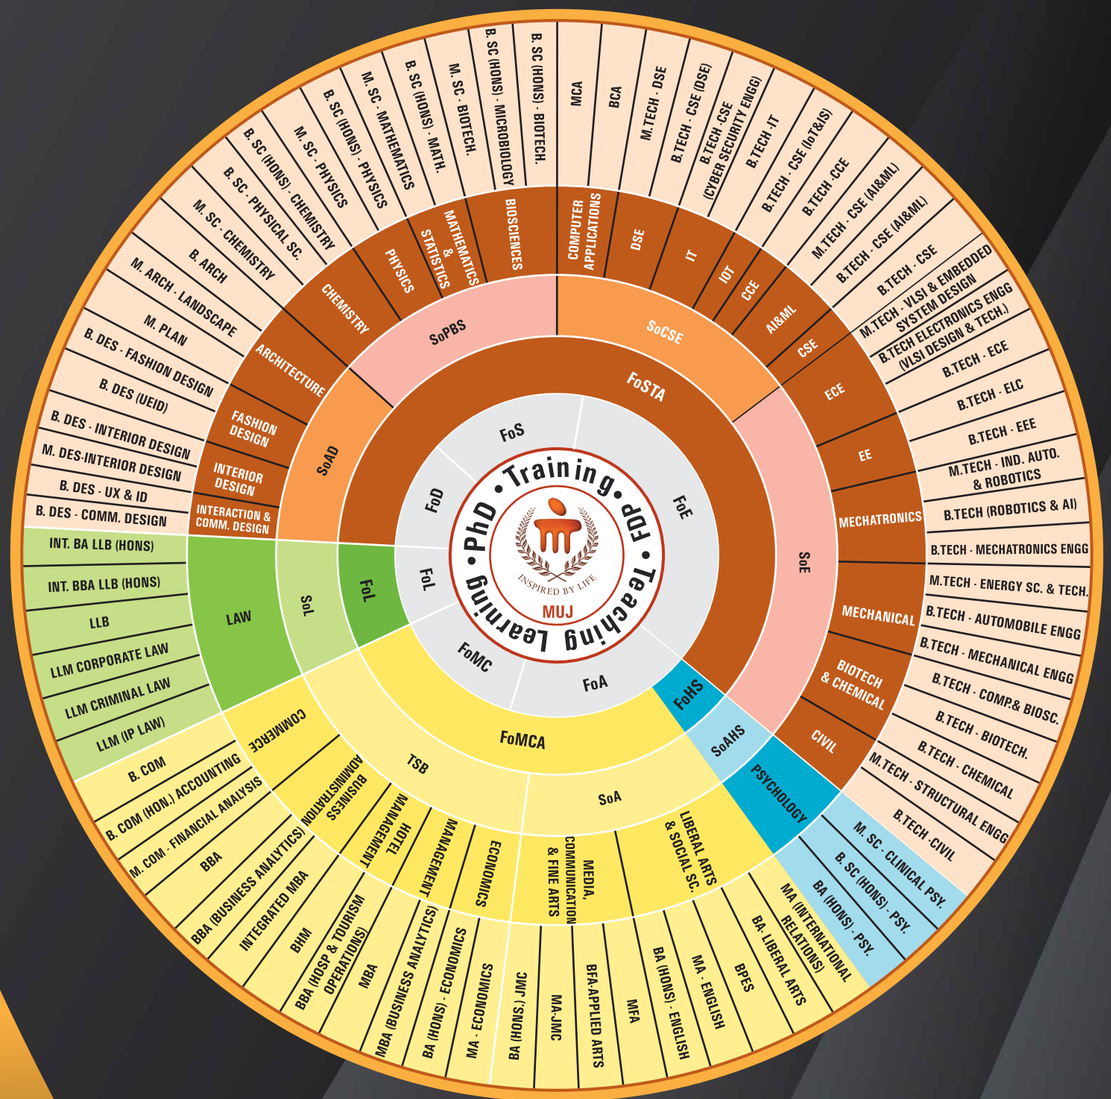

Research and innovation have been key pillars of our academic vision. During this year, the University has witnessed a steady growth in high-quality research publications, funded projects, patents, and industry collaborations. These achievements reflect our resolve to address contemporary societal challenges through impactful research and to bridge the gap between academia and industry.

Equally significant has been our focus on academic governance and quality assurance. Continuous curriculum revision, adoption of outcome-based education, and integration of emerging technologies have ensured that our programs remain relevant and future-ready. International collaborations, faculty development initiatives, and student exchange programs have further enriched our academic environment and global outlook.

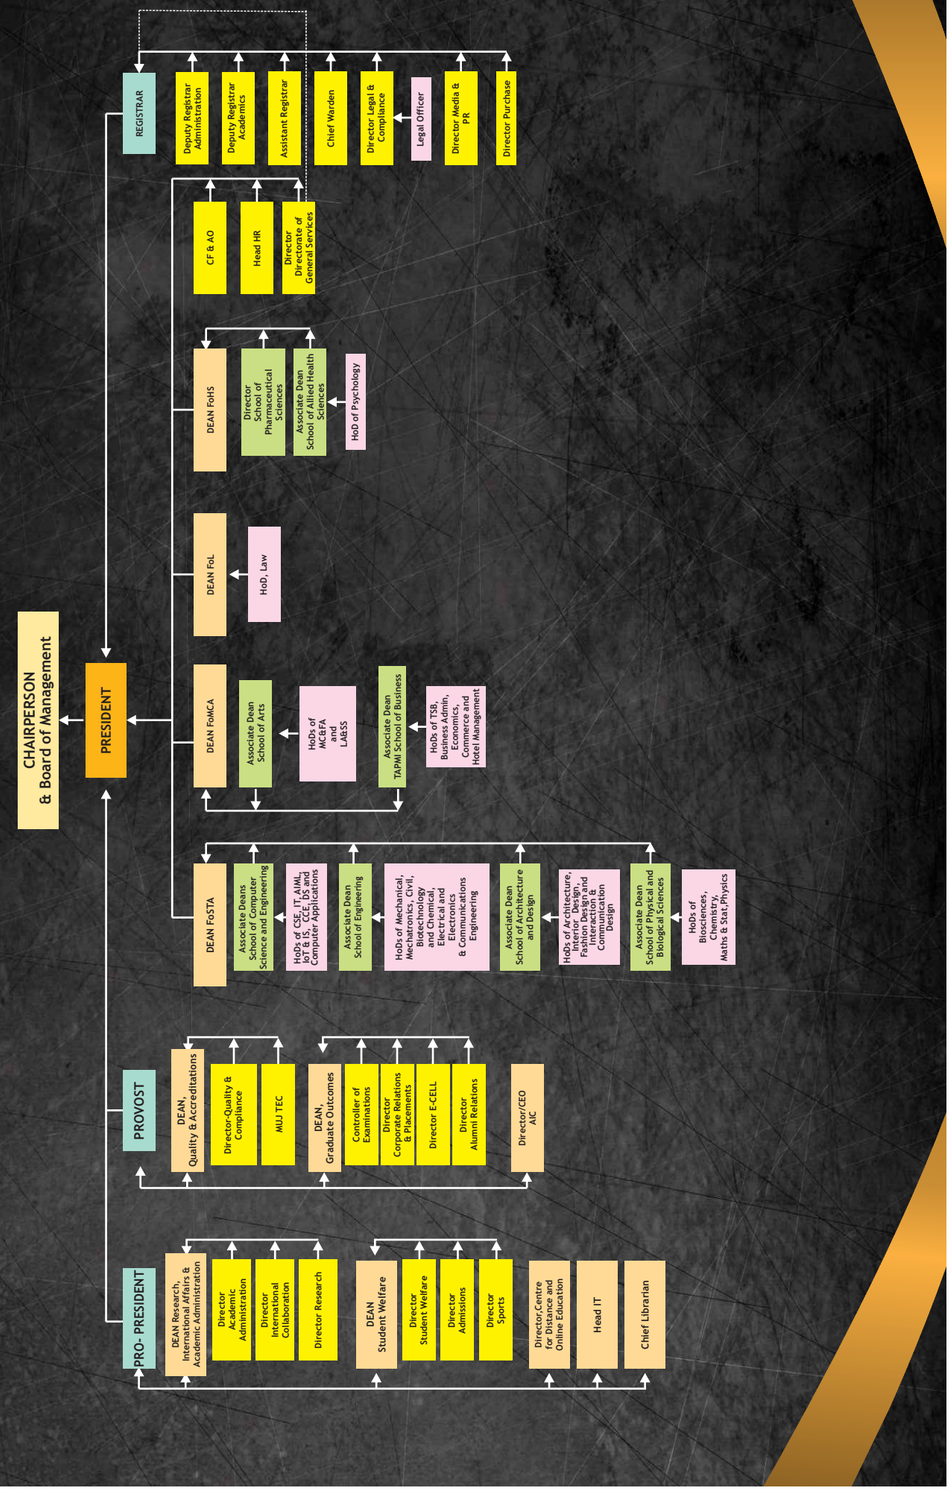

At the heart of all our endeavours are our students. Their achievements in academics, research, sports, cultural activities, and community engagement inspire us to continually raise the bar. We remain committed to nurturing not only professional competence but also values of integrity, empathy, and social responsibility.

I extend my sincere appreciation to all the faculty members, staff, students, alumni, and all stakeholders for their unwavering support and dedication to see our University with good rankings not only in National arena but International arena too. The progress documented in this report is a shared accomplishment, made possible through teamwork, resilience, and a shared vision. As we look ahead, Manipal University Jaipur will continue to pursue academic excellence, foster innovation, and contribute meaningfully to national and global development. Together, we shall strive to create knowledge that transforms lives and education that empowers generations.

Finance Department

About the Department

The Finance & Accounts Department of Manipal University Jaipur (MUJ) is located at main administrative block. It is the central financial hub of the University, entrusted with managing, monitoring, and reporting all financial and accounting activities. The Department ensures effective utilization of financial resources, statutory compliance, and transparent governance across all university functions, including academic, research, and infrastructure domains.

It serves as a key enabler in achieving MUJ's vision of academic excellence by providing timely and reliable financial insights to aid informed decision-making.

Message from the Chief Finance & Accounts Officer (CFAO)

The Finance Department of Manipal University Jaipur continues to play a pivotal role in ensuring financial prudence, operational efficiency, and compliance excellence. During FY 2024–25, the department successfully implemented several process improvements, including enhanced ERP-based reporting and real-time budget utilization monitoring. Our continued focus remains on supporting the University's strategic goals through sound financial management, transparency, and accountability.

CA Pradeep Chaturvedi
CF&AO

Vision, Mission, and Core Objectives

- **Vision:**
  To establish a financially robust, transparent, and sustainable financial management system that supports the University's vision of excellence in education and research
- **Mission:**
  To ensure efficient financial operations through sound accounting practices, compliance with statutory norms, and adoption of technology-driven solutions for real-time financial management
- **Core Objectives:**
  - To ensure accuracy, transparency, and accountability in all financial transactions
  - To implement efficient systems for budgeting, financial planning, and monitoring
  - To strengthen compliance with regulatory and statutory requirements

Team and Structure

Key Team Members (FY 2024–25)

- CA Pradeep Chaturvedi – Chief Finance & Accounts Officer
- CA Navsheel Sharma – Manager (Finance & Accounts)
- Mrs. Deepthi Rajeev – Deputy Manager (Finance & Accounts)
- Mr. Jogendra Singh – Assistant Manager (Finance & Accounts)
- Team of 13+ skilled finance professionals managing University-wide operations

Key Functions and Roles

Summary of Major Responsibilities

- Preparation of Annual Financial Statements in accordance with IND AS and statutory audit requirements
- Budget formulation and monitoring for all Schools, Centres, and Directorates
- Vendor payments and Accounts Payable management with due process controls
- Payroll management, including compliance with PF, ESI, NPS, and gratuity provisions
- Taxation and statutory filings – TDS, GST, Income Tax, and Labour Cess
- Student finance operations – Fee collection, scholarships, refunds, and record reconciliation
- Project finance management – Grants, research funding, and utilization tracking
- Cash flow and treasury management, including bank operations and investment monitoring
- Internal control and audit coordination – Ensuring compliance and governance standards

Human Resources

About the HR

The Human Resources Department of Manipal University Jaipur (MUJ), functions as a key administrative and strategic unit supporting institutional governance, academic quality enhancement, and organizational effectiveness. The Department is responsible for comprehensive human resource management, including recruitment and selection, faculty and staff onboarding, service conditions, performance appraisal, promotions and career advancement, compensation and benefits administration, payroll administration policy formulation, and employee welfare across academic, research, and administrative functions.

The Department plays a critical role in facilitating compliance with statutory, regulatory, and accreditation requirements and contributes significantly to national and international accreditation and ranking exercises such as NAAC, NIRF, and other regulatory frameworks. It ensures the systematic collection, validation, maintenance, and timely submission of faculty- and staff-related quantitative and qualitative data, thereby supporting institutional data integrity, transparency, and evidence-based reporting in alignment with prescribed accreditation norms and benchmarks.

Further, the Human Resources Department actively contributes to institutional best practices by promoting employee engagement, capacity building, and organizational culture. Structured initiatives such as Induction Programs for newly appointed faculty and staff, Xpressions for employee engagement, and the MUJ Excellence Awards for recognition of performance and contributions are implemented to enhance faculty and staff satisfaction, foster professional development, and strengthen institutional values. Through its strategic alignment with quality assurance processes and people-centric practices, the HR Department serves as an enabler in achieving MUJ's vision of academic excellence, continuous improvement, and sustainable institutional development.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Message from the Head-HR

At Manipal University Jaipur, human capital remain the cornerstone of academic excellence, research advancement, and institutional growth. The Human Resources Department is committed to strengthening this foundation through transparent governance, quality-driven practices, and strategic alignment with the University's objectives.

During the year, the Department focused on streamlining HR processes, strengthening policy frameworks, and ensuring compliance with statutory, regulatory, and accreditation requirements. A key priority was supporting accreditation and ranking exercises, including NAAC and NIRF, through systematic data management, accurate documentation, and timely reporting. These efforts contributed to enhanced institutional transparency, accountability, and evidence-based decision-making.

Alongside governance and compliance, the HR Department continued to foster a positive and inclusive work culture. Structured Induction Programs supported the effective integration of new faculty and staff, while employee engagement initiatives such as Xpressions promoted collaboration and participation. The MUJ Excellence Awards recognized outstanding contributions, reinforcing a culture of performance, motivation, and institutional pride.

Looking ahead, the Department is focused on building a more integrated, technology-enabled, and data-driven HR ecosystem. Emphasis will be placed on talent development, process optimization, and continuous quality improvement to support academic excellence and organizational effectiveness. By aligning human resource strategies with quality assurance frameworks and best practices, the HR Department will continue to contribute proactively to enhanced institutional rankings, sustainable growth, and long-term value creation.

I sincerely acknowledge the continued support of the University leadership, faculty, and staff in advancing our shared vision for Manipal University Jaipur.

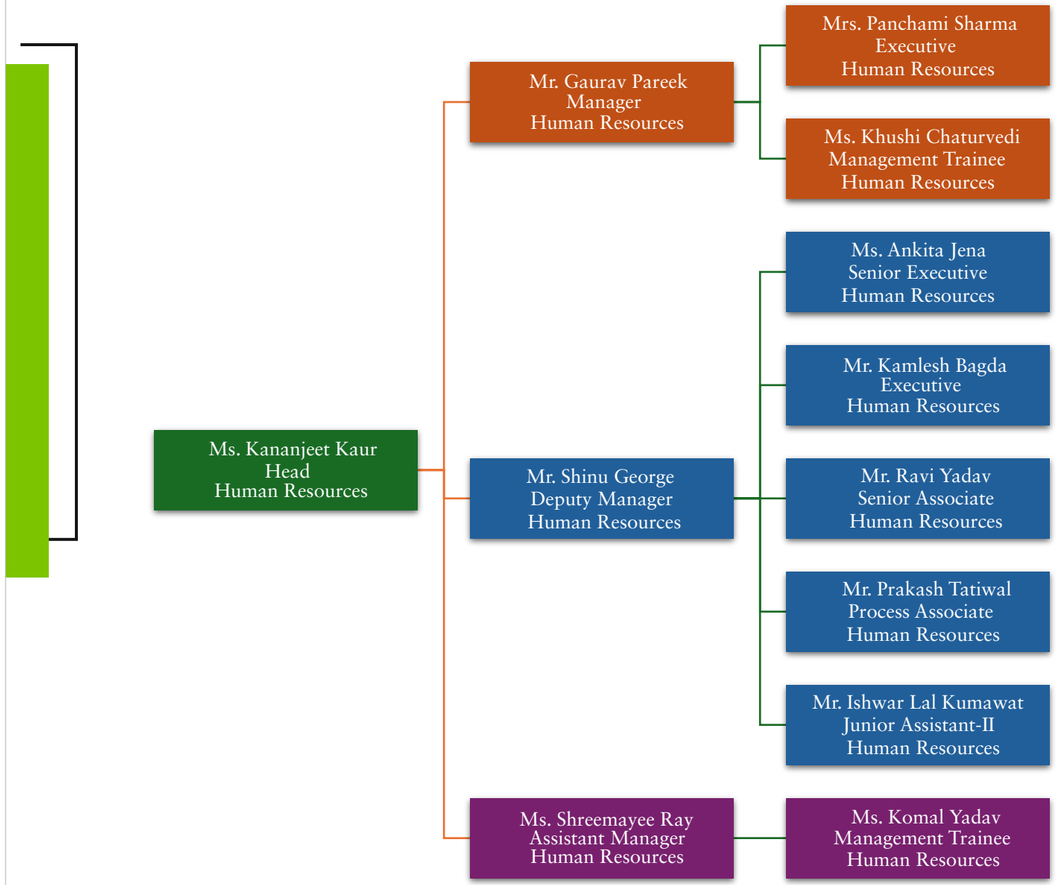

Ms. Kananjeet Kaur
Head- Human Resources

Core Objectives

- To manage the complete employee life-cycle in accordance with University policies and regulatory norms
- To ensure systematic collection, validation, and timely submission of HR data for accreditation, ranking, and statutory reporting
- To strengthen institutional governance through policy formulation and process standardization
- To enhance employee engagement and recognition initiatives
- To facilitate faculty and staff development aligned with institutional goals and quality benchmarks
- To become an employer of choice

Team and Structure

Key Functions and Roles

Functional Area	Summary of Major Responsibilities
Human Resource Planning & Recruitment	Workforce planning and recruitment of faculty and staff through transparent, merit-based processes in accordance with University policies and regulatory norms
Employee Lifecycle Management	Administration of appointments, onboarding, confirmations, transfers, promotions, career progression, and separations
Performance Management & Appraisal	Implementation and monitoring of performance appraisal systems and faculty promotion processes aligned with institutional objectives

Compensation & Benefits Administration	Administration of pay structures, benefits, leave, and service-related entitlements in compliance with statutory and institutional guidelines.
Payroll Administration	Timely and accurate payroll execution with strict statutory compliance, efficient salary disbursements, and streamlined reimbursement processes. Maintains robust payroll data integrity and collaborates with HR and Finance to ensure smooth, audit-ready payroll operations across the year.
Policy Formulation & Governance	Development, implementation, and periodic review of HR policies, rules, and SOPs to ensure effective governance and transparency.
Statutory & Regulatory Compliance	Ensuring adherence to applicable labour laws, statutory requirements, and regulatory frameworks.
Accreditation, Ranking & Data Management	Collection, validation, maintenance, and timely submission of HR-related data for NAAC, NIRF, and other accreditation and ranking bodies-making.
Employee Engagement & Recognition	Planning and execution of engagement and recognition initiatives such as *Induction Programs*, *Xpressions*, and the *MUJ Excellence Awards*.
Training & Capacity Building	Facilitation of faculty and staff development initiatives for skill enhancement and continuous quality improvement.
Stakeholder Coordination & Support	Coordination with academic units, administrative departments, IQAC, and University leadership to support institutional initiatives and decision.

Learning & Development Initiatives

During the academic year 2024–25, Manipal University Jaipur implemented a comprehensive and structured Learning & Development (L&D) framework aimed at strengthening academic quality, leadership capability, statutory compliance, functional competencies, and employee well-being. The initiatives were designed to ensure inclusive and continuous professional development for faculty members, non-teaching staff, security personnel, and housekeeping teams across the University.

• L&D at a Glance

Participants Trained	Training Man -Hours	Training Man -Days
3,173	20,850.5	2,618.88

Key Focus Areas

- **Faculty Development:**
  Faculty capacity building remained a key priority through Orientation Programs, Pedagogic Effectiveness Workshops, Research Proposal Development Workshops, HR Conclaves, and School-wise Faculty Retreats conducted across Engineering, Management, Law, Architecture, Health Sciences, Arts, and allied disciplines.

- **Leadership & Talent Development:**
  Leadership readiness was strengthened through the Young Leaders Development Program (YLDP), YLDP Project Review Meetings, NTS Empowerment Training Programs, and institution-level initiatives such as Retreat 6.0.

- **Compliance & Governance:**
  Statutory and regulatory compliance was reinforced through POSH Awareness Programs, Examination Awareness Sessions, Financial Literacy Programs, Health Awareness Sessions, and consultation workshops aligned with national regulations.

- **Skill Development & Staff Training:**
  Functional skill enhancement initiatives included Employability Skills Development, Fire Fighting and Safety Training for security personnel, and structured housekeeping staff training under the "Welling Together" initiative.

- **Employee Engagement & Well-being:**
  Employee engagement and well-being were promoted through initiatives such as the SMILE 5.0 Closing Ceremony, Health Check-up Sessions, and wellness-focused programs fostering a positive and inclusive work environment.

Month-wise L&D Snapshot

Period	Major Interventions
Aug–Sep 2024	Orientation Programs, YLDP, HR Conclaves, Safety & Awareness Sessions
Oct–Dec 2024	Employability Skills, Induction Programs, Housekeeping Training, SMILE 5.0
Jan–Feb 2025	Orientation Programs, Retreat 6.0, Staff Training
Mar 2025	Pedagogic Effectiveness Workshops, School -wise Faculty Retreats
Apr–May 2025	POSH Awareness, NTS Empowerment, Health & Wellness Programs
Jun–Jul 2025	Pedagogy Workshops, Research Proposal Development, YLDP Review

Institutional Impact

The Learning & Development initiatives undertaken during 2024–25 significantly enhanced professional competencies, leadership preparedness, compliance awareness, and employee engagement. The systematic and data-driven approach ensured measurable outcomes and strengthened the University's alignment with NAAC and NIRF accreditation frameworks, contributing to sustained institutional quality enhancement and organizational growth.

Centre for Distance and Online Education

Dr. Mallikarjuna Gadapa
Director, CDOE

About the CDOE

Established in 2020, the Centre for Distance and Online Education (CDOE) at Manipal University Jaipur (MUJ) has been envisioned as a hub for accessible, inclusive, and future-ready higher education. With a mission to democratize learning, CDOE extends high-quality online degree programmes to individuals across the globe—particularly those who may not have access to conventional learning systems or working professionals seeking to advance their careers while continuing their professional commitments.

CDOE offers UGC-entitled online degree programmes in accordance with the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020. The Centre currently delivers comprehensive programmes in key domains including:

- Management (BBA, MBA),
- Commerce (B.Com, M.Com),
- Computer Applications (BCA, MCA),
- Journalism & Mass Communication (MA-JMC), and
- Economics (MA Economics)

These programmes are meticulously designed to be academically robust, industry-relevant, and learner-centric. Delivered through a state-of-the-art Learning Management System (LMS), the online model offers flexibility, affordability, and convenience, empowering learners to study anytime, anywhere, and at their own pace.

To ensure a holistic academic experience, learners are supported throughout their educational journey via a multi-layered academic and administrative framework. This includes:

- A dedicated student portal,
- Mentorship by experienced course coordinators,
- Dedicated Student Support helpdesk,
- Immersive and interactive course content,
- Regular social and professional engagement opportunities, and
- Career support and advisory services.

The immersive digital ecosystem at CDOE simulates a near real-world academic environment, enriched with innovative pedagogical tools and cutting-edge technology that foster deeper engagement and better learning outcomes.
CDOE has emerged as a trusted choice for online education, with over 85,000 learners from 2000+ towns and cities across India and 60+ countries worldwide, marking its global footprint and reaffirming its commitment to shaping the future of online education.
Under corporate tie-ups, employees from BDO Rise Private Limited, Encardio-Rite Electronics Pvt. Ltd., Indigo, Aditya Birla Group, Manappuram Finance Ltd., TVS Credit Services Ltd., and Multiplier Brand Solutions Pvt. Ltd. have enrolled in MUJ's online degree programs. CDOE will continue to strengthen such partnerships to promote workforce development and professional education.

Message from the Director – CDOE

The CDOE at Manipal University Jaipur is committed to carrying forward the 75+ year legacy of the Manipal Group into the digital era. We are proud to offer Online Degree Programs that uphold the academic rigor and values of the University, while providing learners with the flexibility to pursue education anytime, anywhere, and at their own pace.
Our programs are thoughtfully designed to mirror the quality of regular mode, with the additional advantages of online learning. Students benefit from faculty-led interactive video sessions (both synchronous and asynchronous), mobile-friendly digital self-learning materials, and discussion forums that foster vibrant peer-to-peer and faculty interaction. These features make our programs equally relevant for conventional learners, working professionals, housewives, and individuals seeking to restart or advance their careers, ensuring that education remains inclusive and aspirational.
During 2024–25, we have made remarkable strides. The Centre for Distance and Online Education (CDOE) launched 25+ SWAYAM courses under the IIM-Bangalore umbrella, registering participation from over 65,000 learners worldwide—a testimony to the global acceptance of MUJ's academic quality. We continue to expand our offerings across Commerce, Economics, Management, Computer Applications, Journalism, and Mass Communication, thereby creating pathways for learners at both graduate and postgraduate levels.
Through these initiatives, CDOE at MUJ is actively contributing to the Government of India's vision of achieving 50% Gross Enrolment Ratio (GER) by 2035. By democratizing access to quality education, we are empowering learners from diverse geographies and backgrounds to transform into competent professionals and responsible citizens.
As we look ahead, our focus remains on innovation, quality, and learner success, ensuring that MUJ continues to be a trusted leader in online higher education.

Dr. Mallikarjuna Gadapa
Director, CDOE

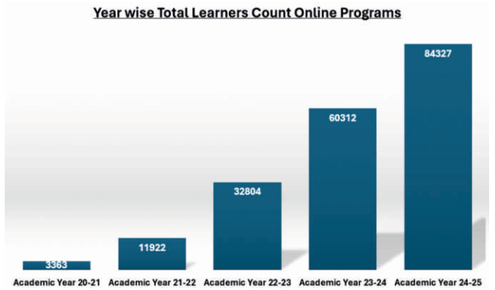

Team & Structure

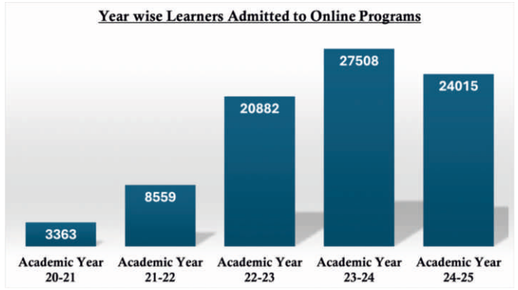

The Centre for Distance and Online Education (CDOE) at Manipal University Jaipur is supported by a strong academic team comprising approximately 80 dedicated full-time faculty members. Notably, over 95% of the faculty hold PhDs from reputed national and international universities, ensuring academic excellence and subject expertise.

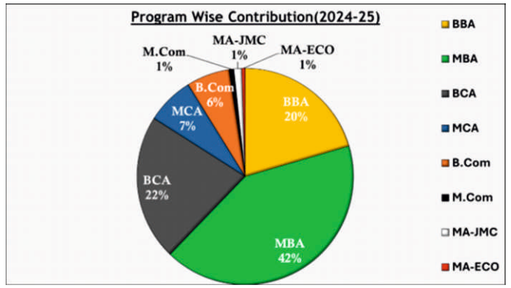

In addition to the core faculty, CDOE engages 100+ adjunct faculty members, Subject Matter Experts (SMEs), and industry professionals from diverse domains. This blend of academic and industry expertise enriches the learning experience by bridging theoretical knowledge with real-world applications, thereby fostering a more practical and future-oriented educational environment.

Faculty Development Programs: Lectures/workshop/session conducted

The Centre for Distance and Online Education (CDOE) organized a two-day Hands-On Training Programme on the Development of E-Tutorials on 30th September and 1st October 2024. The session aimed to enhance the digital content creation skills of faculty members and provide practical exposure to modern tools and techniques of e-tutorial development. Attendance was mandatory for all faculty members of the department, ensuring active participation and uniform skill upgradation.

Capacity Building Training and Orientation Program for Course Mentors

A total of seven training sessions was organized for Course Mentors during the year (April 2024-March 2025). Of these, three were Process Quality Enhancement Training Sessions focused on conducting live sessions effectively, ensuring seamless execution, and enhancing the overall quality of our live sessions. These sessions were attended by 33 mentors. The remaining four sessions were Orientation Programs designed for 81 newly onboarded mentors, equipping them with the necessary guidance and support to excel in their roles.

3rd Convocation

The third convocation for the learners of online degree programs was conducted on 7th December 2024. 4015 learners qualified to graduates. 699 learners received the degree in person and 331 received in absentia.

Student Induction Program

Student Induction Program (SIP) for newly admitted students of 'Academic Session Feb-March 2025' was organized on 5th April 2025.

Student Connect Program – EKAM

The Centre for Distance and Online Education organized the 4th student connect program – EKAM on 26th April 2025. With over 350 participants across the globe, the event was a resounding success, providing a platform for fun-filled, interactive sessions.

One Week FDP

11 Faculty completed one week FDP on 'Excellence in Learner-Centric Pedagogy' on 26, Apr 2025 at IIM Bangalore which includes one day on campus immersion.

Two Days Capacity Building Programme

CDOE in collaboration with MUJ-TEC organized 'Two Days Capacity Building programme to Design and Develop Courses for Swayam Platform from 19th and 22nd May 2025.

Immersion Programs

CDOE organized two campus-based immersion programs for online learners, combining professional learning with cultural exposure. 113 learners participated in the Computer Integrated Technologies Program and 158 learners attended the Bloomberg Financial Research Analyst Program. This one week immersion initiative offered hands-on industry experience alongside exploration of Jaipur's heritage, reflecting the university's vision of blending academic excellence with real-world exposure.

Workshop

The Learner Listening Workshop, held in Bengaluru on 12th July 2025, was part of CDOE's ongoing quality assurance and learner feedback initiative. Engaging learners from BBA, MBA, BCA, and MCA programs, the workshop provided valuable insights into content effectiveness, relevance, and engagement, which will inform continuous improvements in our e-learning offerings.

Dr Lalita Ledwani

Dean – Research, International Affairs & Academic Administration

- Directorate of Academic Administration
- Directorate of International Collaborations
- Directorate of Research

It is a matter of great pride to present the overview of Research, International Affairs & Academic Administration at Manipal University Jaipur (MUJ) for the academic year 2024–2025. Research, global engagement, and effective academic administration remain integral to the University's vision of advancing knowledge, addressing societal challenges, and contributing meaningfully to national and international development. This integrated functional unit serves as a strategic enabler, fostering a dynamic ecosystem that promotes inquiry, collaboration, integrity, efficiency, and impact.

During the year under review, MUJ continued to strengthen its research culture through focused support for high-quality, interdisciplinary, and translational research across faculties. Efforts were directed toward enhancing research productivity, improving the quality and impact of publications, and encouraging participation in funded research projects. Faculty members and research scholars were supported through robust policies, transparent governance, and continuous mentoring aligned with global standards.

Capacity building and researcher development remained a key priority in 2024–2025. The functional unit organized workshops, training programmes, and expert lectures on research methodology, ethics, intellectual property rights, grant writing, and publication strategies. Special emphasis was placed on mentoring early-career researchers and doctoral scholars, strengthening their competencies in proposal development, ethical compliance, and dissemination of research outcomes.

International collaboration emerged as a significant area of progress, with active engagement in partnerships with national and international universities, research institutions, and industry. These collaborations facilitated joint research initiatives, faculty and scholar exchange, collaborative publications, and knowledge transfer, enhancing MUJ's global academic and research visibility.

Academic Administration played a vital role in ensuring the smooth implementation of academic policies, regulatory compliance, and effective academic governance. Streamlined academic processes, coordination with statutory bodies, and increased digitalization supported efficient curriculum management, research administration, and academic planning.

In line with MUJ's commitment to academic integrity and responsible research, strict adherence to ethical standards, regulatory frameworks, and quality benchmarks was ensured. Strengthened mechanisms for ethics review, plagiarism prevention, data management, and funding compliance upheld transparency, accountability, and credibility across academic and research activities.

I sincerely acknowledge the support of the University leadership and the dedicated efforts of faculty members, researchers, scholars, international partners, and administrative teams. As we move forward, the University remains committed to fostering innovation, strengthening international engagement, and enhancing academic governance, thereby reinforcing Manipal University Jaipur's position as a centre of academic and research excellence.

Directorate of Academic Administration

About the Directorate

The focal point of our university's endeavours lies in academics, where the Directorate of Academic Administration (DoAA) diligently orchestrates all academic pursuits. Continuously striving for excellence, the Directorate assimilates the finest practices by leveraging the collective intellectual prowess of academia and various stakeholders. Our institution adheres to comprehensive and standardized procedures, ensuring the continual enhancement of course curricula through the development of new programs and regular revisions to existing ones.

The Directorate's primary mission is to cultivate an educational journey characterized by its rigor, adaptability, and relevance. Each day presents an opportunity to discover novel ideas and share them within the vibrant settings of classrooms, laboratories, seminar halls, and workshops. Committed to continual enhancement, the Directorate strives to elevate and broaden our curriculum, facilities, and technological resources. With a firm belief in the uniqueness of every student and their inherent talents, the Directorate of Academics endeavours to create an environment that hones their cognitive abilities, fosters effective communication, nurtures individual gifts, and guides them towards achieving excellence through dynamic and participatory learning experiences. At Manipal University Jaipur, our educational program emphasizes the cultivation of a global mindset, emphasizing the development of students' learning capacities while prioritizing ethical values within diverse multicultural contexts.

MANIPAL UNIVERSITY JAIPUR

DIRECTORATES & FUNCTIONAL UNITS

Message from the Director

Dr. Abhijeet Singh
Director
Academic Administration

The Directorate of Academic Administration remains committed to fostering academic excellence by ensuring robust policies, transparent processes, and student-centric initiatives. Over the past year, we have strengthened curriculum design, enhanced the integration of Outcome-Based Education, and streamlined academic services through technology-enabled platforms. With a focus on continuous improvement, we have supported faculty in delivering high-quality teaching and empowered students with flexible learning opportunities. As we move forward, the Directorate will continue to uphold the highest academic standards while nurturing innovation, collaboration, and holistic development across the University.

Vision, Mission, and Values

Vision:

- **Excellence in professional programs fostering industry ready scholars for societal needs and sustainable development**

Mission:

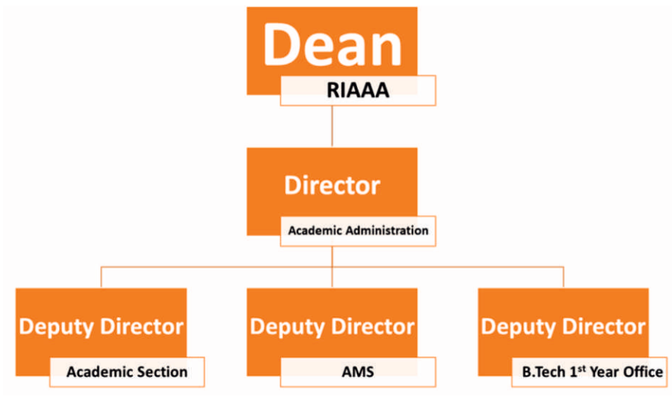

- **To facilitate academic programs for developing curriculum focused on dynamic learning environment**
- **To develop a cross-cultural student centric academic environment in the university**
- **To implement best practices in outcome based teaching-learning**

Values:

- **Integrity, Transparency, Quality, Accountability and Teamwork**

Team and Structure

Organizational Structure

Names and designations of key team members:

- Prof. Abhijeet Singh (Professor & Director)
- Dr. Susruta Samanta (Associate Professor & Deputy Director)
- Dr. Kusum Lata Jain (Associate Professor & Deputy Director)
- Dr. Dalip Singh Shekhawat (Associate Professor & Deputy Director)

Key Functions and Roles

Summary of major responsibilities:

1. Academic Policy & Regulations
   - Frames and updates academic rules, regulations, and structures in alignment with statutory and accreditation requirements
   - Ensures compliance with academic credit structures, attendance, probation, and termination policies
2. Curriculum Design & Development
   - Oversees program structures and course frameworks (Core, Flexi Core, Electives, MOOCs, MLCs, VACs, etc.)
   - Coordinates syllabus design, revisions, and alignment with Outcome-Based Education (OBE)
   - Prepares and circulates Academic Handbooks for all programs
3. Academic Sessions & Timetable Management
   - Plans academic calendar (Odd, Even, Summer semesters) ensuring 12–16 weeks teaching duration
   - Standardizes timetable structure and ensures class-hour allocation per credit
4. Evaluation & Grading
   - Defines university-wide examination and evaluation policies
   - Ensures moderation of question papers, blueprint compliance, and transparent grading (relative/absolute)
   - Manages policies for project, internship, and seminar evaluation
5. Student-Centric Academic Processes
   - Handles academic registrations (regular, pre-registration, re-registration)
   - Manages interdisciplinary courses, MOOCs, and value-added learning
   - Collects and integrates student feedback for teaching-learning improvement
6. Quality Assurance & Monitoring
   - Monitors program outcomes (OBE attainment, result analysis, stakeholder feedback)
   - Tracks academic audit findings and supports corrective measures
7. Technology & Data Management
   - Maintains and upgrades the SLcM portal (academic database for students, faculty, and parents)
   - Supports digital teaching-learning tools, registration, timetable, and examination workflows
8. Coordination & Communication
   - Acts as nodal point for academic issues across departments, schools, and faculties
   - Supports statutory meetings (BoS, Faculty Board, Academic Council)
   - Provides timely communication on academic guidelines, calendars, and compliance requirements

MANIPAL UNIVERSITY
JAIPUR

DIRECTORATES & FUNCTIONAL UNITS

Services/Support offered by the Directorate:

1. Guidance on academic regulations, registration, and credit requirements
2. Assistance with course/program approvals and MOOC credit transfers
3. Support for curriculum design, OBE implementation, and syllabus revisions
4. Faculty/student support via SLcM portal and academic handbooks
5. Training/orientation for faculty on academic processes
6. Structured communication with HoDs, Deans, and Faculty Boards

Major Activities and Events

Student Induction Program 2024

Manipal University Jaipur successfully organized the Induction Program for newly admitted B.Tech 1st-year students from August 27 to September 11, 2024. The program was designed to orient students to the university's academic culture, faculty, infrastructure, and support systems, thereby ensuring a smooth transition into their engineering journey.

Key objectives included introducing students to MUJ's vision and values, providing academic and administrative briefings, fostering interaction between students and faculty, and motivating students to embrace both academic and extracurricular opportunities.

Program highlights included inaugural Session with university leadership, emphasizing holistic education. Academic and Administrative Briefings covering curriculum, grading, hostel facilities, and career guidance; Guest Lectures and Industry Talks by eminent speakers, including Deepak Mishra (Infosys), Sandhya Singh (Volvo Cars), Dr. Gouri Chauhan, Ms. Mollika Ganguly (Auroville Foundation), and Prof. Anil Sahasrabudhe (Chairman of NETF, EC-NAAC and NBA); Workshops and Interactive Sessions on coding, soft skills, and innovation; Cultural and Extracurricular Activities fostering team spirit and talent showcasing.

The program was held in two phases: 27th – 30th August 2024: University-wide Induction (Online Mode) and 2nd – 11th September 2024: Faculty-wise Induction (Online Mode). The event concluded successfully, with enthusiastic participation and positive feedback highlighting its effectiveness in instilling confidence, a sense of belonging, and readiness for the academic journey ahead.

Expert Talk on "Ikitai to Ikigai" by Nupur Tewari

On October 8, 2024, the Directorate of Academics, Manipal University Jaipur, organized an inspiring expert talk on the theme "Ikitai to Ikigai: Discover Your Path to Purpose and Productivity" by Ms. Nupur Tewari, a globally renowned mindfulness and transformation coach based in Japan. The session, held in the University Auditorium, witnessed an enthusiastic participation of over 400 students, who gained valuable insights into productivity, self-discovery, and the Japanese philosophies of Dandori, Bunseki, Kaizen, and Ichi-go Ichi-e.

As the founder of Connect India Japan, Heal Tokyo, and Heal India movements, Ms. Tewari shared her journey of spreading positivity and transformation worldwide, blending Japanese wisdom with practical approaches for personal growth. The event offered students a life-changing opportunity to reflect on their purpose, balance, and productivity.

This program was one of the key highlights of the year, being the first time such a unique global perspective on Ikigai was introduced at MUJ, leaving a deep and lasting impact on the participants.

