MISSION

- Be the most preferred University for innovative and interdisciplinary learning
- Foster academic, research and professional excellence in all domains
- Transform young minds into competent professionals with good human values

VALUES

Integrity, Transparency, Quality, Team Work, Execution with Passion, Humane Touch

Chairperson's Message
Dr K Ramnarayan

Dear All,

I'm proud to present the Annual Report for the Year 2020-21.

In our Annual Report, we show how the university has adopted new normal and excelled to fulfil our objective of providing access to high-quality education. This year, our primary focus was on giving each of our students with a high-quality educational experience in a safe setting, and our investments in cutting-edge technology has ensured the academic programs' sustained success.

Report also highlights of how building solutions to adjust to our new normal during the COVID-19 pandemic has resulted in creativity, to convey the tale of our accomplishments.

I encourage you to read the Annual Report and share it with others to help us continue to promote our academic quality, student success, and rich history.

President's Message
Dr G K Prabhu

Dear all,

I am delighted to present Manipal University Jaipur's achievements and accomplishments for the annual year report.

Despite challenges generated due to Covid 19, the journey of last year has proven that MUJ fosters “When going gets tough, tough gets going”, spirit in pen and practice. The university quickly responded to the new challenges and used them as opportunities in the last academic year.

Implementing new normal's best practices MUJ has achieved significant milestones in the last year. It has received various awards and recognitions in the process of striving to be an Institute of Excellence through its professional education. In NIRF rankings Manipal University Jaipur has come at 84 in top 100 institutions in the field of Engineering. Manipal University Jaipur has achieved the band of 101-150 in university category in NIRF -University rankings. In the year, five programs of university have been accredited with NBA. MUJ has been categorized as 'Band B' institution (rank between 26-50) in the category of in Atal Ranking of Institutions on Innovation Achievement (ARIIA, 2020).

Other accolades include that university has been ranked 20th in Faculty of Engineering- (All India Private Institutes) by the Outlook Care Rating 2021. Further, WEEK – HANSA Research Survey 2020 rankings has ranked MUJ at 3rd in the category of Private & Deemed Multidisciplinary University- North Zone Category.

In the academic year 2020-21, Manipal University Jaipur has again delivered, like all the years, on its objective and proudly of its accomplishments since its foundation. I'd like to express my gratitude to our stakeholders: Board of Management, faculty, students, parents, and our corporate linkage professionals for their unwavering support and commitment in enhancing our efforts over the years.

I am sure that this dynamic multi-disciplinary university will continue to ignite and instill values with intellectual alacrity in the emerging students.

Pro President's Message
Dr N N Sharma

Dear All,

With great pleasure, I hereby present the Annual report for 2020-21.

The report summarizes the university's major activities and accomplishments during the previous academic year.

The Annual Report of the University portrays the wide spectrum of various academic and co-curricular activities at the University and its affiliated colleges.

We have achieved better NIRF rankings and NBA Accreditation by NBA in the last academic year. The Editorial Committee has candidly tried to capture the vibrant academic environment that exists in the university Campus highlighting the research projects, research publications, participation in international seminars and workshops, special achievements including awards and Honours.

It gives me great satisfaction to report that our students have excelled in many areas, including engineering, architecture, design, arts, law, business, commerce, and management. Manipal University Jaipur makes an endeavour to nurture students who are role models in their quest of scientific achievement, both academically and ethically. Our students have received numerous awards and honors, which we are proud to highlight in the Annual Report.

I hope that the Annual Report 2020-21 successfully presents the academic culture of Manipal University Jaipur to its readers.

Best Wishes

Registrar's Message

Dr Nitu Bhatnagar, Additional Registrar

Hello everyone!

I feel very happy to present before you the annual report of the Manipal University Jaipur for the academic year 2020-21. The report provides the profile of the various departments and units of the University, such as outline of courses, data related with student's enrolment, activities performed by them, and the achievements made by the staff and the students.

I am very pleased to state that as a University we faced the various challenges throughout the year, being impacted with covid 19, and commend them for embracing change, displaying remarkable resilience, and looking out for one another during trying times. The collegiality and engagement of MUJ family remains a hallmark of the year.

I extend my thanks to the University management, and various functioning committees, the staff, and the student community, whose persistent hard work has contributed to the achievements outlined in this report.

