Equivalence of CGPA with Percentage of Marks

At the Manipal University Jaipur the overall performance of a student is indicated by Grade Point Average (GPA) of a semester and Cumulative Grade Point Average (CGPA), the weighted average of GPAs of all semesters that the student has completed at any point of time. The grades are awarded based on relative performance and it has no correlation with any fixed percentage of marks obtained. Though it is not possible to convert CGPA to aggregate percentage of marks, based on demand of Industries/organizations the following conversion factor was approved by the MUJ Academic Council.

Percentage: CGPA × 10