Special Session on "Right Understanding and Harmony" for Housekeeping Staff

The Universal Human Values (UHV) Cell of Manipal University Jaipur organized a special session on "Right Understanding and Harmony" for the university's housekeeping staff. The session focused on fostering mutual respect, teamwork, and harmony within the workplace.

It provided the participants an opportunity to reflect on their roles and relationships, both within their teams and across the larger MUJ community. This initiative emphasized the importance of inclusivity and value-based engagement, extending MUJ's ethos of holistic development to all members of its ecosystem.

The UHV Cell acknowledges the constant encouragement and support of MUJ Leadership, which enabled the successful execution of this impactful program.

Inauguration of the New Lecture Hall Complex by Hon'ble Union Minister of Education

On 19th June 2025, Manipal University Jaipur had the honor of hosting Shri Dharmendra Pradhan, Hon'ble Union Minister of Education, Government of India, for the inauguration of the newly constructed Lecture Hall Complex (LHC). This landmark event marked a significant milestone in the university's commitment to expanding state-of-the-art infrastructure for quality education.

The program commenced at Smt. Vasanti R Pai Auditorium, where faculty, staff, and research scholars gathered to witness the historic occasion. The Hon'ble Minister unveiled the new LHC, designed to enhance academic engagement through modern learning spaces. The event was conducted with due decorum, reflecting the university's culture of discipline and dignity.

This event not only strengthened MUJ's academic vision but also symbolized its continuous journey towards excellence in higher education.

Achievements & Highlights

- The new Lecture Hall Complex was inaugurated by the Hon'ble Union Minister of Education. This marks a significant achievement in enhancing instructional excellence and advancing MUJ's academic vision.
- An impressive 3116 students from MUJ got certified via SWAYAM and 198 students were placed in the "Toppers" category (top 5% scorers across India). This has resulted in MUJ securing "AA" ranking as an active local chapter of the SWAYAM/NPTEL platform.
- 10 designated classrooms were converted to Smart Classrooms with live A/V recording and these were appreciated and successfully utilized by the students.

Collaborations and Engagement

- Manipal University Jaipur has been recognized as a Nodal Centre for SWAYAM fostering lifelong learning beyond boundaries.
- DoAA at MUJ fosters academic and industrial partnerships by mandating the inclusion of representatives from universities, research organizations, educational institutions, and industry partners in the Departmental Board of Studies (BoS). This ensures collaborative curriculum development, joint research, faculty exchange, and alignment of programs with real-world industry requirements, enhancing teaching methodologies, program quality, and bridging the gap between academic learning and industry needs.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

- DoAA actively involves the feedback of internal and external stakeholders, including alumni, employers, and statutory bodies, in academic decision-making, governance, and curriculum updates by regularly collecting feedback, ensuring alignment with emerging trends and compliance with regulations.

Directorate of International Collaborations (DoIC)

About the Directorate

The Directorate of International Collaborations (DoIC) was established to promote internationalization and strengthen partnerships with leading global institutions. The Directorate facilitates collaborations through student and faculty exchange, semester-abroad programs, mobility initiatives, and higher education opportunities, by signing Memoranda of Understanding (MoUs) with reputed universities and organizations worldwide.

Headed by Prof. Ravi Kumar Sharma, the Directorate fosters networking among students and faculty across partner institutions, enabling them to gain practical exposure to international work environments, dynamic industrial settings, and collaborative academic and research opportunities.

To enhance social, cultural, and global competencies among stakeholders, the Directorate organizes a variety of activities such as International Culture Day, Cross-Cultural Culinary Workshops, Cultural Immersion Trips, and the Explore India Programme. Additionally, it regularly hosts presentations, interaction sessions, and meetings with international academic and industry partners for both students and faculty of MUJ.

Interactions between visiting delegates and the MUJ Leadership Team are arranged to further strengthen partnerships at the highest level, often leading to the signing of new MoUs or cooperation agreements. The Directorate also coordinates with departmental heads to ensure credit mapping and parity for exchange programs and collaborative courses.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Message from the Director

It gives me immense pleasure and pride to share that Manipal University Jaipur (MUJ) has successfully established 119 collaborations and partnerships with globally renowned universities and institutions across the world. Among these, more than 50 partnerships are with QS/THE-ranked universities, reaffirming our strong commitment to academic excellence and meaningful global engagement.

These collaborations have played a pivotal role in integrating world-class educational practices and fostering an enriching ecosystem of international teaching and learning, research, innovation, technology, and entrepreneurship at MUJ. Through these strategic alliances, we continue to broaden the horizons of knowledge exchange, faculty and student mobility, joint research, and cross-border innovation.

Such initiatives are instrumental in nurturing globally competent, industry-ready professionals who are equipped to lead transformation in an increasingly interconnected world. The tangible outcomes of these efforts are reflected in MUJ's expanding international footprint, impactful research collaborations, and the enhanced academic and cultural experiences of our students and faculty.

I extend my heartfelt gratitude to the MUJ Leadership for their visionary guidance, encouragement, and unwavering support in strengthening our global engagement and international partnerships. A special note of appreciation is also extended to our Deans, Directors, nodal officers, faculty members, and students for their consistent cooperation, enthusiasm, and collective effort in advancing MUJ's internationalization journey. Together, we are building strong institutional linkages and shaping a future defined by excellence, inclusivity, and global relevance.

Dr. Ravi Kumar Sharma
Director

Team and Structure

- Dr. Lalita Ledwani, Dean - Research, International Affairs and Academic Administration
- Dr. Ravi Kumar Sharma, Director - International Collaborations
- Dr Mohit Jain, Assistant Director- International Collaborations
- Ms. Sunita Saini, Junior Management Executive – DoIC
- International Student Cell (ISC)
- Nodal Officers (For Respective MOU)
- Student Secretary IAESTE (MUJ) Local Chapter

Key Functions and Roles

- MoUs / MoAs – International & National Collaborations
- Student & Faculty Mobility (Short/Long Internships, Study Tour, Explore India)
- Higher Education Opportunities/ International Education Expos
- High Profile Visits for strengthening Internationalization
- Structured Summer & Winter School Program
- Define Exchange Policies
- Research Collaborations
- International & Joint Research Fundings, EU Fundings

Collaboration and academic excellence

Currently, Manipal University Jaipur (MUJ) has signed 119 MoUs with universities and institutes across 43 countries, including 15 new national and international MoUs signed during 2024–25. With several more in the pipeline, MUJ continues to expand its global footprint and strengthen its position as a vibrant hub of international collaboration and academic excellence.

Major Activities and Events

International Cultural Evening

IAESTE LC MUJ organized the third edition of the International Cultural Evening with the purpose to celebrate the global spirit of MUJ and promote Indian culture among foreign interns.

Explore India

Directorate of International Collaborations (DoIC) has successfully conducted a one-week immersive study-cum-excursion program at MUJ campus from January 17-01, 2025. This exclusive initiative was designed for students from Universiti Teknologi PETRONAS (UTP), Malaysia. Manipal University Jaipur (MUJ) also has MoU with both universities, and the activities are under this MoU carried out. The program aimed to provide participants with a holistic understanding of India's rich cultural diversity and Manipal University Jaipur's pedagogy.

The Irish Day

The Irish Day , held on January 29th, 2025, at Manipal University Jaipur, was a gateway to global academic opportunities for students. This exclusive on-campus session brought representatives from top-ranked universities from Ireland. The event provided insights into study in Ireland prospects, admissions, scholarships, and career pathways. With interactive sessions and networking opportunities, students explored possibilities in various universities of Ireland, making the expo a vital platform to shape their global education aspirations.

International Summer School

International Summer School, Manipal University Jaipur (ISSMUJ) 2025 is a multi and interdisciplinary event under the umbrella of Directorate of International Collaboration (DoIC), Manipal University Jaipur (MUJ), Rajasthan, India. The event aims to offer Bachelor or Master students the opportunity to participate in three to four-week study/training program, with the possibility of choosing from a variety of courses that mirror the comprehensive character of our university.

The courses offered from various departments of the university are credit based. At the completion of the course, participants will earn course certificate with 03 equivalent credits.

Visit of Delegation (MoU Signing) from IC-IMPACTS, the India-Canada Centre for Innovative Multidisciplinary Partnerships to Accelerate Community Transformation and Sustainability, established at the University of British Columbia, Canada on February 06, 2025.

Vist of delegate Dr Francesco, from University of Newcastle, on 19th February 2025

Visit of Prof Johnson from University of Malaya, Malaysia on 20th February 2025

International Innovation Challenge (IIC) hackathon organized by School of Computing and Intelligent Systems, Manipal University Jaipur during 15–16 November 2024.

Jon Urcelay San Roman (Mechatronics and Automation Engineer for Robotics and Intelligent Systems, NTNU, Ålesund, Norway) and Modestas Sukarevicius (Mechatronics and Automation Engineer for Robotics and Intelligent Systems, NTNU, Ålesund, Norway) during IIC at Manipal University Jaipur.

Directorate of Research

About the Directorate

Directorate of Research at Manipal University Jaipur (MUJ) is the hub of innovation, knowledge creation, and intellectual growth. As a pioneering institution committed to research, MUJ has established the Directorate of Research (DoR) to serve as the cornerstone for coordinating and nurturing all research activities within the university. The DoR plays a pivotal role in facilitating, guiding, and promoting the university's research initiatives. Our Directorate is dedicated to maintain a supportive, collaborative, and interdisciplinary research environment. The Directorate empowers researchers to explore, innovate, and make impactful contributions across various fields, including science, engineering, humanities, and social sciences.

Dr. Bhavna Tripathi
Director

Vision & Mission

Vision

• To be a leading center of research excellence, fostering innovation, collaboration, and transformative contributions to knowledge across diverse disciplines, thereby shaping a brighter future for society and advancing the global research landscape

Mission

• The mission of the Directorate of Research at Manipal University Jaipur is to create an inspiring and supportive ecosystem that empowers researchers to undertake meaningful and impactful cutting-edge, interdisciplinary research. We encourage establishment and strengthening of collaborations with national and international institutions, industries, and research organizations to create a network that enhances the impact of the MUJ research endeavors. We also aim to enhance the accessibility, quality, and outreach of MUJ Centralized Research Facilities, contributing to the holistic development of individuals and the prosperity of society.

Key activities & Functions

Promoting Faculty and Student Engagement: Encouraging active participation in research activities through initiatives such as Faculty Award Incentives for Research (FAIR) and Publication and Research Award Incentive for Students to Excel (PRAISE).

Enhancing Research Quality: Providing financial support through Seed/Endowment Grants for Research Quality Enhancement to faculty members working on projects aimed at elevating the quality of research conducted at MUJ.

Supporting Ph.D. Scholars: Offering scholarships (Dr. Ramdas Pai Scholarship, Teaching Assistantship etc.) and comprehensive coordination of Ph.D.-related activities to research scholars, ensuring a conducive environment for their academic and research pursuits.

Strengthening Research Collaborations: Establishing strong institutional and external connections through initiatives such as Visiting Scientist Fellowships, Short-term Research Fellowships, Faculty-Industry Immersion Fellowships, and Student Travel Grants for International Internships, facilitating collaborative research and exposure to diverse environments.

Protecting Intellectual Property: Facilitating the protection and promotion of intellectual property generated by scholars and researchers, ensuring recognition and safeguarding of innovative ideas with potential societal impact.

Promoting Academic Integrity: Maintaining a comprehensive Academic Policy on Plagiarism in alignment with national and international academic integrity standards, reflecting the university's commitment to upholding academic honesty.

Promoting Cross-Sectoral Partnerships: Maintaining an effective approach of consulting policy to facilitate external engagement through knowledge and technology transfer, driving transformative effects in both industry and society.

Additionally, the Directorate oversees the management of centralized research facilities at MUJ, including the Sophisticated Analytical Instrument Facility (SAIF) and Central Analytical Lab (CAF). These state-of-the-art resources are available to all university researchers, regardless of their academic discipline. These high-end facilities serve as the backbone for a wide range of research projects across science and engineering departments, enabling scholars to conduct cutting-edge scientific research.

Faculty Research Achievements

Top 2% Scientists as per the Stanford/Elsevier List 2024

1. Dr. Ravi Kumar Shama, Mechanical Engineering
2. Dr. Ashish Goyal, Mechanical Engineering
3. Dr. Vivek Kumar Verma, Information Technology
4. Dr. Somya Goyal, Computer and Communication Engineering
5. Dr. Anupam Sharma, Physics

Research Track Policy

Manipal University Jaipur has introduced Research Track Policy to strengthen its research ecosystem and promote excellence across all academic domains. In alignment with its vision of becoming a global leader in education, innovation, and research, the University is committed to fostering a vibrant and sustainable research culture that enhances both individual faculty development and institutional growth.

Recognizing that a robust research foundation is central to academic excellence and global competitiveness, MUJ seeks to cultivate an environment that prioritizes scholarly inquiry, innovation, and the generation of high-impact knowledge. In furtherance of this objective, the University has recruited more than 30 Research Track faculty members in the current academic year, underscoring its strategic emphasis on research-led

advancement.

The introduction of Research Track Faculty represents a significant institutional initiative aimed at strengthening research capacity, improving national and international academic rankings, attracting global talent, and contributing meaningfully to knowledge creation across disciplines. This policy outlines the framework governing the recruitment and categories of Research Track Faculty, the benefits applicable to them, and the institutional support mechanisms in place. Through this initiative, MUJ reaffirms its commitment to fostering intellectual curiosity, advancing impactful research, and positioning itself as a leading hub of academic and research excellence.

Enhanced Access and Publishing Opportunities

Publish Open Access at No Cost: The University introduced the Article Processing Charge (APC) process for the first time to support faculty members in publishing research in reputable open-access (OA) journals. Presently university has an active agreement with Elsevier, Springer, and IEEE publishing for open Access and hybrid journals publications. Corresponding authors affiliated with Manipal University Jaipur can publish in these journals without paying Article Processing Charges (APCs) thereby increasing the visibility and impact of their research. The 80% APC discount for 109 Elsevier Open Access journals under the GPOA pilot is also covered in the present scheme, significantly reducing the financial barriers to Open Access publishing.

This initiative aims to encourage high-quality research output, increase the visibility of scholarly work, and ensure compliance with publisher and funding agency requirements.

Full Access to 650 Elsevier Core Hybrid Journals: Faculty members and students now have access to thousands of peer-reviewed articles across a wide range of disciplines such as Engineering, Materials Science, Computer Science, Energy, Biochemistry, Genetics, and Molecular Biology, through Elsevier's extensive journal portfolio and many flagship titles.

Dr. Madhura Yadav
Dean – Student Welfare

- Directorate of Admissions
- Directorate of Student Welfare
- Directorate of Sports

It gives me immense pleasure to present the Student Welfare for the academic year 2024–2025. This year, the Directorate of Students' Welfare, Directorate of Admissions, and Directorate of Sports worked as one integrated unit to strengthen a student experience that is safe, inclusive, engaging, and truly student-centric—because at MUJ, academic excellence grows best when students feel supported in every dimension of life.

Across the year, we focused on holistic development beyond the classroom through meaningful engagement, leadership opportunities, and co-curricular and extracurricular initiatives. Student well-being and mental health remained a priority, supported through counselling and wellness programmes on stress management, emotional resilience, and healthy lifestyles, alongside responsive mechanisms for safety, discipline, and grievance redressal. We also ensured smoother onboarding and transition for new students through structured orientation and admissions support, reinforced by consistent communication with parents and guardians.

What made 2024–2025 especially memorable was the spirit of collaboration and inclusion. Oneiros, Techideate, TEDx, and Daan Utsav became shared platforms where clubs and mentors came together instead of working in silos. For the first time, we celebrated Krishna Janmashtami on campus, along with Dandiya and other cultural events—bringing students from diverse backgrounds together in a joyful celebration of India's heritage, responsibility, and mutual respect.

Equally significant was our commitment to access and opportunity. This year, MUJ awarded scholarships to 909 students, reaffirming our belief that financial constraints should never stand between talent and education.

I extend my sincere gratitude to the University leadership, faculty mentors, wardens, counsellors, coaches, student representatives, and administrative teams for their unwavering support. Most importantly, I thank our students—the true heartbeat of MUJ—for their energy, discipline, creativity, and compassion. Together, we are not merely conducting events or running systems; we are building a culture of collaboration, well-being, opportunity, and excellence—one that will continue to define MUJ in the years ahead.

Directorate of Admissions

About the Directorate

Directorate of Admissions at Manipal University Jaipur acts as a facilitator for admissions to various UG, PG & Doctoral level programs across diverse streams including Engineering, Architecture, Computer Applications, Business & Commerce, Hotel Management, Management, Law, Journalism & Mass Communication, Basic Sciences, Humanities and Social Sciences.

The Directorate is headed by Professor from Academics as Director and supported by two Deputy Directors, Assistant Directors & four Senior/Admission Officers and they formulate the strategic road map for admissions every year. The Directorate has a team of dedicated counselors/process associates who connect with the students to counsel them about their preferred programs. There is a support team to help in assimilating data and doing day-to-day office work.

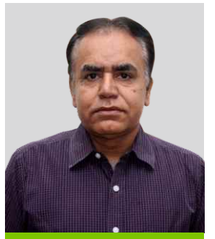

The Directorate discharges multifarious activities to create visibility and awareness about Manipal University Jaipur. Some of the activities undertaken every year are:

- School Connect Programmes - For grooming school students for higher education.
- Participation in Education Fairs.
- Digital Presence – On Social Media platforms like Facebook, LinkedIn, Instagram, Twitter, Pinterest, and YouTube. On reputed online platforms like Careers360, Shiksha etc.
- Conducting Open House/City Meets – To bring students and parents to meet our academic and admissions team to explore the prospective students their options and get scholarship advice that can give wings to their career.

Admissions at MUJ has been growing consistently since its inception. MUJ boosts of enrolling the students from PAN India with good presence from Rajasthan, Delhi/NCR, Uttar Pradesh, Haryana, Maharashtra, Madhya Pradesh, Gujarat, West Bengal and various other states of India.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Message from the Director

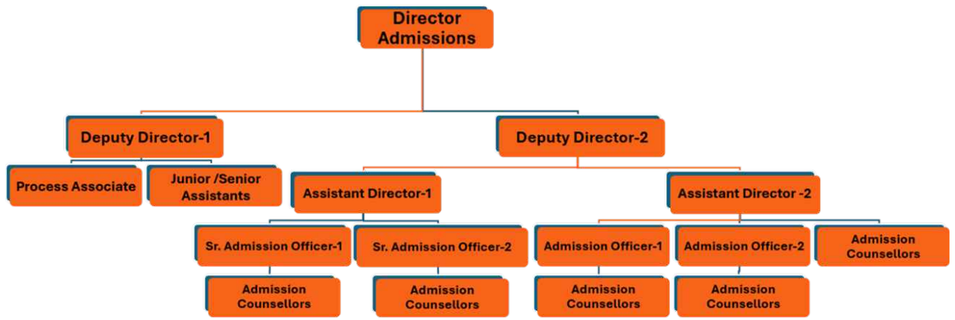

Dr. Prakash Ramani
Director

The Directorate of Admissions remains committed to attracting and enrolling talented and diverse students who align with the University's vision of academic excellence and holistic development. The year has witnessed continued progress in streamlining admission processes, enhancing applicant experience through digital initiatives, and expanding outreach to prospective students across regions.

Our team has worked closely with academic departments and other functional units to ensure a transparent, efficient, and student-centric admission cycle. The positive response and steady growth in quality applications reaffirm our efforts and the University's growing reputation as a preferred destination for higher education.

We look forward to building on this momentum in the coming year with renewed focus on innovation, quality, and excellence in admissions.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Key Functions and Roles

The Directorate of Admissions at Manipal University Jaipur (MUJ) serves as the central facilitator for admissions to UG, PG, and doctoral programs across a wide range of disciplines, including Engineering, Architecture, Hospitality, Journalism and Mass Communication, Basic Sciences, Law, Business and Commerce, Management, Computer Applications, Hotel Management, Humanities, and Social Sciences.

Each year, the Directorate formulates a comprehensive roadmap for the admissions process. A team of dedicated counselors engages with prospective students, guiding them in selecting programs aligned with their academic interests and career aspirations. In addition, a support team ensures efficient data management and reporting through systematic collection, analysis, and presentation of information.

Since its inception, MUJ has witnessed consistent growth in student admissions. The University attracts a diverse student body from across India, with a strong presence from states such as Rajasthan, Delhi, Uttar Pradesh, Haryana, Maharashtra, Madhya Pradesh, West Bengal, Gujarat and other states and UT's.

Directorate of Student Welfare

About the Directorate

Directorate of Student Welfare (DSW) focuses on addressing the administrative needs along with professional and personal development of students through a variety of domains, including Student Clubs & Chapters, Social Connect, Events, Scholarships, Student Counselling, and Student Code of Conduct.

Message From the Director

The academic year 2024–25 has been a significant period for the Directorate of Student Welfare, marked by strengthened processes and active student engagement across all domains. This report highlights our work in counselling, clubs and chapters, societal outreach, discipline, scholarships, and major student-focused events.

This year, the Directorate continued to enhance coordination with academic units, departments, and student bodies to ensure that student welfare services remain efficient, accessible, and aligned with the University's values. Events such as Oneiros, Scholarship Day, Tea with President, and numerous student-led initiatives contributed to a cohesive and vibrant campus environment.

I acknowledge the contribution of the DSW team, faculty coordinators, and student volunteers whose efforts ensured the smooth execution of activities throughout the year. Their dedication and teamwork have been integral to the operations of the Directorate.

We remain committed to strengthening systems, fostering meaningful engagement, and ensuring the holistic well-being of every student at MUJ.

Dr. Pankaj Vyas
Director

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Vision, Mission, and Values

Vision

- Embellish students with integrity and humane touch, nurture their talent to make them socially responsible global citizens.

Mission

- Facilitate multi-skilled development.
- Cultivate an environment that respects diversity and promotes healthy and positive relations among students, faculty & community.
- Understanding of students' needs.
- Synergizing academic and co-curricular activities.

Values

- Sincerity, Accomplishment, Integrity, Teamwork, and Honesty are the five values aimed for students to imbibe.

Team & Structure

- Handling behavioural concerns and disciplinary cases
- Coordination with wardens, faculty, and discipline committees
- Preventive guidance to maintain a safe and respectful environment

Major Activities and Events

Student Counselling Activities –

Activities to promote Mental Health Awareness at MUJ

The Counselling domain, functioning under the Directorate of Student Welfare (DSW), is devoted to promoting mental health awareness among the students of Manipal University Jaipur. In pursuit of this goal, the domain regularly conducts a range of activities and events designed to support students' emotional wellbeing. The counsellors play an instrumental role in organizing and leading workshops, seminars, and interactive sessions focused on mental health awareness along with individual counselling for students of Manipal University Jaipur.

Tea With President (Version 8 & 9)

Tea with President is an opportunity for the students to showcase their achievements be it social, cultural, or intellectual in front of the University and get appreciation for that in front of the President of Manipal University Jaipur. It is an opportunity to meet University President and get acknowledged for your work of values. Tea with President was organized twice in the academic year on 29th November 2024 & on 18th April 2025 in Smt. Sharada Pai Auditorium. DSW organized this event for MUJ students to get a chance to interact with President, MUJ. Students came to stage one after another and shared their experiences. The event was concluded with high tea for all the audience.

Scholarship Day

Scholarship day is celebrated every year in Manipal University Jaipur to commemorate the birthday of Dr. Ramdas Madhav Pai, Chancellor of Manipal University on 17th September. Dr. Ramdas Madhav Pai is awarded Padma Bhushan, 3rd highest civilian award in the country and to honor him every year scholarships are disseminated by MUJ management and this year we are disbursing more than 10 Crores INR scholarships to our talented students. Prof. Anil Dutt Vyas started the program by addressing the audience, enhancing upon the aims and values of the University. A short 8-minute video on the life of Dr. Ramdas Madhav Pai was played which was a display of his achievements and virtues in life.

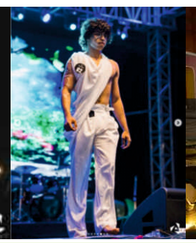

Oneiros 2025

Oneiros is the annual techno cultural fest of Manipal University Jaipur, held from 21st to 23rd February 2025 at the university's football ground. With the theme Neon Forest and the tagline Glow Beyond Limits, the festival blended technology and culture into an electrifying experience. It aims to unite students through a dynamic mix of innovative technical competitions, cultural showcases, and interactive events.

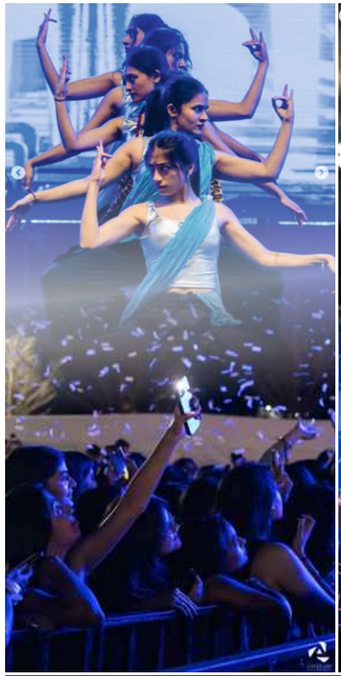

Oneiros provided a platform for talent, creativity, and collaboration, offering a space where participants could push boundaries and explore new ideas. The fest embodied the spirit of innovation, entertainment, and community, making it one of Rajasthan's most anticipated events.

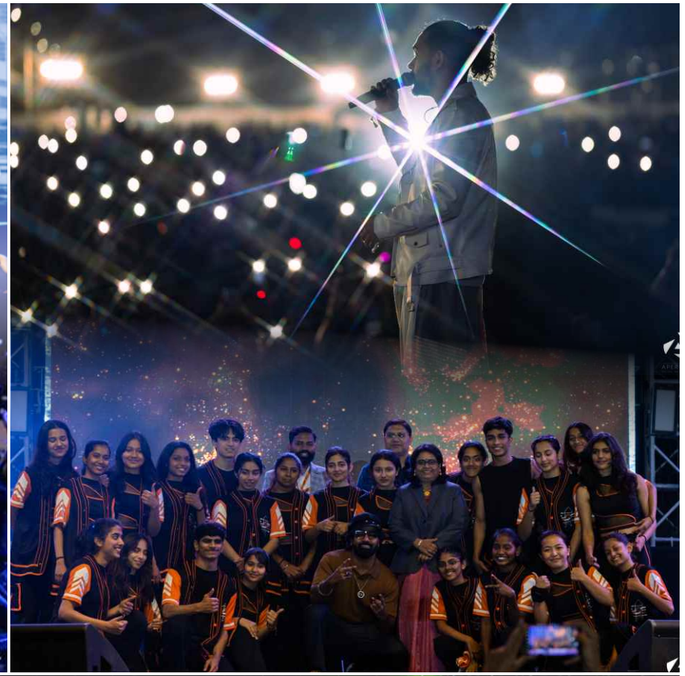

On the final day (23rd Feb), technical brilliance took center stage with events like the Hackathon and Throttle RC Racing, culminating in a mesmerizing performance by Amaal Mallik before 9,000 spectators. With 70+ events, 5 major competitions, and an overall footfall of over 11,000, Oneiros 2025 was a resounding success—celebrating the spirit of innovation, talent, and youth at MUJ.

Directorate of Sports

About the Directorate

"Sport is friendship, Sport is health, Sport is education, Sport is life, Sport brings the world together."

Manipal University Jaipur (MUJ) has developed one of the finest sports infrastructures in the region. The University provides individual coaches for all major sports, along with modern facilities and equipment of international standards. MUJ stands out as a leader in the field of sports, with students consistently excelling at both national and international platforms.

To further promote Sports and Physical Education, MUJ has introduced a Bachelor's course in Physical Education, contributing to the growth and standardization of sports in Rajasthan and India. The University regularly organizes inter-university tournaments, sports conferences, yoga workshops, fitness programs, and faculty sports meets, fostering a holistic sporting culture on campus.

MUJ also has a progressive Sports Policy, which emphasizes the improvement of sports standards by attracting and nurturing the best sporting talent. The University encourages outstanding athletes through admission under the sports quota and provides fee waivers to meritorious sportspersons.

Through these initiatives, Manipal University Jaipur continues to make significant marks in the field of sports, combining education with athletic excellence to develop future champions.

Message from the Director

At Manipal University Jaipur, we believe sports are not just games but a way of life. Our aim is to provide students with the best facilities, professional guidance, and opportunities to excel in their chosen sport. With a strong sports policy, modern infrastructure, and a culture of discipline and teamwork, MUJ is committed to producing champions while promoting fitness and wellness for all.

Dr. Rina Poonia
Director

Vision, Mission, and Core Objectives

Vision

To establish Manipal University Jaipur as a hub of sporting excellence by nurturing talent, promoting health and fitness, and creating champions who excel at national and international levels

Mission

- To provide world-class sports infrastructure and professional coaching
- To encourage maximum student participation in sports and physical education
- To develop discipline, teamwork, and leadership through sports
- To support and recognize outstanding sportspersons with scholarships and opportunities
- To promote wellness and fitness culture across the campus

Core Objectives

1. Develop and maintain high-quality sports infrastructure meeting international standards
2. Promote sports participation among students, faculty, and staff at all levels
3. Organize inter-university, intra-university, and community sports events
4. Ensure MUJ representation in West Zone, All India, and international competitions
5. Foster holistic growth of students by integrating academics with sports and fitness
6. Collaborate with national/international sports bodies for exposure and opportunities

Team and Structure

Director, Sports	Dr. Rina Poonia	Overall leadership & policy planning
Sr. Sports & NCC Officer	Mr. Sanjeev Sharma	Coordination, event management, NCC & sports activities
Faculty Member	Dr. Bindiya Rawat	Teaching & training support
Faculty Member	Dr. Deepak Bangari	Teaching & training support
Faculty Member	Mr. Mohit Sharma	Teaching & training support
Office Assistant	Mr. Virendra Khangarot	Administrative & office support
Ground Development & Welfare (GDW)	Mr. Satyanarayan Meena	Ground management & maintenance support

Key Functions and Roles

Summary of Major Responsibilities

- Planning, developing, and maintaining world-class sports infrastructure within the campus
- Organizing Intra-University, Inter-University, Zonal, and National-level tournaments
- Preparing and training MUJ teams for participation in West Zone Inter-University and All India Inter-University Competitions
- Identifying and nurturing talented sports persons through admission under the sports quota and providing scholarships/fee waivers to outstanding achievers
- Promoting a culture of fitness, wellness, and sportsmanship through regular events like Yoga Day, Fitness Runs, and Sports Festivals
- Coordinating with external agencies (AIU, National Sports Federations, Associations) for competitions and collaborations
- Encouraging research, innovation, and academic programs in Physical Education and Sports Sciences

Services / Support Offered by the Directorate

- Coaching & Training: Dedicated coaches and trainers for all major sports
- Infrastructure Access: Use of modern sports facilities, courts, fields, gymnasiums, and fitness centers
- Student Support: Guidance for balancing academics and sports commitments
- Medical & Physiotherapy Assistance: On-field first aid and rehabilitation support for athletes
- Event Management: Assistance in organizing competitions, workshops, and sports festivals
- Scholarships & Recognition: Sports quota admissions, fee concessions, awards, and incentives for meritorious players
- Wellness Initiatives: Regular yoga workshops, fitness sessions, and awareness programs
- Community Engagement: Sports programs for faculty, staff, and students to build a healthy and active lifestyle

Digital Infrastructure and Technology Services

About the DITS

Digital Infrastructure and Technology Services (DITS) at MUJ boasts of state-of-the-art IT Infrastructure, offering word class IT service to university core functions, directorate, students, and business users. MUJ-DITS is accountable for enabling best in class application, tools & technology platform to adhere policies, business vision and accreditation framework. MUJ IT backbone built with 2 tier-3 In-house Data Centre that equipped with robust multi-level Internet link with strong ISP backup, World class core CISCO Network backbone products such as Firewall, Routers, Switches.

High End threat management, Anti-Virus and End Point security devices and Backup solutions. MUJ IT landscape also includes services from Microsoft for communication and Business ERP, Student life cycle via Web portal, Industry's leading Learning Management System, Research management system etc. MUJ has IT enabled E-Library, High processing and Multi-tasking LABs. The DIT services are based on In-house as well as outsourced support, through MEMG, IBUS, NTT, Suprema and other Partners.

DITS team makes efforts to modernize the university's IT infrastructure, adopting cloud-based solutions, advanced networking, and digital tools that enable faculty and students to connect and collaborate seamlessly. IT and to provide a technology-rich campus experience.

Message from the Head-DITS

As the Head of the Digital Infrastructure Team, I would like to take this opportunity to update you on our ongoing efforts to ensure that the university's digital systems remain secure, efficient, and aligned with the evolving needs of our academic community. We are committed to delivering a reliable and seamless digital

MANIPAL UNIVERSITY
JAIPUR

DIRECTORATES & FUNCTIONAL UNITS

experience across all platforms, including learning management systems, communication tools, campus networks, and administrative services. Our team continually monitors and upgrades our infrastructure to support both current and future demands.

We also encourage you to stay informed about upcoming system updates, scheduled maintenance, and digital best practices. Notifications and support resources are available through the IT Services portal on the university website.

Mr. Anshuman Mohanty
Head

Vision, Mission, and Core Objectives

Vision :

- To be a leader in leveraging technology to create a premier learning environment and support the university's strategic goals.
- To be a vital partner for the university community, facilitating innovation and excellence through transformative technology solutions.

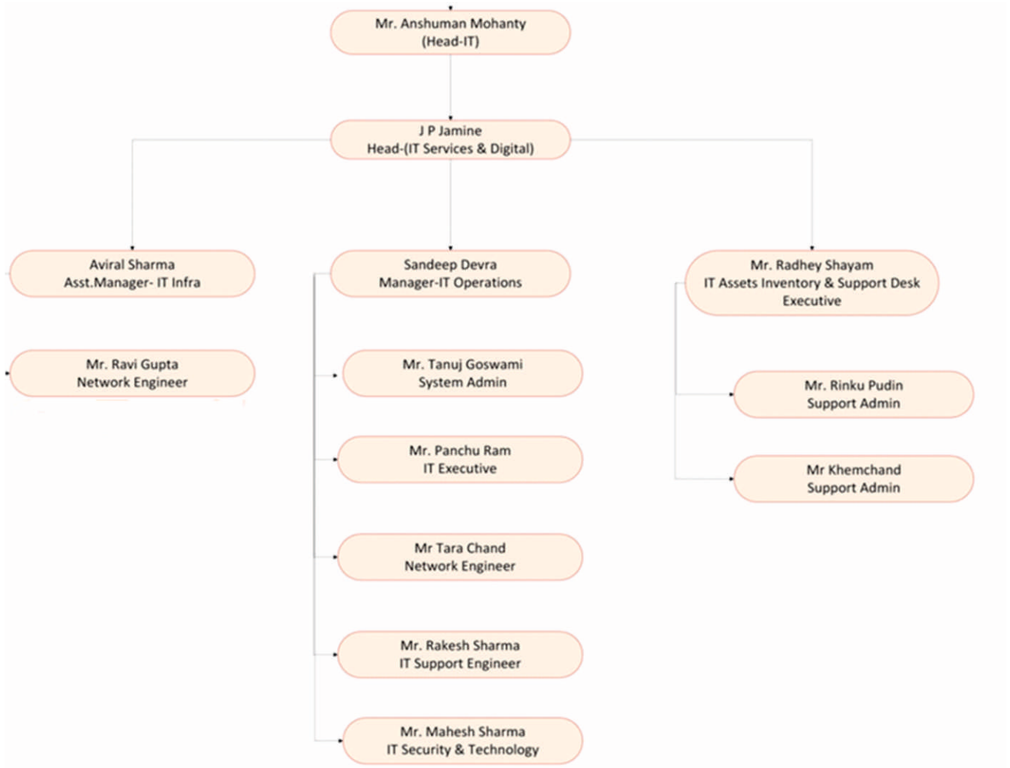

Mission :

- To provide and manage reliable, secure, and innovative IT services that empower our students, faculty, and staff to achieve their academic and administrative objectives.
- To support the university's mission by ensuring robust, efficient, and user-friendly technology infrastructure and services for all campus members.

Core Objectives

1. Infrastructure & Operations:
   To ensure the consistent availability and performance of core IT services, including network connectivity, email, web services, and data storage.
2. User Support:
   To deliver timely, effective, and friendly technical support and guidance to all users, improving the overall campus technology experience.
3. Security & Compliance:
   To protect university data and systems through robust cybersecurity measures, adhering to relevant privacy and compliance regulations.
4. Innovation & Digital Transformation:
   To explore, implement, and support new technologies and digital tools that enhance teaching, learning, research, and administrative processes.
5. Digital Literacy & Training:
   To promote digital literacy and provide training to the campus community, enabling them to effectively utilize available technologies.
6. Collaboration:
   To foster collaboration between the IT department and academic/administrative/functional units to understand their needs and develop technology solutions that align with university goals.

Central Library

About the Central Library

The fully air-conditioned Central Library at Manipal University Jaipur offers a comfortable environment with seating for 450 users. It houses dedicated sections such as Technical, Reference, Engineering and Non-Engineering Book Stacks, Circulation Desk, Periodicals, and five discussion rooms. It also provides facilities for competitive exam preparation, project reports, theses, an open reading hall, research wings, digital library services, and archived collections.

Alongside the Central Library, the university maintains separate libraries for the School of Architecture and Design and the Faculty of Law. Each school also operates its own departmental library, accommodating 50 users.

Dr K S Shivraj
Chief Librarian

MANIPAL UNIVERSITY
JAIPUR

DIRECTORATES & FUNCTIONAL UNITS

Library Collection

The MUJ Libraries maintain an extensive collection. They house nearly 4,000 reference books, including atlases, biographies, dictionaries, directories, encyclopaedias, handbooks, manuals, and yearbooks. In addition, they hold 77,669 books across 21,961 unique titles. The libraries also store 2,100 project reports, 475 doctoral theses, and subscribe to about 200 national and 80 international periodicals.

Rare Book Collection

The Central Library preserves a rare book collection of about 2,500 volumes, including digital copies and e-books, with some dating back to the 1800s. This collection covers subjects such as the Indian, British, and Russian constitutions, ancient Indian culture, and various historical dynasties and regimes. It also includes works on astronomy, economics, literature, science, and technology.

Digital Resources, Remote Access, and Mobile App

The digital library provides 15 computers and subscriptions to 13 e-resources for 2024–2025. Through these, patrons can access 42,661 e-journals, manuals, reports, standards, and other materials from IEEE, Springer Nature, EBSCO – Business Source Elite, JSTOR, LexisNexis, Manupatra, Supreme Court Cases, AIR Online, CLA Online, and Hein Online. The MUJ Libraries also provide 2,23,450 e-books from ProQuest, S. Chand, McGraw Hill, Pearson, and Wiley, along with about 2,725 CDs and DVDs. Patrons can access these e-resources remotely or via mobile using the URL: https://muj.remotlog.com.

Institutional Repository

The Central Library manages its institutional repository using D Space digital library software. This repository includes faculty publications, university publications, conference proceedings, lecture notes, video lectures, course syllabi, past exam papers, project reports, and theses.

Institutional Memberships

The library maintains memberships with DELNET, INFLIBNET, e-ShodhSindhu, ShodhGanga, ShodhGangotri, IRINS, Current Science, Indian Academy of Social Sciences, the British Council Library, and the National Digital Library of India. These memberships expand information access, foster collaboration, and support academic and research activities across the university.

Library Orientation Program

The library conducts user orientation programs to familiarize new users with its resources, services, facilities, and access methods. Dr. K.S. Shivraj, the Chief Librarian, leads these sessions to help new members understand the library's offerings and to encourage them to use its resources effectively and frequently.

Date	Department	Topic of Lecture
	All First Year	Library Induction and Awareness Program
04 Sep 2024	Department of Hotel Management	Discover Your Library: Orientation Sessions

Training Programs on E-Resources

The Central Library at Manipal University Jaipur organizes hands-on training programs on e-resources to strengthen academic knowledge among research scholars, faculty members, and students.

Date	Topic	Department	Person
26 Sep 2024	Hand-on Tanning on Manu Patra	School of Law	Mr. Rahil Johri Pareek
03 Oct 2024	Hand-on Training on SCC Online	School of Law	**Mr. Sachidanand Pareek**
22 Apr 2025	Learning Resources and Services (FDP)	**Dept. of Psychology**	**Dr. KS Shivraj**

Through these programs, trainers guide participants in effective search techniques, data retrieval strategies, and optimal use of databases such as IEEE, Springer Nature, JSTOR, and J-Gate. The sessions also cover remote access, citation management, and resource integration into teaching and research, empowering MUJ's academic community to use digital resources efficiently.

Readers' Forum

The Central Library's Readers' Forum actively promotes reading habits by organizing engaging activities. It hosts book discussions, reading challenges, author interactions, and themed reading sessions to foster a love for literature and broaden students' perspectives. The Forum also conducts workshops on critical reading and analysis, motivating students to share insights and build a vibrant reading community.