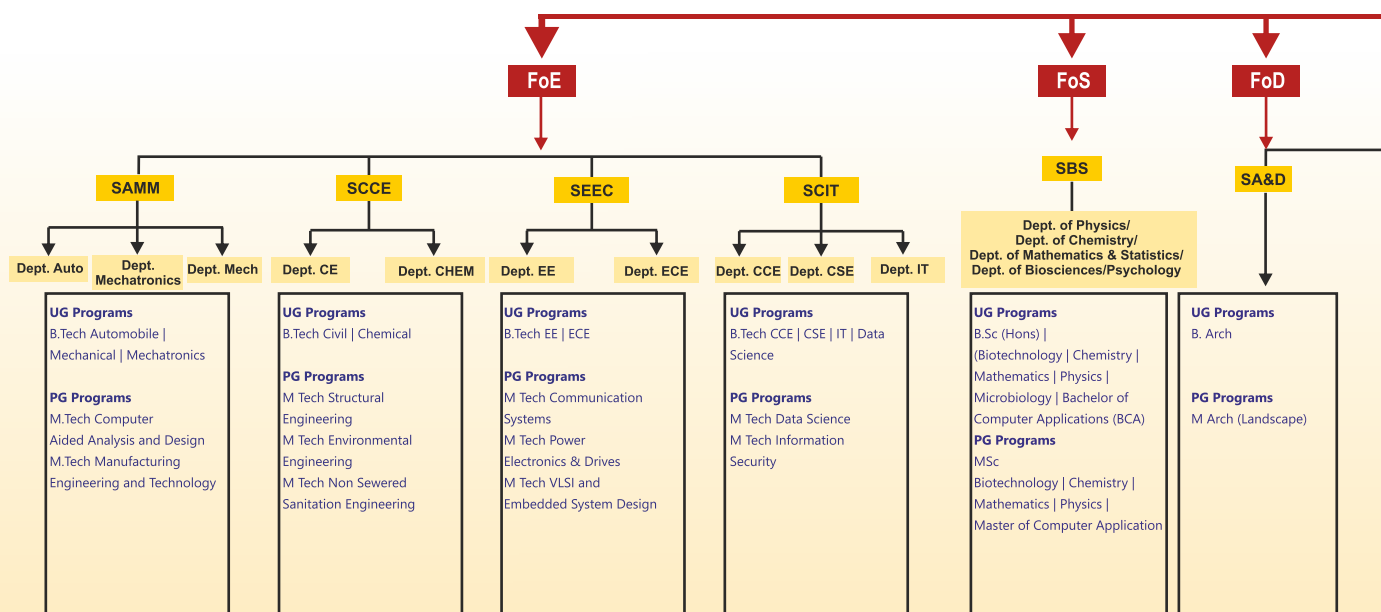

I thank to the editorial committee of annual report 2020-2021 for their resilience, hard work and commitment over the process.

I look forward to making a positive difference again in 2021 and beyond.

Best wishes

CENTRAL LIBRARY

Central Library

About Central Library

University libraries make a major contribution to learning and teaching through the provision of facilities, services, resources, and skills development programs. The MUJ Libraries work together collaboratively with the aim of optimising student learning outcomes and maximising the information resources available to researchers, and the facilitation of their access.

The Central Library of Manipal University Jaipur has a spacious area of 2319 Sq.m. that exudes peaceful learning environment. The library is fully air-conditioned with the seating capacity of 450. The Central Library has various sections like Circulation Desk, Technical Section, Reference Section, Book stack area-Engineering, Books stack area-Non engineering, Periodical section, and has five discussion rooms. Further, the Library has Digital library, Back volumes section, Project reports section, Thesis section, Research Wing, Competitive Exam section, and an Open Reading Hall.

Dr K Subham Shivraj
Chief Librarian

Apart from the Central Library, Faculty of Design, and Faculty of Art & Architecture have separate Libraries with a seating capacity of 100 each, and every School of the University has its own department Libraries with a seating capacity of 50.

Library Collection

The library has a collection of 70000 books with 22000 titles on various subjects and over 3400 reference books covering atlases, biographies, dictionaries, directories, encyclopaedias, handbooks, manuals, yearbooks, as well as other reference books. It subscribes about 250 national and 100 international print journals and holds over 900 project reports and 164 Ph.D Theses.

Rare Books

Rare Book collection of the Manipal University Jaipur consists of books, manuscripts, and reports maintained in the Central Library to support the information needs of the students, faculty and the research scholars for their specific study and reference purposes. The Central Library holds about 1300 books in its rare book collection from the year 1800, available in the form of e-book collections and in the Institutional Repository. They include the documents on Indian Constitution, Britain & Russian constitutions, Ancient Indian culture, various regimes, dynasties, cultures, religions and

subjects like astronomy, economy, literature, science, and Technology etc.

Library Services

The library is kept open from 8 a.m. to 11 p.m on weekdays and 9 a.m. to 6 p.m. on Saturday, Sunday, and other holidays. The UG and PG Students can borrow 3 books for the period of 15 days. The Research Scholars and faculty can borrow 8 books for the period of 3 months. The Central Library extends photocopying and printing service of few pages of books, journal articles, and previous years' University question papers at a nominal charge.

Library Automation

Koha is integrated library software that has state of the art web-based interface, enhanced content, and substance, provides faceted navigation, provisions keyword searching, up-gradation and development through user contribution and provides Rich Site Summary (RSS) feeds that make it unique integrated library software in the world. Our MUJ Libraries have installed this Koha Library Software for all its library operations.

Koha: Library Automation

Library RFID Security System

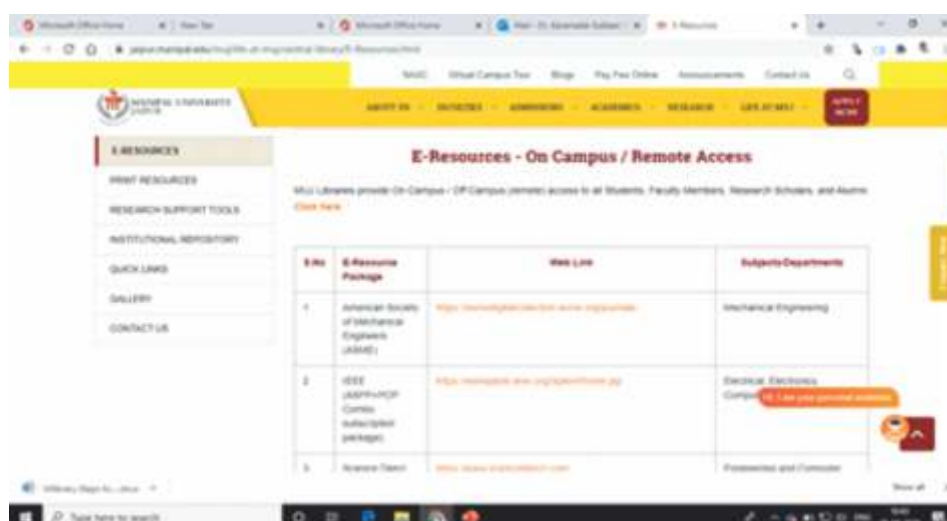

The central Library employs RFID technology for access control, automatic issue and return of library documents, and stock verification of library

holdings. The library has Koha: An Open-Source Library Management Software for all library operations from the year 2018.

Library e-Resources

The Digital Library has 15 computers and subscribed 18 E-Resources for the year 2020-21, include 16000 e-journals, manuals, reports, standards, and other information from ASME, IEL Online, EBSCO Art & Architecture Complete, EBSCO Business Elite, EBSCO Hospitality & Tourism Complete, Emerald Premier e-journals,

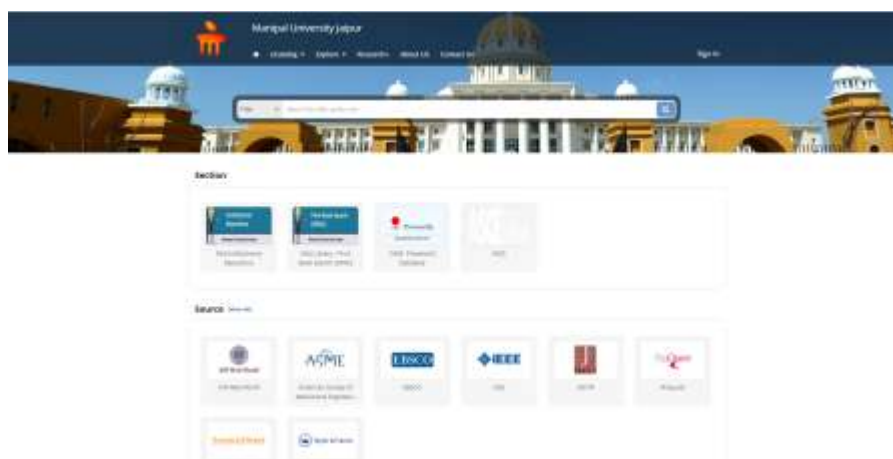

Taylor and Francis, LexisNexis, Manupatra, Supreme Court Cases, AIR online, Science Direct, JSTOR, and Proquest E-Books. The Digital library holds about 2500 CDs and DVDs. The URL <https://jaipur.manipal.edu/muj/life-at-muj/central-library/E-Resources.html> provides access to all e-resources subscribed by MUJ Libraries.

Remote Access with Mobile App

The Central Library provides off campus access to all its subscribed contents to the students, faculty, and research scholars through username and password using knimbus software. Further, the library has implemented mobile App facility and

the users can access all library resources through mobile technology. The URL for accessing the e-resources through remote access is <https://manipaljaipur.new.knimbus.com/user#/home>.

Remote Access

Mobile Application

Institutional Repository

The Central Library has established an Institutional Repository using Dspace: A Digital Library Software. Faculty Publication, Institution Publications, Conference Proceedings, Lecture Notes, Video Lectures, Course Syllabus, Previous year question papers, Project Reports, Theses, etc. are made available in the Institutional Repository.

Academic Integrity

The Central Library extends research support to the researchers and faculty by providing Turnitin: A Plagiarism checking software. The Central Library provides plagiarism checking service through online to the students, faculty members, and the research scholars.

Institutional Member

The Central Library is a Member of DELNET, INFLIBNET, e-ShodhSindhu, ShodhGanga, Current Science, Indian Academy of Social Sciences, British Council Library, and American Library and the users are accessing these library services.