GENFEST 2024: Festival of Knowledge

The Central Library and the School of Media & Communication jointly hosted GENFEST 2024: A Festival of Knowledge on 20–21 November 2024 at Manipal University Jaipur. Col. Harish Chander, Director Recruiting, Recruitment Office, Jaipur, served as the Chief Guest for the inaugural session. The two-day event included a poetry competition conducted by author Ms. Arti Rai, a workshop on creative writing by Ms. Nandita, a guest lecture on "AI and the Next Revolution" by Dr. Akhilesh Kumar Sharma, and a book exhibition at the Old Food Court. The Chief Librarian and library staff led the event, with Dr. K.S. Shivraj serving as convenor and Dr. Ram Pratap Singh as co-convenor. GENFEST underscored the library's vital role in promoting knowledge-sharing, creativity, and academic engagement.

4th International Conference on Knowledge Management in Higher Education Institutions (ICKHI 2025)

The Central Library of Manipal University Jaipur, in collaboration with King Mongkut's University of Technology, North Bangkok (KMUTNB), organized the 4th Edition of ICKHI 2025 on 13–14 February 2025 at Smt. Sharada Pai Auditorium. The conference was inaugurated in the presence of distinguished guests, with Dr. Nabi Hasan, Librarian and Head, Central Library, IIT Delhi, serving as the Chief Guest, and Dr. T. Pratheepan, Librarian, Uva Wellassa University, Sri Lanka, as the Guest of Honour. Dr. S. Chandra-ambhorn, Vice-President (Research), KMUTNB, Thailand, delivered the Special Address, emphasizing the importance of global collaboration in knowledge management. The event featured plenary talks by Dr. Lee Chu Keong from Nanyang Technological University, Singapore, and Dr. Mamata Bhandar from Manipal GlobalNxt University, Malaysia, who spoke on lifelong learning, innovation in higher education, and the evolving role of libraries in digital transformation. A total of 80 papers were presented during the conference, reflecting diverse perspectives and research contributions. Dr. K.S. Shivraj (Organising Chair, MUJ), Dr. Phayung Meesad (Organising Secretary, KMUTNB), and Dr. R.K. Tailor (Conference Director, MUJ) successfully steered the two-day event, which brought together experts and practitioners to exchange strategies for advancing knowledge management and strengthening the role of libraries in higher education. ture of knowledge sharing that benefits students, researchers, and the entire academic community.

Basant Panchami Celebration

On 3rd February 2025, MUJ Libraries organized Maa Saraswati Puja on Basant Panchami at the Old Food Court. Hon'ble President of MUJ, Dr. N.N. Sharma, attended the ceremony as Chief Guest. Deans, Directors, Heads of Departments, Unit Chiefs, faculty, staff, and students joined the event to seek the blessings of the Goddess of Wisdom. The celebration fostered an atmosphere of devotion and demonstrated MUJ's commitment to academic excellence and cultural traditions.

Book Donation Certificate Distribution

On 5th September 2024, during the Teacher's Day Celebration, MUJ honored the contributors to the Book Donation initiative. The Hon'ble President of MUJ, Prof. Dr. N.N. Sharma, personally presented Book Donation Certificates to the faculty members. The ceremony acknowledged their contributions, which enrich the library's academic resources and promote a cul

III C

Functional Units & Directorates

Dr. Ajay Kumar

Dean – Graduate Outcomes

- Directorate of Alumni Relations
- Directorate of E-Cell
- Directorate of Corporate Relations & Placements
- Office of Controller of Examinations

It is a matter of great pride to present the overview of Graduate Outcomes at Manipal University Jaipur (MUJ) for the academic year 2024–2025. At MUJ, graduate outcomes are viewed as a comprehensive reflection of academic rigor, professional readiness, entrepreneurial mindset, and lifelong engagement with the University. Graduate Outcomes functional unit plays a pivotal role in ensuring that students transition successfully from education to employment, entrepreneurship, and higher pursuits through structured, outcome-oriented initiatives.

The Controller of Examinations continued to uphold the integrity, transparency, and efficiency of assessment and evaluation processes. Through timely conduct of examinations, robust examination governance, and adoption of technology-enabled systems, the unit ensured credibility, fairness, and accuracy in academic outcomes, thereby reinforcing stakeholder confidence in MUJ's academic standards.

The Corporate Relations and Placements unit remained a key driver in enhancing employability and industry readiness of graduates. Focused efforts were made to strengthen industry partnerships, expand corporate outreach, and facilitate internships, training programmes, and placement opportunities across diverse sectors. Skill development initiatives, career guidance sessions, and industry interactions enabled students to align their competencies with evolving market demands, resulting in improved placement outcomes and industry engagement.

The Entrepreneurship Cell (E-Cell) played an instrumental role in fostering an entrepreneurial and innovation-driven ecosystem on campus. Through workshops, mentoring programmes, startup ideation challenges, and interaction with entrepreneurs and industry experts, the E-Cell encouraged students to explore entrepreneurship as a viable career pathway. These initiatives nurtured creativity, risk-taking ability, and problem-solving skills, empowering students to transform ideas into impactful ventures.

The Alumni Relations unit actively strengthened the bond between the University and its alumni community. Through structured engagement initiatives, alumni interactions, mentorship programmes, and networking platforms, alumni were meaningfully integrated into academic, professional, and developmental activities. Their continued involvement has enriched student learning, enhanced career guidance, and reinforced MUJ's growing professional network.

I sincerely acknowledge the unwavering support of the University leadership, faculty members, corporate partners, alumni, and administrative teams whose collective efforts have significantly contributed to strengthening graduate outcomes at MUJ. As we move forward, the Directorate of Graduate Outcomes remains committed to enhancing academic credibility, employability, entrepreneurship, and alumni engagement, thereby ensuring that MUJ graduates emerge as competent professionals, responsible citizens, and confident leaders in a dynamic global environment.

Directorate of Alumni Relations

About the Directorate

The purpose of Directorate of Alumni Relations is to foster a spirit of loyalty and to promote the general welfare of the University. The Directorate supports the organization's goals to strengthen the ties between alumni, the community, and the organization. The reputation of any educational institution depends upon good results, academic achievements, co-curricular activities, and its alumni, who are one of the main stakeholders of the institutions. They contribute immensely to the development of the university in multiple dimensions. There is a fully functional Directorate of Alumni Relations at Manipal University Jaipur. The Directorate ensures effective and harmonious coordination with the alumni of the University. The endeavour is to promote social connect of alumni by contribution to alma mater, country and society. The Directorate of Alumni Relations believes in fostering strong relation between Alumni and their alma mater and various activities are organized through- out the year to strengthen the bond.

Vision, Mission, and Core Objectives

Vision

- Global leadership in higher education and human development.

Mission

- The Mission of Directorate of Alumni Relation (DoAR) is bringing together all the alumni of the Manipal University Jaipur so that it may create professional networking for mutual benefit in academic and professional or business areas. The mission of DoAR is also to encourage alumni to contribute to the university's efforts for achieving excellence in academics and research through allocating / raising funds and/or sharing knowledge & expertise of its members in areas pertaining to academics, infrastructure, industry interactions and any other area that the alumni and the university feel appropriate.

Core Objectives

1 To enable professional networking among alumnus, among professors with the alumni as well as networking of existing students with alumni for mutual benefit in academic, professional, placements, Internships; including employment network for new graduates or alumni looking for career upgrade/change, and alumni displaced from workforce
2 To provide a platform for social interactions and special interest groups
3 To raise funds for the Manipal University Jaipur Alumni Association
4 To extend academic support to the university through various networks such as 'visiting faculty network','curriculum development network','distance learning network' and 'academic endowment network' etc.
5 To promote and foster mutually beneficial interaction between the Alumni and the present students of the DOAR and between the Alumni themselves. To encourage the formation and recognition of Chapters as a means to increase participation of Alumni
6 To render assistance to students at the university through grants, scholarships, and prizes and to provide assistance in academics, placement or any other area as appropriate
7 To provide financial and technical collaboration support for cutting-edge applied & industrial research for the global marketplace
8 To provide financial and technical collaboration by alumni researchers and faculty in top research institutions around the world
9 To encourage and facilitate the alumni taking up activities that are geared to improve society at large and contribute to national development
10 To providing group benefits like health services, health insurance, medical services etc. to it's members and fellow
11 To do all such other lawful things as are conductive or incidental to the attainment of the above objectives and/or beneficial to the interests of the Institute and its Alumni
12 To mobilize funds required to manage the affairs and activities of the association

Message from the Director, Directorate of Alumni Relations

Dr. Sushil Kumar Jain
Director

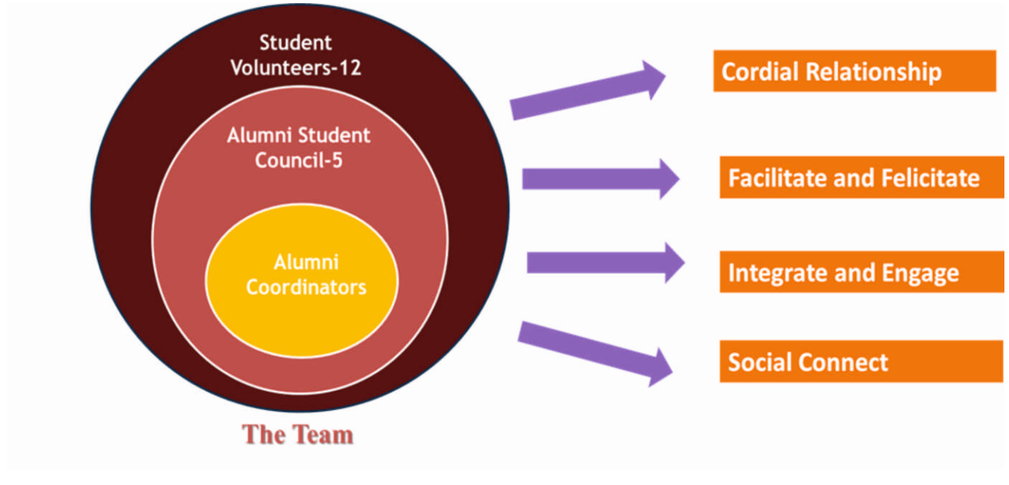

The strength of any institution lies in the relationships it nurtures beyond the classroom—and at Manipal University Jaipur, the Directorate of Alumni Relations (DoAR) is proud to lead this endeavour. Our mission has always been to foster lasting connections between the university and its alumni, enabling meaningful engagement and mutual growth.

A key milestone has been the establishment of the Manipal University Jaipur Alumni Association (MUJAA), which is rapidly evolving into a hub for networking, community building, and career development. With enthusiastic participation from alumni, MUJAA is helping to strengthen the bridge between past and present MUJ
students.

This progress would not have been possible without the commitment of many.

I extend heartfelt thanks to the Nucleus Team and Department Alumni Coordinators for their dedication and coordination, and to our university leadership for their unwavering support and guidance. Our sincere appreciation also goes to the faculty heads, directors, and deans who have consistently championed our mission. A special mention goes to our incredible student volunteers. Your creativity, energy, and enthusiasm brought every initiative to life and kept the spirit of DoAR alive throughout the year. Thank you for being part of this journey—and for helping us build a future rooted in connection, collaboration, and shared pride.

Team and Structure

Names and designations of key team members

Name	Department	Designation
Dr. Sushil Kumar Jain	Physics	Director
Dr. Ankur Srivastava	Mechanical Engineering	Nucleus Member
Mrs. Babita Tiwari	Computer Science and Engineering	Nucleus Member
Dr. Suhasini Verma	Business Administration	Nucleus Member
Dr. Chusen Duari	Electronics and Communication Engineering	Nucleus Member
Mr. Ashish Vijay	Electronics and Communication Engineering	Nucleus Member
Dr. Vishal Das	Electronics and Communication Engineering	Nucleus Member
Dr. C.Annirvina	Tapmi School of Business	Nucleus Member
Dr. Sunita Singh Khatana	Law	Nucleus Member

Key Functions and Roles

1) Track and increase the number of registered alumni compared to total graduates
2) Develop and implement outreach strategies to enhance alumni registration rates
3) Monitor and report on alumni financial and non-financial contributions to various departments
4) To promote networking and collaboration among alumni and faculty
5) Gather and manage alumni testimonials to showcase their experiences and successes, utilizing feedback for institutional improvement
6) Analyse the percentage of alumni pursuing higher degrees abroad and enrolments in premier institutions, providing insights into the university's educational impact
7) Identify and celebrate distinguished alumni to inspire current students and enhance the university's reputation
8) Facilitate the collection of alumni feedback on curriculum and program structures to ensure continuous improvement
9) Organize initiatives through the Directorate/MUJAA to encourage financial contributions from alumni, underscoring their importance for university growth
10) Develop and execute a communication plan like email to regularly inform alumni about university achievements, events, and opportunities
11) Ensure that all alumni engagement activities align with the university's vision and mission, enhancing the overall educational experience

Major Activities and Events

Major activities and events in 2024

Major Activities in 2024	Number of Activities
Percentage of alumni registered on portal	95%
Number of most illustrious Alumni of MUJ (posted on portal as well different Social Media Sites)	50
Promotional initiative taken by directorate for Visibility	40
Awareness Program organized for the faculty and students about the Alumni Relations	10
Number of Post/ Mail regarding achievement of University/Faculty/Students	90
Number of Lectures conducted in 2024	75
Number of Regional chapters activity conducted in 2024	7
Number of Alumni meet conducted faculty wise	4

Key initiatives and programs conducted

- Track Alumni Registration
  Monitor and increase the number of registered alumni vs total graduates
- Enhance Outreach
  Develop strategies to boost alumni registration and engagement
- Monitor Contributions
  Track financial and non-financial alumni contributions (projects, scholarships, guest lectures)
- Organize MUJAA Events
  Host alumni meetings and networking events with faculty
- Showcase Testimonials
  Collect and utilize alumni success stories and feedback for institutional growth
- Higher Education Analysis
  Track alumni pursuing higher studies, especially in premier global institutions
- Employment & Entrepreneurship
  Monitor alumni career outcomes to highlight university impact
- Recognize Distinguished Alumni
  Celebrate notable alumni to inspire students and boost university reputation
- Feedback on Curriculum
  Collect alumni input on academic programs for continuous improvement
- Encourage Donations
  Promote financial support from alumni through structured initiatives.
- Alumni Communication Plan
  Send regular updates via email/newsletters on university news and opportunities

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

- Strengthen Alumni Association
  Support structured growth of MUJAA for effective alumni relations.
- Event Planning & Mentorship
  Organize events promoting mentorship, collaboration, and networking.
- Marketing & Visibility
  Execute strategic outreach to improve alumni visibility and engagement.
- Policy Development
  Create clear policies to guide alumni activities in alignment with university goals.

Highlight impactful or first-time initiatives

- Placement and Internship opportunities
- Mentor and Mentee interaction partnership
- Regional Chapter Alumni Meets

Anjali Jaiswal

To all aspiring learners, this institute is more than just an educational platform–it's a gateway to personal and professional growth. The faculty here are not just educators but mentors who guide you every step of the way. The course curriculum is thoughtfully designed to be both industry-relevant and skill-oriented, ensuring you are well-prepared for the challenges of the real world. Joining this institute means investing in quality education, practical exposure, and a supportive community that fosters excellence. If you're looking for a place to unlock your potential and achieve your goals, this is the right choice!

Directorate of E-Cell

About the Directorate

Directorate of Entrepreneurship Cell (E-Cell) at Manipal University Jaipur (MUJ) is a dedicated directorate fostering innovation, creativity, and entrepreneurial spirit among students, faculty, and budding innovators. Established with the vision of nurturing an entrepreneurial mindset, the Cell serves as a catalyst for transforming ideas into impactful startups and ventures.

It provides mentoring, networking, and funding support by connecting students with industry experts, successful entrepreneurs, and investors. The Directorate provides a comprehensive ecosystem where aspiring entrepreneurs gain access to mentorship, skill development programs, and industry insights. By connecting students with successful entrepreneurs, industry leaders, and investors, the Cell bridges the gap between academic learning and real-world entrepreneurial practice. Regular workshops, startup bootcamps, ideation challenges, and networking events are organized to sharpen problem-solving skills and ignite innovative thinking.

MANIPAL UNIVERSITY JAIPUR

DIRECTORATES & FUNCTIONAL UNITS

Message from the Director

Dr. Anand Pandey
Director

It gives me immense pride to present the annual report of the Directorate of Entrepreneurship Cell at Manipal University Jaipur. E-Cell at MUJ has been consistently nurturing entrepreneurial spirit among students and faculty members by fostering creativity, innovation, and problem-solving mindsets. Through diverse initiatives such as workshops, hackathons, expert talks, startup expos, and mentorship programs, we have created a vibrant ecosystem that empowers young innovators to transform ideas into impactful ventures. This year's (2024-25) journey reflects our commitment to strengthening the culture of entrepreneurship and innovation for Start-Ups and Technology Transfer of innovations. I extend my gratitude to all stakeholders including MUJ leadership for their support in driving this mission forward.

Vision & Mission

Vision:

- To foster an ecosystem where innovations and entrepreneurial ideas from students, faculties and society can be promoted.

Mission:

- To organize Entrepreneurship Development and Awareness Program.
- To develop and motivate the entrepreneurial mind sets among the students.
- To transform the vague ideas into a successful venture with professional mentorship.

Team and Structure

Names and designations of key team members

Dr. Nitu Bhatnagar	Provost	MUJ
Dr. Ajay Kumar	Dean	Graduate Outcomes
Dr. Anand Pandey	Director	E- Cell
Dr. Upendra Kulshrestha	Assistant Director	E- Cell
Mr. Heera Lal Kumawat	Junior Assistant - II	E- Cell

Key Functions and Roles

Directorate of E-Cell, MUJ organizes Institutions Innovation Council (IIC) calendar and celebration activities, workshops, startup bootcamps, hackathons, ideation competitions, and expert talks to cultivate problem-solving and leadership skills. Aligned with national initiatives like Startup India and Atmanirbhar Bharat, the Entrepreneurship Cell actively promotes the startup ecosystem within MUJ. E-Cell organises

Smart India Hackathon viz. internal and external on annual basis under the guidelines of MoE and AICTE. It also works in close coordination with the Institutions Innovation Council (IIC) and various incubation centres to provide end-to-end support to emerging entrepreneurs. Through its structured programs, resources, and guidance, the Directorate of Entrepreneurship Cell at MUJ empowers learners to become job creators rather than job seekers, thereby contributing significantly to the nation's innovation and entrepreneurial landscape. Directorate of E-Cell manage and coordinate for patent filing process supporting MUJ students and faculty members for innovations. Directorate of E-Cell assist all the units and departments for industry oriented MoUs and support the innovators viz. students and faculty members for IPR-Technology Transfer and commercialization.

Services/Support offered by the Directorate (2024-25)

- Total of 359 Patents Published.
- Total 237 Pre-incubation
- Institutions Innovation Council activities
- Total 20 Industrial MoU's.
- Hosted Grand Finale Smart India Hackathon 2024
- MILES Program at MUJ
- IPR-Technology Transfer
- Supporting Hackathon/Ideathins events
- Start-Ups support and mentoring

Key initiatives and programs conducted

Smart India Hackathon, 2024

SIH 2024 was organized from 11-15th December, 2024 at MUJ. The third and final round of evaluations was conducted, focusing on the functionality, performance, implementation, and market readiness of the participants' solutions and the result is between you. These five days have been nothing short of extraordinary. Hosting the Smart India Hackathon 2024 - Hardware Edition as a nodal center has been a historic milestone for Manipal University Jaipur. This event showcased not only the brilliance of our participants but also the university's unwavering commitment to fostering innovation and excellence. The solutions generated today during this Hackathon, though small steps today, have the potential to address significant global challenges tomorrow. We are confident that the innovative ideas and thought processes we have nurtured here will contribute significantly to the realization of "Viksit Bharat @ 2047", aligning with our country's vision for a prosperous and self-reliant future.

Directorate of Corporate Relations and Placements

About the Directorate

The Directorate of Corporate Relations and Placements at Manipal University Jaipur (MUJ) connects students with top-tier employers through strategic industry engagement and career support. We empower students to achieve professional success and emerge as industry-ready global talent. Directorate is also collaborating with leading organizations and institutions to establish internship and training programs. The Directorate actively engages with industry leaders, corporate houses, and other establishments to organize campus recruitment drives for students across all disciplines at both undergraduate and postgraduate levels.

Dr. Sandeep Chaurasia
Director

To ensure students are well-prepared for the professional world, the Directorate conducts comprehensive Campus Recruitment Training (CRT), focusing on career planning, personality development, attitude building, and stress management. In addition, it curates a wide range of initiatives throughout the year, such as industry–academia interactions, guest lectures, and placement activities. Programs including group discussions, mock interviews, and aptitude tests are regularly organized to enhance students' employability and equip them with the skills necessary to pursue successful careers.

Office of Controller of Examinations

About the Office of Controller of Examinations

The Office of Controller of Examinations (CoE) at Manipal University Jaipur plays a pivotal role in overseeing all examination-related activities of the university. The office is entrusted with ensuring the seamless planning, scheduling, and execution of examinations, along with the accurate and timely declaration of results in accordance with the University Academic Calendar. Throughout the academic year 2023–24, the Office of the CoE efficiently organized and monitored examinations across a wide range of academic disciplines. This included conducting examinations for 53 undergraduate programs and 23 postgraduate programs, as well as managing all evaluation processes associated with the Ph.D. program. By maintaining strict academic standards and coordinating with various departments, the CoE contributed significantly to upholding the integrity and smooth functioning of the university's assessment system.

Dr. Dasari Nagaraju
CoE

Office of the CoE Team

Sl No.	Name	Designation
1	**Dr. Dasari Nagaraju**	**Controller of Examinations**
2	Dr. Pooja Sharma	Deputy Controller of Examinations
3	Mr. Khagendra Poudyal	Assistant Controller of Examinations
4	Dr. Kuntal Gaur	Assistant Controller of Examinations
July 01, 2025 onwards		
5	Dr. Rakesh Kumar	Assistant Controller of Examinations
6	Dr. Sourav Kumar Das	Assistant Controller of Examinations
Till June 30, 2025 (Relieved)		
1	Dr. Ashish Kumar	Deputy Controller of Examinations
2	Mr. Mohit Kumar Sharma	Assistant Controller of Examinations
3	Dr. Avneesh Kumar	Assistant Controller of Examinations

Key Functions and Roles

The Office of the Controller of Examinations (CoE) is the central administrative unit responsible for planning, organising, administering and safeguarding all matters related to examinations, academic certification and the integrity of student assessment. Its work ensures academic standards, legal compliance, confidentiality and timely delivery of results and certificates.

Concise, practical summary of its key functions

Conduction of Examinations

- Exam planning
- Examination calendar /Academic Calender
- Question paper management/Printing
- Invigilation & conduct
- Recording of UFM/Malpractice issues
- Accommodations: Provide reasonable exam accommodations for students with disabilities, medical conditions, or approved special needs
- Issuance of All Types of University Certificates (Results, Official Transcripts Provisional Certificates CGPA Certificates, Migration Certificate, etc.)

University Convocation
- Eligibility verification
- Coordination & logistics
- Certificate preparation
- Record update

Conduction of External Examinations on Request (AILET, CLAT, Other Govt. Examinations)
- Facility & support provision
- Coordination with agencies
- Compliance & security
- Post-exam processing

Other Important Activities
- Result processing & publication
- Re-evaluation and grievance redressal (Special Cases As and when required)
- Data management
- Academic compliance & policy
- Coordination with departments & faculty
- Training & capacity building
- Malpractice & disciplinary action
- Certification & verification services for third parties
- Digital initiatives & security
- Audit and quality assurance
- Stakeholder communication

Academic Bank of Credits

The Office of the Controller of Examinations at MUJ also plays a key role in managing the Academic Bank of Credits by accurately uploading, verifying, and maintaining students' credit records on the national ABC portal as per UGC norms. This ensures seamless credit transfer, programme flexibility, and transparent academic progression for all enrolled students.

Major Activities and Events

The Office of the Controller of Examinations (CoE) plays a central role in upholding academic integrity by planning, conducting, and supervising all university examinations in a fair, transparent, and timely manner. Its major responsibilities include preparing the examination calendar, managing question paper setting, secure printing, and confidential storage, organising end-semester and Make-up examinations, and coordinating evaluation, result processing, and CGPA computation as per university and UGC norms. The CoE also oversees the issuance of academic documents such as mark sheets, transcripts, degree certificates/provisional certificates, migration certificates etc., while ensuring proper archiving and verification services. In addition, it coordinates the annual convocation, supports government and external agencies in conducting national-level examinations when required, and manages grievance redressal, malpractice prevention, and compliance with statutory and accreditation requirements. Through these functions, the CoE ensures the credibility, smooth functioning, and academic excellence of the university's assessment and certification system.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Adoption of E Pad – A Unique practice at MUJ

In recent years, there has been a paradigm shift in examination process and methodologies, emphasizing technology-driven solutions that are not only efficient but also environmentally friendly and student-centric. The key features and benefits of a techno-friendly, environmentally conscious, and student-centric examination system as under:
- Convenience in Examination and Evaluation
- Hassle-Free Examination Process
- Student-Friendly Approaches
- Techno/Environment-Friendly

One of the primary advantages of techno-friendly examination systems is question wise CO/PO attainment, which is also a genuine requirement of NAAC and this could be a catalyst for university in achieving higher visibility and better ranking framework. This adoption brings uniformity in answer scripts evaluation as question wise evaluation is possible by multiple faculty members simultaneously.

Achievements & Highlights

11th Convocation - October 19 and 20, 2024

Office of Controller of Examination was instrumental in organizing 11th Convocation of Manipal University Jaipur on two days which were held on October 19 and 20, 2024.

Dr. Vijaypal Singh Dhaka
Dean – Quality & Accreditations

Directorate of Quality & Compliance •
MUJ Teacher Empowerment Cell •

It gives me great pleasure to present the report on the Quality and Accreditations functional unit at Manipal University Jaipur (MUJ) for the academic year 2024–2025. At MUJ, quality is viewed not as a periodic requirement but as a continuous and evolving commitment embedded across all academic and administrative functions.

During the reporting year, the Directorate of Quality & Compliance played a pivotal role in strengthening a culture of conscious, consistent, and catalytic improvement. Through close collaboration with academic schools, administrative units, statutory bodies, and external stakeholders, the Directorate facilitated the adoption of best practices, promoted innovation in teaching–learning and evaluation processes, and supported evidence-based decision-making. Emphasis was placed on outcome-based education, learner-centric pedagogy, digital integration, research quality, governance reforms, and sustainability to ensure holistic institutional development.

The Directorate of Quality and Compliance worked in close coordination with the Internal Quality Assurance Cell (IQAC) to strengthen regulatory adherence, documentation, data integrity, and audit preparedness. Systematic mechanisms were reinforced to ensure compliance with statutory, accreditation, and regulatory frameworks, thereby enhancing transparency, accountability, and institutional credibility. The IQAC also actively promoted the quality culture through academic audits, structured reviews, feedback mechanisms, and capacity-building initiatives. Stakeholder feedback from students, alumni, parents, employers, and industry partners was systematically analyzed and utilized for continuous refinement of institutional policies and practices. This participatory approach ensured that quality enhancement remained inclusive, relevant, and aligned with MUJ's vision and mission.

To further institutionalize a culture of academic excellence, the MUJ–Teaching Empowerment Centre (MUJ-TEC) played a significant role in faculty capacity building. MUJ-TEC focused on continuous upgradation of faculty knowledge, skills, and pedagogical competencies across disciplines. Faculty Development Programmes (FDPs), induction programmes, and training workshops were organized covering areas such as education policy, innovative teaching methodologies, outcome-based education, educational technology, assessment strategies, communication skills, motivation, and professional practices relevant to higher education. These initiatives aimed to enhance teaching effectiveness, promote the use of modern instructional tools, and keep faculty abreast of emerging trends in their respective fields.

I take this opportunity to express my sincere appreciation to the University leadership, members of the IQAC, Directorate of Quality and Compliance, MUJ-TEC, faculty coordinators, administrators, and all stakeholders for their unwavering support and commitment to excellence. As we move forward, MUJ remains steadfast in institutionalizing best practices, strengthening compliance, enhancing teaching excellence, and fostering a culture of continuous improvement, thereby reinforcing its position as a progressive and quality-driven institution of higher learning.

Directorate of Quality and Compliance

About the Directorate

The Directorate of Quality & Compliance at Manipal University Jaipur (MUJ) plays a pivotal role in fostering a culture of quality and continuous improvement across all aspects. The primary objective of the Directorate of Quality & Compliance, MUJ is to develop a system for conscious, consistent, and catalytic improvement in the academic and administrative performance of the university. It works collaboratively with various stakeholders to promote best practices, encourage innovation in teaching-learning processes, and enhance institutional functioning. It also serves as a central mechanism for planning, guiding, and monitoring quality assurance and enhancement initiatives.

Message from the Director

At Manipal University Jaipur (MUJ), the Directorate of Quality & Compliance embodies our commitment to academic excellence, continuous improvement, and institutional integrity. Quality at MUJ is not just a benchmark, it is a shared culture that shapes teaching, research, administration, and student support.

From August 2024 to July 2025, our efforts yielded significant achievements, reflecting the strength of our internal quality systems and collective engagement across the university. These milestones demonstrate our progress in institutionalising quality assurance, stakeholder feedback, and performance benchmarking, driving growth in academics, research, infrastructure, reputation, and sustainability.

I urge all members of the MUJ community i.e., faculty, researchers, staff, students, and partners to continue collaborating with the Directorate. Your active participation and feedback are vital to sustaining our culture of excellence and accountability.

Together, let us build on this strong foundation with renewed energy, integrity, and innovation. With your continued support, the Directorate will help MUJ further strengthen its standing and contribute meaningfully to the higher education landscape.

Dr. Manish Tiwari
Director - Q&C

Vision and Core Objectives

- **Vision**
  - To ensure quality initiatives implementation for Manipal University Jaipur by institutionalizing, incorporating, and implementing all the practices suggested by internal and external stakeholders
- **Core Objectives**
  - To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution
  - To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices

Team and Structure

- Prof. Manish Tiwari – Director
- Dr. Deepak Sinwar – Deputy Director
- Dr. Lal Pratap Verma – Deputy Director
- Dr. Ankit Mundra – Deputy Director
- Dr. Keshav Nath – Assistant Director
- Mr. Vishnu Jangid – Office Assistant
- Ms. Shweta Sharma – Process Associate

Key Functions and Roles

- Development and application of quality benchmarks.
- Parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters to all stakeholders.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/ activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development and maintenance of institutional databases through MIS for the purpose of maintaining /enhancing the institutional quality.
- Periodical conduct of Academic and Administrative Audit and its follow-up.
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

MUJ Teacher Empowerment Centre

About the MUJ -TEC

The Manipal University Jaipur – Teacher Empowerment Centre (MUJ-TEC) was established in 2017, with the vision of fostering excellence in teaching, research, and professional development among faculty members. The Centre serves as a nodal body to design, coordinate, and implement various capacity-building initiatives aligned with institutional goals and the National Education Policy (NEP 2020).

MUJ-TEC is committed to empowering teachers with advanced pedagogical skills, innovative teaching methodologies, and interdisciplinary research insights. By organizing structured Faculty Development Programmes (FDPs), workshops, seminars, and collaborative initiatives, the Centre strives to create an ecosystem where faculty members can continuously evolve as educators, mentors, and researchers.

Message from the Director, MUJ-TEC

It gives me immense pleasure to present the Annual Report of MUJ-TEC for the period August 2024 to July 2025. During this year, the Centre has successfully organized several initiatives focusing on faculty development, research capacity building, and pedagogical innovations. These efforts are directed towards equipping our faculty members with the skills and mindset required to meet the challenges of a rapidly evolving academic landscape. I extend my gratitude to the university leadership, resource persons, and faculty participants for their active involvement and continuous support in making MUJ-TEC initiatives impactful and meaningful.

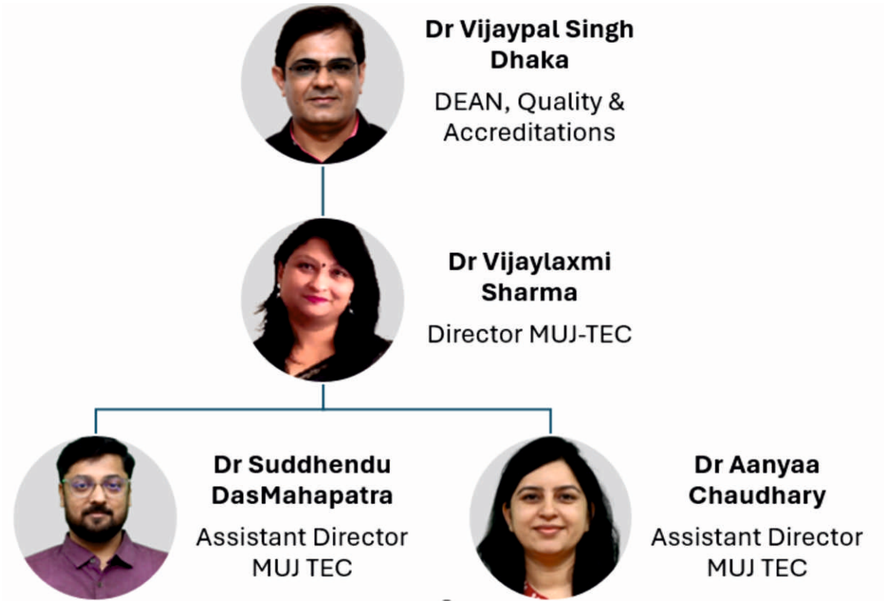

Dr. Vijaylaxmi Sharma
Director

Vision, Mission, and Core Objectives

- **Vision:**
  Empowering educators for a future of inspired teaching and learning excellence
- **Mission:**
  Inspire educators, elevate teaching standards, and champion objective assessment for transformative educator empowerment
  Forge a culture of educational excellence through teacher training, and dynamic academic leadership

Team and Structure

Key Functions and Roles

Summary of major responsibilities

- The Teacher Empowerment Centre (MUJ-TEC) serves as the focal point for faculty capacity building and professional development at Manipal University Jaipur. Its responsibilities go beyond routine training and emphasize sustained academic excellence, research innovation, and compliance with quality benchmarks. The Centre plays a vital role in:
  - **Designing and implementing Faculty Development Programmes (FDPs):** Tailored to enhance pedagogical skills, research competencies, and use of ICT in teaching. For example, during 2024–25, TEC organized the Three-Day Workshop on Research Proposal Development (1st–3rd July 2025), which trained faculty on proposal writing, funding schemes, and evaluation criteria.
  - **Conducting the New Faculty Induction Programme:** To ensure smooth integration of new faculty members into MUJ's culture of excellence. The programme familiarizes them with academic policies, teaching methodologies, quality standards, and compliance requirements. In 2024, the induction programme included sessions on Outcome-Based Education (OBE), Student Mentoring Practices, and Academic Ethics.
  - **Facilitating pedagogical innovations:** Equipping faculty with modern teaching tools such as blended learning, flipped classrooms, and AI-assisted platforms. Hands-on training on the use of ICT in teaching was provided in multiple sessions during the reporting period.
  - **Supporting research and scholarly growth:** Organizing activities that encourage interdisciplinary collaboration and research capacity building. For instance, TEC partnered with the Directorate of Research (DoR) to conduct workshops on grant writing and proposal screening best practices.
  - **Contributing to institutional quality and compliance:** TEC works closely with the Internal Quality Assurance Cell (IQAC) to strengthen teaching–learning processes in alignment with NAAC criteria, NIRF requirements, and NEP-2020 directives. Initiatives such as training on Bloom's Taxonomy-based assessments and Curriculum Mapping were undertaken in 2024–25 to support compliance and quality enhancement.
  - **Monitoring impact and outcomes:** Ensuring that faculty training translates into measurable improvements in teaching quality, student engagement, and research productivity.
- **Services/Support offered by the Directorate**
  - MUJ-TEC provides a wide range of services designed to address the evolving academic and professional needs of faculty members:
  - Faculty Development Initiatives: Structured FDPs and short-term training on pedagogy, ICT tools, research methods, and leadership skills.
  - **New Faculty Induction Programme:** Comprehensive orientation for newly recruited faculty, covering MUJ policies, academic regulations, OBE practices, and the use of digital platforms.
  - Research Support: Mentorship for proposal preparation, awareness sessions on funding opportunities, and guidance on quality publications.
  - **Pedagogical Training:** Training sessions on emerging teaching–learning models and digital platforms. For example, a workshop on Innovative Teaching Practices with AI Tools was conducted in March 2025.

  - **Capacity-Building Programmes:** Customized sessions to strengthen teaching effectiveness, classroom engagement, and student-centric approaches.
  - Collaborations: Partnerships with eminent resource persons from academia and industry. In 2025, distinguished professors and fellowship holders (e.g., INSA, ICMR) were invited as resource persons.
  - **Quality and Compliance Support:** Direct contribution to MUJ's quality enhancement measures by training faculty on academic audit practices, feedback-based improvement, and accreditation readiness.

Major Activities and Events (2024–25)

Event Name / Programme	Date	Type	Theme / Focus Area	Participants (Faculty/Staff)	Key Outcomes / Impact
New Faculty Induction Programme 2024	16–18 Sep 2024	Orientation	Introduction to MUJ policies, OBE, mentoring, academic ethics	45 new faculty members	Smooth onboarding; faculty acquainted with MUJ culture, compliance, and teaching standards
Faculty Development Programme on Innovative Pedagogy & ICT Tools	20–22 Nov 2024	FDP	Blended learning, flipped classroom, AI-enabled teaching aids	62 faculty across disciplines	Enhanced adoption of digital tools; improved classroom engagement strategies
Workshop on Bloom's Taxonomy & Curriculum Mapping	18 Jan 2025	Workshop	Designing learning outcomes, assessments, and OBE practices	53 faculty	Improved course outcome mapping and compliance with NAAC/OBE requirements
Special Lecture Series: Pedagogy for Next-Gen Learning	22 Feb 2025	Guest Lecture	Interactive teaching practices, student-centered learning	110 participants (faculty & doctoral scholars)	Broader exposure to global pedagogical trends
Workshop on Innovative Teaching Practices with AI Tools	15–16 Mar 2025	Workshop	Application of AI/ML in teaching & learning	48 faculty members	First-time initiative at MUJ; faculty trained to integrate AI tools in classroom
Three-Day Workshop on Research Proposal Development	1–3 Jul 2025	Workshop (in collaboration with DoR)	Grant writing, proposal structuring, evaluation criteria	57 faculty members from multiple departments	Strengthened research culture; increased awareness of national/international funding schemes
Interactive Session on Academic Ethics & Compliance	10 Jul 2025	Awareness Session	Academic integrity, plagiarism policies, accreditation compliance	85 participants	Reinforced quality and compliance standards at MUJ

Event Name / Programme	Date	Type	Theme / Focus Area	Participants (Faculty/Staff)	Key Outcomes / Impact
Empowering Change: Strategies for Social Enterprise Management (ATAL FDP)	9–14 Sep 2024	FDP (5 days)	Social Enterprise Management / Social Impact	FOMC faculty	First-time ATAL-approved FDP; strengthened faculty awareness in social enterprise pedagogy and larger societal impact.
FDP: Fostering Creativity in Research Across Disciplines	5–9 Aug 2024	FDP (5 days)	Interdisciplinary Research Creativity	—	Boosted interdisciplinary research creativity among faculty; motivated cross disciplinary ideation and proposal development.)
Training Session: Financial Awareness	2 Aug 2024	Training Session	Financial Literacy / Personal Effectiveness	—	Enhanced faculty financial literacy—personal security, fraud awareness, pension planning.)
Awareness Session on Examination Process	21–23 Aug 2024	Awareness Session	Examination Process / Academic Compliance	~780 participants	Enhanced understanding of exam protocols; reinforced quality and errorfree examination conduct.

Achievements & Highlights

Quantifiable Outcomes

- **Total Events Organized (Aug 2024 – July 2025):** 35+ events including FDPs, workshops, induction programs, short-term courses, and awareness sessions.
- **Faculty Participants:** 650+ benefited from capacity-building initiatives across pedagogy, e-content, technical skills, and personal effectiveness domains.
- **Collaborations:** Multiple events conducted in collaboration with industry experts, national institutes, and MUJ schools/departments.

KPIs / Goal-Based Results

- Achieved 88% alignment with TEC Key Performance Indicators across pedagogy enhancement, quality compliance, research enablement, and stakeholder training.
- Introduced new thematic areas in FDPs (e.g., Artificial Intelligence, Financial Literacy, Industry 4.0, Sustainable Development Goals).
- Successfully integrated faculty development with compliance objectives, ensuring quality and NAAC/NBA readiness.
- New Faculty Induction: Conducted orientation and training programs to support smooth onboarding, enhance compliance awareness, and instill MUJ's ethos of quality teaching.

First-Time Initiatives

- Research Proposal Development Workshop (July 2025) – first of its kind, with structured screening and evaluation processes.
- AI/ML and Data Science for Industry 4.0 (2025) – advanced short-term course tailored to match industry demand.
- **Quality & Compliance Contributions:** MUJ-TEC's structured FDPs and workshops were noted by IQAC as significant contributors to academic audit preparedness.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Collaborations and Engagement

MUJ-TEC has actively expanded its network of collaborations during the period August 2024 – July 2025, ensuring greater reach and alignment with the objectives of the National Education Policy (NEP) 2020.