Library Advisory Committee

The Library Advisory Committee advice on Library collections, services, space use, and operation – including the broader issues that impact the library as well as how the library services and operation have an impact on the educational, research, and community outreach programs at the Manipal

University Jaipur Campus. The MUJ Libraries conducts Library Advisory Committee Meeting once a Month to discuss various agendas to provide best library services to the end user.

Library Orientation Programme

The main objective of the user orientation is to introduce the library facilities, resources, services, and library techniques to the users. The orientation programme makes the users to familiarize to the resources and increases the use of library. The Library Orientation Programme was conducted to the non-teaching staff belong to Admission Department, MUJ as follows.

Library Orientation Programme

Sl. No.	Topic	Date & Time	Venue	Speaker
1	Library process, infrastructure, and e-remote access	19-Mar-21	Administrative Block, 1 st Floor Board Room	Dr. K.S. Shivraj, Chief Librarian

Training Programme on E-Resources

Conducting awareness training programmes to access E-resources through training program would develop positive attitudes among the students,

faculty members and the researchers. The Central Library of MUJ has conducted the following training programmes for the benefits of the user community.

Training Programme on E-resources

Sl.No.	Topic	Date	No. of Participants	Trainer
1	Hands-on Training on Manupatra DataBase	12-Oct-20	172	Mr.SatendraKumra, Training Manager,

MUJ Libraries in social media

Social media is an interactive way of delivering information that is both a communication medium and a platform for communication and content sharing, where the Internet is a communicative

source, with the main features being universality, interactivity, accessibility, mobility, and communicativeness. MUJ Libraries disseminate the information through the following social medias.

Shree Saraswathi Pooja

Shree Saraswathi Pooja is done for Students, Scholar, Faculty Members and Research Scholars to get the divine blessing of Lord Saraswathi Dev. Shree Saraswathi Pooja was performed in the Auditorium

on Tuesday, 16 February 2021 at 10.30 a.m. All Faculty Members and Staff attended the Pooja and grace the function.

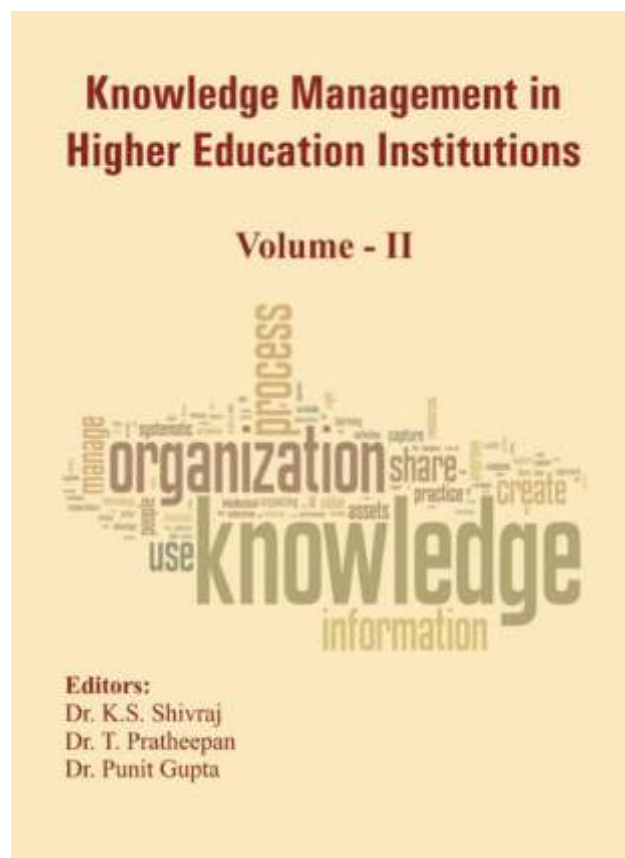

International Conference

The Central Library, MUJ jointly with Uva Wellassa University, Sri Lanka organised an Online International Conference on Knowledge Management in Higher Education Institutions (ICKHI 2021) during 7th & 8th April 2021. Papers were received from all over India, Egypt, Nigeria, Hungary, UAE, Oman, Saudi Arabia, Sri Lanka, Ethiopia, Algeria and 115 papers were presented in the Conference. Dr. Muhammad Mezbah-ul-Islam,

Professor, Dept. of Library Science, University of Dhaka, Bangladesh was the Chief Guest for the inaugural function. Dr. Lee Chu Keong, Programme Director, MSc Knowledge Management, Nanyang Technological University, Singapore delivered keynote address. There were six invited talk sessions by Library Science experts from India and Sri Lanka. The conference papers were published in two volumes of books with ISBN.

International Conference (ICKHI 2021)

ICKHI 2021 Book vol.2

Gupta, Associate Professor, Department of Computer and Communication Engineering was the resource person. There were 513 participants attended the programme.

Programme on Dspace

Paper Presented in International Conference

Management in Higher Education Institutions, Vol.I, ISBN: 978-81-952757-0-0.

- Dr. K.S. Shivraj, Dr. T. Pratheeban, and Dr. Punit Gupta edited a book titled Knowledge Management in Higher Education Institutions, Vol.II, ISBN: 978-81-952757-5-5.

Library Staff in Social Activities

The library staff involved in social activities by distributing food items at SMS Hospital, Jaipur during COVID-19 period.

Directorate of Academics

About the Directorate

Directorate of Academics has consistently and diligently worked to imbibe the best practices of preparing and updating course curriculum with the aid of the best academic and intellectual talent available in academia. At the outset, it is essential to emphasize that the practice of curricula updating is cyclic and comprehensive with meaningful inputs from all stakeholders. Manipal University Jaipur follows a unique Choice Based Credit System (CBCS) which allows flexibility in the education system. It allows the students to aim and choose courses of their own choice which can be an inter-disciplinary, intra-disciplinary, or skill-based course.

The intradisciplinary courses are the Program Elective course, inter-disciplinary courses are being offered as Open Electives courses and the skill-based courses are the minor projects which give hands-on experience.

Dr Ajay Kumar
Director

Panel Discussion on Implementation of NEP-2020 in Higher Educational Institutions (6th July 2021)

The Directorate of Academics organized an online (via Webex) panel discussion on the Implementation of NEP-2020 in Higher Educational Institutions on 6th July, 2021. The panel consisted of internal and external experts and eminent academicians viz., Prof. G.K. Prabhu, President of Manipal University Jaipur, Prof. Preeti Bajaj, Vice Chancellor of Galgotia University, Gautam Buddha Nagar Prof. Dheeraj Sanghi, Vice Chancellor of J K Lakshmipat University, Jaipur, Prof. Rajeev Sijaria from Atal Bihari Vajpayee School of Management and Entrepreneurship, Jawaharlal Nehru University, Delhi, Dr. Savita Mishra, Principal at Vidyasagar College of Education, Phansidewa, Darjeeling, West Bengal and Prof. S Viswanadha Raju, Vice Principal of JNTUH College of Engineering Jagtial. The session was moderated by Prof. Rajesh Solanki from Manipal University Jaipur. The discussion was centred towards identification of challenges and implementation strategies needed in Higher Educational Institutions NEP 2020 with specific focus on research versus teaching university differentiation, multidisciplinary Universities with

annual enrolment greater than 3000 per year, Higher Education curriculum to have Flexibility of Courses, overcoming the social status hierarchy associated with standalone vocational education, HEIs will integrate vocational education with mainstream programs for atleast 50% learners by 2025, multidisciplinary universities will aim to establish education departments to offer 4 year integrated degree programs with specializations, multiple entry /exit with appropriate certification will also facilitate mobility across 'general' and vocational education, Academic Bank of Credits to facilitate the transfer of credits, assessment Reforms, online education and digital education, internationalization to promote larger numbers of international students studying in India, establishing foreign university campuses in partnership with Indian HEIs etc. The session was concluded by the vote of thanks was given by Prof. Ajay Kumar, Director, Academics to all panelist experts and participants. The event was coordinated by team, Directorate of Academics in support of Team IT-Infra.

e-Student Induction Program for B. Tech 1st Year Students (19th – 29th October 2021)

Directorate of Academics (DoA) has conducted e-Student Induction Program from 19th – 29th October 2021 for B. Tech 1st Year Students. The objective of the program was to make students aware about the departmental research facilities, career opportunities. The program included sessions on Next Generation Electronics, Music, Universal Human Values, Languages, Experiential Learning and talks by eminent speaker. Some of the speakers were Dr. Lailesh Kumar (Senior Research Scientist, Pinetree FoS Magnesium Ltd, South Korea; Prof. Jamil Akhtar (Director, SEEC), Prof. Bhavna Tripathi (Director, SCCE), Dr. Anjalee Narayan (Dept of

Arts), Dr. Rahul Goyal (HoD, Mechanical Eng), Dr Arun kr. Poonia (Asst. Director, DSW), Dr. Meera Baindur (Dept of Arts), Mr. Manickdeep Mash, Music Artist.

The MUJ team actively coordinated the entire event. Ms. Sonali Sharma (Asst. Prof. BBA Dept.) has contributed as master of ceremony for e-Student Induction Program for B. Tech 1st Year Students (19th – 29th October 2021) and from IT Infra Team (Mr. Ravi Gupta, Mr. Hemant Kumawat, Mr. Radhe Shyam) and Mr. Girdhari Lal Mangal from Mech Eng. contributed for IT related works in an efficient manner.

Meeting for Information regarding the reporting of the students of the first year Academic Year 20-21.

An awareness session on the preparedness of the university to reopen the campus after the global pandemic was held by the Directorate of Academics on 2nd March 2021. The session was chaired by the

Dean (Faculty of Engineering) Professor Jagannath Korodi & Director (Academics) Prof. Ajay Kumar. The target audience for the awareness session were the academic and registration coordinators, class

coordinators of all the departments of the university. The coordinators were sensitized on the post-pandemic new-normal situation. The plan for gradual reopening of the campus for all the students were discussed. The coordinators were made aware of their responsibilities of various official processes

(viz. profile registration of the students, document verification and submission, issue of temporary ID cards etc.). The queries and concerns of the coordinators were addressed, and the programme was concluded with a vote of thanks from the Deputy Director (Academics) – Dr. Neha Chaudhary.