1. Strategic Partnerships

- MoU with Jai Narain Vyas University (JNVU), Jodhpur, HRDC, MMTTC Regional Centre Strengthened regional academic collaboration through joint Faculty Development Programs (FDPs) and knowledge-sharing initiatives.
- Partnered to conduct FDPs and training programs based on the framework of NEP 2020, with emphasis on multidisciplinary learning, outcome-based education, and innovative pedagogy.

2. Faculty Development Programs under NEP 2020

- National Outreach: Successfully trained 800+ faculty participants across India, enhancing competencies in pedagogy, technology integration, and student-centric education.
- Institutional Impact at MUJ: More than 480 MUJ faculty members were trained under NEP-focused FDPs, contributing directly to curriculum innovation, compliance, and quality enhancement.

Atal Incubation Centre, MUJ

About the Atal Incubation Centre, MUJ

The Atal Incubation Centre, Manipal University Jaipur (AIC-MUJ), established under the Atal Innovation Mission (AIM), NITI Aayog, continues to act as a catalyst for innovation, entrepreneurship, and technology-driven growth. AIC-MUJ provides incubation, mentorship, funding, and access to advanced AR/VR and 3D printing facilities, fostering a vibrant startup ecosystem.

AIC-MUJ reaffirms its mission to cultivate innovation, empower startups, and foster entrepreneurship aligned with India's national development goals.

Message from the CEO, AIC-MUJ

Over the past year, AIC-MUJ has continued to strengthen its role as a key enabler of the startup ecosystem by supporting early-stage ventures through mentorship, infrastructure, funding facilitation, and industry linkages. Our focused efforts have helped startups move from ideation to validation and growth, resulting in notable success stories and increasing market traction.

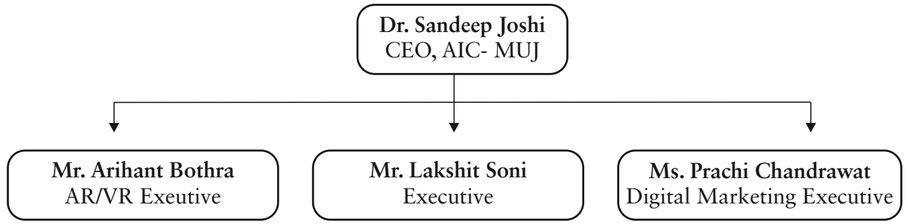

We have expanded collaborations with academia, industry, and government stakeholders, while conducting impactful programs that build entrepreneurial capability and promote technology-driven solutions. These achievements reaffirm our commitment to fostering sustainable and scalable startups with real-world impact.

As we move forward, AIC MUJ remains dedicated to empowering innovators, deepening ecosystem partnerships, and contributing to regional and national innovation goals.

Dr. Sandeep Joshi
CEO

Team and Structure

The organizational structure of the AIC-MUJ is designed to ensure effective leadership, innovation, and smooth operational functioning. It comprises four key members who bring diverse expertise and strategic oversight to the organization:

- Dr. Sandeep Joshi, CEO of Atal Incubation Centre, Manipal University Jaipur, provides overall leadership and strategic direction
- Mr. Arihant Bothra serves as the AR/VR Executive, contributing specialized knowledge in immersive technologies
- Mr. Lakshit Soni supports core operational and strategic activities in his role as Executive
- Ms. Prachi Chandrawat oversees branding, outreach, and digital presence as the Digital Marketing Executive

Together, these members collaboratively drive the organization's vision and objectives.

Key Functions and Roles

- Provides Support, Resources, Mentorship to Startups and Entrepreneurs
- Offers a platform for nurturing innovative ideas & assist in business development
- Provide access to infrastructure, facilities and connects startups with potential investors & Industry Experts
- To support and encourage innovative technology-based start-ups that have an application and/or impact in the core sectors of the economy
- To provide the start-ups with necessary guidance, tech support, infrastructure, access to investors, networking, and facilitating a host of other resources that may be required for the start-up to survive and scale
- To create a strong network of mentors who would provide sector specific knowledge & real-world practical guidance to incubated startups. Services/Support offered by the Directorate
- To conduct Internal Events - Hackathon, Ideathon, Venturethon, Innovation Competitions, MSME Idea Hackathon & Smart India Hackathon (SIH) & Other Inspirational Collaborative Activities
- To promote and establish world-class incubation centres in India's specific subjects/sectors such as AR/VR, Healthcare & Education, etc.
- Forge partnerships and networks with Academia, Industry, Funding Sources, Existing Incubators and others for the start-ups to leverage
- To build a strong team with adequate knowledge and experience in guiding start-ups, building business plans, facilitating investments, building networks

Major Activities and Events

A. **Cohort Programs - Cohort Udaan (Feb 2025): Focused on startup scaling and networking.**
   - Cohort AR & VR (Mar 2025): Explored innovations in immersive technology
   - Cohort AI in Marketing (Aug 2025): Examined AI applications in marketing analytics

B. **Hackathons and Challenges - Smart India Hackathon 2024 (Hardware Edition) – Guided 5 MUJ teams.**
   - MSME Idea Hackathon 5.0 – Shortlisted innovative student-led ideas
   - MUJHackX'24 – Conducted with SBI Bank sponsorship; 3 winning teams
   - Techstars Startup Weekend (Google for Startups) – 3-day program for ideation, mentoring, and pitching

C. **Entrepreneurial Summits & Bootcamps - Entrepreneurial Summit 3.0 – Theme: "Digital Transformation & Emerging Tech."**
   - SemiSynergy 2025 : 20–21 Feb 2025: "Chip Innovation & Startups," featuring experts from Accenture, MICA, and IIT Jodhpur
   - Bootcamp 2024 – "Breaking Barriers: Empowering Women Entrepreneurs" under Viksit Bharat@2047
   - Incubation week – Inhouse mass pre-incubation screening event where startups present there ideas and selected ones get pre-incubated at AIC-MUJ
   - Startup Mahakumbh: Startup Mahakumbh is India's largest startup showcase, uniting innovators, investors, and industry leaders to drive entrepreneurship and transformative ideas.

D. **School Innovation Programs - Springfield School (Apr 2024): Exposure visit to AIC's AR/VR labs.**
   - Mahatma Gandhi Government School, Dehmi Kalan (Apr 2025): Technology workshop on AR/VR and robotics.

E. **Buildathon 2025 - Mentorship provided to Dharav High School, Jaipur teams for prototype development under Viksit Bharat@2047**

F. **Awareness & Outreach - Conducted innovation awareness drives for government schemes and startup policies**
   - Promoted cross-sectoral collaboration and student entrepreneurship

MANIPAL UNIVERSITY
JAIPUR

DIRECTORATES & FUNCTIONAL UNITS

Achievements & Highlights

- **Startup India Seed Fund Scheme (SISFS): - Total Sanctioned: `2.00 Cr**
  - Fund Received: `0.84 Cr
  - Fund Disbursed: `0.80 Cr
  - Startups achieved all KPIs under the first tranche; application for third tranche submitted in August 2024.
- **Physical Incubation Strength:**
  Enhanced to 12 active startups with 18 new pre-incubations added in 2025
- **Governance & Audit:**
  Regular board meetings conducted ensuring strategic and financial transparency.
- **Achievements 2024–25: - 64 startups supported, 18 active incubations.**
  - 18 pre-incubations nurtured successfully.
  - `0.80 Cr disbursed under SISFS.
  - Multiple national recognitions for startups and student teams
- **Future Focus (2025–26): - Launch Cohort 4.0 with focus on DeepTech and Social Innovation.**
  - Strengthen corporate partnerships for investment readiness
  - Develop regional innovation clusters in coordination with AIM
  - Continue contributing toward Viksit Bharat@2047

Collaborations and Engagement

- **International Collaboration:** Ministry of Industry & Entrepreneurship Development, Government of Sri Lanka
- **Corporate Partnerships:** Accenture, GCEC Global Foundation, InnovHER
- **Academic Linkages:** Continued cooperation with MUJ schools and national AIC networks
- **Other Collaborative partnerships:**

General Services & Administration

About the General Services & Administration

The Directorate of General Services & Administration Manipal University Jaipur is responsible for development and maintenance of entire infrastructure at MUJ landscaped over 66.67 acres having built up area over 3.4 million sq ft. The administration under the wings of the Director General is supported by the various sections of Engineering Maintenance, Security, Admin, Housekeeping, Horticulture, Hostels and Transportation etc. Management of Creche facility, allotment of central space of MUJ Shops also falls under the preview of General Services & Administration.

Brig Ripu Soodan Retd
Director General - Services, Administration & Projects

Waste Management and Sustainability Initiatives

Solid Waste Management:

The solid waste segregation yard at MUJ is established to transfer solid waste for recycling on daily basis. The students at the campus are encouraged to dispose off any unwanted solid waste through collection bins, to reduce the amount of waste production. There are more than 1050 recycling bins in the campus which are used to separate and collect paper, plastic and aluminium cans, newspaper, and cardboard waste for recycling.

Liquid Waste Management:

The system is in place at MUJ where in entire wastewater of MUJ is being recycled. Approximate quantity of 63506 KLD (average) wastewater is treated through 4 is 126 MLD. The entire treated wastewater is recycled and used for toilet flushing, gardening, lawns etc and sullage being used to produce manure for gardens.

Sewage Treatment Plant: MUJ

STP : Capacity 150 & 350 KLD MBR Based Process

Coarse Screen – Collection tank – Fine Screen – Oil Skimmer – Equalization Tank – Mini Screen – Aeration Tank – MBR Tank – Permeate Tank to All Over Head Tanks (Flush Tank) by Flush water transfer pump.

The STP's Treated water has been used for Flush & Drip Irrigation

Sewage Treatment Plant: Hostel

STP : Capacity 1000 (Boys Hostel) & 1000 KLD (Girls Hostel) MBR Based Process

Coarse Screen – Collection tank – Fine Screen – Oil Skimmer – Equalization Tank – Mini Screen – Aeration Tank – MBR Tank – Permeate Tank to All Over Head Tanks (Flush Tank) by Flush water transfer pump.

The STP's Treated water has been used for Flush & Drip Irrigation

E-Waste Management:

The campus e-waste is transferred/managed through IT department policy for wiping or recycling to the local vendors on monthly basis. Examples of electronic waste are, Computer Monitor, Printers, Scanner, Keyboards, Mics, cable, television tubes (CTRs) and kitchen and laboratory equipment.

- Paper Waste
- Wood Waste
- Bio Degrable Waste
- Iron Paper Waste

Space Management:

The Directorate of GS&A is managing physical space inventory and optimum space utilization which is very important task for the size of university. This management includes optimisation of four auditoriums, central halls, open area, sports area etc central space for important activities, managing occupancy information, and making spatial plans are also part of the space management. GS&A is continuously improving in effective space planning, creation of space, effective implementation, and effective tracking.

Environmental Health and Safety:

This GS&A department is responsible for all environmental and safety, training as well as compliances. The MUJ is a proud recipient of GRIHA ratings award. The Environmental Health and Safety Office serves as nodal point of campus with all environmental and safety regulatory organizations and assists with campus emergency planning and training. This office also plays a major role in the coordination of the campus sustainability program.

Green Practice at Manipal University Jaipur:

- Promotes Cycle rallies and electric vehicles.
- Public Transport Access.
- Promoting Plastic free campus.
- Paperless Office Culture by the way of ERP, emails and e-solutions
- Maximise Sunlight in the Classroom.
- 100% lighting by LEDs.
- 48% green cover from trees/plants. More than 9567 trees and plants blooming in the campus/MUJ Hostels.
- 35% Renewable Energy Developed (Solar).
- 7592 KL rainwater storage ponds, 11 Km of Swale drains to recharge rainwater
- Inhouse organic manure prepared
- Herbal nursery developed
- Play fields and Plantation drives.

Major Activities

The GS&A department ensures quality services are available around the clock. Notable events and activities include:

Sustainability and Energy Initiatives

Solar Rooftop Installation: MUJ has taken a substantial step towards reducing its carbon footprint by installing solar rooftops across key buildings. The solar power of approx. more than 2300 kw is produced in the campus. Academic block AB2 is energy neutral. This solar energy initiative supports our goal of self-sufficiency in electricity generation, helping to reduce dependence on non-renewable energy sources.

Water Harvesting Systems: The campus has implemented comprehensive rainwater harvesting mechanisms to optimize water usage, reduce dependency on external water sources, and ensure sustainable water management. The swale drain network of more than 11 km and rain water ponds approx. 7.5 lakh ltrs have been developed to keep water recharged into the ground. This initiative aligns with our commitment to resource conservation and environmental stewardship.

E-Mobility on Campus: The introduction of eco-friendly e-carts has revolutionized movement within the campus, offering a sustainable and efficient transportation option. These electric vehicles minimize emissions and contribute to a greener campus, enhancing both accessibility and environmental impact.

Cleanliness Drive and Green Horticulture:

Campus Cleanliness Drive: Regular cleanliness campaigns have been launched to ensure a hygienic and welcoming environment. The involvement of students and staff in these drives promotes a culture of collective responsibility towards campus upkeep. A team of more 250 housekeeping personnel are deployed in the campus.

Green Horticulture Practices: MUJ is committed to enhancing green spaces on campus. By incorporating sustainable horticultural practices, such as native plant species selection. More than 11,000 plants/trees are alive to save the environment.

SOP:

Well defined 24 numbers of SOP's have been put in place covering major tasks of the departments like Engineering & Maintenance, Transport, Admin, Security, Central Stores, Horticulture etc.

The department is continuously engaged in organizing and supporting various programmes, workshops and conferences organized by Manipal University Jaipur. The notable activities of the year are listed below:

- Diwali Decoration & Lighting
- Independence Day Celebration on 15th August
- Republic Day Celebration on 26th January
- Major support in Orientation & Convocation 2025

An active contributor to the successful organization of student club's events, departmental programs, university events, international conferences, hackathons, and Moot Court Competition.

The Director General Services & Administration is cantered on driving the University's strategic academic and hostels infrastructure initiatives. This includes planning, monitoring the progress and executing new projects at the same time upgrading existing facilities to align with institutional goals. The role involves managing large-scale projects, coordinating with internal teams, external contractors, and government agencies to ensure timely delivery, compliance, and quality standards.

This position plays a pivotal role in managing project timelines, budgets, and resource allocation, ensuring efficient execution while maintaining high standards of innovation and functionality. Focused on innovation and sustainability, DG (S&A) ensures efficient resource allocation and execution, contributing to a modern, future-ready campus that supports the University's academic and research excellence.

MUJ Hostels:

The position of Director General Services & Administration encompasses a multifaceted role that extends to overseeing and enhancing the operational efficiency of the 'Student Hostel' facilities. This responsibility is executed in collaboration with esteemed outsourced partners to ensure seamless functionality and key collaborators include GHSPL, entrusted with the operational management of the facilities through synergistic partnership. GS&A position is pivotal in maintaining an environment that fosters student well-being, comfort, and satisfaction, aligning with institutional objectives and standards.

MANIPAL UNIVERSITY JAIPUR
DIRECTORATES & FUNCTIONAL UNITS

Academic/Administration/Infrastructure Projects

I. Academic Laboratories

Development and modifications of computer and other labs, FoS laboratories for PURSE/DST projects are ongoing activities to meet the sustainable goals of the University.

II. Girls Hostel Block (G5, G6, G7) –

The Girls' Hostel Blocks G5, G6, and G7 & G8 is completed.

Total area of G5, G6, and G7 is 445,721 square feet.

III. Girls Food Court –

The Girls' Food Court is under construction, with a capacity to serve 3,500 students.

Total area of the food court is 91,527 square feet.

IV. Boys Hostel Block (B8, B9, B10) –

The Boys' Hostel Blocks B8, B9 and B10 is completed.

Total area of B8 and B10 is 251,366 square feet.

Construction of Blocks B11, and B12 is underway.

V. Service Blocks (STP & WTP for Girls' and Boys' Hostels) –

Sewage Treatment Plant (STP): Capacity of 1,000 KLD each for both girls' and boys' sides, utilizing MBR technology.

Underground Reservoir (UGR): Total capacity of 1,555 cubic meters for the Girls' Side and 1,924 cubic meters for the Boys' Side.

VI. Lecture Hall Complex - The Lecture Hall Complex is providing an area of 329,657 square feet, enabling accommodation for an additional 4,978 students and faculty.

VII. Knowledge Centre - The Knowledge Centre is under construction, with a planned area of 134,001 square feet.

Academic Development

- Establishment of new computer laboratories, including Lab 004, 1 AB Teaching Lab, AutoCAD lab, Lab 308, 1 AB Plant Tissue Culture Lab, Structural Biology & Bioinformatics lab, DST FIST Lab, Cancer Biology Lab, Chemistry Lab, Pyrolysis Lab.
- Development of Parking Facilities on MAGE Land to accommodate increased vehicle demand.
- Laying of 33KV Electrical Cables to upgrade the campus's power infrastructure.
- Conducting a Comprehensive Survey and Conditioning of MUJ Assets to ensure optimal utilization and maintenance.
- Installation of Concertina Coil Security Fencing around the hostel perimeter.
- Expansion of Greenery through increased plantation initiatives.
- Cricket and football ground development.

EHS Trainings at Site

MUJ is continuously achieving > 80% EHS excellence score since last two years to better earlier 75% EHS. To successfully achieve the target, MUJ has been providing different training and educating members towards safety and spread awareness amongst them to accommodate their best efforts to make target easier.

CSR Activities

The university also contributes towards the social upliftment. Five of the nearby villages have been adopted. In that series CSR activities worth Rs 60 Lakh have been planned & under development.

Creche Facility

The Director General oversees the Crèche facility; a key service provided to faculty and staff to support their work-life balance and enhance productivity. This facility ensures a safe, nurturing environment for children, enabling employees to focus on their professional responsibilities. Under the Director General's leadership, the Crèche has been successfully operational, offering quality childcare managed by good caretakes. This initiative reflects the institution's commitment to employee well-being, fostering a supportive workplace and contributing to improved efficiency and morale.

Shop Facility

The Director General also oversees the management of on-campus shops, which provide essential services such as food and beverages, stationery supplies, and other conveniences for students, faculty, and staff. The campus hosts a total of 24 shops strategically located to ensure accessibility, along with an additional shop within the faculty housing area to cater to residential needs.

In addition to these facilities, the campus features an ICICI Bank outlet, offering comprehensive banking services to the University community. Furthermore, two dedicated network towers have been installed to ensure superior connectivity and seamless communication across the campus. These initiatives, under the leadership of the Director General, reflect a commitment to creating a well-equipped and efficient campus environment that meets the diverse needs of its stakeholders.

Sanitary Napkin Vending Solutions

Under the Director General's oversight, the campus is equipped with state-of-the-art sanitary napkin vending machines in each building, ensuring convenient access for female students and staff. This initiative underscores the institution's commitment to promoting hygiene, well-being, and comfort, providing essential sanitary products with ease. By fostering a supportive and inclusive environment, these facilities play a vital role in enhancing the overall campus experience.

Goals for year 2024 – 25

- Campus Safety and Preparedness: Implement a comprehensive emergency management program, including hiring an Emergency Manager and rolling out a campus-wide operations plan to improve safety and response readiness.
- Infrastructure Expansion: Plan and develop new buildings and facilities to support academic and residential needs, prioritizing sustainable and energy-efficient designs.
- Green Campus Initiative: Enhance campus greenery by expanding green spaces, planting native trees, and creating outdoor study and relaxation areas to promote wellbeing and environmental sustainability.
- Improvement of Support Services: Enhance student, Faculty & Staff support services to improve academic success
- Maintenance of infrastructure to a befitting standard.
- Automation of repairing/ Services.
- Enhancement of sports/Academics infrastructure.

Hostels & Mess

About the Hostels & Mess

Manipal University Jaipur provides on-campus residential facilities managed by Good Host Spaces Pvt. Ltd. (GHS) — a global leader in student housing. The GHS hostels at MUJ are among the finest in Jaipur, offering students a secure, well-equipped, and growth-oriented environment that supports both academic focus and overall development.

Our purpose-built, tech-enabled accommodations ensure a modern and comfortable living experience for students throughout their higher education journey.

At GHS, we understand that accommodation is a key concern for students and their families. Hence, we prioritize safety, comfort, and community living, creating a stable foundation for students to excel academically and personally. With top-tier infrastructure and thoughtful facilities, we truly offer a "Home Away from Home" experience for every resident.

Purchase Department

About the Purchase Department

The Purchase Department plays a vital role in ensuring efficient, transparent, and cost-effective procurement processes across the University. The department functions as the nodal point for all purchasing activities, ensuring timely procurement of materials, services, and equipment as per institutional requirements and financial guidelines.

Message from the Director

The year 2024–25 witnessed continued focus on strengthening procurement practices, enhancing vendor relationships, and implementing cost-control measures. Our department has emphasized digitalization, transparency, and accountability in all purchasing operations to align with the University's broader goals of operational excellence and sustainability.

Col. Amit Agarwal (Retd.)
Director

Vision, Mission, and Core Objectives

- **To establish a streamlined, transparent, and accountable procurement system that supports academic and administrative excellence**
- **To promote fair competition, vendor development, and cost efficiency**
- **To leverage technology for process optimization and digital documentation**
- **To ensure timely availability of goods and services for uninterrupted University functioning**

Team and Structure

The Purchase Department operates under the leadership of the Director (Purchase), with dedicated officers and staff responsible for tendering, vendor liaison, logistics coordination, and record management. The team ensures smooth coordination with all academic and administrative departments for their procurement needs.
The Purchase Department team includes:

- Dr. Poonam Rathi – Manager (Purchase)
- Mr. Prashant Srivastava – Assistant Manager (Purchase)
- Mr. Hari Narayan Jat – Senior Assistant (Purchase)
- Mr. Dori Lal Jangid – Senior Assistant (Purchase)

Key Functions and Roles

- Centralized procurement of all goods and services as per financial and procedural norms
- Budget control and expenditure monitoring for all purchase-related activities
- Vendor registration, evaluation, and development
- Tendering, comparative analysis, negotiation, and finalization of contracts
- Timely processing of purchase orders and payments
- Coordination with Finance, Stores, and User Departments for seamless operations
- Ensuring compliance with statutory and University procurement policies

Major Activities and Events (2024–25)

During the year, several initiatives were undertaken to improve efficiency, reduce costs, and enhance transparency:

- Introduction of a New ERP System for faster approvals and reduced paperwork
- Revision and renewal of Annual Rate Contracts (ARCs) for key consumables and lab equipment
- Implementation of a Vendor Evaluation and Feedback System based on delivery, quality, and service parameters
- Procurement support extended to multiple new academic programs and infrastructure projects
- Periodic internal audits to ensure compliance and eliminate procedural delays
- Enhanced collaboration with Finance for timely settlement of vendor payments
- Sustainable procurement initiatives introduced, including preference for eco-friendly materials

Achievements & Highlights

- Over 1000 purchase requisitions processed during the year
- Successfully negotiated cost savings of approximately 8–10% through rate finalizations and vendor consolidation
- Reduced procurement cycle time by 20% through process automation
- Established a database of 400+ active, compliant vendors
- Zero audit objections raised in internal procurement review
- Improved coordination between user departments, finance, and stores, ensuring on-time delivery and utilization

Dr. Kuldip S Sangwan

Dean
Faculty of Science, Technology and Architecture (FoSTA)

- School of Computer Science and Engineering
- School of Engineering
- School of Physical and Biological Sciences
- School of Architecture and Design

It gives me immense pleasure to present the Faculty of Science, Technology and Architecture (FoSTA) highlights for the academic year 2024–25. FoSTA stands as a vibrant hub of innovation, interdisciplinary learning, and research excellence at Manipal University Jaipur, committed to nurturing future-ready professionals who can lead, innovate, and contribute meaningfully to society.

During the year, FoSTA continued to strengthen its academic ecosystem by integrating rigorous theoretical foundations with experiential and practice-oriented learning. Our programs across science, engineering, technology, architecture, and design are carefully structured to respond to the rapidly evolving global landscape, ensuring that our graduates are not only technically competent but also socially responsible, creative, and adaptable.

The School of Computer Science & Engineering has made notable strides in aligning education with emerging industry and research needs. Through its comprehensive programs in Computer Science Engineering, Information Technology, and specialized domains such as Artificial Intelligence & Machine Learning, Data Science, IoT & Intelligent Systems, and Computer & Communication Engineering, the school has fostered a strong culture of innovation, entrepreneurship, and research-driven learning. Students have actively engaged in interdisciplinary projects, start-up initiatives, and industry collaborations, preparing them for impactful careers across diverse sectors.

The School of Core Engineering has continued to uphold excellence in conventional and interdisciplinary engineering disciplines, including Civil, Mechanical, Electrical, Electronics & Communication, Chemical Engineering, Biotechnology, and Mechatronics Engineering. With a strong emphasis on hands-on training, industry exposure, and applied research, the school has empowered students to address real-world engineering challenges with confidence and competence.

The School of Architecture and Design has remained a beacon of creativity and sustainability, with its programs in Architecture, Fashion Design, Interior Design, and Interaction and Communication Design. The school's focus on sustainable design practices, technological integration, and aesthetic innovation has enabled students to develop solutions that are both functional and socially relevant.

The School of Physical and Biological Sciences encompassing the Departments of Biosciences, Chemistry, Mathematics & Statistics, and Physics, has played a pivotal role in advancing scientific inquiry and foundational research. Through innovative teaching methodologies, research initiatives, and student-led explorations, the school has fostered a spirit of curiosity and discovery in the natural and physical sciences.
FoSTA's progress during 2024–25 has been made possible by the dedication of our faculty members, the enthusiasm and talent of our students, and the unwavering support of the university leadership and industry partners. As we move forward, FoSTA remains committed to creating an inclusive, collaborative, and research-intensive academic environment that pushes the boundaries of knowledge and technology.

I extend my sincere appreciation to all stakeholders for their continued support and contributions. Together, we will continue to shape innovators, scientists, engineers, and designers who are prepared to build a sustainable and technologically advanced future.

MANIPAL UNIVERSITY
JAIPUR

School of Computer Science & Engineering (SoCSE)

About the School

The School of Computer Science & Engineering under the Faculty of Science, Technology, and Architecture (FoSTA), forms the core of computing education at Manipal University Jaipur through its Departments of Computer Science & Engineering and Information Technology. The school is committed to academic excellence, strong foundational learning, and innovation-driven education.

SoCSE emphasizes outcome-based curricula, industry-aligned programs, and experiential learning through projects, internships, and research initiatives. Faculty members actively contribute to high-quality research, professional development, and academic leadership, while students demonstrate excellence in academics, innovation, and placements. The school continues to nurture competent, ethical, and industry-ready computing professionals.

Departments under SoCSE-I

- Department of Computer Science and Engineering
- Department of Information Technology

Dr. Chhattar Singh Lamba
Associate Dean
School of CSE

Department of Computer Science and Engineering

About the Department

The Department of Computer Science and Engineering, founded in 2011, is committed to academic excellence, global competence, and the promotion of human values in education and research. The department's flagship B.Tech. program has been recognized for its quality through NBA accreditation since 2021, with reaccreditation in 2024, underscoring its consistent adherence to the highest academic standards.

With state-of-the-art laboratories and advanced computational resources, the department offers students hands-on experience across the spectrum of modern computer science and engineering. Its faculty comprises highly qualified educators and researchers specializing in areas including algorithms, software engineering, databases, computer networks, wireless sensor networks, data mining, artificial intelligence, machine learning, deep learning, natural language processing, cybersecurity, pattern recognition, IoT, and cloud computing.

Graduates of the department have built strong career trajectories, consistently securing placements at leading global companies such as Dell, PwC, Cisco, Amazon, Google, and Juniper Networks. This success reflects the department's dedication to career readiness and global competitiveness.

Renowned across the country for its academic rigor and placement success, the Department of Computer Science and Engineering continues to foster innovation, professional growth, and holistic student development, preparing graduates to thrive in an increasingly dynamic technological world.

Unique points about the Department

- Software Development Centre (SDC) offers MUJ students a dedicated space to gain practical software development experience
- Student Information Portal (SIP) for disseminating information among students
- Student Excellence Award for recognition of outstanding performers in academics, innovation, and research
- Industry curated courses to meet niche challenges offered by PwC, Dell and UiPath
- Industry Certifications for students (AWS, Oracle, RedHat, RPA)
- Strong Culture of Innovation and Research
- International Collaborations for joint research, student and faculty exchange

Research Facilities Available

- High Performance Computing Lab
- Computing Lab

Milestones Achieved

Student Achievements & Outreach

- CSE students secured First Position at the Smart India Hackathon (Software Edition) held at IIT Jammu.
- Students and faculty have published more than 250 Scopus-indexed research papers.
- Batch of 2025 received 680 placement offers, with an average package of 9.4 LPA.
- Students successfully completed 1055 NPTEL certifications across various courses.
- Global certifications of Coursera courses were incorporated into the B.Tech CSE curriculum (2023–24), leading to 1,557 successful certifications
- Approximately 400 students completed internships in leading Tech Companies (MNCs), IT Services & Consulting Firms, Product-Based Companies & Startups, Research Labs & Government Organizations
- Student Excellence Awards:
  - 467 students received the Dean's Excellence Award
  - 308 students received the Student Excellence Award
- Around 600 students participated in various community outreach and social engagement activities.

Software Development Centre (SDC)

- The Software Development Centre (SDC) at MUJ continues to provide hands-on software development experience through real-world project execution.
- Major completed solutions include:
  - NPTEL Certificate Verification System
  - Mentor–Mentee Interaction Platform
  - Two external consultancy projects
- A new state-of-the-art computing lab equipped with high-performance GPUs has been established.

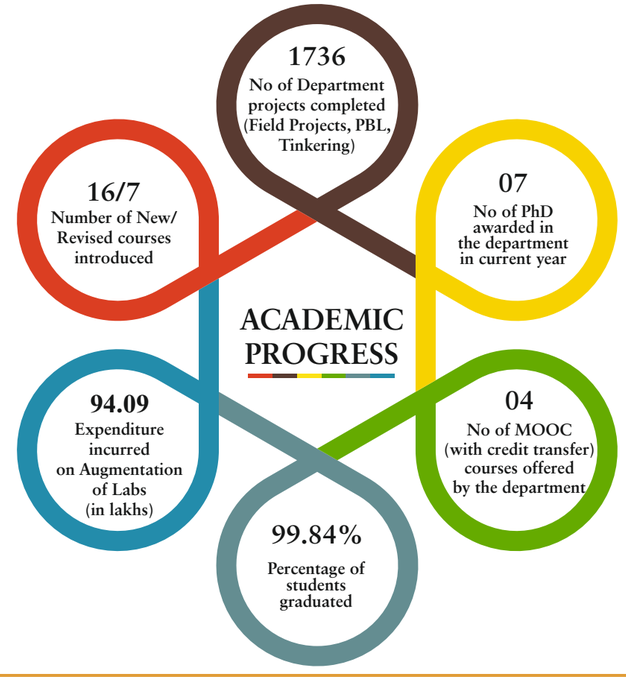

Major Events & Initiatives

The following engaging and immersive events were successfully organized during the year:

- Elysium Symposium (4–5 April 2025, MUJ): A two-day symposium with 234 internal participants, fostering innovation, technical learning, and collaborative problem-solving
- Faculty Development Program (FDP) on Emerging trends in AI was conduction in collaboration with DELL, Bangalore
- Faculty Development Program (FDP) on Quantum Computing for Machine Learning was conduction in collaboration with CDAC Patna
- Technovate 2025 (11 April 2025, MUJ): Featured 40 internal and 10 external participants, providing a platform for showcasing innovation, creativity, and entrepreneurial ideas
- HackX 2024 (5–6 September 2024): A 36-hour national-level hackathon with 489 internal and 460 external participants, promoting teamwork, innovation, and real-time problem-solving

Conferences Organized

Name of Conference	Number of Participants	Start date	Relevant SDGs
International Conference on Next-Generation Communication & Information Processing	200	23-24 Jan 2025	SDG 4, 9, 11, 17

Guest visits/Invited Lectures/Expert Talks

Name of the Guest	Designation	Organization Name	Name of the Event	Relevant SDGs
Mr. Ashish Kumar Mishra	Consulting Engineer	CISCO, Gwalior, India	Industry Expert Talk on The Integration of AI & Advanced Database Technologies	SDG 4, SDG 9
Mr. Chirag Sharma	SOC Analyst	TCS, New Delhi	Industry Expert Talk on Cyber Grid: A Cybersecurity Webinar Series	SDG 4, SDG 9
Mr. Manik Garg	Senior Manager	Atlassian, Bengaluru, Karnataka, India	Industry Expert Talk on Introduction to Amazon Web Services	SDG 4, SDG 9
Mr. Vyshak Suresh	Director	KPIT, Bengaluru, Karnataka, India	Industry Expert Talk on Cyber Security	SDG 4, SDG 9
Mr. Ayyappan Rajesh	Offensive Security Engineer	Blockharbor Cyber Sec, Detroit, Michigan, United States	Industry Expert Talk on Introduction to Offensive Security	SDG 4, SDG 9
Mr. Ayush Sinha	Research Scientist	C3iHub, Kanpur, UP	Industry Expert Talk on Critical Information Infrastructure	SDG 4, SDG 9
Mr. Mo. Hamidi Oaurdi	Cyber Security Infrastructure and Operational Engineer	Arab Tunisian Bank ATB, Tunis, Tunisia	Industry Expert Talk on Cyber Security Infrastructure	SDG 4, SDG 9
Mr. Rahul Dengra	Security & Privacy Program Management	Games 24*7, Mumbai, India	Industry Expert Talk on Cloud Security & Data Privacy	SDG 4, SDG 9
Mr. Rahul Tyagi	Co-founder	Safe Security, Palo Alto, California	Industry Expert Talk on Cyber Risk Quantification	SDG 4, SDG 9
Mr. D. P. Sharma	Digital Diplomat	UNDP, Dholpur, Rajasthan, India	Industry Expert Talk on AI supported Software Engineering	SDG 4, SDG 9
Mr. Arushi Sonal	Sec. Delivery Associate	Accenture, Gurugram, Haryana	Industry Expert Talk on Information Security	SDG 4, SDG 9
Mr. Yash Ramani	Founding Product Designer Founding	Cube, Silicon Valley, California, United States	Industry Expert Talk on Entrepreneurship and How to Build Startups	SDG 4, SDG 9
Mr. Aryan	Secretary	IEEE CSSYP, India	Industry Expert Talk on Write It Right: Research Paper Writing Workshop	SDG 4, SDG 9
Mr. Ashish Jain	Associate Vice President	J P morgan, Mumbai, India	Industry Expert Talk on The Integration of AI & Advanced Database Technologies	SDG 4, SDG 9
Mr. Ashwani Shahrewat	Lead Game Developer	Appsoleut Games, Gurgaon, Haryana, India	Industry Expert Talk on Pixel Forge: Game Development	SDG 4, SDG 9

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Mr. Kushal Vijay	Software Engineer	Microsoft, Bangalore, India	Industry Expert Talk on Campus to MNC-Journey to Microsoft Security in the Software Industry	SDG 4, SDG 9
Mr. Vanshika Pandey	Software Engineer	JP Morgan, Bengaluru, Karnataka, India	Industry Expert Talk on Building your Code-Folio	SDG 4, SDG 9
Mr. Hiten Lulla	Digital Content Creator	Vave Enterprise, Mumbai, Maharashtra, India	Industry Expert Talk on Mastering Arduino IDE	SDG 4, SDG 9
Mr. Sanjeev Jain	Founder and CEO	Prorata, Bengaluru, Karnataka, India	Industry Expert Talk on Technical Entrepreneurs: A revolution	SDG 4, SDG 9
Mr. Rajan Chopra	Founder	Blackhole Academy, Haryana, India	Industry Expert Talk on Delving into Quantum Physics and Computing	SDG 4, SDG 9
Mr. Jeet Rami	Threat Hunter	Microsoft, Hyderabad, India	Industry Expert Talk on Reverse Engineering	SDG 4, SDG 9
Mr. Arpan Soni	Entrepreneur	IPLIX Media, Gurugram, Haryana, India	Industry Expert Talk on Technical Entrepreneurs	SDG 4, SDG 9
Mr. Rahul Sharma	DevOps Engineer	TCS, Noida, Uttar Pradesh, India	Industry Expert Talk on Industrial Application of Data Structures and Algorithms	SDG 4, SDG 9
Mr. Jaidev Choudhary	Management Trainee	Instamart, Bengaluru, Karnataka India	Industry Expert Talk on Engineering to Marketing	SDG 4, SDG 9
Ms. Kashish Chanana	Machine Learning Engineer	Meta, San Francisco Bay Area	Industry Expert Talk on Navigating the Current Job market For Internships and Full Time Roles in Technology	SDG 4, SDG 9
Mr. Pratham Kumar	Technical Evangelist	Meteoros Automation , Bengaluru, Karnataka, India	Industry Expert Talk on Leveraging Ai for Business Innovation and Growth	SDG 4, SDG 9
Mr. Anurag Patel	Principal Consultant	Mercedes Benz Research & Development, Bengaluru, Karnataka, India	Industry Expert Talk on SAP on Cloud Application	SDG 4, SDG 9
Mr. Dev K Arora	Senior Software Engineer	Dell Tech, Bengaluru, Karnataka, India	Industry Expert Talk on Breaking into ML Research: Essential Step to Find Your First Research Internship	SDG 4, SDG 9
Mr. Mayank Saxena	Manager	Deloitte, Noida, Uttar Pradesh, India	Industry Expert Talk on Everything You Wish Someone Told You After College	SDG 4, SDG 9
Mr. Krishna Kumar	Database Tools Development Engineer	Oracle, Bengaluru, India	Industry Expert Talk on Edge Computing Architecture and Its Application in Real Life	SDG 4, SDG 9

Prof Gang Li	Adjunct Faculty (International)	Deakin University, Australia	Expert Talk on When Big Data Meets AI	SDG 4, SDG 9
Mr. Kapil Bagaddeo	Project Manager	Collabera Digital, Bengaluru, India	Industry Expert Talk on SDLC vs Agile Methodologies and Introduction to Scrum Masters	SDG 4, SDG 9
Mr. Ravikant Tyagi	Professional Trainer	Xebia, Ghaziabad, Uttar Pradesh, India	Industry Expert Talk on Neural Network Evolutionary Techniques: Genetic Algorithm and Hybrid Models	SDG 4, SDG 9
Dr. Ved Prakash Singh	Director	IMD, Bhopal, India	Industry Expert Talk on Computer Vision	SDG 4, SDG 9
Mr. Surendra Tadi	SOC, Principal Manager	Qualcom WLAN, Bengaluru, Karnataka, India	Industry Expert Talk on IP/Subsystem & SOC Verification	SDG 4, SDG 16
Ms. Sangeeta Chugh	Associate manager	Optum Global Solution Noida, India	Industry Expert Talk on Process Synchronization and Deadlock	SDG 4, SDG 10
Mr. Vamdeo Mishra	Sr. Software Designer	ASML, Veldhoven, North Brabant, Netherlands	Industry Expert Talk on Decoding Algorithms: The Magic Behind the Logic	SDG 4, SDG 15
Mr. Arvind Kumar	Global Executive	Infosys, Bengaluru, Karnataka, India	Industry Expert Talk on Designing and Analyzing Computational Strategies for Cloud-	SDG 4, SDG 13
Mr. Anshul Tayal	Information Security Analyst	Amdocs, Pune, India	Industry Expert Talk on Enabled, AI-Driven Business Transformation	SDG 4, SDG 11
Mr. Chandra Prakash	Salesforce Developer	Salesforce, Bengaluru, Karnataka, India	Industry Expert Talk on Common Web Application Vulnerabilities	SDG 4, SDG 12
Mr. Mahantesh M Ambaljeri	Senior Principal Software Engineer	DELL Tech, Bengaluru, Karnataka, India	Industry Expert Talk on Real-World Relevance of Compiler Concepts in Industry	SDG 4, SDG 14

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

International/National Awards/Honours won by Students

Name of Student	Name of Award	Name of Awarding Agency
Aditya Sharma	Biz Gyan Tree Award	Jagriti Yatra and Highest Scholarship for Jagriti Yatra
Priyanshu	1st Prize at National Line Following Robot Competition	Delhi Technological University
Tvisha Khanna	Advitiya-Hack-o-Mania	Indian Institute of Technology Ropar
Armaan Deep Singh Bedi	Paul Harris Fellow	Rotary International
Arul Keswani	Karate National Tournament	Ethnic Sports and Karate Academy India
Radhesh Gupta	Hackathon Prize	1st place in hackathon organized by Bobble AI
Kavya Soni	Hackathon Prize	Hackathon Winner
Sujal Rajput	Hackathon Prize	Hackathon Winner
Aayani Verma	Hackathon Prize	Qualifying among 30 teams from 2300+ to pre-final stage of Tata InnoVent Hackathon
Pranjali Praneshyeotikar	Trailblazer, A webdev Hackathon	Department of IOT and IS
Diya Jain	Advancing Inclusion Scholarship	ANITAB.ORG INDIA
Sanya Chaturvedi	Graduate Record Examination	GRE - Exam
Raunak Varma	Best Startup Idea, In startup weekend Jaipur	GEEKSFORGEEK
Rishi Ketan Mehta	Best Performing Team	Ministry Of Education (GOI)
Ayush Goyal	Best Performing team	Ministry of Education (GOI)
K S Mahadevan	Hackathon Winner (II-Position)	IEEE MUJ
Priyanshu	Winner (1st Prize), Meshmerize – Fastest Line-Following Robot Competition	Navonmesh MUJ
Armaan Deep Singh Bedi	Paul Harris Fellow	Rotary International
Arham D Jain	Finalist SIH	Smart India Hackathon
Dasari Rohith	Hackathon Winner	Google Developer Group, DSEU
Rutu Bhandari	Second prize with 11000 INR Inter-College Group Dance Competition “Rhythm Rush”	RCEW, Jaipur
Adhayan Grover	Award of Appreciation	The Indian Summit MUN 2024
Aradhya Sharma	Internship	IIT Roorkee
Aryan Pawar	Certificate of Participation	GEEKSFORGEEK
Dev Dhiren Faldu	2nd Prize – Startup Weekend Jaipur	GEEKSFORGEEK
Krish Kumar Gupta	Software Development	Soonami Ventureathon
Krishanu Bujarbaruah	Certificate of Appreciation	Indian Institute of Technology, Bombay
Oshika Sharma	1st Runner-Up	Turing Sapiens MUJ
Priyanshu	2nd Runner-Up	WSRO Goa Regionals 2024
Ranojit Palit	Research Paper Publication	3rd International Conference on Advances in Data-driven Computing and Intelligent Systems (ADCIS 2024)
Rishi Ketan Mehta	Certificate of Participation	IDE BOOTCAMP by Ministry of Education (GOI)
Ritabrata Chakraborty	SRFP Fellowship Awardee	CVIT Lab at IIIT Hyderabad
Sahil Kapoor	Man of the Match	National Inline Hockey Championship
Tanay Nishith Shah	Position Holder	Varidus, Singapore
Aastha Rawat	SIH-Grand Finale-2024	IIT Jammu, India

Abhishek Borah	SIH – Grand Finale 2024	IIT Jammu, India
Danush Kirana	SIH – Grand Finale 2024	IIT Jammu, India
Disha Shethanyan	SIH – Grand Finale 2024	IIT Jammu, India
Krishanu Batyaburah	SIH – Grand Finale 2024	IIT Jammu, India
Lavya Bisht	SIH – Grand Finale 2024	GTU, India
Pujan Modha	SIH – Grand Finale 2024	GTU, India
Yash Vardhan Singh	SIH – Grand Finale 2024	NIET Greater Noida, India
Ayush Goyal	DE Bootcamp Edition-2	Amity University Rajasthan, Jaipur, India
Rishi Mehta	DE Bootcamp Edition-2	Amity University Rajasthan, Jaipur, India
Adhayan Grover	2nd prize at Kalraviksha	IMI Indore
Nishita Gogia	Best Research Paper Award	ICCC 2025 (International Conference)
Astika Goel	Best Research Paper Award	ICCC 2025 (International Conference)
Sahil Kapoor	2nd place in Ice Hockey Championship	National Ice Hockey Championship, Uttarakhand, India

Details of Start-Ups & Incubation

Name of the student/s	Name of the start up	Nature of start up	Year of commencement
Raunak Varma, Ranveer Singh Pilania	Rauran Charge	Incubated Startup	17 Sep 2024
Ansh Agrawal	Trade Sphere	Incubated Startup	02 Oct 2024
Himanshu Rathi, Suvija Mahendru, Rohan Kumar, Shardul Singh, Ashi Jain, Vibhu Jangra	Consecution Marketing and Tieups	Incubated Startup	23 Oct 2024
Vivek Kumar Garg	Indomate	Incubated Startup	05 Nov 2024
Anoushka Vats	Thriftopia	Incubated Startup	13 Nov 2024
Tanishq Chhibber	Dinefast	Incubated Startup	14 Nov 2024
Naad Dantale, Priyansh Goel	StepNex Technologies Pvt. Ltd.	Incubated Startup	16 Nov 2024
Shubhang Shrivastav, Armaan Garg, Abhijeet	SkillRover	Incubated Startup	16 Nov 2024
Roshan Dutta, Soham Nath, G S Sudhanshu	Studysphere	Incubated Startup	17 Nov 2024
Pradeep Rathore, Chirag Dua	Doglapan	Incubated Startup	18 Nov 2024
Shresth Senwal, Dhruv Gehlot, Ishaan Sharma, Ishaan Peeyush Sharma	Flip and Find	Incubated Startup	13 Dec 2024
Lokesh Agrawal, Anas Nasim	MindSyncAI	Incubated Startup	12 Dec 2024

Department of Information Technology

About the Department

The Department of Information Technology is dedicated to fostering a robust academic and research ecosystem for students aspiring to excel in the IT domain. In response to the rapid advancements in technology and evolving industry requirements, the department regularly reviews and updates its curriculum to align with contemporary trends. This ensures that students develop a strong theoretical foundation while remaining equipped with the latest technological competencies.