Online training session on DMS

The Directorate of Academic regularly organizes hands on training session on proper usage of the Digital Management System (DMS) portal which is essential for managing the academic data and the students' academic lifecycle in MUJ. The training session is focused primarily on orienting the newly appointed faculty members and familiarize them with the DMS portal.

During the last academic year, one such session was held on 5th February 2021. Because of the ongoing

pandemic situation, the session was held online on the MS Teams platform. The session was planned and organized by the Deputy Director (Academics) Dr. Neha Chaudhary and Assistant Director (Academics) Dr. Kusum Lata Jain. All newly appointed faculty members attended the interactive session. The session was beneficial for other faculty members who joined the session to refresh their fluency on the platform.

Webinar on Research and Innovation in NEP-2020

The Directorate of Academics has launched a webinar series - “Cutting Edge in Higher Education” focused on the status of academic rules and regulations on a national level. The series is focused on discussion on the policies set by the governing bodies, its successful implementation, and future. The first lecture of this webinar series was held on 9th November 2020 from 11am to 12:30PM. Because of the ongoing pandemic situation, the session was held online on the MS Teams platform. The session was chaired by Director (Academics) Prof. Ajay Kumar, and it was planned and organized by Deputy Directors (Academics) Dr. Neha Chaudhary & Dr. Anand Pandey and Assistant Directors (Academics) Dr. Kusum Lata Jain & Dr. Susruta Samanta. Prof. Parmendra Kumar Bajpai, Head of the Department of Pure & Applied Physics, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chattisgarh was the invited expert who discussed the opportunities and challenges in research and innovation in the recently proposed National Education Policy (NEP) 2020.

Directorate of Admissions

About the Directorate

Directorate of Admissions at Manipal University Jaipur acts as a facilitator for admissions to various UG, PG & Doctoral level programs across diverse streams including Engineering, Architecture & Design (Fashion, Applied Arts, and Interior Design), Business & Commerce, Hotel Management, Management, Law, Journalism & Mass Communication, Basic Sciences, Humanities and Social Sciences.

The Directorate is headed by Professor from Academics as Director and supported by two Deputy Directors, a Manager & two Senior Admission Officers and they formulate the strategic road map for admissions every year. The Directorate has a team of dedicated counselors who connect with the students to counsel them about their preferred programs. There is a support team to help in assimilating data and doing day-to-day office work.

The Directorate discharges multifarious activities to create visibility and awareness about Manipal University Jaipur.

Dr Ravi Kant Gupta
Director

Some of the activities undertaken every year are:

- **School Connect Programmes** - For grooming school students for higher education
- **Organizing Principal Summit** - To bring together principals from various schools and colleges to deliberate on some relevant education related theme which will help in evolving effective strategies towards student development and to meet the global standards of education
- **Participation in Education Fairs**
- **Digital Presence** – On Social Media platforms like Facebook, LinkedIn, Instagram, Twitter, Pinterest, and YouTube. On reputed online platforms like Times of India, Careers360, Rajasthan Patrika and Dainik Jagran etc.,
- **Conducting Webinars**- On trending topics for engaging students

Admissions at MUJ has been growing consistently since its inception. MUJ boasts of enrolling the students from PAN India with good presence from Rajasthan, Delhi, U.P, Haryana, Maharashtra, M.P, Gujarat and various other states of India.

Directorate of Alumni Relations

About the Directorate

The purpose of the Directorate of Alumni Relations (DoAR) is to foster a spirit of loyalty and to promote the general welfare of the University. The Directorate supports the organization's goals to strengthen the ties between alumni, the community, and the organization. Any educational institution's reputation depends upon satisfactory results, academic achievements, co-curricular activities, and its alumni, who are among the main stakeholders of the institutions. They contribute immensely to the development of the University in multiple dimensions.

There is a fully functional Directorate of Alumni Relations at Manipal University Jaipur. The Directorate ensures effective and harmonious coordination with the alumni of the University. The endeavor is to promote alumni's social connection by contributing to alma mater, country, and society. The Directorate of Alumni Relations believes in fostering healthy relations between Alumni and their alma mater, and various activities are organized throughout the year to strengthen the bond.

Dr Sushil Kumar Jain
Director

The Objectives of the Directorate

- To encourage cordial relationship among alumni.
- To facilitate alumni for their future growth and felicitate them for their achievements. This gives a pleasant "Home Coming" feeling to the alumni and helps in Brand Building.
- To establish an emotional connect with the alumni and motivate them to contribute to their alma mater.
- To integrate and engage alumni and foster student – alumni – teacher relationship.
- To understand and fulfil the interests of the older and newer Alumni, also reconnect them with their classmates and keep them up-to date about Manipal University and alumni events.
- To promote the social connection of Alumni by contributing to alma mater, society and at large to the country.

Alumni Engagement

- Highlight the alumni talent and achievements through MUJ alumni Portal.
- Motivate alumni for registration on portal.
- Organize lecture/interaction and career guidance for higher education and qualified examination
- Connect on Social Media Channel
- Create content worth sharing with alumni
- Create employ data Strategies
- Reaching alumni through mail for connect

Global Alumni Meet

Global Alumni Meet

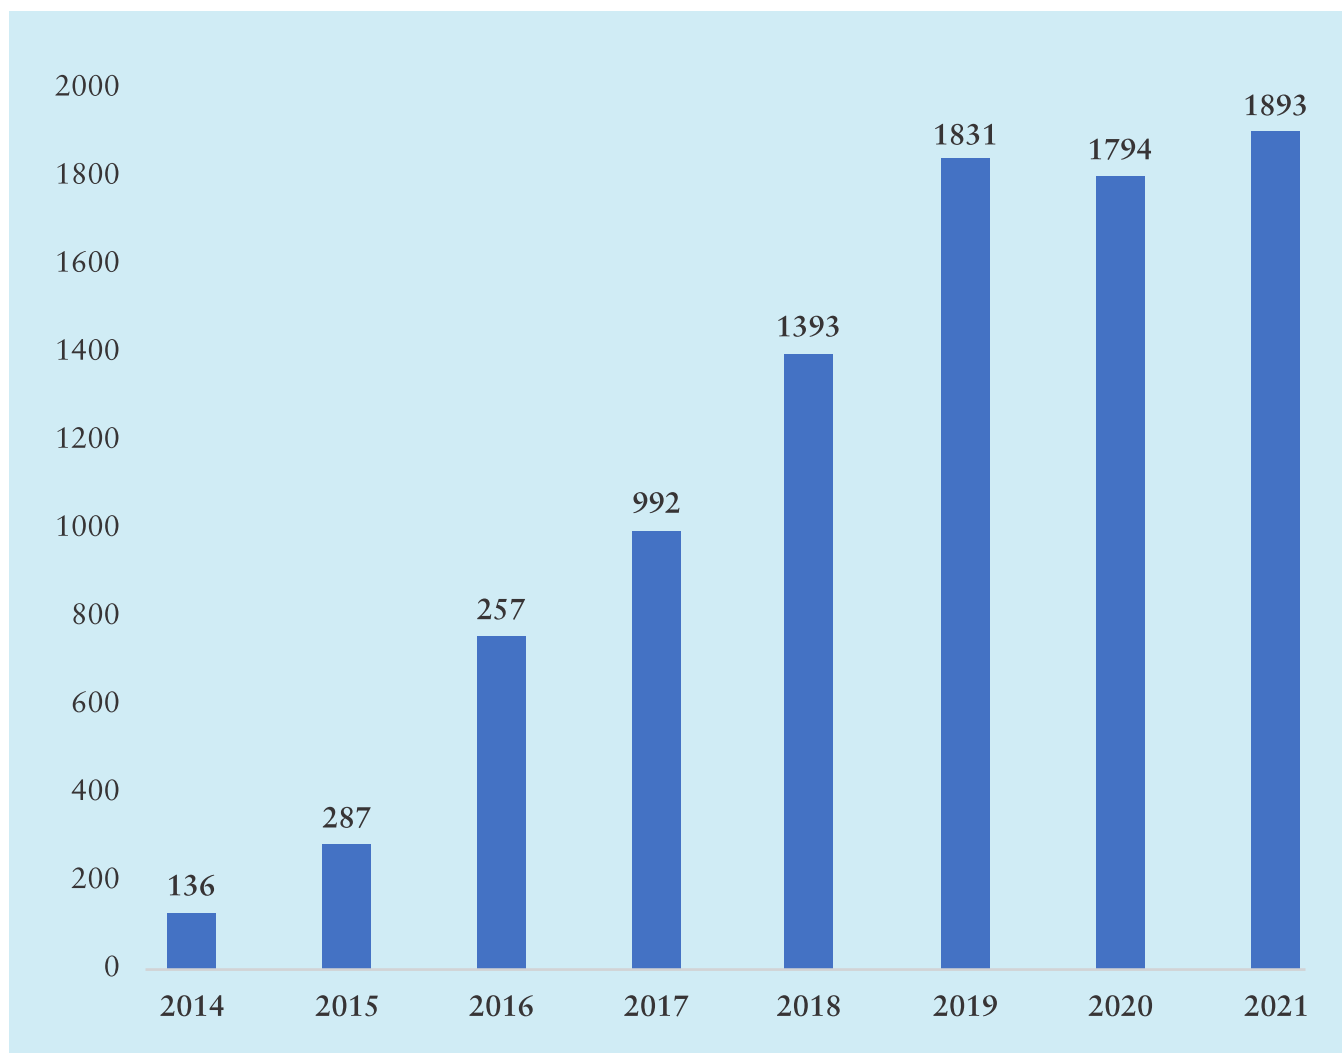

Decennial Year Celebration - Online Global Alumni Meet – 2021 was conducted by Directorate of Alumni Relations with support of Decennial Year Celebration Committee on July 24th, 2021. The function was inaugurated with Lamp Lighting and Prayer. Prof. G. K. Prabhu, President, MUJ delivered an Inaugural address to the gathering. Dr. Prabhu shared the journey of Manipal Group since its foundation.