Well-equipped laboratories facilitate experiential learning, while a team of highly qualified and committed faculty members provides focused mentoring and academic guidance to support student success. In addition to classroom learning, students are encouraged to actively participate in professional clubs such as LearnIT, ACM, and IEEE, which offer valuable opportunities for collaborative projects, networking, and skill enhancement through practical, real-world applications.

Dr. Pratistha Mathur
HoD

The department has established strategic collaborations with industry and academic institutions through multiple Memorandums of Understanding (MoUs). These partnerships enable students to gain access to industry-relevant training programs, internships, workshops, and expert interactions, thereby preparing them to meet the dynamic challenges of the IT sector with confidence.

Faculty Information

Name	Designation
Dr. Sumit Srivastava	Professor
Dr. Devesh Kumar Srivastava	Professor
Dr. Pratistha Mathur	Professor
Dr. Pankaj Vyas	Professor

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Unique Points about the Department

- NBA Accredited Program
- Highly Experienced Faculty Staff
- More than 90% Placement with an Average Salary Package of more than 8LPA.
- Strong Industry Linkage and Connect Through MoUs Such as Celebal Technologies, Altair Technologies, etc.
- Curriculum Designed to Meet Industry Needs
- Continuous Student Guidance through LearnIT Club Activities

Research Facilities Available

- Data Science lab (Altair Centre of Excellence on Data Science)
- high End Programming Lab
- NetSim: a tool for network simulation

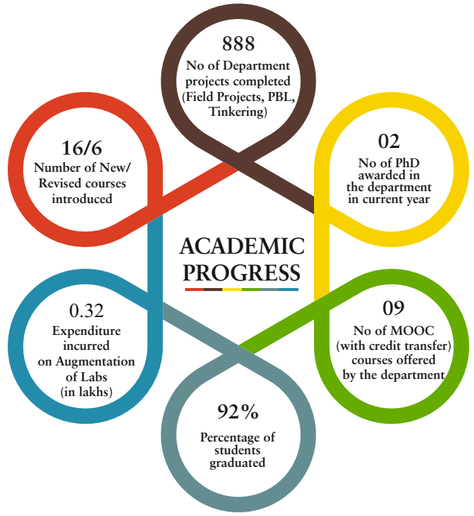

Milestones Achieved

- Started a new Program B.Tech -CSE (Cyber Security Engineering)
- More than 90% Placement

School of Computer Science & Engineering (SoCSE)

About the School

The School of Computer Science & Engineering represents the university's focus on emerging and interdisciplinary domains of computing through its Departments of Artificial Intelligence & Machine Learning, Computer & Communication Engineering, IoT & Intelligent Systems, Data Science & Engineering and Computer Applications.

The school fosters innovation, applied research, and hands-on learning in advanced technologies. With strong faculty expertise and an emphasis on interdisciplinary collaboration, SoCSE equips students with future-ready skills through research-driven teaching, technology-focused projects, and industry engagement. SoCSE plays a vital role in preparing graduates capable of addressing evolving technological and societal challenges.

Departments under SoCSE-II

- Department of Artificial Intelligence and Machine Learning
- Department of Computer & Communication Engineering
- Department of Computer Application
- Department of Data Science & Engineering
- Department of Internet of Things & Intelligent Systems

Dr. Roheet Bhatnagar
Associate Dean
School of CSE

Department of Artificial Intelligence and Machine Learning

About the Department

The Department of Artificial Intelligence and Machine Learning (AI/ML) in the School of Computer Science and Engineering offers B.Tech & M.Tech programs in Computer Science and Engineering (Artificial Intelligence and Machine Learning). This program aims to provide students with a strong foundation in the principles and techniques of AI and ML, as well as hands-on experience in applying these technologies to real-world problems.

Throughout the program, students will learn about the various subfields of AI and ML, including computer vision, natural language processing, robotics, deep learning, and others. In addition to the core coursework, students will have the opportunity to participate in research projects, both within the department and with other departments and institutions. Students will have a deep understanding of the principles and practices of AI and ML and will be prepared to work in various industries and roles, including data analysis, software development, and research. They will be well-equipped to tackle challenging problems and contribute to advancing AI and ML.

Unique Points about the Department

- The AIML Community offers Agile and dynamic approach to curriculum development, keeping pace with the rapid advancements in AI and machine learning.
- Affiliations with professional organizations like ACM, IEEE, CSI
- Alignment of the curriculum with industry standard
- Adoption of the latest tools and technologies of AI and ML for better learning and practical experience
- Collaboration with National & International AI & ML Forums & Societies
- Industry MOU with Automation Anywhere, Oracle Academy, EC Council, VM Ware IT Academy, Microsoft Imagine Academy, Dell Technologies, CISCO Network Academy, IBM Academy
- Choice Based Credit System (CBCS): Students have the option to choose program electives based on their interests

Research Facilities Available

- High-Performance System: Robust infrastructure with accelerated processing power for deep learning, big data analytics, and computationally intensive tasks
- Specialized Research Laboratories: Well-equipped labs for Artificial Intelligence, Machine Learning, NLP, and Computer Vision with access to modern frameworks and datasets
- Collaborative Research Environment: Facilities supporting interdisciplinary projects, industry–academia collaboration, and cloud-based platforms for scalable experimentation
- Future Expansion: Plans to integrate advanced GPU clusters, edge computing devices, and IoT-enabled smart systems to strengthen the research ecosystem

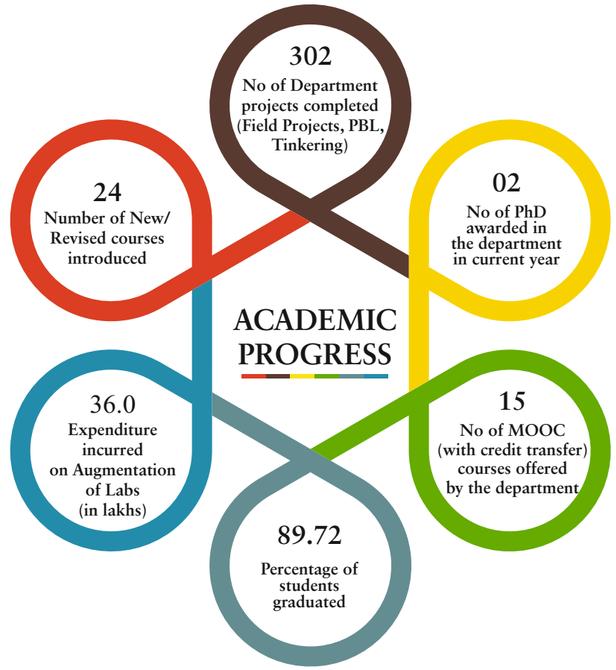

Milestones Achieved

- Hosted the Techno-Entrepreneurship Bootcamp 2024-25
- Organized flagship student events – Ideathon, Project Expo and Hackathon
- Signed new MoUs with DigiBox and Intel
- Launched the Intel Digital Readiness Program in collaboration with Intel for industry-aligned curriculum
- Received approval for AICTE IDEA Lab, strengthening research and innovation facilities
- Introduced Industry–Academia curriculum exchange with gap courses for bridging skill needs

Department of Computer and Communication Engineering

About the Department

The Department of Computer & Communication Engineering (CCE) at Manipal University Jaipur started in 2015. The objective of the department is to bring computer and communication together, which includes concepts and practices of software and hardware of computers, information networks, wireless communication systems, etc. One of the most extensive educational programs, strengthened by research in its developing field, is provided by the Department of CCE. The department conducts research on a wide range of computer and communication engineering system problems. Machine Learning, Internet of Things (IoT), Web Technologies, Advance Computer Networking, Network and Information Security, Wireless Communication, Network on Chip (NoC), Software Testing, Computer Architecture, and Embedded Systems are some of the key areas.

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Unique Points about the Department

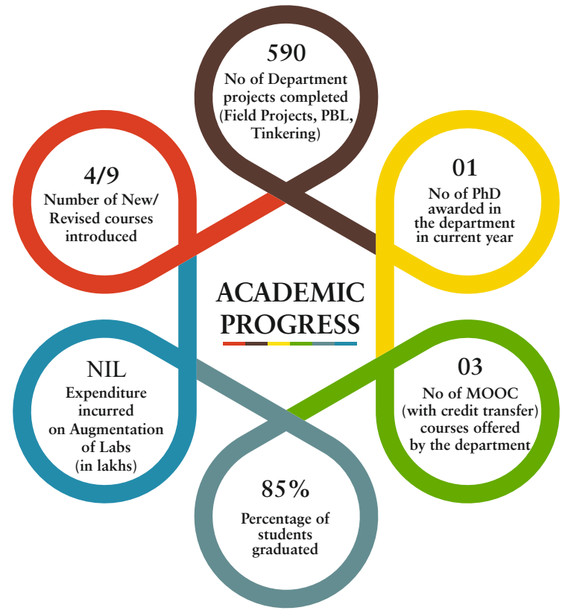

- Multidisciplinary integration of Computer Science and Communication domains
- Sponsored RedHat Academy Lab for Open-Source technologies
- Cisco Networking Academy to strengthen practical networking knowledge
- Access to high-end computing facilities for research in AI and Cyber-security

Milestones Achieved

- Strengthened student innovation ecosystem with 320 Minor, 126 Major, and 144 PBL projects, along with notable achievements in national-level events
- Enhanced research and faculty development with 42 Scopus/WoS journal papers, 22 conference papers, 15 book chapters, 1 PhD awarded, and significant faculty recognitions and FDP participation
- Expanded industry and global collaborations via RedHat & Cisco Academies, partnerships with universities in the USA and Serbia, and active student–faculty exchange programs
- Promoted strong student engagement and outreach through value-added courses (169 enrolments) and impactful community programs in cyber safety, innovation, and digital literacy

Department of Computer Applications

About the Department

The Department of Computer Applications at Manipal University Jaipur (MUJ), established in 2019, is committed to academic excellence through the adoption of an advanced curriculum and contemporary pedagogical practices. Since its inception, the department has demonstrated significant growth and has established itself as a centre of quality education, comparable with leading institutions in the field.

The department offers a comprehensive range of academic programs at both undergraduate and postgraduate levels. At the undergraduate level, it offers the Bachelor of Computer Applications (BCA), BCA with Specialization in Cybersecurity and Data Science, and BCA (Honours) in Software Product Engineering. At the postgraduate level, the department offers the Master of Computer Applications (MCA) and M.Sc. in Cybersecurity. In addition, the department is actively engaged in research and development across various domains of computer applications and offers a Doctor of Philosophy (Ph.D.) program in Computer Science.

The academic framework is designed to equip students with the knowledge and skills required to design, develop, and implement innovative software applications. Emphasis is placed on contemporary programming languages, emerging technologies, and industry-relevant tools, thereby preparing graduates for careers in the dynamic IT sector.

The department aspires to emerge as a Centre of Excellence by fostering technical expertise, innovation, and research. With state-of-the-art computational facilities, it aims to produce versatile graduates who are industry-ready and capable of contributing to cross-disciplinary collaborations in industry, government, higher education, research and development, and entrepreneurship.

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Unique Points about the Department

- Offers BCA Minor Specializations in Data Science and Cyber Security with dedicated labs, advanced software tools, and industry-oriented curriculum
- Provides global exposure through structured student exchange programs with reputed international universities
- Industry certifications (EC Council)
- Dedicated Lab and Software for Cyber Security program (NetSim etc.)
- Supports innovation and entrepreneurship via AIC and E-Cell funding, along with industry certifications such as EC-Council

Research Facilities Available

- IoT-driven Smart Agriculture system
- NetSim Research Edition
- Proteus IoT Simulation
- Tableau Software

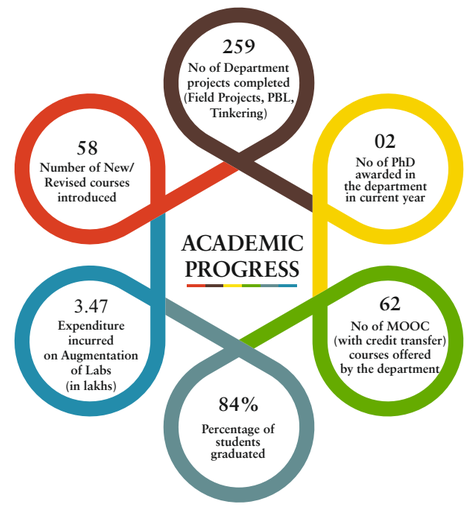

Milestones Achieved

- Received two seed grants from Manipal University Jaipur
- High impact research publications

Department of Data Science & Engineering

About the Department

The Department of Data Science and Engineering prepares professionals who blend the skills of software developers, database managers, and statisticians to build mathematical models, detect patterns in data, and communicate insights through effective visualizations for informed decision-making. Its curriculum spans domains such as finance, business, healthcare, social media, and emerging digital industries, emphasizing the impact of data-driven innovation.

Founded with a vision to develop ethical, future-ready practitioners, the department equips students with strong theoretical foundations, hands-on experience with modern tools, and real-world exposure through industry projects and internships. Students benefit from international collaborations, and advanced GPU-enabled computing labs. A vibrant professional culture is supported by ACM, IEEE, coding clubs, hackathons, seminars, and workshops.

The department offers two flagship programs, B.Tech in CSE (Data Science) and M.Tech in Data Science leading to careers such as Data Scientist, Data Engineer, Business Analyst, and AI/ML Specialist, with placements in renowned global companies.

Faculty Information

Name	Designation
Dr. Akhilesh Kumar Sharma	Professor
Dr. Devi Prasad Sharma	Professor
Dr. Aprna Tripathi	Associate Professor
Dr. Pooja Gupta	Associate Professor
Dr. Sukhwinder Sharma	Associate Professor
Dr. Dinesh Sharma	Associate Professor
Dr. Sandeep Kumar Gupta	Associate Professor of Practice
Dr. Neha V Sharma	Assistant Professor - Selection Grade
Dr. Sudhir Sharma	Assistant Professor - Selection Grade
Dr. Rekha Chaturvedi	Assistant Professor - Selection Grade
Dr. Chirag Joshi	Assistant Professor - Selection Grade
Dr. Anju Susan George	Assistant Professor - Selection Grade
Dr. Shitanshu Jain	Assistant Professor - Selection Grade
Mr. Ashish Pandey	Assistant Professor - Selection Grade
Dr. Neeraj Kumar Verma	Assistant Professor - Selection Grade
Dr. Ginika Mahajan	Assistant Professor - Senior Scale
Mr. Deevesh Chaudhary	Assistant Professor - Senior Scale
Dr. Gaurav Kumawat	Assistant Professor - Senior Scale
Dr. Abhishek Dwivedi	Assistant Professor - Senior Scale
Dr. Malvinder Singh Bali	Assistant Professor - Senior Scale
Mr. Ram Kumar Yadav	Assistant Professor - Senior Scale
Dr. Shweta Anand Redkar	Assistant Professor
Dr. Srikanta Pradhan	Assistant Professor
Dr. Anil Kumar Prajapati	Assistant Professor
Dr. Aishwarya Mishra	Assistant Professor
Mr. Gauransh Kalla	Assistant Professor

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Unique Points about the Department

- Offers B.Tech (CSE - Data Science) and M.Tech (Data Science) with strong focus on AI, ML, Big Data, Cloud, and Analytics.
- State-of-the-art CIDCR computing lab equipped with EEG Server.
- MoUs signed with leading universities (La Trobe University, Australia, King Mongkut's University of Technology, Thailand, Prince Sultan University, Saudi Arabia) and industries (Celebal Tech, Altair and Lyzr.AI) to facilitate students with latest technologies and to make them industry ready.
- Professional Chapters – Association for Computing Machinery (ACM), IEEE and IEEE Women in Engineering (WIE) chapters.
- ANOVA Student Data Science Club focused on student-centric technical activities.
- Industry and Government institutions visits for various students to provide industrial perspective and product development exposure.

Research Facilities Available

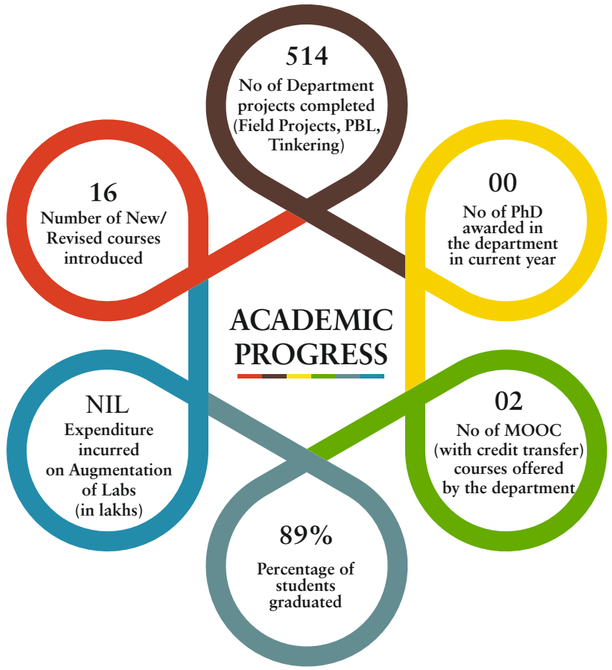

- High-performance computing lab — GPU equipped with NVIDIA RTX 2020 and multi-core CPU clusters, cloud compute access, and distributed computing infrastructure for large-scale data processing and machine learning.
- Visualization and analytics workstation room — High-resolution displays, interactive dashboards, and visualization tools to explore data, results, and analytics outputs.
- AI / ML, deep learning & data science software suite — pre-installed libraries, tools and frameworks (e.g. Python, R, TensorFlow/PyTorch, Spark, Hadoop) for rapid prototyping and research experiments.
- Access to academic and industry journals / resources — Subscriptions to research databases, e-journals, and industry reports to support literature review and state-of-the-art awareness.

Milestones Achieved

- Organized Second International Conference on Innovations in Data Science 2025 (ICIDS - 2025) from 20-21 November 2025.
- Organized Second International Symposium on Data Science from 6-7 November 2025.
- Signed MoUs with Lyzr.AI under Industry Connect programme.
- Organized workshop on Insights for Data and Business Analytics 2.0 from 19-23 May, 2025 in collaboration with Altair.

Department of IoT and Intelligent Systems

About the Department

The Department of Internet of Things and Intelligent Systems (IoT & IS) at Manipal University Jaipur was established in 2021 with the vision of preparing students for the Fourth Industrial Revolution (Industry 4.0). This revolution represents the convergence of cutting-edge technologies such as Artificial Intelligence (AI), Robotics, the Internet of Things (IoT), 3-D Printing, Intelligent Systems, Web Development, Cybersecurity and Privacy, Image Processing, Smart Healthcare, Smart Transportation Systems, Generative AI, and Prompt Engineering. The department offers a comprehensive and industry-oriented curriculum designed to harness the potential and innovative spirit of students. Its academic framework is carefully aligned with the evolving needs of both industry and academia worldwide.

With strong global collaborations in academia and industry, the department provides students with extensive opportunities for career advancement and research, both in India and abroad.

Dr. Amita Nandal	Associate Professor
Dr. Deepak Sinwar	Associate Professor
Dr. Geeta Rani	Associate Professor
Dr. Vijay Kumar Sharma	Associate Professor
Dr. Sourabh Singh Verma	Associate Professor
Dr. Suman Bhakar	Associate Professor
Dr. Sandeep Singh	Associate Professor
Dr. Praveen Kumar Shukla	Associate Professor (Research)
Dr. Hemlata Goyal	Assistant Professor - Selection Grade
Dr. Abhay Sharma	Assistant Professor - Selection Grade
Dr. Gaindi Lal Saini	Assistant Professor - Selection Grade
Dr. Rajesh Kumar	Assistant Professor - Selection Grade
Dr. Gyanendra Kumar	Assistant Professor - Selection Grade
Mr. Prashant Hemarajani	Assistant Professor - Selection Grade
Dr. Rohit Mittal	Assistant Professor - Senior Scale
Dr. Sunil Kumar	Assistant Professor - Senior Scale
Dr. Rohit Singh	Assistant Professor - Senior Scale
Dr. Bhawana Sharma	Assistant Professor - Senior Scale
Dr. Nandini Babbar	Assistant Professor - Senior Scale
Dr. Saikat Samanta	Assistant Professor - Senior Scale
Dr. Usha Choudhary	Assistant Professor
Dr. Govind Ram Chhimpa	Assistant Professor

Unique Points about the Department

- Strong Industry Connect in terms of collaborative lab, internship opportunities for students, and adjunct faculty to teach industry-oriented courses
- Strong International Connect and MoUs with top Universities of the World
- Collaborative workshops, FDPs, and conferences at regular Intervals
- Internship via collaboration with ISRO
- Award of the Month in Research, Academics, Innovations, Co-curricular and Sports
- Intel Unnati Lab (114 2AB) in domain of IoT and Robotics with High-end computing GPUs
- Global Grad Student Club to guide students for higher studies
- Turing Sapiens Technical club to enrich technical skill set of students
- Dynamic Student Information Portal

Research Facilities Available

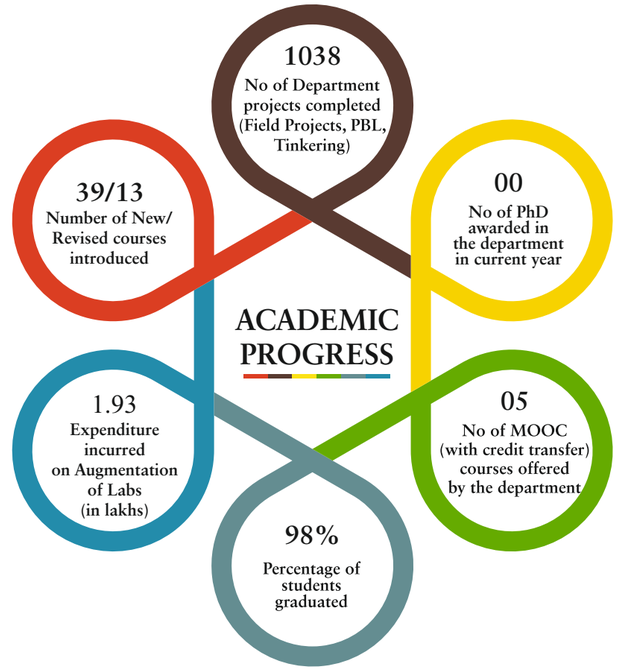

- Intel Unnati Lab in domain of IoT and Robotics
- High-end GPUs for research
- WARPkit: a research-based tool

Milestones Achieved

- Lab Set up initiated in collaboration with industry mlHealth 360 Pvt. Ltd.
- INTEL UNATTI Lab established
- Adjunct faculty empanelled from International Universities ranked among top 100 QS ranking
- Joint PhD consortium with International Universities of eminence including Norwegian University of Science and Technology (NTNU), Norway; University of Malta, Malta; University of Calabria, Italy; CNR-Nanotec, Italy, and University of Central Florida, USA
- Improved Industry Internships in ISRO, DRDO, mlHealth 360 Pvt. Ltd., Thoughtswin Pvt. Ltd., and Mahindra & Mahindra Ltd.

School of Engineering

About the School

The School of Engineering at Manipal University Jaipur offers programs in both conventional and interdisciplinary fields, including Biotechnology, Computer Science and Bioscience, Chemical Engineering, Civil Engineering, Mechanical Engineering, Mechatronics Engineering, Electrical Engineering, and Electronics & Communication Engineering.

With a strong emphasis on hands-on training, industry collaborations, and research opportunities, the school equips students with the knowledge and skills needed to address real-world engineering challenges. By combining rigorous academics with experiential learning, the school nurtures innovation and prepares graduates to deliver impactful solutions for industry and society.

Department of Biotechnology & Chemical Engineering

About the Department

The department was established in 2014 with the goal of providing graduate and doctoral programs in Chemical Engineering. In 2023, it broadened its scope by adding two additional graduate engineering programs: Computer Science with Bioscience and Biotechnology. From groundbreaking research in material science, environmental remediation, and waste-to-value-added products to advancements in biotechnology, bioprocessing, computational biology and process modeling, our faculty, research scholars and graduate students are making significant contributions to scientific knowledge and industry applications. The department's ongoing efforts in academic-industry collaborations and student-led initiatives have created an enriching learning environment that prepares our graduates for impactful careers.

The faculty members in the department have secured several externally funded research grants including the prestigious DST PURSE grant. This funding significantly enhances our research infrastructure and promotes interdisciplinary collaboration.

In essence, the Department of Biotechnology and Chemical Engineering stands as a hub of innovation—dedicated to advancing knowledge, pioneering sustainable solutions, and shaping professionals who will lead in transforming industries and improving lives.

Faculty Information

Name	Designation
Dr. Abhishek Sharma	Professor
Dr. Anand Gupta Chakinala	Associate Professor - Senior Scale (Research)
Dr. Manisha Sharma	Associate Professor
Dr. Anees Ahmed Yunus Khan	Associate Professor
Dr. Harsh Pandey	Associate Professor
Dr. Prathap S	Associate Professor (Research)
Dr. Ankit Srivastava	Associate Professor (Research)
Dr. Chandrabhan Seniya	Assistant Professor - Selection Grade
Dr. Abhay Dinker	Assistant Professor - Senior Scale
Dr. Abhijeet Ojha	Assistant Professor - Senior Scale
Dr. Nadana Raja Vadivu G	Assistant Professor
Dr. Diksha Srivastava	Assistant Professor
Dr. Smriti Singh	Assistant Professor
Dr. Satya Prakash	Assistant Professor
Dr. Nikhil Kumar	Assistant Professor
Dr. Esha Bala	Assistant Professor
Dr. Shikha Suman	Assistant Professor
Dr. Pallavi Mishra	Assistant Professor (Research)

Unique points about the Department

- Strong Research Ecosystem: Active externally funded projects including major grants such as DST PURSE, and SERB fostering a culture of high-impact research and innovation.
- Interdisciplinary Expertise: Faculty expertise spans biotechnology, chemical engineering, bioprocess engineering, materials science, waste valorisation, and water treatment—creating a rich, collaborative academic environment.
- Industry-Integrated Learning: Strong ties with industries enable internships, industrial PhD opportunities, consultancy, and problem-driven research training.
- Experiential Teaching: Curriculum built around hands-on learning with well-structured lab courses, project-based modules, and real-world case studies.

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Research Facilities Available

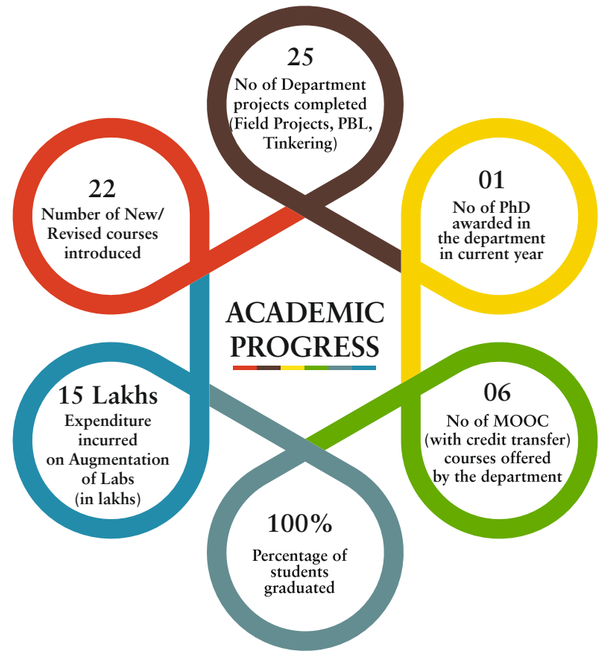

- Waste to Resource Lab (Batch and continuous reactor for pyrolysis, Drop tube furnace)
- Porous Materials Lab

Milestones Achieved

- Enhanced Research Productivity:
  Significant rise in publications in reputed SCI and SCOPUS-indexed journals, along with increased patent filings and technology development activities.
- Advanced Laboratory Upgradation:
  Added new instruments and upgraded key facilities in bioprocess engineering, adsorption studies, and material characterization to support teaching and research.
- Strengthened Academic Processes:
  Improved curriculum delivery through hands-on learning, redesigned laboratory modules, and integration of real-world case studies.

Department of Civil Engineering

About the Department

The Department of Civil Engineering at Manipal University Jaipur, under the School of Engineering (SOE), has been a core academic unit since the university's inception in 2011. It is committed to academic excellence, professional competence, and research-led innovation in civil engineering. Through active collaboration with professional bodies such as the Institution of Engineers (India) [IEI] and the Indian Concrete Institute (ICI), the department effectively connects classroom learning with industry practices, preparing students for both professional careers and advanced research.

Dr Meena Kumari Sharma
HoD

The department offers a comprehensive academic framework, including a full-time B.Tech programme, M.Tech, and doctoral studies across several specialisations. Its laboratories and research facilities support experiential learning, interdisciplinary collaboration, and innovative problem-solving with a strong focus on sustainable infrastructure and emerging construction technologies. By aligning its teaching, research, and outreach activities with contemporary societal and environmental needs, the department aims to contribute meaningfully to the development of resilient and sustainable civil engineering solutions.

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Faculty Information

Name	Designation
Dr. Anil Dutt Vyas	Professor
Dr. Meena Kumari	Professor
Dr. Bhavna Tripathi	Professor
Dr. Gaurav Sancheti	Associate Professor - Senior Scale
Dr. Harshavardhana BG	Associate Professor
Dr. Tej Bahadur	Associate Professor
Dr. Priyansha Mehra	Associate Professor
Dr. Md Parwez Akhtar	Associate Professor
Dr. Chaitanya Baliram Pande	Associate Professor (Research)
Dr. Sourav Kumar Das	Assistant Professor - Selection Grade

Mr. Alok Damare	Assistant Professor - Senior Scale
Mr. Firoz Alam Faroque	Assistant Professor - Senior Scale
Mr. Raghuvesh Tiwari	Assistant Professor - Senior Scale
Mr. Sagar Gupta	Assistant Professor - Senior Scale
Mr. Charanjeet Singh Tumrate	Assistant Professor - Senior Scale
Dr. Rudhra Halder	Assistant Professor

Unique Points about the Department

- The department offers a B.Tech Civil Engineering dual degree route in which the first two years are completed at MUJ and the remaining two years at Deakin University in Australia.
- The programme includes frequent expert lectures from construction industry professionals, industrial/site visits, and an option for full-time internships during the B.Tech, emphasising “learn by doing”.
- The departments maintain high-end laboratories (e.g., structural, geotechnical, transportation, environmental, materials), supporting extensive practical and project work for B.Tech students.

Research Facilities Available

- Carbonation Chamber, Freeze & Thaw Chamber, RCPT equipment, UTM (1000kN)
- The Computer Aided Design Laboratory has an array of advanced software such as STAAD Pro, ANSYS, ABAQUS, AutoCAD, MAT LAB, and Bentley Software Packages.

Milestones Achieved

- The department runs a 4 year B.Tech Civil Engineering Dual Degree in partnership with Deakin University, Australia, where students study 2 years at MUJ and 2 years at Deakin, earning a B.Tech from MUJ and a Bachelor of Engineering (Honours) from Deakin.
- The department has organised the 1st International Conference on “Artificial Intelligence for Resilient Infrastructure and Sustainable Engineering Materials (AIRISE-2025).

Department of Electronics & Communication Engineering

About the Department

The Department of Electronics & Communication Engineering (ECE) at Manipal University Jaipur provides the best learning environment for imparting scientific knowledge to develop practical design engineers. Keeping pace with the latest technological trends and expectations of society, the department has adapted itself with continuous involvement of its stakeholders. The faculty at ECE always motivate and nurture students' inclination towards research and development with access to sophisticated PCB prototyping machines and the latest software for publications in conferences and Journals of repute. The department offers two undergraduate programmes in Electronics and Communication Engineering and Electronics Engineering (VLSI Design & Technology); one postgraduate programme in VLSI and Embedded System Design; and a doctorate programme. The well-equipped laboratories and resourceful library at MUJ constitute the best info-orientated junction for the students.

The flexible curriculum at MUJ offers a diversified course bucket to pursue students' interest in communication systems, semiconductor and optical devices, and electronic circuits, together with assembly languages, programming languages, and embedded systems, thereby opening gates to interdisciplinary growth with a wide choice of career options to pursue their interest. The ECE graduates have been successfully spread in the software as well as hardware industry.

Unique Points about the Department

- Students prepared for diverse career paths with a spirit of entrepreneurship with flexible curriculum as per NEP-2020
- Funded ongoing research projects by Defense Research and Development Organization (DRDO), Department of Science and Technology (DST) and Department of Telecommunication, Government of India
- Regular industry-connect through lectures and workshops
- Strong alumni connections and research publications by students and faculty
- Three sponsored/research labs: VLSI Lab (MeitY), MUJ-NLO+ Lab (DRDO) and LEAF Lab
- National/international collaborations for learning enhancement: MoUs with eInfochips-An Arrow Company, Truchip Solutions, SCL Chandigarh, CEERI Pilani, SoCTeamup Semiconductors Pvt. Ltd, VLSI Society of India, and India Electronics and Semiconductor Association (IESA) Midwest Regional chapter

Research Facilities Available

- VLSI Lab supported by Ministry of Electronics and Information Technology (MeitY) under Chips to Startup (C2S) programmes for paving the path from education to employment in VLSI domain with full access to SYNOPSYS and CADENCE EDA tools with latest FPGA boards
- MUJ-NLO+ Lab is fully funded by Defence Research and Development Organisation (DRDO), Ministry of Defence, Govt. of India, supports teaching and research in optical systems and is equipped with the latest of components required to build a fully functioning Quasi Phase Matching (QPM) devices
- The Laboratory for Energy Applications and Advanced Functional Materials (LEAF) Lab is dedicated to sustainable materials and energy applications. It focuses on addressing critical energy and environmental challenges through pioneering research in fuel cells, hydrogen technologies, and CO_2 conversion systems

Milestones Achieved

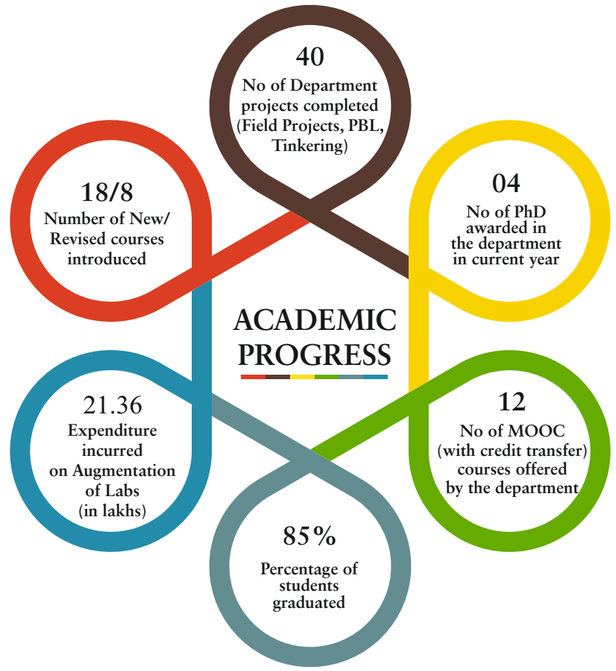

- Special EDA license grant received from MeitY, Government of India
- Recognized as C2S institute from MeitY, Government of India
- Sanctioned Research Grant of 40 Lakhs for DoT project
- 03 adjunct faculties and 02 visiting faculties from industry and academia
- 02 new research labs established-MUJ-NLO+ and LEAF Lab

Department of Electrical Engineering

About the Department

Dr Neeraj Kanwar
HoD

The Department of Electrical Engineering at Manipal University Jaipur was established in 2011. The department offers comprehensive programs in Electrical Engineering, preparing students for higher studies and successful professional careers in their chosen domains. In 2021, the department introduced a new program, B.Tech. in Electrical & Computer Engineering, expanding its academic offerings.

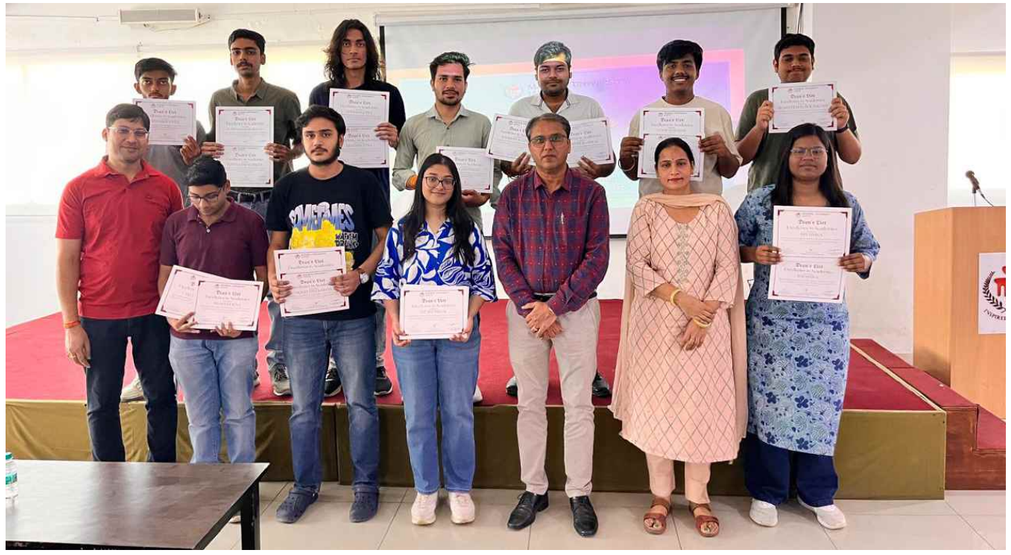

With a vision to become a leading center of excellence, the department has integrated cutting-edge and industry-relevant technologies into its curriculum, including Renewable Energy Systems, Electric Vehicle Technology, Control Systems, Robotics, Automation, Power Electronics, Electrical Drives, Power Systems, and more. The department offers both Undergraduate and Doctoral programs, each built on an industry-focused syllabus.

Students are encouraged to engage in research and tinkering projects, fostering innovation and hands-on learning. The department is equipped with state-of-the-art laboratories that support comprehensive experimentation and research activities. These include the Power Systems Laboratory, Electrical Machines Laboratory, Control & Automation Laboratory, Integrated Electronics Laboratory, Microcontroller & System Simulation Laboratory, and Power Electronics & Drives Laboratory—all designed to provide best-in-class technological support to students and research scholars.

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Faculty Information

Name	Designation
Dr. Amit Soni	Professor
Dr. Manish Thukral	Associate Professor - Senior Scale
Dr. Amit Saraswat	Associate Professor - Senior Scale
Dr. Vinay Gupta	Associate Professor
Dr. Sunil Kumar Goyal	Associate Professor
Dr. Neeraj Kanwar	Associate Professor
Dr. Vishnu Goyal	Assistant Professor - Selection Grade
Dr. Divya Rishi Shrivastava	Assistant Professor - Selection Grade
Dr. Peeyush Garg	Assistant Professor - Senior Scale
Mr. Samarendra Pratap Singh	Assistant Professor - Senior Scale
Dr. Abhishek Kumar	Assistant Professor - Senior Scale
Dr. Ritesh Singh	Assistant Professor - Senior Scale
Mr. Vikash Kumar Boradak	Assistant Professor - Senior Scale
Mr. Satya Narayan Agarwal	Assistant Professor - Senior Scale
Dr. Himanshu Priyadarshi	Assistant Professor - Senior Scale
Mr. Mahipal Bukya	Assistant Professor - Senior Scale
Dr. Bishwajit Dey	Assistant Professor - Senior Scale (Research)
Dr. Pulakraj Aryan	Assistant Professor

Unique Points about the Department

- Well-equipped, state-of-the-art laboratories designed to meet current industry and research requirements
- Advanced research facilities, including leading simulation and analysis software such as DIgSILENT PowerFactory, GAMS, PSIM, MATLAB, and LabVIEW
- Active industry collaborations with organizations engaged in research and development, providing students with real-time exposure and hands-on experience
- Periodically updated curriculum aligned with evolving industry needs and emerging technological trends
- Quality research output, with faculty members and students publishing in high-impact, peer-reviewed international journals and reputed international conferences

Research Facilities Available

- DigSILENT Power Factory 2025 - Research Version (Unlimited Busbars) – Single User & Education Version (50 Busbars) - 25 Users
- GAMS Base Module with CONOPT, CPLEX and DICOPT solver: Small MUD - 5 User, Academic License
- LabVIEW- Academic Site License
- Protection Feeders equipped with Numerical Relays
- SIEMENS PLC (PLC Simatic S7 1200 with HMI), Sinamics G120 3AC 400V Standard AC Drive
- High Power Four Leg IGBT Inverter Module with Protection
- Advanced FPGA Trainer Kit (XC3S400, Spartan-3)
- PSim Software
- 3-phase Power Analyser

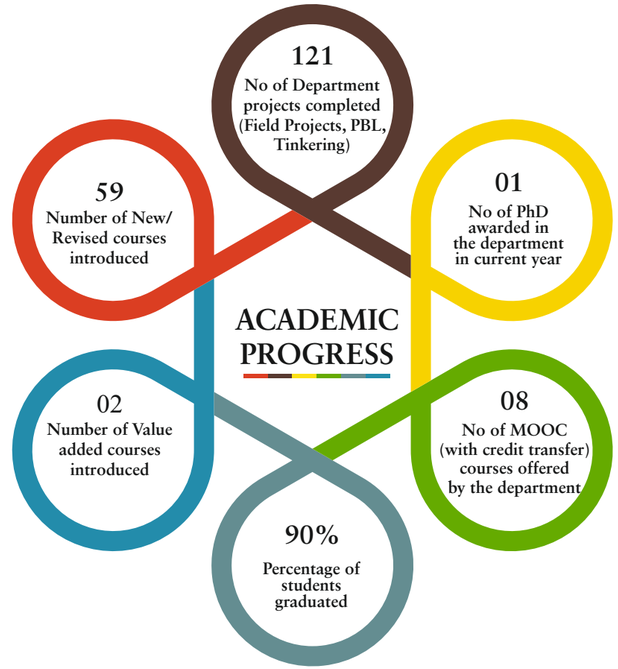

Milestones Achieved

- Total 63 publications in peer reviewed Scopus/WoS international journals, book chapters and conferences, and six Indian patent published
- Successfully organized 4th International Conference on FlexEV 2024 and will be published in Springer - LNEE book series
- Successfully organized community awareness programs for Electrical System

Conferences Organized

Name of Conference	Number of Participants	Date	Relevant SDGs
4th International Conference on Flexible Electronics for Electric Vehicles 2024 (FlexEV 2024)	203	19-20 Dec 2024	SDG 7 SDG 9

Guest visits/Invited Lectures/Expert Talks

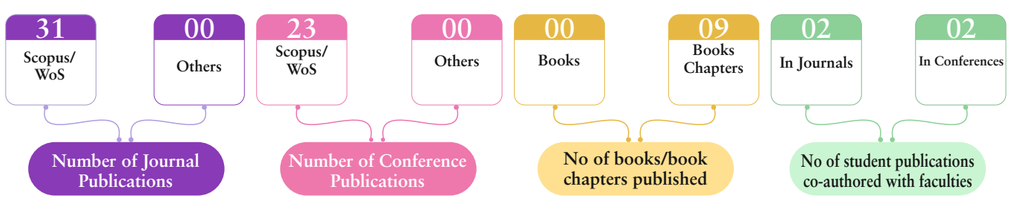

Name of the Guest	Designation	Organization Name	Name of the Event	Relevant SDGs
Ms. Neha Sakka	Energy Policy Professional, Govt. of Rajasthan	Jaipur Vidyut Vitran Nigam Ltd	Industry Expert talk on Electric Vehicles and their Charging Infrastructure	SDG 7, 9, 11
Mr. Tusshar Sharma	Senior Analyst	Mercados Energy Markets India	Industry Expert talk on Wind Energy and Power Markets	SDG 7, 13
Mr. Satish Koolwal	Chief Technology Officer and Sales Head	Tesca Technologies Pvt Ltd, Jaipur	Industry Expert talk on Electric Motor Trainer	SDG 9
Mr. Vikas Gupta	Assistant Engineer	R.R.U.P.N.L., Jaipur	Industry Expert talk on Networks and Systems	SDG 7, 9, 11
Mr. Saurabh Heda	Technology Manager	Landmark Group, Dubai, UAE	Industry lecture on The Transformative Role of Technology in Sustainability	SDG 12

EDP/MDP/Workshops etc. Organized by the Department

Title of the program	Number of Internal Participants (of MUJ)	Number of External Participants (Outside MUJ)	Start Date (DD-MM-YYYY)	Relevant SDGs
One Day Workshop on Recent Trends in Battery Technology for E-mobility	17	01	23 Nov 2024	SDG 11
Workshop on Analytically Designed PI Control for a Polymer Electrolyte Membrane Fuel Cell	27	00	19 Dec 2024	SDG 7, 9,13
International Seminar on Opportunities and Challenges in Antenna Innovation for IoT and Wireless Connectivity: Insights from Industry and Academia	41	21	19 Dec 2024	SDG 9, 11, 17
Panel Discussion on Research Opportunities in Predicting Market Clearing Prices	27	00	19 Dec 2024	SDG 8, 17
Seminar on Advancing Battery Management Systems: Nonlinear Filter Techniques for Accurate State-of-Charge Estimation in Lithium-Ion Cells	30	00	19 Dec 2024	SDG 7, 9, 13
Panel Discussion on Research Opportunities in Energy management and Charging Strategies in XEVs	24	00	20 Dec 2024	SDG 11, 17
Workshop on Lithium-Ion Battery Recycling: A Catalyst for Electric Vehicle Growth	61	00	20 Dec 2024	SDG 7, 11, 13
National Workshop on Antennas for Health Monitoring Applications	24	07	20 Dec 2024	SDG 3, 17
One Day Workshop on Sustainability and Electric Mobility: The Sunapee Ride Outreach project	87	00	05 Mar 2025	SDG 7, 17
Seminar on Exploring Partnerships for Advancing Collaborative Research and Education	15	00	08 Jul 2025	SDG 7, 17
Seminar on Remote Monitoring and Control Systems for Smart Applications	15	00	15 Jul 2025	SDG 9, 11

Department of Mechanical Engineering

About the Department

The Mechanical Engineering department has well qualified and experienced faculty with more than 97% of them possessing doctoral degrees. Among these, a good number of faculty members are also having international exposure. All the faculty members are actively engaged in research work through internal and external funding and publish their research outcomes in high impact international Journals and Conferences. Apart from this, many of them are also filing for patents and getting them granted. The department also has two faculty members who achieved the place in the list of top 2% scientists in the world, published by Stanford University, USA.

Apart from the laboratories required for UG teaching learning process, the department has a few high-end laboratories such as Nano Composite (BIONAC) Research Laboratory, Engineered Biomedical Materials Research and Innovation Centre (EnBioMatRIC), Naval International Cooperation (NICOP) Laboratory, and Multiscale Simulation Research Center (MSRC).

Mechanical Engineering students are facilitated with excellent placement opportunities by the University. Some of the companies who regularly visit us for campus recruitments are Tata Motors, TVS Motors, Hyundai Motors, Suzuki, Cipl Bosch, JSW, Torrent Power, UNOMINDA, EV ACE Motors, and so on. The alumr network of the department is quite strong, and more than 1300 alumni of Mechanical Engineering Department are spread all over the country and abroad occupying key positions. They regularly support their alma mater through guest lectures or industry internships to our students.

Unique Points about The Department

- Excellent infrastructure in terms of faculty strength (more than 97% with PhD), books, journals, teaching aids & sophisticated equipment for producing excellent Engineers
- Exposure to industries through periodical industrial visits and ambient opportunities to take up industry internships
- Well established laboratories with upgraded tools, equipment and machines
- MoU with Bosch, enabling students to get Automotive Aftermarket Certification through their laboratory courses
- Offer Lean Six Sigma Green Belt Certificate to students on successful completion of their 8th semester internship project
- State-of-Art Automobile Workshop where students can design and build vehicles for competing in various SAE and Automotive National/International competitions

Sponsored Labs

- Engineered Biomaterials Research and Innovation Centre (EnBioMatRIC)
- Bio nano composite (BioNAC) Lab
- Naval International Cooperation (NICOP) Lab

Research Facilities available

- Engineered Biomaterials Research and Innovation Centre (EnBioMatRIC)
- Bio nano composite (BioNAC) Lab
- Naval International Cooperation (NICOP) Lab
- Multiscale Simulation Research Center (MSRC)
- Engine Testing Lab
- Production Version of CNC Machining Center

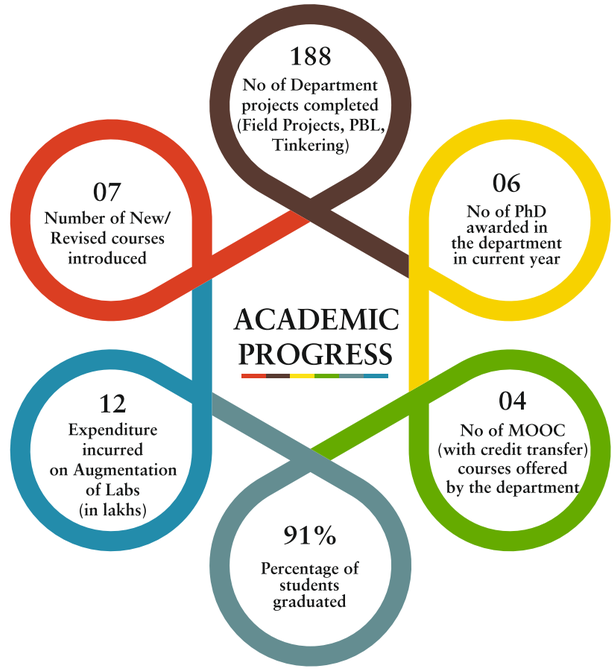

Milestones Achieved

- 105 SCI/Scopus Indexed Publications with 53 are Q1 Publications and Three granted Patents
- Students placed in reputed companies like HITACHI Energy, Schneider Electric, Uno Minda etc.
- Two External Grants received from DST, Rajasthan and Indo German Science & Technology Centre (IGSTC)
- Two faculty members named as world's top 2 percent scientists.

Department of Mechatronics Engineering

About the Department

In order to create intelligent and automated technologies, the Department of Mechatronics Engineering focusses on the multidisciplinary integration of mechanical engineering, electronics, computer science, and control systems. The department's goal is to develop competent engineers who can build, analyse, and maintain cutting-edge smart systems utilised in a variety of industries. Students acquire skills in robotics, embedded systems, sensors, actuators, automation, AI-assisted control, and industrial IoT through a program that combines theory and practical learning. Students can work on real-world applications such autonomous machines, manufacturing automation, medical devices, and sophisticated robotic systems thanks to well-equipped labs, project-based learning, and industry partnerships. The department prepares graduates for exciting jobs in fields including robotics, automotive, aerospace, manufacturing, and smart product development by encouraging creativity, problem-solving, and interdisciplinary teamwork.

School of Physical and Biological Sciences (SoPBS)

About the School

The School of Physical and Biological Sciences (SoPBS) is one of the leading schools of Manipal University Jaipur. It encompasses four departments, namely Department of Physics, Chemistry, Mathematics and Biosciences. Since the inception of the university in 2011, first as School of Basic Sciences then in 2025 renamed, SoPBS has made significant contributions to teaching and interdisciplinary research of global standards. The school offers undergraduate, master's and Ph.D. programs in the disciplines of its respective departments. It has state-of-the-art research facilities, modern UG and PG laboratories and highly qualified faculty members. The programs and lab infrastructure attract visitors from premier institutes across the world. The research and teaching contributions of the SoPBS have been widely acknowledged. Most students graduating from SoPBS are well placed in academia and industry. Several faculty members have received major research grants, prestigious awards and are elected fellows of renowned scientific academies.

Dr. Ashima Bagaria
Associate Dean
School of Physical and Biological Sciences

Department of Biosciences

About the Department

Department of Biosciences was established in the year 2012 with an integrated approach towards higher education, research and development in diverse areas of Life Sciences. The department offers programs at Under-Graduate (BSc) in Biotechnology and Microbiology and post-graduate (MSc) level in Biotechnology and Food Science & Technology. UG and PG programs are specifically designed in a Choice Based Credit System approved by UGC to include wide range of disciplines, skill-based contents to teach about scientific and fundamentals aspects of organisms, plants and viruses and their impacts on the quality of life. The department also offers PhD programme in different field of biological sciences viz. Plant Tissue Culture, Bioprocess Engineering and Downstream Processing, Microbiology, Bioinformatics, Biochemistry, Microbial Fuel cell Technology, Cancer Biology, Metabolomics, Molecular Biology and Animal Biotechnology etc. focussing on advanced research topics for knowledge enhancement in fundamental as well as applied research domains providing opportunities to students to take research projects, internships in alignment with the current requirements of bio based industries, educational and research organisations.

To enhance the research outputs, the department has entered into MoUs with CSIRO-Australia, NIT Warangal, 3B Black Biotech, SKNU Jobner and ROCL, Rajasthan along with other industries and institutions of repute. Department received DST supported Funds for Improvement of S&T Infrastructure (FIST) program in 2023 which has resulted in establishment of advance DST-FIST labs equipped with high end instruments for research and analytical studies. Faculties of the department have received external fundings and consultancies from various agencies such as, DST Rajasthan, DST-SERB New Delhi, ICMR, New Delhi, DBT, New Delhi, ROCL, Rajasthan, DST-Imprint and NMPB, New Delhi.

Faculty Information

Full Name	Designation
Dr. Madan Mohan Sharma	Professor
Dr. Abhijeet Singh	Professor
Dr. Sandeep Kumar Srivastava	Professor
Dr. Monika Sogani	Professor (Research)
Dr. Mousumi Debnath	Professor (Research)
Dr. Prashanth Narsimha Suravajhala	Professor (Research)
Dr. Nitesh Kumar Poddar	Associate Professor - Senior Scale
Dr. Rohit Jain	Associate Professor
Dr. Indresh Kumar Maurya	Associate Professor
Dr. Rajeev Nema	Associate Professor (Research)
Dr. Anurag Sharma	Associate Professor (Research)
Dr. Izharul Haq	Assistant Professor - Senior Scale
Dr. Shatrunjai Giri	Assistant Professor
Dr. Vinay Kumar Mehra	Assistant Professor
Dr. Sanjeet Mehariya	Assistant Professor
Dr. Priya Shukla	Assistant Professor
Dr. Pankaj Chandley	Assistant Professor
Dr. Bijay Haobam	Assistant Professor

Unique Points about the Department

1. Focus on advanced Research and Innovation
2. State-of-the-Art Laboratory Facilities
3. Strong Industry Collaboration
4. Skill-Oriented Curriculum
5. Experienced and Research-Active Faculty

Research Facilities Available

- Environmental Biotechnology Research Laboratory
- Green and Net House
- Structural Biology and Bioinformatics facility
- Plant Tissue Culture facility

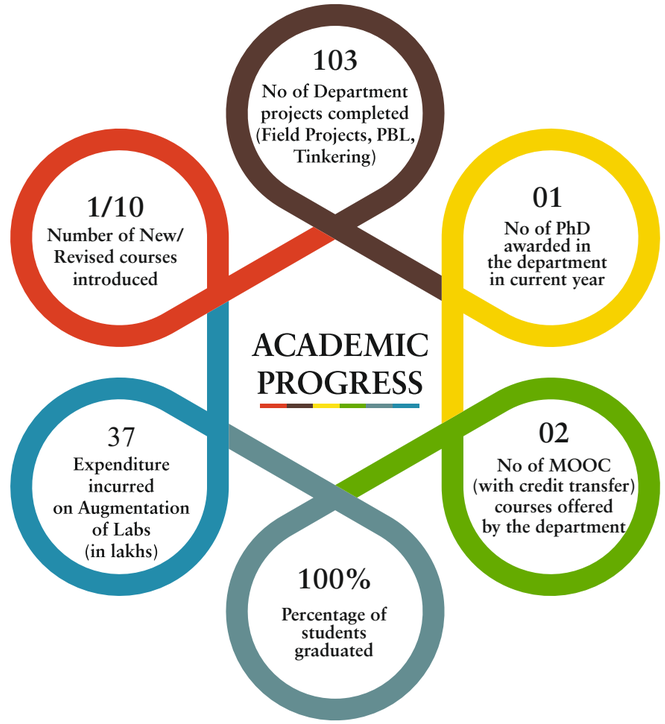

Milestones achieved

- Admission targets in UG and PG courses
- Approval of new PG program in food science and technology
- 40% placement of UG students in higher educational institutes

Department of Chemistry

About the Department

The Department of Chemistry at Manipal University Jaipur offers a vibrant and intellectually stimulating atmosphere for scientific inquiry and innovation. Dedicated to cultivating curiosity and a passion in chemistry, the department boasts a team of experienced faculty and access to modern, well-equipped laboratories, which provides the ideal learning environment to the students.

Students enrolled in both undergraduate and postgraduate programs actively participate in cutting-edge research across diverse areas, including materials science, natural product chemistry, energy conversion, environmental remediation, catalysis, and computational chemistry. The curriculum balances rigorous theoretical training with practical experience, emphasizing hands-on experiments and includes student projects for practical applications.

At Manipal University Jaipur, students are nurtured to become future leaders and innovators in the field of chemistry. In order to inspire a love for scientific inquiry, critical thinking, and problem-solving, students are guided to achieve successful careers in academia, research, and industry.

Dr. Suravajhala Renuk	Assistant Professor
Dr. Shikha Awasthi	Assistant Professor (Research)

Unique points about the Department

- 100% faculty with Ph.D and Post Doctoral experience
- All programmes with focus on research and internship
- High research visibility through quality publication and external funding (ANRF, SERB, DST-Rajasthan)
- DST-PURSE supported lab

Research Facilities available

- State of the art laboratories equipped with modern scientific research instruments (Solar Simulator with IV Measurement System, Photocatalytic Reactor, UV-Visible Spectrophotometer, Centrifuge Machine, Ultrasonicator, Rota-Evaporator, Material Synthesis facilities)

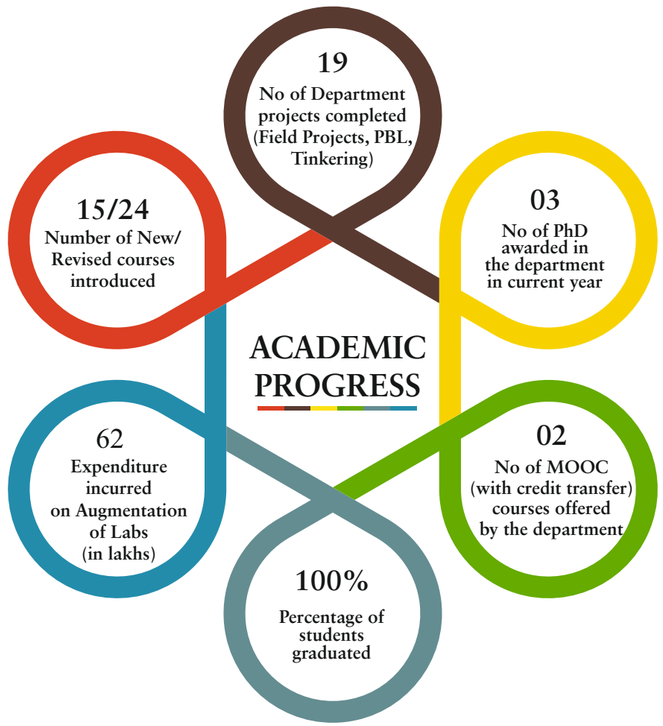

Milestones Achieved by Departmen

- Hosted Science Colloquium at Manipal University Jaipur.
- Celebration of Irish Day with Senior Regional Managers from University College Cork, Trinity College Dublin, University College Dublin and Shannon College of Hotel Management Shannon College, Ireland.
- Celebration of National Science Day at MUJ campus with 100 students participants from different schools
- Hosted Sociothon 2025 with aims to encourage innovative solutions for social problems using technology and design thinking.

Department of Mathematics and Statistics

About the Department

The Department of Mathematics and Statistics at Manipal University Jaipur is committed to excellence in teaching, research, and innovation. Since its inception in 2011, the department has aimed to nurture a culture of intellectual curiosity, critical thinking, and analytical rigor among students and researchers. With a team of highly qualified and experienced faculty members, the department provides a dynamic and supportive learning environment.

Currently, department offers B.Sc. (Hons) Mathematics, M.Sc. (Mathematics) and Ph.D. programs. These programs are designed to equip students with a balanced blend of theoretical understanding and practical applications, preparing them for higher education, research, and diverse professional careers in academia, data science, finance, industry, and allied sectors. In addition to academic programs, the department actively engages in collaborative research, consultancy, workshops, training programs, and outreach activities. Research contributions from faculty and scholars address both fundamental aspects of mathematics and applied challenges, making an impact on the academic community as well as on society.

Unique Points about the Department

- Advanced and comprehensive course curriculum
- Highly qualified and experienced faculty members
- Student centric pedagogy
- Research-driven environment
- A strong pool of research scholars
- National and international collaborations.

Research Facilities Available

Following software are available for teaching and research in the department:

- MAPLE
- SPSS
- MATHEMATICA
- R
- MATLAB

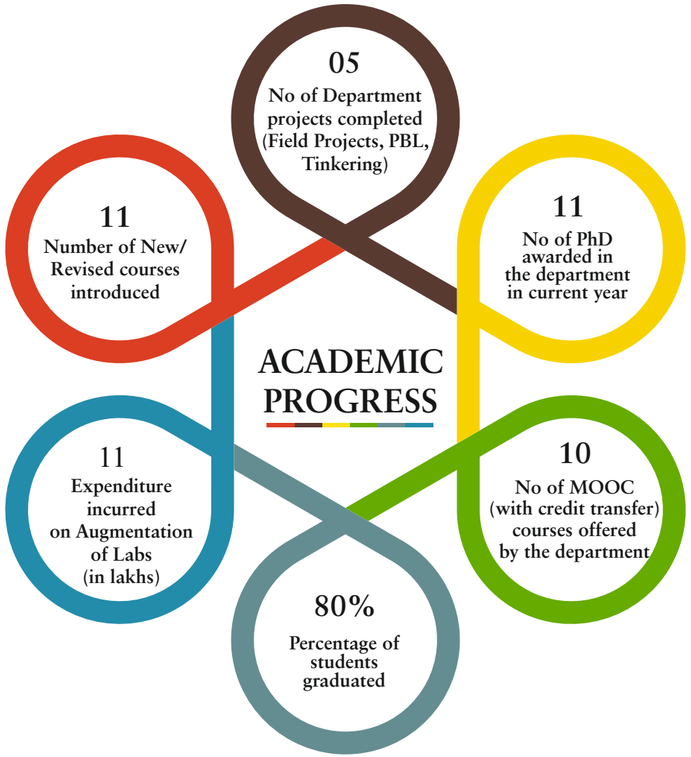

Milestones Achieved by Department

- Total 11 Ph.D. completions and strong research contributions through total 65 publications in Q1 and Q2 quartile journals.
- Successfully produced two Ph.D. graduates under joint research initiatives with the existing MoU
- Academic visits by four faculty members to globally reputed universities significantly strengthened the department's international exposure, networking, and collaborative research prospects.
- Organization of 03 workshops and 04 expert lectures, and training programs for knowledge enhancement.

Department of Physics

About the Department

The Department of Physics at Manipal University Jaipur is an integral part of the School of Physical and Biological Sciences (SoPBS). Since its establishment in 2011, the department has been committed to advancing excellence in physics education and promoting research in diverse areas of pure, applied, and interdisciplinary sciences. The faculty comprises distinguished scholars trained at reputed national and international institutions, bringing with them a wealth of teaching expertise and notable research achievements. In addition, the department actively engages in funded research, with projects supported by leading agencies such as SERB, DST, UGC, DAE, DST Rajasthan and IFCPAR-DST (Indo -French).

Department of Physics offers undergraduate course, B.Sc. (Hons) Physics, postgraduate course, M.Sc. (Physics) and Ph.D. program. The UG/PG theory courses are designed as per the UGC Model curricula for Physics which will help the students to qualify for NET/JRF/GATE/JEST competitive examination required for availing scholarships and other career opportunities. The department is equipped with state-of-art UG and PG labs, and a well-equipped laboratory to cater the first-year students of all engineering programs. Workshops, symposiums, and training sessions are arranged to enable students to learn and interact with scientists and researchers from all around the country on different specialized topics in physics.

Unique Points about the Department

- Curriculum designed with latest advancements for comprehensive learning.
- Expert faculty with Ph.D. degrees from premier institutes, committed to excellence in teaching and research.
- Strong focus on experiential learning through internships, research projects, and fieldwork.
- Modern facilities and advanced laboratories supporting academic and research excellence.
- Supportive and inclusive community fostering collaboration, innovation, and growth.
- Cutting-edge research opportunities addressing real-world challenges and advancing knowledge.
- Career support through advising, professional development, networking, and internship opportunities.
- Join the Department of Physics for a transformative educational journey filled with innovation, growth, and opportunities.

Research Facilities Available

The Physics Department boasts highly experienced faculty actively engaged in research collaborations with leading scientists worldwide. The department's key research areas include Material Science, Bio-nanomaterials, and Nanotechnology, supported by state-of-the-art synthesis and characterization laboratories. Facilities include dip coater, spin coater, microwave synthesizer, ball mill, annealing furnace, ultra-high-speed centrifuge, and a GLAD system for 1-D nanomaterial deposition. Major characterization tools comprise a source measure unit, high-precision Hall system, and SPR measurement setup. The department also has access to advanced central facilities such as FESEM, XRD, UV-Vis, PL, TGA, and FTIR at Manipal University Jaipur.
List of equipment for Research purpose for UG, PG and PhD students

Detail of Equipments

- Citizen (Weighing balances)
- Spin coater (100 to 10000RPM)
- PC- controlled Single- Vessel Dip coating System
- Hydraulic making machine 15 ton (Die set 13 mm)
- Digital balance 1mg accuracy
- Slbi 4 laboratory incubator
- Orbital shaking incubator
- UV lamp cabinet
- Cpr 30 plus cooling centrifuge
- Fume hood set
- Hydrothermal autoclave Screw type
- Muffle furnace accumax
- Microwave digestion & extraction system
- Upright metallurgical microscope
- Wipsky watcher
- Photo Catalytic reactor system
- Lmmp-30 Multiparameter Analyzer
- Probe - 650 Sonicator
- Thermal evaporation system with glad. Spares & consumables Make
- High temperature (1600°C) box furnace
- SR860 500 kHz dual-phase lock-in amplifier
- Planetary ball mill
- Electromagnet assembly (Power supply + Gaussmeter)
- Tube furnace
- Spray Pyrolysis

MANIPAL UNIVERSITY JAIPUR
FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

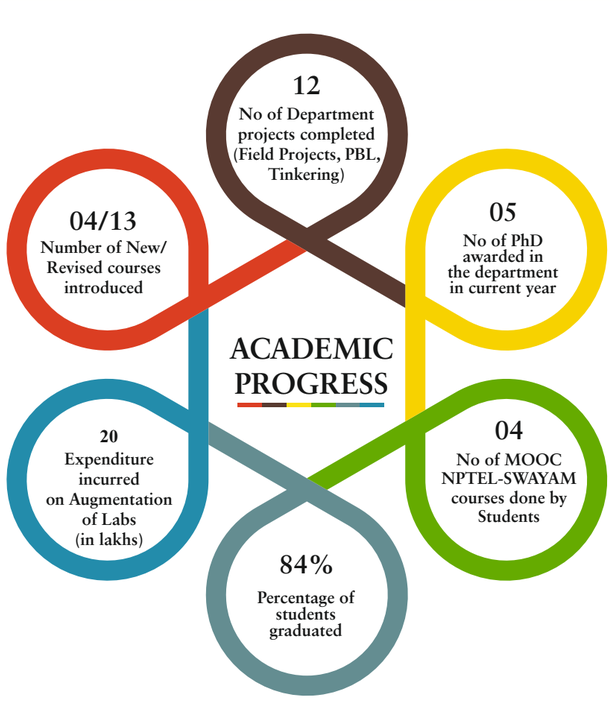

Milestones Achieved by Department

- Department has secured a Rs. 1 Crore AICTE IDEA Lab Project Grant in collaboration with the Department of Artificial Intelligence and Machine Learning. Initiative led by Prof. (Dr.) Ashima Bagaria, Dr. Manoj K. Saini, and Dr. Preeti Narooka (AIML) to establish the IDEA Lab at Manipal University Jaipur.
- UNext Learning Pvt. Ltd. is the industry partner contributing towards innovation, skill development, and industry-oriented learning.
- The partnership, supported by AICTE and MUJ, aims to empower students and future innovators through strong academia–industry collaboration.

School of Architecture and Design (SoAD)

About the School

The School of Architecture and Design, Jaipur, established in 2012, embodies the philosophy of developing innovators who are equipped with the information necessary to create a dynamic environment pulsing with intellectual acuity and striving for the goal of a prosperous biosphere for everyone. The School of Architecture seeks to provide world-class architectural education by combining cutting-edge facilities with a devoted and experienced faculty team and student-cantered academic practises. Manipal University Jaipur's Academic Excellence Award-winning School of Architecture & Design (SA&D) is committed to providing world-class architectural education. The school's distinguishing features include an environment that fosters creativity and innovation, cutting-edge facilities, dedicated and experienced professors, and student-cantered academic practises that extend beyond the curriculum. The quality of life at SA&D is intended to shape students into professionals with good human relations.

Department of Architecture

About the Department

School of Architecture & Design, Jaipur encapsulates the philosophy of creating innovators, empowered with the knowledge for the creation of a dynamic world, pulsating with intellectual acuity and striving for the utopia of a prosperous biosphere for all. The school strives to provide world class architectural education by coupling state-of-the-art facility with a dedicated and experienced faculty team and student centric academic practices.

The Academic Excellence Award winning School of Architecture & Design (SA&D) Manipal University Jaipur is dedicated to provide world class architectural education. An ambience to inoculate creating & innovation, state of art facilities, dedicated and experienced faculty and student centric academic practices beyond syllabus are the hallmarks of the school. The quality of life at SA&D is designed to mould the students into professionals with good human values.

Unique Points about the Department

- 33rd rank in NIRF Ranking 2024 [Architecture Category]
- Climatology Lab where the students have a feel of the climatic parameters as they affect human comfort. Few projects completed in the lab are, Fabrication of Heliodon for Solar analysis. Application for demonstration of solar path and corresponding workshops have been organized.
- Computer Lab where students learn computer aided drafting, design and visualization of their design schemes.
- Model Making Lab comprising of Laser cutter, 3D Printer and Zodiac cutter.
- Materials Museum, where students physically see latest materials and technologies of building construction.
- Construction Yard where students undertake demonstration and hands on experience of construction techniques.

Research Facilities Available

- Energy Simulation software (Designs Builder, TRNSYS etc.)
- Helidon to experiment and validate the solar angles at various latitudes
- Laser cuter model making machine
- Construction Yard for experimentation of various construction techniques.

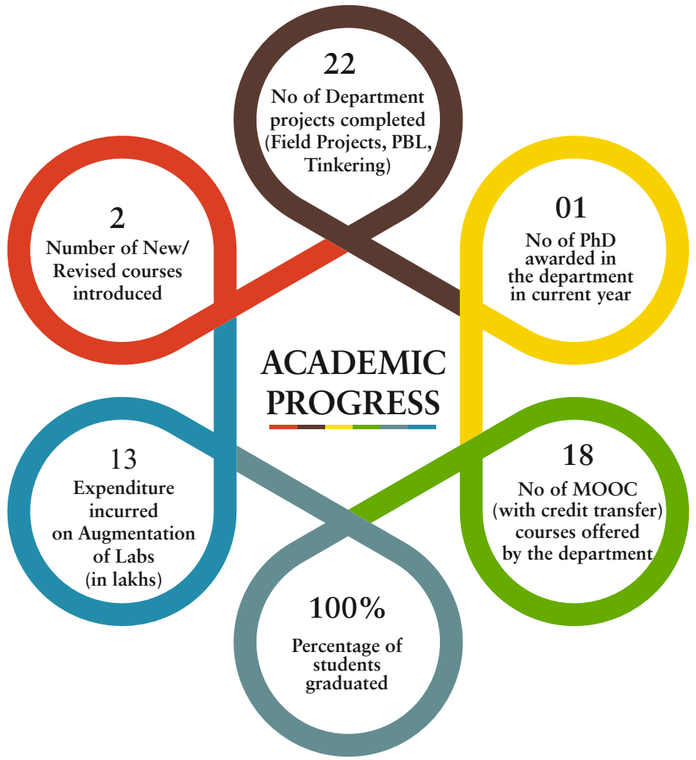

Milestones Achieved

- 33rd rank in NIRF Ranking 2024 [Architecture Category]
- Best Outgoing Student Award – 2024, by IIA – Ar. Kannan Rohan (B. Arch, Batch 2019-24)

Department of Fashion Design

About the Department

The Department of Fashion Design at Manipal University Jaipur offers both a comprehensive B.Des (Fashion Design) and a Ph.D. program, designed to foster creativity, technical expertise, and market awareness. The four-year undergraduate program integrates a balanced mix of core courses including History of Art & Design, Design thinking and Integrated projects with contemporary offerings such as Introduction to AI and IoT, Community Engagement & Social Responsibility, and Sustainable Fashion. This blend ensures that students develop a strong foundation while staying aligned with the latest industry and societal trends.

The department places strong emphasis on industry readiness, equipping students with entrepreneurial skills, exposure to start-up ecosystems, and opportunities for internships and placements through collaborations with leading designers, brands, and export houses. Alumni of the program have secured placements with prestigious names such as Manish Malhotra, Tommy Hilfiger, Aditya Birla Fashion and Retail, and GINI & JONY, reflecting the department's strong industry connect and academic excellence.

Dr. Richa Jagatramka

Faculty Information

Full Name	Designation
Ms. Pratibha Mishra	Professor
Dr. Deepshikha Sharma	Associate Professor
Dr. Aanchal Trehan	Associate Professor
Mr. Mahboob Anwer	Assistant Professor - Selection Grade
Mr. Harshwardhan Soni	Assistant Professor - Senior Scale
Mr. Indrajeet Kumar	Assistant Professor

Unique Points about the Department

Speciality

- Highly professional and well experienced faculty members
- Advanced laboratories with world-class facilities
- Opportunities to interact with renowned professionals in the industry
- Study opportunities for combined studio work, field work, and research work with leading institutions at national and international levels
- Visual aids, site visits, field work, and industrial training are integral parts of the curriculum
- Group assignments to promote teamwork and expose students to the working methodologies of a design unit
- Open forums and group discussions to encourage sharing of viewpoints and being open to feedback from others
- Focus on experiential and peer learning
- Emphasis on hands-on experience to develop practical skills.
- Live Projects from the Industries

Labs:

- Garment construction lab
- Pattern making & Draping lab
- Textile Design Lab

High End Equipment:

- Jack Button-hole Machine
- Button Sewing Machine
- Feed of the arm
- Industrial Steam Iron

Research Facilities Available

- WGSN – An online fashion forecasting tool

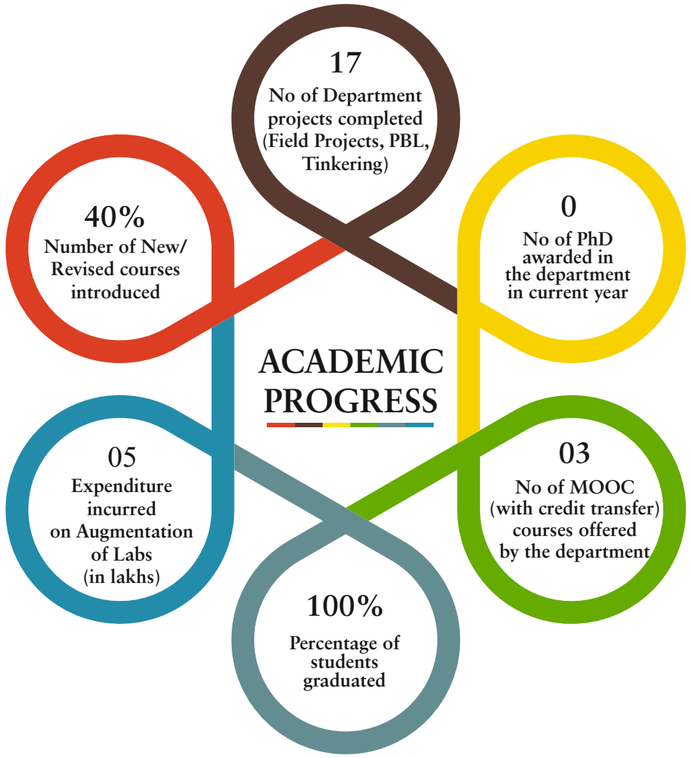

Milestones Achieved by Department

- Membership of FDCI (Fashion Design Council of India).

FACULTY OF DESIGN

Department of Interaction and Communication Design

About the Department

The Department of Interaction and Communication Design at Manipal University Jaipur offers interdisciplinary programs that integrate creativity, technology, and strategic thinking to advance the design of meaningful human experiences. Anchored in the principles of user-centered design and the art of visual storytelling, the department cultivates a deep understanding of how people engage with digital and communication systems. The curriculum emphasizes both technical proficiency and critical inquiry, equipping students with competencies in user research, prototyping, usability testing, graphic design, branding, digital media, and typography. Through a blend of theoretical grounding and practical application, students learn to design intuitive interfaces, compelling narratives, and innovative communication strategies suited to the evolving demands of digital platforms, media industries, and creative enterprises.

Department of Interior Design

About the Department

The Department of Interior Design at Manipal University Jaipur, under the Faculty of Science, Technology, and Architecture (FoSTA), offers Bachelor's and Master's programs in Interior Design that foster multidisciplinary growth through design thinking, material exploration, professional practice, and evolving technologies. Students gain practical exposure in advanced labs, workshops, field trips, and industry visits, supported by collaborations with leading companies, international exchange programs, and entrepreneurial opportunities through the Atal Incubation Centre. With world-class faculty, global partnerships, and a research-driven approach, the programs prepare students for successful careers in India and abroad across diverse sectors such as hospitality, housing, retail, education, heritage, and healthcare.

Mr. Ningthoujam Tondonsana Singh	Assistant Professor - Senior Scale
Mrs. Barsa Mohanty	Assistant Professor - Senior Scale
Ms. Apoorva Agarwal	Assistant Professor
Mr. Himangshu Kedia	Assistant Professor

Unique Points about the Department

- Dual Degree Strength – Offers both Bachelor's and Master's programs, ensuring continuity from foundation to advanced research and practice.
- State-of-the-Art Design Labs – Specialized labs for CAD, Furniture, Model Making, and Climatology to simulate real-world design challenges.
- Industry-Integrated Learning – Strong MoUs with leading firms like Hafele, India Lost & Found, and Studio PS, ensuring direct exposure to industry practices.
- Hands-on Pedagogy – Live installations, field trips, site visits, and workshops that go beyond classroom learning.
- Entrepreneurship Support – Backed by the Atal Incubation Centre, enabling students to develop and launch innovative design startups.
- Research-Driven Curriculum – Focus on material research, sustainable design practices, and integration of emerging technologies.
- Interdisciplinary Approach – Opportunities for cross-learning through open electives and collaborations with other design and technology domains.
- Expert Engagements – Regular interactions with industry leaders, practicing designers, and international experts.
- Career Versatility – Graduates find opportunities in hospitality, housing, retail, education, healthcare, heritage conservation, recreation, and corporate sectors globally.

Research Facilities Available

- CAD & Digital Design Lab – For computational design, 3D modeling, and digital visualization.
- Furniture & Prototype Lab – Equipped for material testing, joinery techniques, and full-scale furniture prototyping.
- Model Making Lab – Dedicated to conceptual and physical model exploration using diverse materials.
- Material Research & Testing Facilities – Focused on exploring bamboo, wood, composites, and other sustainable materials.

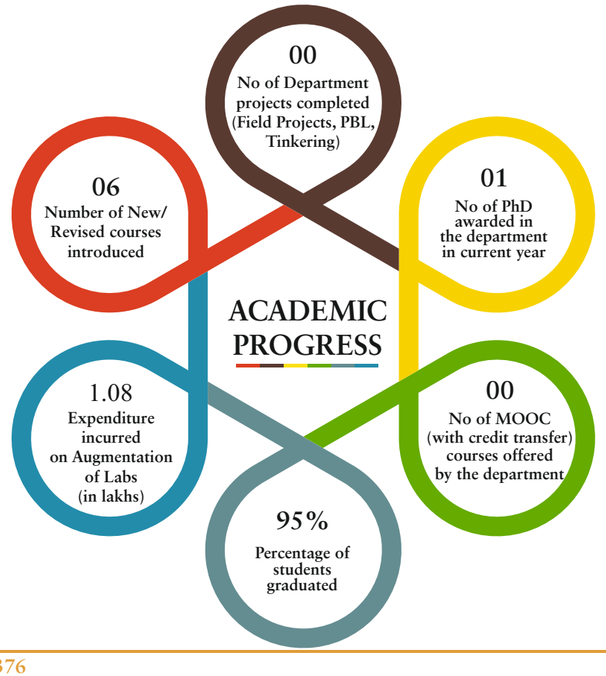

Milestones Achieved by Department

- **Student Achievements:** Students have excelled in various internships and placements. Notable placements include positions at TSDPL, Salient Design Studio, SJK Architects, and Essential.
- **Workshops and Seminars:** Numerous workshops, seminars, and live installation sessions have been conducted to provide hands-on experience and exposure to the latest trends and technologies in interior design

FACULTY OF SCIENCE, TECHNOLOGY AND ARCHITECTURE (FoSTA)

Dr. Brajesh Kumar

Dean
Faculty of Management, Commerce & Arts (FoMCA)

School of Arts •
Tapmi School of Business •

It is my privilege to present the highlights of the Faculty of Management, Commerce & Arts (FoMCA) for the academic year 2024–25. FoMCA represents a unique confluence of management education, commerce, hospitality, arts, media, and humanities—an academic ecosystem where ideas are nurtured, creativity is celebrated, and future leaders are shaped.

Throughout the year, FoMCA remained committed to its vision of delivering holistic, industry-aligned, and socially responsive education. By seamlessly blending academic rigor with experiential learning, the Faculty has continued to empower students to think critically, act ethically, and contribute meaningfully to an increasingly complex and interconnected world.

The School of Management, Commerce, and Hotel Management has played a pivotal role in preparing students for leadership in business, commerce, and the hospitality sector. With its strong emphasis on practical exposure, global perspectives, entrepreneurship, and sustainability, the School—through the Department of Business Administration, Department of Commerce, Department of Hotel Management, and the TAPMI School of Business—has provided students with transformative learning experiences. Industry collaborations, global internships, corporate mentorships, and hands-on projects have enabled our graduates to confidently step into diverse professional roles across management, finance, analytics, marketing, and hospitality leadership.

Equally vibrant is the School of Arts, which stands as a dynamic hub for creativity, critical inquiry, and cultural engagement. With departments spanning Arts, Languages, Literatures and Cultural Studies, Journalism and Mass Communication, Fine Arts, and Physical Education, Sports and Yoga, the School offers a rich blend of traditional knowledge and contemporary practice. Students have actively engaged in creative production, audio-visual storytelling, applied arts and communication design, advertising and public relations, as well as in the study of political science, international relations, sociology, philosophy, and literature. This interdisciplinary approach equips learners with the intellectual depth, creative skills, and social awareness required to interpret and transform the world around them.

FoMCA's strong focus on holistic development remains one of its defining strengths. By integrating physical education, sports, and yoga with academic pursuits, the Faculty continues to nurture balanced individuals who value physical well-being alongside intellectual and creative excellence.

The achievements of FoMCA during 2024–25 reflect the dedication of our faculty members, the passion and talent of our students, and the continuous support of the University leadership and industry partners. As we move forward, FoMCA remains steadfast in its commitment to innovation, inclusivity, interdisciplinary learning, and societal impact.

I extend my sincere gratitude to all stakeholders for their contributions and trust. Together, we will continue to inspire minds, shape responsible leaders, and create meaningful change through education.

SCHOOL OF ARTS

About the School

COMPLEX PROBLEMS. DIVERSE PERSPECTIVES. CREATIVE SOLUTIONS is the motto of School of Arts, MUJ. It represents our unique style of observing—and learning about—life and the world in an interdisciplinary and intercultural way. MUJ offers a comprehensive choice of possibilities, experiences, and opportunities while maintaining its commitment to small classes, individualized attention, and career preparation. The rich experience and intellectual diversity of our dedicated faculty indeed will help you to make lifelong choices that contribute to the well-being of society, nature, and yourselves.

All programs intend to make learning outside the boundaries of the chosen disciplines beyond the classroom. As graduates of the school, students enjoy an environment that stimulates inquiry, research skills, exploration, and evaluation, contributing to an integral part of their lifelong learning. The learning experience here is not just about how to do it but also why, and more importantly, how to be in the contemporary world. Being part of this will be an exclusive lifelong learning experience.

Dr. Trishu Sharma
Associate Dean
School of Arts

Departments under SoA

- Department of Media, Communication and Fine Arts

MANIPAL UNIVERSITY
JAIPUR

FACULTY OF MANAGEMENT, COMMERCE AND ARTS (FoMCA)

Department of Liberal Arts and Social Sciences

About the Department

Dr. Richa Arora
HoD

The Department of Liberal Arts and Social Sciences constitutes the intellectual cornerstone of the university, dedicated to fostering rigorous critical inquiry, effective communication, and a comprehensive understanding of the human condition. The department aims to develop engaged, socially responsible citizens and adaptable professionals equipped to navigate the complexities of a rapidly changing global landscape. It offers a broad spectrum of programs that critically engage with issues of society, culture, language, and individual thought.

The department was earlier constituted by three separate units—the Department of Languages, Literature and Cultural Studies; the Department of Arts; and the Department of Physical Education, Sports and Yoga, which were subsequently merged into a single department in June 2025 as Department of Liberal Arts and Social Sciences.

MANIPAL UNIVERSITY JAIPUR
FACULTY OF MANAGEMENT, COMMERCE AND ARTS (FoMCA)

Unique Points about the Department

- First university in Rajasthan to offer the BA (Liberal Arts) programme.
- Amongst the few universities in Rajasthan to offer the MA (International Relations) programme.
- Offers an interdisciplinary and integrated learning experience across disciplines like political science, sociology, music, and philosophy, while also connecting with economics, journalism, and psychology to provide students with an immersive liberal arts education.
- The multidisciplinary nature of the program offered by the department resonates with the directions of the New Education Policy.
- Advanced digital language lab (DLM) to enhance communication skills.
- MOUs with foreign universities/institutions for international exposure and cultural exchange.

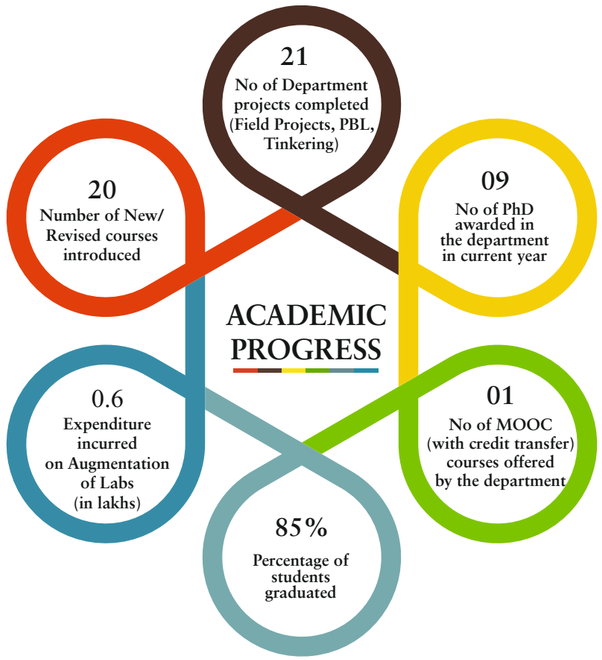

Milestones Achieved

- Introduced a new postgraduate programme: M.A. (International Relations)
- Secured an ICSSR-funded research project worth ₹15 lakhs
- Successfully hosted National and International Basketball and Tennis Tournaments at Manipal University Jaipur (2025)
- Students achieved medals and distinctions at AIU International Tournaments and the World University Games

Department of Media, Communication and Fine Arts

About the Department

Under the School of Arts, the Department of Media, Communication and Fine Arts at Manipal University Jaipur brings together the strengths of the former Departments of Journalism and Mass Communication and Fine Arts. The department offers an integrated academic environment that combines media studies, communication practices, and applied visual arts to meet the demands of contemporary creative industries.

The department provides undergraduate, postgraduate, and doctoral programmes in Journalism, Communication Studies, Public Relations, Advertising, Film and Media Studies, and Applied Art. With a strong emphasis on critical thinking, ethical practice, and creative expression, students gain both theoretical knowledge and practical skills in media production, visual communication, design, and digital innovation.

Dr Sushil Kumar Rai
HoD
Media, Communication and Fine Arts

Supported by experienced faculty and state-of-the-art facilities such as media labs, design studios, and newsroom simulations, the department fosters experiential learning and industry readiness. Co-curricular activities in theatre, cinema, music, literature, and visual arts further enrich student life, nurturing leadership, collaboration, and cultural engagement.

The Department of Media, Communication and Fine Arts prepares students to become s and creative leaders, ready to contribute meaningfully to the evolving global media and

Unique Points about the Department

- Seamless Integration of Theory and Practice ensuring students graduate as industry-ready professionals.
- Fully Operational Live Community Radio Station- Radio Manipal Jaipur 90.8 FM
- Adaptive, Flexible and Future-Ready Curriculum
- State-of-the-Art Media Labs-featuring dedicated Television Programme Production and News Studios, Advanced Video Editing Suites, Professional Audio Production Facilities, an Integrated Print & Digital Media Lab, and a Specialized Photography Lab—designed to deliver an immersive, industry-simulated learning experience.
- Dynamic and Vibrant Teaching-Learning Ecosystem

- Holistic and Multidisciplinary UG Programme Aligned with NEP 2020
- Interdisciplinary Curriculum with Contemporary Relevance
- Integration of Art, Design, and Technology
- Renowned Faculty with Academic and Industry Expertise
- Experiential and Practice-Based Learning
- Creative Conceptual Foundation
- Inclusive and Student-Centred Pedagogy
- Strategic Location in an Emerging Creative Hub

Research Facilities Available

- Ensuring academic integrity through seamless access to globally recognized plagiarism-checking software Turnitin
- Access to national and international journals, magazines for advanced research and learning
- Access to e-library facility offering e-books, e-journals and scholarly articles
- Access to Advanced Audio-Visual Editing Tools for high-quality media production, academic projects and research outputs

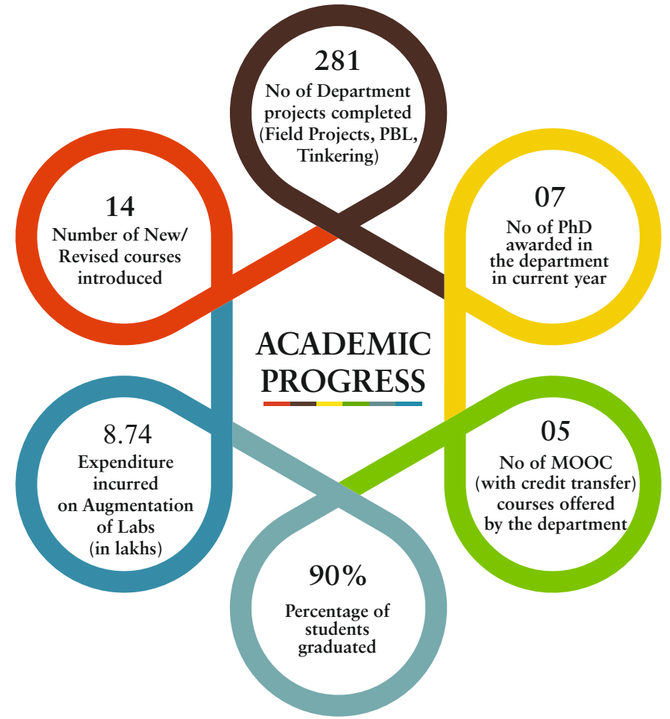

Milestones Achieved

- Introduced NEP 2020 based UG Programme
- Organised International Seminar on Media, AI and Social Change: Interdisciplinary Approaches
- Organised departmental annual Cultural fest Utopia 4.0
- Development of a smart garment for women's safety and an innovative method for upcycling discarded fabric into functional products, promoting sustainable textile waste management.

Department of Commerce

About the Department

The Department of Commerce fosters excellence in teaching at the Undergraduate and Post graduate levels. The department offers two undergraduate programs B.Com and B.Com (Hons) Accounting and one post graduate program M.Com (Financial Analysis). The department aims to provide the students with a wide range of skills and competencies in the field of commerce and management. Faculty members at department have a proven track record of research and publications in the fields of banking, accountancy, finance, entrepreneurship, marketing, human resources, and allied subjects.

The B.Com (Hons) Accounting program opens the door to a world of financial expertise. The program provides in-depth knowledge of accounting, taxation, and financial management, while also developing analytical and decision-making skills of students. This program paves the way for lucrative careers in auditing, banking, and corporate finance. This B.Com (Hons) Accounting program is also collaborated with ACCA (Association of Chartered Certified Accountants) UK, which provides the students with the exception of nine papers.

M.Com (Financial Analysis) program provides professional education and training in business and finance, focusing on analytical skills to tackle global challenges. Spanning two years, it covers financial markets, investment analysis, risk management, and financial reporting to prepare industry-ready finance professionals.

Unique Points about the Department

- ACCA integrated programme of B.Com (Hons) Accounting
- Department Research Cluster named “Knowledge Alliance” for fostering the research culture among faculty and students
- Industry Relevant Diverse Programs
- MoU with ACCA (Association of Chartered Certified Accountants) for B. Com (Hons) Accounting
- Financial Data Enriched Bloomberg Lab
- All faculty hold Ph.D. degrees and bring valuable experience.

Research Facilities Available

- Bloomberg Lab
- Prowess IQ Database-Financial data of companies
- SPSS software for data analysis
- Access to Digital Library

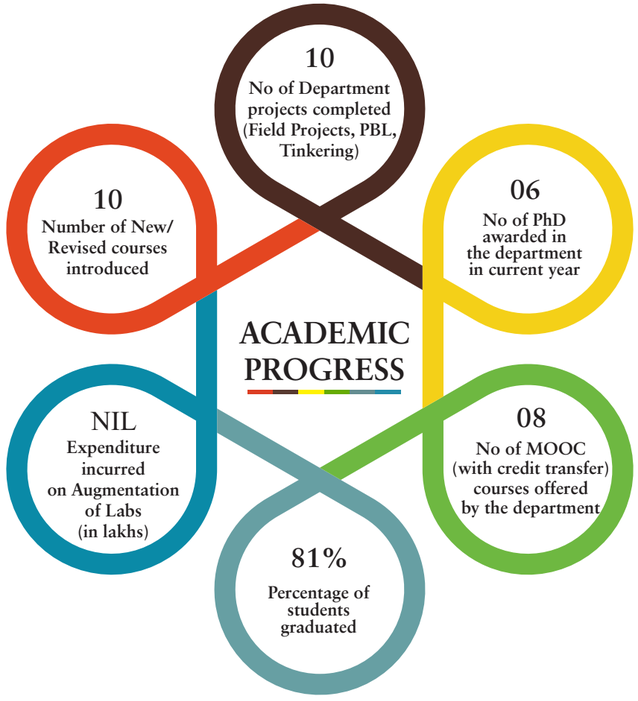

Milestones Achieved

- 81% students graduated in 2025
- Average placement package is 5.00 Lakhs INR
- 20 students passed in ACCA unexempted papers
- Successfully introduced a UG program B.Com (Hons) Fintech

Department of Economics

About the Department

The Department of Economics is dedicated to offering students a diverse selection of electives that blend practical, analytical, and theoretical knowledge. These courses cover areas such as microeconomics, macroeconomics, industrial and managerial economics, comparative economic policy, money and banking, international economics, quantitative analysis, and insights into both the Indian and global economies. The curriculum also includes emerging fields like environmental and energy economics, financial and public economics, urban and regional economics, data science applications in economics, and operational research. The department is supported by highly qualified, motivated, and dynamic faculty members who guide students with genuine enthusiasm.

Dr. Monika Mathur
HoD

Faculty Information

Full Name	Designation
Dr. Shilpi Gupta	Associate Professor - Senior Scale
Dr. Monika Mathur	Associate Professor
Ms. Varuni	Assistant Professor - Senior Scale
Dr. Minali Banerjee	Assistant Professor - Senior Scale
Dr. Poonam Mishra	Assistant Professor
Dr. Namrata Bhardwaj	Assistant Professor
Dr. Garima Singh	Assistant Professor
Dr. Ashish Kumar Meher	Assistant Professor
Dr. Siddharth Shukla	Assistant Professor
Dr. Karambir Singh Dhayal	Assistant Professor
Dr. Vijay Kumar	Assistant Professor
Dr. Pushp Kumar	Assistant Professor (Research)

Unique Points about the Department

- Optimal blend of theoretical, practical and analytical courses.
- Contemporary & industry-driven curriculum.
- Learning through case studies, experiential methods & real-world applications.
- Prestigious industry collaborations with NISM, Bloomberg & Centre for Environmental & Development Studies.
- Encouragement to research through Dissertation.
- 90 percent of the faculty members hold Ph.D. Degrees and bring extensive experience and team value.

Research Facilities Available

- Laboratories equipped with contemporary software such as SPSS and SMART-PLS for data analysis and advanced research.
- Bloomberg Finance Lab provides access to real-time financial data, analytics, and market intelligence.
- Access to digital libraries, research databases, and online journals for scholarly resources.
- Collaborative research spaces designed for group projects, seminars, and workshops.

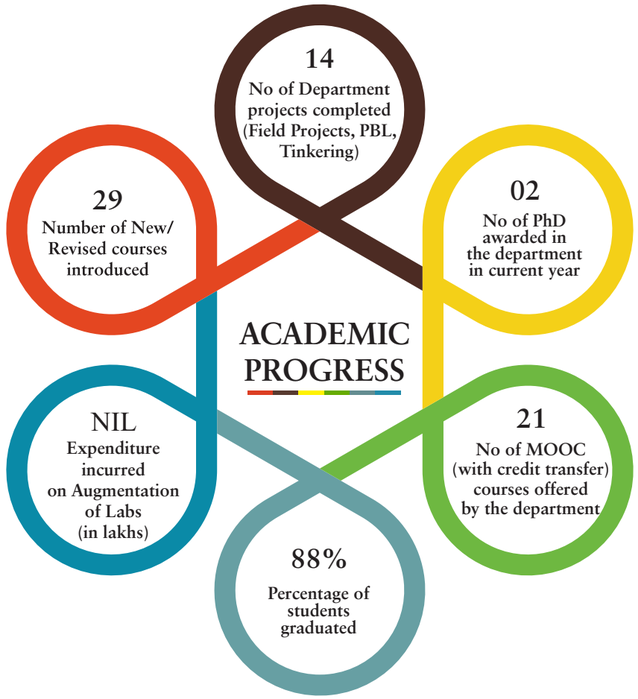

Milestones Achieved

- ICSSR Funded Project (15 Lakhs).
- 8 Patents published.
- Faculty awarded with National Environment and Sustainability Award by Society for Environment and Sustainable Development, New Delhi.

Tasks and Initiatives Aligned with NEP-2020

Research & Innovation
Initiative: Establishment of Bloomberg Finance Lab, SPSS/SMART-PLS labs.
Expected Outcome: 80 percent of student-led research projects completed; At least 5 papers published in indexed journals.

Technology-Enabled Learning
Initiative: Adoption of MOOCs (SWAYAM, Coursera).
Expected Outcome: At least 50% of students earned online certifications in 2025.

Skill Development & Employability
Initiative: Workshops on econometrics, Bloomberg training, and industry-led sessions.
Expected Outcome: At least 50 percent of students trained.

Community Engagement
Initiative: Regular community visits by the faculties and the students.
Expected Outcome: At least 70% of students visit local communities.

Department of Hotel Management

About the Department

The Department of Hotel Management (DHM) at MUJ is a premier institution offering specialized programs in Hospitality, Hotel & Tourism Operations, Airlines, and Event Management. Dedicated to developing future leaders for the global hospitality sector, DHM provides a comprehensive curriculum that integrates rigorous theoretical frameworks with essential practical experience. The school features state-of-the-art facilities and maintains strong international partnerships, cultivating a global outlook and ensuring student readiness for diverse career paths. DHM graduates are highly regarded by leading national and international recruiters, recognized as proficient, industry-ready professionals. Beyond preparing students for established roles, our programs foster an entrepreneurial mindset, equipping graduates to launch ventures in various sectors, including travel, F&B concepts like cloud kitchens and microbreweries, and more. DHM empowers students to navigate a world of opportunity, excel in cross-cultural environments, and build successful, dynamic careers.

Unique Points about the Department

- Hospitality & Tourism @ MUJ has the legacy of Manipal group and the locational advantage of Jaipur, which makes it a unique destination for hospitality & tourism education in India.
- The department offers quality education and dedicated faculty with international experience, also Industry experts are invited regularly to share latest trends in the hospitality & tourism industry with the students.
- Modern infrastructure in the form of laboratories, equipment, hospitality software and classrooms is designed to facilitate hands on learning & operational experience.
- Field trips, industry visits, organizing events, participating in culinary competitions, industry related projects and many more activities form part of the curriculum to enhance the learning skills of students.
- Apart from a dedicated semester for gaining practical knowledge through Internships, students are sent for short term industrial exposure during each semester.
- Consistent track record of training & placement in India and abroad.
- A research-oriented school with several world records to its credit.

The department has the following well equipped labs to enhance the students' practical skills:

- Food Production Lab
- Bakery & Confectionery Lab
- Training Restaurant cum Bar
- Housekeeping Lab
- Front Office Lab
- Model Guest Rooms
- Centralized Library & Computer Training Lab

Research Facilities Available

- IDS Hospitality Software Based Computer Lab
- IBM SPSS Software

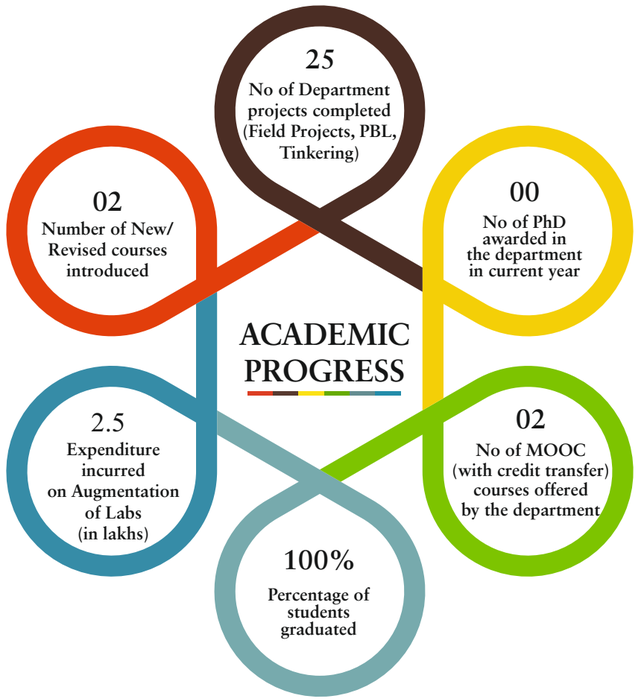

Milestones Achieved

- Achieved a **100% placement success rate,** ensuring every eligible student secured employment.
- Successfully **attempted a Limca Book Record,** showcasing the department's drive for excellence and national recognition.

Department of Managment

About the Department

The Department of Management, operating under the academic guidance of TAPMI, Manipal, integrates rigorous scholarly frameworks with practical industry engagement to cultivate professionally competent and corporate-ready managers. The department is committed to nurturing future business leaders who are equipped with a robust conceptual understanding, analytical acumen, technical proficiency, interpersonal capabilities, and sound decision-making skills.

Our faculty comprises distinguished professors and practitioners who bring a rich blend of academic insight and industry experience. Their research endeavors contribute to the development of contemporary knowledge, which is seamlessly integrated into the curriculum through a practice-oriented pedagogical approach. The department emphasizes excellence in management education through a 'Learner-Centric Learning' model, empowering faculty to implement innovative teaching methodologies.

A distinctive feature of the department is its collaborative teaching approach, wherein academic experts and industry professionals jointly conduct sessions. This synergy ensures that students benefit from both theoretical foundations and real-world perspectives. The department takes pride in its strong industry interface, which plays a pivotal role in mentoring, training, and placing students in leading corporate organizations. Our consistent focus on pedagogical excellence and industry relevance has positioned the Department of Management as one of the premier providers of management education in Rajasthan.

MANIPAL UNIVERSITY
JAIPUR

FACULTY OF MANAGEMENT, COMMERCE AND ARTS (FoMCA)

Dr. Bharti

Dean
Faculty of Law

School of Law

It is with great pride and a deep sense of responsibility that I present the Faculty of Law's reflections and achievements for the academic year 2024–25. Manipal University Jaipur's foray into legal education has been guided by a clear vision—to create a future-focused, ethically grounded, and globally competent generation of legal professionals who can contribute meaningfully to society, the nation, and the international legal order.

The Faculty of Law at MUJ offers a comprehensive spectrum of programs, including the Five-Year Integrated BA LL.B. (Hons.) and BBA LL.B. (Hons.), the Three-Year LL.B., LL.M., and Ph.D. programmes. All our academic offerings are structured under a highly flexible, learner-centric Choice Based Credit System (CBCS), aligned with UGC and NEP guidelines and fully compliant with Bar Council of India regulations. Our honours structure, with multiple specialization options, empowers students to customize their learning journey in accordance with their interests and career aspirations.

Our curriculum is rooted in outcome-based education and informed by a global perspective on legal studies. By adopting an andragogical and experiential approach to teaching–learning, the Faculty ensures that students are not passive recipients of knowledge but active participants in the learning process. The emphasis on critical thinking, higher-order reasoning, ethical sensitivity, and professional competence prepares our graduates to be industry-ready professionals as well as lifelong learners.

During 2024–25, the Faculty continued to focus on its core objectives: moulding global leaders in the legal profession, contributing to nation-building through socially committed legal education, promoting the rule of law, and strengthening professional skills through experiential and skill-based learning. Institutionalized academic and co-curricular activities such as moot courts, seminars, debates, symposiums, research writing initiatives, and workshops have played a pivotal role in translating theory into practice.

Our students have benefited immensely from regular interactions with legal practitioners, members of the judiciary, academicians, and industry experts, as well as from structured internship opportunities that provide real-world exposure. The Faculty also actively supports and encourages participation in national and international competitions, enabling students to benchmark themselves on prestigious platforms.

Student-led clubs and cells—including the Legal Aid Cell, Consumer Protection Cell, Alternative Dispute Resolution Cell, Lexlawgical Club, and Human Rights Cell—have further strengthened our commitment to social justice, legal awareness, and community engagement. These initiatives not only enhance practical skills but also instil a deep sense of social responsibility among our students.

The Faculty of Law is steadily gaining recognition for its academic rigor, innovative curriculum design, and student-centric practices. Manipal University Jaipur continues to be ranked among the leading universities in Rajasthan and India, with its School of Law emerging as a promising centre for quality legal education, research, and professional training. These acknowledgements reflect the collective efforts of our faculty, students, and institutional leadership.

Supported by state-of-the-art infrastructure—including smart classrooms, moot court halls, computer laboratories, seminar halls, and sports and cultural facilities—the Faculty offers an environment that is conducive to holistic learning and professional growth.

I extend my sincere appreciation to our dedicated faculty members, motivated students, supportive alumni, and the University leadership for their unwavering commitment and support. As we move forward, the Faculty of Law remains resolute in its mission to advance legal education, promote justice, and nurture responsible legal professionals equipped to meet the challenges of a rapidly evolving legal landscape.

School of Law (SoL)

About the School

Manipal University Jaipur embodies an academic culture grounded in excellence, innovation, and global relevance. The university's Faculty of Law (FoL) stands as a beacon of legal education in Rajasthan, nurturing young legal minds through a learner-centric, outcome-based education system. Aligned with national regulatory frameworks, including the Bar Council of India (BCI), the UGC, and the National Education Policy (NEP), FoL integrates rigorous theoretical instruction with experiential learning and professional skill development. The school is committed to producing industry-ready legal professionals equipped with critical thinking, ethical grounding, and research acumen to thrive in India's evolving legal landscape. Its modern green campus and dedicated faculty facilitate a vibrant intellectual ecosystem fostering academic inquiry, legal advocacy, and community engagement. The school maintains close academic relationships with courts, law firms, and civil society institutions, ensuring relevance and opportunities for internships, moot courts, and placements. This dynamic institutional environment makes FoL a preferred choice for law aspirants seeking comprehensive, contemporary legal education.

FACULTY OF LAW (FoL)

Department of Law

About the Department

The Department of Law at Manipal University Jaipur, since its inception in 2014, has charted a distinct path emphasizing interdisciplinary and innovative legal education. Unlike traditional law departments, it actively integrates technology, policy studies, and research methodologies into its curriculum, responding to the needs of a rapidly transforming legal profession. The department fosters an inclusive academic community that encourages collaborative learning and critical engagement with contemporary legal challenges, including intellectual property, corporate law, environmental governance, and human rights. Its faculty comprises experienced academicians, practitioners, and scholars committed to mentoring students through a mix of classroom instruction and practical exposure. The department prioritizes outcome-based education framed around the Choice-Based Credit System (CBCS), encouraging students to tailor their specialization paths in line with emerging legal domains. With robust infrastructure including state-of-the-art moot courtrooms, research centres, and dedicated legal aid clinics, the department prepares students through experiential learning, skill development workshops, and internships. The department continually upgrades its syllabus in resonance with regulatory reforms and global legal trends, establishing itself as a leader in innovative legal education within the region.

Unique Points about the Department

- Legal Aid & Pro Bono Clinic – Provides students with real-time exposure to grassroots legal issues through supervised client counselling and community outreach.
- State-of-the-Art Moot Court Room – Equips students with practical advocacy skills through regular moot courts, mock trials, and procedural simulations.
- Research-Driven Academic Environment – Encourages rigorous project work, doctrinal and empirical research, and publication-oriented learning.
- Co-Curricular Engagements – Offers structured activities like debates, quizzes, seminars, and mock parliaments to strengthen analytical and public-speaking skills.
- Industry Connect– Facilitates continuous exposure to leading law firms, judges, and legal experts for mentorship, internships, and career development.

Research Facilities Available

- Well-equipped library with a vast and regularly updated collection of books, periodicals, journals, magazines, and other publications.
- Access to premier e-resources including ManuPatra, SCC Online, Lexis India, Corporate Law Advisor, AIR Online, and JSTOR.
- Comprehensive collection of e-books supporting academic and research needs.

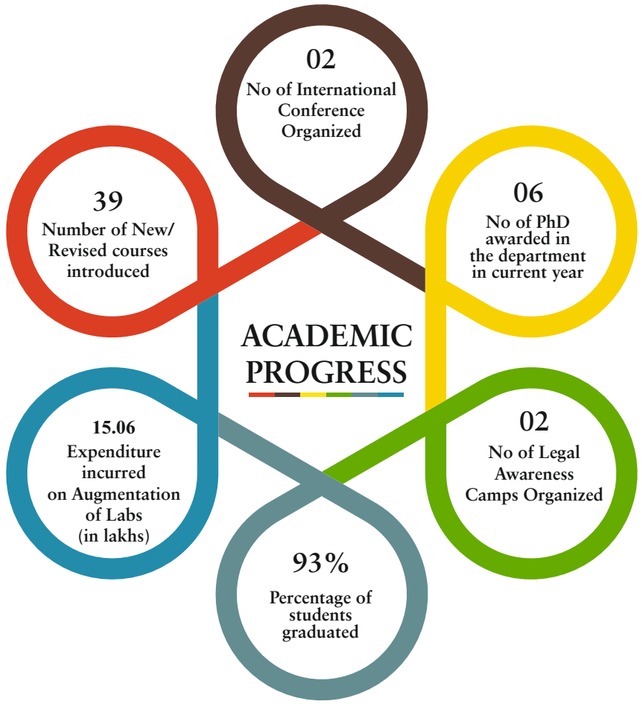

Milestones Achieved by Department

- Prestigiously ranked 29th in the NIRF Law Category 2024, reflecting the School of Law's rising national standing and academic excellence.
- Successfully organized the 3rd Edition of the International Law Summit 2024, bringing together global scholars, practitioners, and thought leaders for transformative legal discourse.
- Proud host of the 10th Manipal Ranka International Moot Court Competition 2024, one of the country's distinguished platforms for nurturing advocacy skills and courtroom excellence.
- Honored with the 34th position in India Today's MDRA Survey 2024, reaffirming the School of Law's commitment to quality education and holistic student development.
- Secured an impressive 22nd rank in the ICARE Professional Colleges Survey 2024, placing the School of Law among the Top 30 Private Law Institutes, driving innovation and professional competence in India.

Dr. Karunakar A Kotegar

Dean (In-charge)
Faculty of Health Sciences
(FoHS)

School of Allied Health Sciences

It gives me great pleasure to present the Faculty of Health Sciences' reflections and achievements for the academic year 2024–25. At Manipal University Jaipur, the Faculty of Health Sciences stands firmly committed to nurturing not only competent healthcare professionals, but also compassionate leaders who are guided by ethics, empathy, and a deep sense of social responsibility.

Our mission at FoHS is to offer an education that transcends classrooms and textbooks—one that encourages critical thinking, evidence-based practice, and innovation while remaining grounded in human values. In a rapidly evolving healthcare landscape, we strive to prepare our students to respond effectively to complex health challenges, improve patient outcomes, and contribute meaningfully to the advancement of healthcare systems.

The School of Pharmaceutical Sciences has continued to play a pivotal role in advancing education and research in drug discovery, development, and delivery. Through a strong blend of theoretical foundations, laboratory-based learning, and industry exposure, our students are equipped with the skills required to contribute to the development of safe, effective, and life-saving medicines. The School also places strong emphasis on leadership and entrepreneurship, preparing graduates to excel in pharmaceutical manufacturing, research organizations, and as innovators within the healthcare industry.

Equally significant is the contribution of the School of Allied Health Sciences and the Department of Psychology, which together address the multifaceted nature of health and well-being. By integrating psychological, physiological, and social perspectives, these programs empower students to adopt a holistic and empathetic approach to patient care. The focus on mental health, rehabilitation, diagnostics, and behavioral sciences ensures that our graduates are well-prepared to meet the growing demand for allied health and mental health professionals.

Throughout the year, FoHS has emphasized experiential learning, community engagement, and research-driven practices. Students have actively participated in clinical training, fieldwork, workshops, and outreach initiatives, reinforcing the importance of service and societal impact in healthcare education.

The progress of FoHS during 2024–25 reflects the dedication of our faculty members, the enthusiasm and commitment of our students, and the unwavering support of the University leadership and healthcare partners. As we move forward, the Faculty of Health Sciences remains steadfast in its vision to create knowledgeable, skilled, and compassionate professionals who can lead with integrity and make a lasting difference in the lives of individuals and communities.

I extend my sincere gratitude to all stakeholders for their continued support and trust. Together, we will continue to advance healthcare education, research, and service for a healthier and more humane future.

SCHOOL OF ALLIED HEALTH SCIENCES

About the School

The School of Allied Health Sciences (SoHS) aims to create graduates who are prepared to make a meaningful impact by transforming mental health practices. It comprises the Department of Psychology. We help our students address problems with a more detailed and concerned viewpoint by promoting awareness of the psychological, physiological, and social elements. The school aims to provide an education that goes beyond textbooks and lectures-one that prepares students to think critically, act with empathy, and innovate to address some of the world's most pressing health challenges.

FACULTY OF HEALTH SCIENCES(FoHS)

Department of Psychology

About the Department

The Department of Psychology at the School of Allied Health Sciences was established at Manipal University Jaipur in 2012. It offers programs at undergraduate to postgraduate levels. The course and curriculum of all the programs equip the students with a theoretical foundation and practical knowledge in the varied areas of psychology, like clinical psychology, counseling psychology, organizational psychology, military psychology, forensic psychology, positive psychology, health psychology, environmental psychology, etc. The students are trained for psychological testing and assessment in a well-equipped psychology laboratory. The M.Sc. (Clinical Psychology) post-graduate program has been designed with the needs of the hour and a globally relevant curriculum to equip graduating students with skills to meet industry demands.

Dr. Chirmi Acharya	Assistant Professor
Dr. Pallavi Ojha	Assistant Professor

Unique Points about the Department

USPs

- Well-designed curriculum in line with the NEP 2020
- Regular updating of the syllabus with modifications according to the changing needs of the industry
- Experiential learning through support for compulsory internship for the final year students
- Research skill-building for advanced learners through guided projects
- Exposure to recent advances in the field of psychology through expert lectures
- Hands-on learning and practical experience in psychological testing and assessment in the lab courses.
- All are qualified faculty with Ph.D. degree from reputed institutions
- Well-equipped Psychological testing and assessment laboratories
- Workshops and field visits with an emphasis on real-life learning

Milestones Achieved

- 100% internships from premier organizations
- Quality Publications in Scopus/Web of Science-indexed Journals- 26

Research Facilities Available

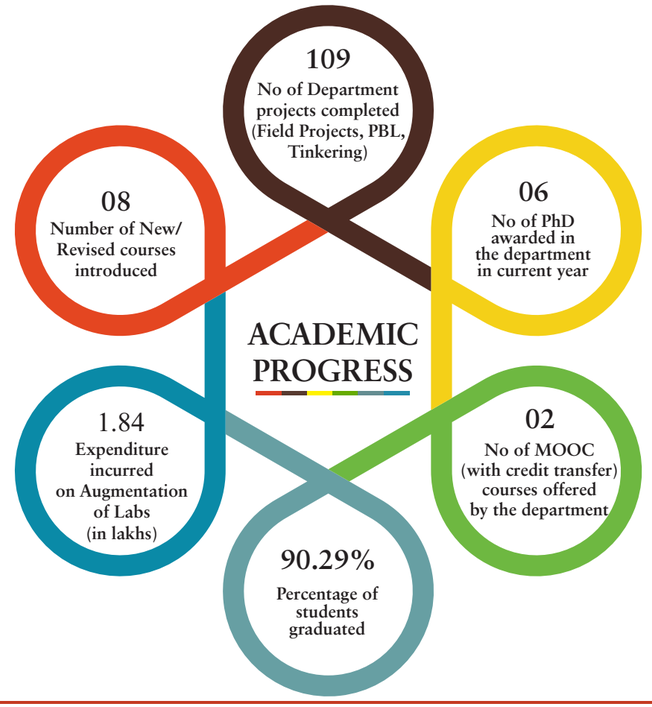

The psychology laboratories are well-equipped with all the major tools in the core research areas in psychology. The laboratories are equipped with the latest versions of major psychological tests and apparatuses in the above core areas for research scholars and students.

- Personality Testing tools- 16 PF, NEO Batteries, MIPS
- Clinical Testing tools- MMPI-2, MCMI-III, Rorschach Test, Autism Rating Scale
- Intelligence Testing tools- WAIS-IV, WASI-II, WMS-3, RSPM
- Occupational well-being Testing tools- Occupational Stress Index, PsyCap,
- Learning and Memory testing apparatus- Memory Drum, Mirror drawing Apparatus
- Problem-solving and creativity assessment tools- PASSI creativity test, Hoffman's Concept Formation, Maze Learning
- Biofeedback instrument

मणिपाल यूनिवर्सिटी जयपुर के नए अध्यक्ष का अभिनंदन एवं स्वागत समारोह

मणिपाल यूनिवर्सिटी जयपुर (एमयूजे) ने नए कुलपति प्रो. एन एन शर्मा का स्वागत किया और डॉ. जी के प्रभु को विदाई दी

■ जयपोर्ट, जयपुर

मणिपाल यूनिवर्सिटी जयपुर के नए अध्यक्ष के लिए एमयूजे परिसर के वसंती आर.पई सभागार में अभिनंदन एवं स्वागत समारोह का आयोजन किया गया। समारोह में निवर्तमान अध्यक्ष प्रो. जी के प्रभु को विदाई दी और नए अध्यक्ष प्रो. नीति निपुण शर्मा का स्वागत किया गया। कार्यक्रम की शुरुआत प्रो- प्रेसिडेंट कमोडोर (डॉ.) जवाहर मल जांगिड़ के स्वागत संबोधन से हुई, जिन्होंने शैक्षणिक और प्रशासनिक कर्मचारियों सहित सभी गणमान्य व्यक्तियों का अभिनंदन किया। अपने संबोधन में डॉ. जांगिड़ ने निवर्तमान अध्यक्ष डॉ. जी के प्रभु के कुशल नेतृत्व में मणिपाल विश्वविद्यालय जयपुर द्वारा प्राप्त उल्लेखनीय विकास और सफलता पर प्रकाश डाला। डॉ. जांगिड़ ने नए अध्यक्ष प्रो. एन एन शर्मा का भी गर्मजोशी से स्वागत किया और उम्मीद जताई कि उनके मार्गदर्शन में विश्वविद्यालय अकादमिक उत्कृष्टता में नई ऊंचाइयों को छुएगा। इस अवसर पर एक ऑडियो-विजुअल फिल्म दिखाई गई। समारोह में एमयूजे के चेयरपर्सन एस. वैथीस्वरन और अन्य गणमान्य व्यक्तियों ने प्रो. एन. एन. शर्मा और उनकी पत्नी मंजू शर्मा को शॉल, प्रशस्ति पत्र और पारंपरिक राजस्थानी साफा देकर सम्मानित किया। अपने अभिनंदन के उत्तर में डॉ. प्रभु ने मणिपाल परिवार के अधिकारियों, मणिपाल विश्वविद्यालय जयपुर के शिक्षकों और छात्रों को धन्यवाद दिया।

उन्होंने कहा कि यह घर वापसी है। उन्होंने गुणवत्तापूर्ण शोध, सतत विकास और समाज में रचनात्मक योगदान पर जोर दिया। उन्होंने सभी संकाय सदस्यों और कर्मचारियों को नैतिकता को प्राथमिकता देने और जीवन में उत्कृष्टता प्राप्त करने के लिए निरंतर प्रयास करने के लिए प्रोत्साहित किया।

इसके साथ ही उन्होंने मणिपाल विश्वविद्यालय जयपुर के सदस्यों को प्रेरित करने के लिए अपने जीवन के अनुभव से कुछ उदाहरण दिए हैं। प्रो. शर्मा 2015 से मणिपाल विश्वविद्यालय जयपुर और मणिपाल ग्रुप का अभिन्न अंग रहे हैं। इससे पहले वह एमयूजे और मणिपाल एकेडमी ऑफ हायर एजुकेशन, मणिपाल, कर्नाटक के प्रो- प्रेसिडेंट थे।

एमयूजे की रजिस्ट्रार डॉ. नीतू भटनागर ने समारोह के अंत में धन्यवाद ज्ञापित किया। उन्होंने मणिपाल यूनिवर्सिटी जयपुर को सभी ज्ञान चाहने वालों के लिए एक पसंदीदा गंतव्य बनाने में उनके उत्कृष्ट योगदान के लिए दोनों अकादमिक लीडर्स को धन्यवाद दिया। समारोह में सभी फैकल्टी डीन, डायरेक्टर ऑफ स्कूल्स, कार्यालय निदेशक, विभागाध्यक्ष, फैकल्टी सदस्य और स्टाफ सदस्यों ने भाग लिया।

Darpan 2024_ Design Exhibition Held at Jawahar Kala Kendra

First India, 11 August 2024

Artistic Horizon

Tushar Sogani, Principal Architect at TDSPL and Chairman of the Indian Institute of Architects, Rajasthan Chapter, along with Guest of Honour Dr Jawahar Mal Jangir, Pro President of Manipal University Jaipur, graced the inauguration.

'Darpan 2.0' provides a platform for students in Architecture, Interior Design, Fine Arts, Fashion Design, and UX&D to present their innovative projects.

The exhibition aims to highlight the creative talents of emerging designers and architects while fostering interaction between academia and the design community. Prof Dr NN Sharma, President of Manipal University Jaipur, praised the students' work, and Dr Nitu Bhatnagar, Registrar, encouraged the Faculty of Design to continue such initiatives. The exhibition will be open to the public till today, reinforcing Manipal University Jaipur's commitment to nurturing talent and enhancing the cultural landscape of Rajasthan.

उन्होंने एआईसीटीई की विभिन्न पहलुओं जैसे नवाचार कार्यशालाएं, मेंटरशिप कार्यक्रम और इंटर्नशिप के बारे में जानकारी दी। साथ ही शैक्षणिक संस्थानों में यूनिवर्सल ह्यूमन वैल्यूज के महत्व पर जोर दिया। यह ई-इंडक्शन प्रोग्राम 11 सितंबर तक चलेगा। इसमें छात्रों के लिए विभिन्न गतिविधियां और सत्र आयोजित किए जाएंगे।

Cleanliness Drive at Manipal University Jaipur on Gandhi Jayanti

Sach Bedhadak, 3 October 2024

मणिपाल यूनिवर्सिटी ने चलाया स्वच्छता अभियान

गांधी जयंती के अवसर पर मणिपाल यूनिवर्सिटी जयपुर (एमयूजे) के बाहर सड़क मार्ग पर स्वच्छता अभियान का आयोजन किया गया। यह अभियान विश्वविद्यालय के अध्यक्ष एन.एन. शर्मा की पहल पर हुआ। अभियान में 50 से अधिक छात्रों के साथ-साथ रजिस्ट्रार नीतु भटनागर, डिप्टी रजिस्ट्रार अशीष और फैकल्टी कोऑर्डिनेटर हेमंत कुमार ने भी भाग लिया। सभी ने मिलकर पूरे सड़क मार्ग को साफ किया और कचरे को एकत्रित कर सही तरीके से निपटाया गया। गांधी जी के स्वच्छ भारत के सपने को साकार करने की दिशा में योगदान दिया। एन.एन. शर्मा की सोच से स्वच्छता अभियान को संभव बनाया। जिसमें सभी ने उत्साहपूर्वक भाग लिया।

First India, 3 October 2024

A cleanliness drive was organised outside Manipal University Jaipur (MUJ) on Gandhi Jayanti, led by Chairman NN Sharma. The drive saw the participation of over 50 students, along with Registrar Nitu Bhatnagar, Deputy Registrar Ashish and Faculty Coordinator Hemant Kumar. From 8:00 am to 11:00 am, the team worked to clean and sanitize the entire road, collecting plastic, bottles and other waste for proper disposal. This initiative aligned with Gandhi's vision of a clean India and was met with enthusiastic support.

Rajasthan Patrika, 27 November 2024

मणिपाल विश्वविद्यालय में मेनका का व्याख्यान

'पशुओं को क्रूरता से बचाएं'

जयपुर@पत्रिका प्लस. पूर्व केंद्रीय मंत्री और पशु अधिकार कार्यकर्ता मेनका गांधी ने मणिपाल विश्वविद्यालय का दौरा किया। उन्होंने कानून के छात्रों को पशु क्रूरता और पशु कल्याण के मुद्दों पर संबोधित किया।

इस कार्यक्रम का आयोजन विश्वविद्यालय के स्कूल ऑफ लॉ की ओर से किया गया, जिसमें छात्रों, संकाय सदस्यों और पशु कल्याण कार्यकर्ताओं ने भाग लिया। मेनका गांधी ने पशु क्रूरता को रोकने के लिए सख्त कानूनों और जागरूकता की आवश्यकता पर बल दिया। उन्होंने कहा कि पशु सिर्फ प्राणी नहीं हैं, वे संवेदनशील प्राणी हैं, जो हमारी तरह ही दर्द, खुशी और डर महसूस करते हैं। यह हमारी जिम्मेदारी है कि हम उन्हें क्रूरता से बचाएं और उनके कल्याण को सुनिश्चित करें। वे मंगलवार को मणिपाल विश्वविद्यालय के स्कूल ऑफ लॉ में पशु क्रूरता और कल्याण जिसमें पशु क्रूरता को रोकने के लिए सख्त कानूनों और जागरूकता की आवश्यकता पर बल दिया। उन्होंने कहा कि "पशु सिर्फ प्राणी नहीं हैं, वे संवेदनशील प्राणी हैं, जो हमारी तरह ही दर्द, खुशी और डर महसूस करते हैं। यह हमारी जिम्मेदारी है कि हम उन्हें क्रूरता से बचाएं और उनके कल्याण को सुनिश्चित करें।"अपने संबोधन के दौरान, श्रीमती गांधी ने पशु अधिकार कार्यकर्ता के रूप में अपने अनुभवों को साझा किया और हाल के वर्षों में भारत में पशु कल्याण कानूनों को मजबूत करने में की गई प्रगति को रेखांकित किया। विश्वविद्यालय के कुलपति, डॉ. एनएन शर्मा, फैकल्टी कॉर्डिनेटर डॉ. आशु माहर्षि और स्टूडेंट कॉर्डिनेटर वंशिका सराफ और आदेश जैन के मार्गदर्शन में आयोजित इस कार्यक्रम में गांधी, जो कि पशु अधिकारों के लिए अपने निरंतर प्रयासों के लिए जानी जाती हैं, ने विचारोत्तेजक व्याख्यान दिया जिसमें पशु क्रूरता को रोकने के लिए सख्त कानूनों और जागरूकता की आवश्यकता पर बल दिया। उन्होंने कहा कि "पशु सिर्फ प्राणी नहीं हैं, वे संवेदनशील प्राणी हैं जो हमारी तरह ही दर्द, खुशी और डर महसूस करते हैं। यह हमारी जिम्मेदारी है कि हम उन्हें क्रूरता से बचाएं और उनके कल्याण को सुनिश्चित करें।"अपने संबोधन के दौरान, श्रीमती गांधी ने पशु अधिकार कार्यकर्ता के रूप में अपने अनुभवों को साझा किया और हाल के वर्षों में भारत में पशु कल्याण कानूनों को मजबूत करने में की गई प्रगति को रेखांकित किया। उन्होंने छात्रों को पशु कल्याण का कारण उठाने और एक अधिक दयालु समाज बनाने के लिए प्रोत्साहित किया।

Maneka Gandhi advocates animal welfare at Constitution Day event

TDG NETWORK
JAIPUR

Former Union Minister and prominent animal rights activist, Maneka Gandhi, visited a private university on Constitution Day to address law students on pressing issues of animal cruelty and welfare. The event, organised by the university's School of Law, saw a packed audience of students, faculty members, and animal welfare supporters.

Under the guidance of Faculty Coordinator Dr Ashu Mahar shi, and with the support of Student Coordinators Vanshika Saraf and Aadesh Jain, Gandhi shared her experiences as an animal rights activist and discussed the progress made in strengthening animal welfare laws in India. She encouraged students to engage in the cause of animal welfare and work towards fostering a more compassionate society.

The event culminated with a Q&A session where students posed insightful questions about animal welfare and legal reforms. Dr NN Sharma, the university's President, presented a memento to Gandhi as a token of appreciation for her motivating address.

Under the guidance of Faculty Coordinator Dr Asbu Mabarshi, and with the support of Student Coordinators Vansbika Saraf and Aadesh Jain, Gandhi shared her experiences as an animal rights activist and discussed the progress made in strengthening animal welfare laws in India.

Grand Finale of Smart India Hackathon 2024 Organized at Manipal University Jaipur

Hindustan Express, 13 December 2024

दस राज्यों से प्रतिभागी शामिल

MUJ में स्मार्ट इंडिया हैकाथन का ग्रैंड फिनाले आयोजन

जयपुर, उम्मखल इण्डिया संवाददाता। मणिपाल विश्वविद्यालय जयपुर में स्मार्ट इंडिया हैकथन-2024 की 7वें संस्करण के ग्रैंड फिनाले की शानदार शुरुआत हुई। इस कार्यक्रम में मुख्य अतिथि के रूप में डीआरडीएल, हैदराबाद के निदेशक शिवपाल सिंह शामिल हुए। उनके साथ मणिपाल विश्वविद्यालय जयपुर के कुलपति प्रो. नीति निपुण शर्मा, प्रति कुलपति प्रो. करुणाकर ए कोटेगर, कुलसचिव डा. नीतू भटनागर भी शामिल हुए। पूरे देश में इस कार्यक्रम का शुभारंभ भारत सरकार के केन्द्रीय शिक्षा मंत्री धर्मेंद्र प्रधान ने विडियो कानफ्रेंसिंग के जरिये किया। उपस्थित अतिथियों ने देश के अलग अलग हिस्सों से आए हुए प्रतिभागियों का स्वागत करते हुए नवाचार के लिए प्रोत्साहित किया।

हैकाथन का आयोजन का मेजबानी मिली है। इसमें देश के 10 राज्यों से लगभग 156 प्रतिभागी शामिल हुए हैं। इन में 103 छात्र और 53 छात्राएं हैं। इन छात्र छात्राओं को लेकर कुल 26 टीम हिस्सा ले रही हैं। इन सब के साथ 26 मेंटर आये हुए हैं। संस्कृति, संस्कार, इनोवेशन एवं आईटी, कौशल विकास एवं उद्यमिता मंत्रालय का संयुक्त प्रतिभागियों को शुभकामना देते हुए प्रोत्साहित किया।

पीएम मोदी ने बढ़ाया उत्साह

इस से पहले मणिपाल यूनिवर्सिटि दो बार स्मार्ट इंडिया हैकथन का सफलतैय एडिशन का आयोजन कर चुका है। इस साल पहली बार हार्डवेयर हैकथन की जिम्मेदारी मणिपाल यूनिवर्सिटि को मिली है। राजस्थान में एकमात्र संस्थान है मणिपाल विश्वविद्यालय जिसे ये स्मार्ट इंडिया हैकथन का आयोजन कर मेजबानी मिली है। इसमें देश के 10 राज्यों से लगभग 156 प्रतिभागी शामिल हुए हैं। इन में 103 छात्र और 53 छात्राएं हैं। इन छात्र छात्राओं को लेकर कुल 26 टीम हिस्सा ले रहे हैं। इन सब के साथ 26 मेंटर आये हुए हैं। संस्कृति, संस्कार, इनोवेशन एवं आईटी, कौशल विकास एवं उद्यमिता मंत्रालय का संयुक्त प्रतिभागियों को शुभकामना देते हुए प्रोत्साहित किया।

इस राष्ट्रीय प्रतियोगिता में जीतने वाले होक टीम को एक लाख रुपया पुरस्कार राशि के रूप में प्रदान किया जाएगा। कुल 18 जुरी मेंबर इंडस्ट्री एक्सपर्ट के रूप में आए हुए हैं, और ये इन प्रतिभागियों के कार्य का मूल्यांकन करेंगे।

स्मार्ट इंडिया हैकथॉन (SIH) 2024 के हार्डवेयर संस्करण का दूसरा दिन पूरे जोश और उत्साह के साथ शुरू हुआ। यह राष्ट्रीय स्तर का हैकथॉन तकनीकी नवाचार और समस्या समाधान की दिशा में देश की युवा प्रतिभाओं को मंच प्रदान करता है।

Smart India Hackathon 2024 concludes successfully

TDG NETWORK

The 5-day Smart India Hackathon (SIH) 2024, showcasing the talent of student innovators from across India. The event, focused on developing hardware-based solutions to address real-world problems, in line with Prime Minister Narendra Modi's vision for a Digital India. Supported by the Ministry of Education (MoE) and AICTE, the hackathon attracted 26 teams nationwide, with 26 mentors and 18 jury members guiding and evaluating the participants.

On the final day, Prof. Niti Nipun Sharma, President of MUJ, interacted with the participants and praised their efforts in tackling industry and societal challenges. He highlighted the potential of these solutions to shape future industries. The closing ceremony honored the winning teams, with each receiving a cash prize of one lakh rupees.

The winners in the hardware category of the Smart India Hackathon (SIH) 2024 included Team Hexadecimal from Veermata Jijabai Technological Institute, Mumbai, who solved a problem for the Ministry of Electronics and Information Technology, and Team Electrovision from G.L.A. University, Mathura, who addressed a challenge for the Ministry of Skill Development and Entrepreneurship.

Manipal University Jaipur transforms schools: New labs and toilets for students

BR Team
Jaipur

Taking a significant step towards strengthening the educational infrastructure and promoting hygiene standards, a Mathematics Laboratory and newly constructed separate toilet blocks for boys and girls were inaugurated at Mahatma Gandhi Government School, Begas, on Friday. Additionally, a Mathematics Laboratory has also been established at the Government Senior Secondary School, Dehmi Kalan. This initiative has been undertaken under the Corporate Social Responsibility (CSR) program of the Manipal Foundation.

Dr. Neetu Bhatnagar, Provost of Manipal University Jaipur, attended the event as the chief guest. In her address, Dr. Bhatnagar said, "Education must always walk hand in hand with health and dignity. This initiative reflects our commitment towards both."

एमयूजे के युवा वैज्ञानिक की रिसर्च को अंतरराष्ट्रीय मंच पर मिली पहचान

आत्म-चारु चतुर्वे

जयपुर। जयपुर स्थित मणिपाल यूनिवर्सिटी जयपुर (एमयूजे) के एक युवा शोधकर्ता ने दवा-प्रतिरोधी बीमारियों और कैंसर के उपचार के क्षेत्र में एक बड़ी उपलब्धि दर्ज की है। डॉ. अमन कुमार और उनकी टीम द्वारा कोऑर्डिनेशन कैमिस्ट्री रिव्यूज (इम्पैक्ट फैक्टर: 20.3) में प्रकाशित एक हालिया समीक्षा लेख में ट्राइजोल-आधारित मेटल कॉम्प्लेक्सेस की बहुपक्षीय बायोमेडिकल संभावनाओं को विस्तार से प्रस्तुत किया गया है।

रिसर्च एंडवांसमेंट इन द मल्टीफेसेटेड बायोमेडिकल एप्लिकेशंस ऑफ ट्राइजोल बेस्ड मेटल कॉम्प्लेक्सेस' शीर्षक से प्रकाशित इस शोध में दिखाया है कि ये यौगिक दवा-प्रतिरोधी संक्रमणों से लेकर विभिन्न प्रकार के कैंसर तक, कई जटिल बीमारियों के खिलाफ प्रभावी साबित हो सकते हैं। इस समीक्षा में केवल मौजूदा शोधों का संकलन नहीं है, बल्कि भविष्य की संभावनाओं को भी रेखांकित किया गया है।

जटिल बीमारियों के खिलाफ बीमारियों के खिलाफ

पुराने लेखक डॉ. अमन कुमार ने कहा कि दवा प्रतिरोध आज दुनियाभर में स्वास्थ्य के क्षेत्र में सबसे बड़ी चुनौती है। हमारा अध्ययन यह दिखाता है कि ट्राइजोल-आधारित मेटल कॉम्प्लेक्सेस के माध्यम से सुरक्षित, प्रभावशाली और नई उपचार विधियों की संभावनाएं खोजी जा सकती हैं। इस उपलब्धि पर एमयूजे की प्रेसिडेंट, डॉ. नीति निपुण शर्मा ने डॉ. कुमार और उनकी टीम को बधाई दी है और उनके उज्ज्वल भविष्य की कामना की है।

जयपुर। मणिपाल यूनिवर्सिटी जयपुर (एमयूजे) के एक युवा शोधकर्ता ने दवा-प्रतिरोधी बीमारियों और कैंसर के उपचार के क्षेत्र में एक बड़ी उपलब्धि दर्ज की है। डॉ. अमन कुमार और उनकी टीम द्वारा कोऑर्डिनेशन कैमिस्ट्री रिव्यूज (इम्पैक्ट फैक्टर: 20.3) में प्रकाशित एक हालिया समीक्षा लेख में ट्राइजोल-आधारित मेटल कॉम्प्लेक्सेस की बहुपक्षीय बायोमेडिकल संभावनाओं को विस्तार से प्रस्तुत किया गया है।

'रिसेंट एडवांसमेंट इन द मल्टीफेसेटेड बायोमेडिकल एप्लिकेशंस ऑफ ट्राइजोल बेस्ड मेटल कॉम्प्लेक्सेस' शीर्षक से प्रकाशित इस शोध में दिखाया है कि ये यौगिक दवा-प्रतिरोधी संक्रमणों से लेकर विभिन्न प्रकार के कैंसर तक, कई जटिल बीमारियों के खिलाफ प्रभावी साबित हो सकते हैं। इस समीक्षा में केवल मौजूदा शोधों का संकलन नहीं है, बल्कि भविष्य की संभावनाओं को भी रेखांकित किया गया है।

पुराने लेखक डॉ. अमन कुमार ने कहा कि दवा प्रतिरोध आज दुनियाभर में स्वास्थ्य के क्षेत्र में सबसे बड़ी चुनौती है। हमारा अध्ययन यह दिखाता है कि ट्राइजोल-आधारित मेटल कॉम्प्लेक्सेस के माध्यम से सुरक्षित, प्रभावशाली और नई उपचार विधियों की संभावनाएं खोजी जा सकती हैं। इस उपलब्धि पर एमयूजे की प्रेसिडेंट, डॉ. नीति निपुण शर्मा ने डॉ. कुमार और उनकी टीम को बधाई दी है और उनके उज्ज्वल भविष्य की कामना की है।

THERAPEUTIC REVOLUTION!

Dr Aman Kumar from Manipal University Jaipur has published a landmark review in Coordination Chemistry Reviews (Impact Factor: 20.3), spotlighting the biomedical promise of triazole-based metal complexes' which presents their superior efficacy against drug-resistant infections and various cancers. Dr Kumar explains how integrating metal ions enhances drug stability and biological activity. Covering anticancer, antidiabetic, anti-HIV and antimalarial potential, the review also outlines SAR studies and molecular docking insights. MUJ President Dr NN Sharma congratulated the team on this significant achievement.

Bloomberg Fintech Lab: A Boon for Teachers and Students at Manipal University Jaipur

Business Remedies, 1 June 2025

Bloomberg Fintech Lab, a Boon for Teachers and Students at Manipal University Jaipur

Over 200 Students and Faculty Earn Bloomberg Certifications in Just One Month

BR Team
Jaipur

In just a month since its launch, the Bloomberg Fintech Lab at Manipal University, Jaipur (MUJ) has quickly emerged as a hub for multidisciplinary learning and financial market research. The state-of-the-art facility is the first of its kind in Rajasthan and among private universities in North India, offering students and faculty access to globally recognized financial tools and data analytics resources.

More than 200 participants, including over 100 faculty members and an equal number of students from departments such as Business Administration, Economics, Commerce, Journalism, and Engineering, have already earned Bloomberg certifications. These include the Bloomberg Market Concepts Certificate, Bloomberg Finance Fundamentals Certificate, and the Environmental, Social and Governance (ESG) Certificate. With the new academic session approaching, many incoming students are expected to take advantage of the advanced Fintech lab facilities.

Prof. N. N. Sharma, President of Manipal University, Jaipur, expressed his satisfaction with the lab's early success. He emphasised the university's commitment to fostering quality research and innovation. "At Manipal University, Jaipur, we are building a robust ecosystem equipped with advanced research infrastructure to empower our students and scholars. The Bloomberg-powered Fintech Lab is a significant addition to this ecosystem, designed to promote interdisciplinary research in financial markets and technology," he stated.

Echoing this sentiment, Dr. Brajesh Kumar, Dean of the Faculty of Management, Commerce and Arts (FoMCA) at MUJ, outlined the university's future vision for the lab. "Our aim is to establish thought leadership in financial literacy and research. In line with this, we are set to launch the Bloomberg Finance Research Analyst program for both students and corporate professionals. This initiative, delivered through our Executive and Management Development Programs (EDP/MDP), is planned for rollout this summer," he announced.

The university has also prioritized capacity building for its teaching staff. All faculty members underwent comprehensive training in both online and offline formats through a 'Train the Trainer' initiative. These sessions, supported by industry professionals and Bloomberg experts, provided hands-on experience with Bloomberg's powerful financial tools and analytics capabilities. Topics covered included market monitoring, basic navigation, and essential functions for equity, fixed income, and economic research.

This training has not only enhanced the faculty's expertise but also enabled them to bring real-time market insights into the classroom, offering students an invaluable experiential learning environment. By integrating advanced financial technology tools into academic programs, the Fintech Lab is poised to significantly elevate the quality of education and research at MUJ.

ब्लूमबर्ग फिनटेक लैब, शिक्षकों और छात्रों के लिए बना वरदान

ब्यूरो/ नवज्योति, जयपुर। अपने शुभारंभ के केवल एक महीने के भीतर, मणिपाल यूनिवर्सिटी जयपुर (एमयूजे) में स्थापित ब्लूमबर्ग फिनटेक लैब बहु-विषयक शिक्षा और वित्तीय बाजार अनुसंधान का केंद्र बन चुका है। यह अत्याधुनिक सुविधा राजस्थान और उत्तर भारत के निजी विश्वविद्यालयों में पहली और अग्रणी है, जो छात्रों और शिक्षकों को विश्वस्तरीय वित्तीय टूल्स और डेटा एनालिटिक्स संसाधनों तक पहुंच प्रदान करती है।

अब तक 200 से अधिक प्रतिभागी, जिनमें 100 से अधिक शिक्षक और समान संख्या में छात्र ब्लूमबर्ग सर्टिफिकेट प्राप्त कर चुके हैं। इनमें ब्लूमबर्ग मार्केट कॉन्सेप्ट्स सर्टिफि केट, ब्लूमबर्ग फाइनेंस फंडामेंटल्स सर्टिफि केट और एनवायर्नमेंटल, सोशल एंड गवर्नेंस (ईएसजी) सर्टिफिकेट शामिल हैं। सर्टिफिकेट प्राप्त करने वाले शिक्षक और छात्र बिजनेस एडमिनिस्ट्रेशन, इकोनॉमिक्स, कॉमर्स, जर्नलिज्म और इंजीनियरिंग विभागों के हैं। मणिपाल यूनिवर्सिटी जयपुर के कुलपति प्रो. नीति निपुण शर्मा ने कहा कि मणिपाल यूनिवर्सिटी जयपुर में हम एक मजबूत अनुसंधान इकोसिस्टम विकसित कर रहे हैं, जिसमें उन्नत रिसर्च इंफ्रास्ट्रक्चर हमारे छात्रों और शोधकर्ताओं को सशक्त बनाएगा।

First India, 5 June 2025

GREEN INNOVATION

On World Environment Day, Manipal University Jaipur's LEAF Lab, led by Prof Dinesh Bhalothia, marked a major milestone in green innovation by advancing several technologies to TRL 8 and 9, ready for industrial use. Focused on fuel cells, hydrogen production, and CO_2 conversion, these breakthroughs support India's National Green Hydrogen Mission and global SDGs. Backed by President Prof NN Sharma's vision, the lab exemplifies impactful, scalable clean energy research, reinforcing India's leadership in sustainable innovation.

Manipal University Jaipur's LEAF lab hits TRL 8–9 milestone in Clean Energy Technologies

BR Team
Jaipur

On the occasion of World Environment Day, as the world rallies around the urgent call for climate action and sustainable development, a significant milestone in India's green energy landscape comes from the LEAF Lab at Manipal University Jaipur (MUJ). The Laboratory for Energy Applications and Advanced Functional Materials (LEAF Lab), under the leadership of Prof. **Dinesh Bhalothia**, has successfully advanced several of its green energy technologies to Technology Readiness Levels (TRL) 8 and 9, marking them ready for industrial application and real-world deployment.

This achievement resonates deeply with the spirit of India's National Green Hydrogen Mission and the United Nations Sustainable Development Goals (SDGs), both of which emphasize clean energy innovation, reduction of greenhouse gas emissions, and sustainable industrial growth. At the heart of LEAF Lab's research are breakthroughs in fuel cells, hydrogen production and storage, and carbon dioxide (CO_2) conversion into value-added fuels and chemicals—all crucial for meeting the country and the world toward a low-carbon, sustainable energy future. These technologies promise to address two of the world's most pressing challenges: growing energy demands and escalating carbon emissions. "At LEAF Lab, we aim to push the boundaries of what is possible with materials science to drive the energy transition. Our goal is to develop technologies that are not only scientifically sound but also scalable, affordable, and aligned with national and global sustainability goals," said Professor Dinesh Bhalothia.

केंद्रीय शिक्षा मंत्री ने लेक्चर हॉल कॉम्प्लेक्स का किया उद्घाटन

'मणिपाल विवि बने नवाचार का केंद्र'

जयपुर। केंद्रीय शिक्षा मंत्री धर्मेंद्र प्रधान ने गुरुवार को मणिपाल विश्वविद्यालय, जयपुर में नवनिर्मित लेक्चर हॉल कॉम्प्लेक्स का उद्घाटन किया। सभा को संबोधित करते हुए मंत्री प्रधान ने विश्वविद्यालय को आधुनिक सुविधाओं से युक्त लेक्चर हॉल के निर्माण के लिए बधाई दी। उन्होंने कहा कि यह नया भवन गुणवत्तापूर्ण शिक्षा का वातावरण प्रदान करेगा और छात्रों को अत्याधुनिक सुविधाओं और प्रेरित करेगा। प्रधान ने मणिपाल विश्वविद्यालय की इस बात के लिए विशेष प्रशंसा की कि यह संस्थान आधुनिक शिक्षा के साथ भारत की प्राचीन संस्कृति और विरासत को जोड़ने का सफल प्रयास कर रहा है। उन्होंने कहा कि मणिपाल जैसे विश्वविद्यालयों को नवाचार और शोध के केंद्र के रूप में उभरना चाहिए, ताकि उनके छात्र केवल नौकरी पाने वाले नहीं, बल्कि नौकरी देने वाले बनें। प्रधान ने विश्वविद्यालय की बहुविषयक शिक्षा प्रणाली की सराहना करते हुए विश्वविद्यालय नेतृत्व से एक समर्पित 'टिंकरी पार्क' स्थापित करने का आग्रह किया। उन्होंने कहा कि इससे नवाचार और उद्यमशीलता को नई दिशा मिलेगी और मणिपाल विश्वविद्यालय अग्रणी शोध संस्थानों में शामिल हो सकेगा।

समारोह में जयपुर की सांसद मंजू शर्मा, बगरू विधायक डॉ. कैलाश चंद वर्मा, मणिपाल एजुकेशन एंड मेडिकल ग्रुप चेयरमैन डॉ. रंजन पई, सलाहकार अभय जैन, प्रेसिडेंट डॉ. नीति निपुण शर्मा, प्रो-प्रेसिडेंट डॉ. करुणाकर ए कोटेगर और रजिस्ट्रार डॉ. अमित सोनी उपस्थित रहे।

एमयूजे ने यूजी और पीजी विद्यार्थियों का किया स्वागत

मणिपाल यूनिवर्सिटी में ओरिएंटेशन 2025 का शुभारंभ

महानगर संवाददाता

जयपुर। मणिपाल यूनिवर्सिटी जयपुर का परिसर शुक्रवार को नई ऊर्जा और उल्लास से भर गया है। विश्वविद्यालय ने अपने नए सत्र 2025-26 के पहले वर्ष के अंडरग्रेजुएट और पोस्टग्रेजुएट विद्यार्थियों के लिए तीन दिवसीय ओरिएंटेशन कार्यक्रम की शुरुआत की। कार्यक्रम की शुरुआत लॉ, साइंस, एमसीए, एम.एससी. (साइबर सिक्योरिटी) और बी.टेक (कंप्यूटर साइंस एंड इंजीनियरिंग) के प्रथम बैच के विद्यार्थियों के विशेष सत्रों से हुई। विश्वविद्यालय के डीन, अध्यक्ष, प्रो-प्रेसिडेंट, रजिस्ट्रार और प्रोक्योर ने विद्यार्थियों का स्वागत करते हुए शिक्षा, अनुसंधान और समग्र विकास के महत्व पर प्रकाश डाला। पूरे दिन कैंपस में उमंग और ऊर्जा का वातावरण रहा। कई विद्यार्थी एवं अभिभावक पहली बार परिसर में आए और विश्वविद्यालय की विभिन्न सुविधाओं तथा सीखने-सिखाने के माहौल से प्रभावित हुए। ओरिएंटेशन का दूसरा दिन 26 जुलाई को अन्य संकायों के विद्यार्थियों के लिए होगा, जबकि तीसरे दिन 27 जुलाई को यूजी एवं पीजी विभागों के अन्य विद्यार्थियों का स्वागत किया जाएगा।

नई शुरुआत, नए चेहरे: एमयूजे ने यूजी और पीजी विद्यार्थियों का किया स्वागत

उत्साह और उमंग के साथ मणिपाल यूनिवर्सिटी जयपुर में ओरिएंटेशन 2025 आरंभ

उत्कर्ष इण्डिया

जयपुर। मणिपाल यूनिवर्सिटी जयपुर (MUJ) में आज नई ऊर्जा का संचार हुआ, जब विश्वविद्यालय ने अपने नए सत्र 2025-26 के पहले वर्ष के अंडरग्रेजुएट और पोस्टग्रेजुएट विद्यार्थियों के लिए तीन दिवसीय ओरिएंटेशन कार्यक्रम का शुभारंभ किया। यह कार्यक्रम नए छात्रों को विश्वविद्यालय जीवन में सहजता से ढालने और उन्हें शैक्षणिक यात्रा के लिए तैयार करने हेतु आयोजित किया गया है।

पहले दिन की प्रमुख गतिविधियाँ

पहले दिन लॉ, साइंस, एमसीए, एम.एससी. (साइबर सिक्योरिटी) और बी.टेक (कंप्यूटर साइंस एंड इंजीनियरिंग) के छात्रों के लिए सत्र आयोजित हुए। डीन प्रो. कुलदीप सांगवान और प्रो. भारती ने छात्रों का स्वागत किया। स्नातक के अध्यक्ष प्रो. नीति निपुण शर्मा ने छात्रों से जिम्मेदारी के साथ शैक्षणिक सफर शुरू करने और अनुसंधान की ओर बढ़ने का आह्वान किया। प्रो-प्रेसिडेंट प्रो. करुणाकर ए, कोटेगर ने जिज्ञासु बने रहने और समग्र विकास पर जोर दिया। रजिस्ट्रार प्रो. अमित सोनी और प्रोक्योस प्रो. नीतू भटनागर ने भी विश्वविद्यालय की यात्रा और छात्र सहायता प्रणालियों की जानकारी दी। पूरा कैंपस पुष्कगराटों और उत्साह से भरा रहा, जहां छात्रों और अभिभावकों ने शैक्षणिक सुविधाओं की सराहना की।

○ओरिएंटेशन का दूसरा दिन (26 जुलाई) बी.टेक (सीसे-टेक)-2), एम.टेक, आर्किटेक्चर, डिजाइन, मीडिया एंड कम्युनिकेशन, लिबरल आर्ट्स, लिटरेचर, एमबीए, पीएचडी और चौथी (हॉस्पिटैलिटी व टूरिज्म) कार्यक्रमों के लिए समर्पित होगा।

○तीसरे व अंतिम दिन (27 जुलाई) को बी.टेक (CSE-बैच-3), बीबीए, साइकोलॉजी, बीजीए, बी.कॉम, एम.कॉम और इकनॉमिक्स (यूजी एवं पीजी) के विद्यार्थियों के लिए ओरिएंटेशन आयोजित किया जाएगा।

○मुस्कान, उम्मीद और नए सपनों के साथ, एमयूजे का परिसर इन दिनों एक उत्सव के मैदान में तब्दील हो गया है— जहां हर कोना एक नई शुरुआत की कहानी कह रहा है।

Orientation Program concludes at Manipal University Jaipur

BA Team
Jaipur

The three-day orientation program for newly admitted students at Manipal University Jaipur (MUJ) has successfully concluded. The program began on 25 July and witnessed participation from over 5,500 undergraduate and postgraduate students from across the country.

With a total attendance of around 17,000 people, including students and their parents, the event was not just an academic introduction but was celebrated as a festive occasion. Starting Monday, 28 July to 1 August 2025, an Induction Week will help students get acquainted with their departments, courses, and campus life. During the orientation, 14 special sessions were conducted for students from 59 academic programs. The largest group comprised students from the Faculty of Computer Science and Engineering (CSE), who were divided into three groups. The orientation spanned across four major faculties:

- Faculty of Science, Technology and Architecture (FSTA)
- Faculty of Management, Commerce and Arts (FMCA)
- Faculty of Law (FL)
- Faculty of Health Sciences (FHS)

Prof. Neeti Nipurn Sharma, President of the University, inaugurated the event and encouraged students to pursue their studies with honesty and dedication. She urged the youth to use education and research as tools to solve societal problems and congratulated parents for choosing MUJ for their children.

Prof. Karunakar A Kotegar, Pro-President, inspired students to uphold professional ethics and prepare for life, drawing from the life lessons of Manipal Group's founder, Dr. T.M.A. Pai. Registrar Dr. Amit Soni highlighted the university's global achievements over the past 14 years and expressed hope that the new batch would help elevate MUJ to even greater heights.

Orientation 2025: Freshers and Parents Welcomed with Warmth, Insights, and a Glimpse of life at MUJ

5500 से अधिक नये छात्रों के लिए नई शैक्षणिक यात्रा का आगाज़

मणिपाल यूनिवर्सिटी में नए छात्रों का ओरिएंटेशन संपन्न

उत्कर्ष इण्डिया संवाददाता

जयपुर। मणिपाल यूनिवर्सिटी जयपुर (MUJ) में नवप्रवेशित छात्रों के लिए तीन दिवसीय ओरिएंटेशन कार्यक्रम का सफलतापूर्वक संपन्न हो गया है। 25 जुलाई को शुरू हुए इस कार्यक्रम में देश भर से आए 5500 से अधिक स्नातक और स्नातकोत्तर छात्रों ने भाग लिया, जिसमें अभिभावकों सहित कुल 17,000 लोग उपस्थित रहे।

अब सोमवार, 28 जुलाई से 1 अगस्त तक इंडक्शन सप्ताह चलेगा, जो छात्रों को उनके विभागों, पाठ्यक्रमों और विश्वविद्यालय की जीवनशैली से परिचित कराएगा। ओरिएंटेशन के दौरान 59 अकादमिक कार्यक्रमों से संबंधित छात्रों के लिए 14 विशेष सत्र आयोजित किए गए। कॉम्पुटर साइंस और इंजीनियरिंग (CSE) संकाय में सबसे अधिक छात्र थे।

विश्वविद्यालय के अध्यक्ष प्रो. नीति निपुण शर्मा ने छात्रों को ईमानदारी और परिश्रम से अध्ययन करने तथा समाज की समस्याओं के समाधान में शिक्षा का उपयोग करने की प्रेरणा दी। प्रो-प्रेसिडेंट प्रो. करुणाकर ए, कोटेगर ने छात्रों को पेशेवर नैतिकता और जीवन के लिए तैयार रहने की सीख दी। रजिस्ट्रार डॉ. अमित सोनी ने विश्वविद्यालय की वैश्विक उपलब्धियों पर प्रकाश डाला, जबकि प्रोक्योस्ट डॉ. नीतू भटनागर ने सुविधाओं, अनुसंधान और समग्र विकास में योगदान की जानकारी दी।

कार्यक्रम में छात्रों के लिए विभिन्न क्लबों और सोसाइटियों की प्रस्तुतियां भी दी गईं। ओरिएंटेशन के दौरान खुशी और उत्साह का माहौल रहा, वहीं अभिभावक अपने बच्चों को छात्रावासों में विदा करते समय भावुक भी दिखे। इंडक्शन सप्ताह छात्रों को नई संस्कृति और मूल्यों से जुड़ने का अवसर प्रदान करेगा।