He also mentioned the achievements, awards, rankings, 'NAAC A+' and other accreditations of MUJ. Prof. Prabhu congratulate and thanked everyone for their contribution for these achievements. Prof. N. N. Sharma, Pro-President MUJ, though, could not attend the event, but supported through his motivation and guidance to make the event successful. He sent a message for alumni for full support of MUJ, wherever they ask for. Dr. Nitu Bhatnagar, Additional Registrar, MUJ briefed about all the MUJ achievements. Prof. Jagannath Korody, Dean-FoE discussed about the emotional connect of alumni to their institutes and stated that alumni are brand ambassador of the university. Prof. Anuradha Chatterjee, Dean-FoD

encouraged alumni to mentor their junior students. Mr. Divya Prithwani, CEO, ATAL Incubation Centre, mentioned that AIC has been supporting start-ups and revenue generation has been initiated. He also invited alumni to bring their ideas to implement as start-up. Prof. Anoop Mukhopadhyay, Dean-FoS and Chairman [Decennial Year Celebration] welcomed alumni and talked about role of mutual support of alumni and organization. Dr. Sushil Kumar Jain, In-charge, Director, DoAR, and Vice-Chairman [Decennial Year Celebration] acknowledged the purpose of DoAR, its activities, responsibilities, successes, feedback etc. Dr. Praveen Kumar Surolia, Assistant Director-DoIC presented vote of thanks to all dignitaries. MUJ alumni from different areas of the world shared their experience and journey of MUJ as well as MUJ support in their career. Dr. Dinesh Yadav also shared his experience as alumni of MUJ.

The event was concluded with the thank note to all participants by Ar. Akshay Gupta. The event was attended by 116 participants which includes alumni participants & attendees and faculty members.

IIT JAM Rank Holder

Testimonials of Alumni

Mitali Dusad

BAJMC, 2020

What a joy to have become a journalist through BAJMC, finding what sparked my interest, learning all about it, and interacting with those closest to it—was a formidable challenge.

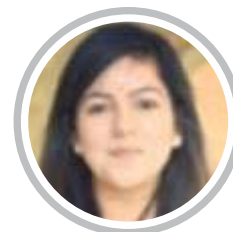

My faculties at MUJ never failed to encourage me when I doubted myself, cheer me when I successfully completed a task, and point out my strengths when I was blind to them. With their support, I've grown to feel as if the world is ripe with stories, and I have the skills to pluck them. The whole experience at Manipal University Jaipur gave me a solid career foundation and a bundle of clips I am proud of.

Rajdeep Mukherjee

B. Tech (Mechatronic), 2018

Being a part of MUJ has not only endowed me with engineering skills & knowledge, but the interdisciplinary nature of studies and research, has bolted me to pursue my further studies from a highly reputed Tu9 institute, with cutting edge facilities and a knack

Tina Chauhan

BBA, 2020

MUJ felt like my home away from home, a place where the faculty has the knowledge and the institutional memory which has helped me navigate the system to accomplish my goals. I had come across various types of resources and information through student activities and volunteering opportunities. Apart from the outstanding education system, I have acquired some invaluable relations with my faculty, I would not have accomplished anything without their tremendous support and encouragement.

Kajal Singh

BBA, 2019

MUJ, where dreams come true ! Being Manipalite , I feel proud to be a part of this university. This is the only place where students can fulfill all the dreams. I have done BBA from this university and am saying these words very proudly because this is the only place which is the first ladder of my professional career. Academics to curricular activities and extracurricular activities everything is there. If I talk about academic standards, then of course there is no doubt of quality and excellence in education. I have never faced any difficulty whilst pursuing this course. My teachers, and my mentors they were with in every step and helped me out taking the best decisions of my life. And yes ! Manipal university Jaipur is the place where students see their dreams and fulfill those dreams passionately.

Kaustubh Sinha

Advance Computing & Data Science) 2017-2019

I am Kaustab Sinha, a pass out student of M. Tech program (Advance Computing & Data Science) Manipal University Jaipur Batch 2017-2019 & currently working with QUESR Global Pvt. Ltd. at Pune as a Data Scientist in IOT based Industrial domain. I can never forget the contribution of School of Computing & IT, Director, Dept. HoD, Teachers and other staff sets, which are required to be a successful professional in present say competitive corporate life. I have not only grown in domain but in domain specific & infrastructure knowledge as well for which I owe much to School of Computer Science & IT of Manipal University, Jaipur.

Ojas Kumar

B Arch, 2018

I fondly reminisce my jovial days at Manipal. There I dreamt, planned, worked hard, and burnt midnight oil to eventually make a mark for myself. Loads of confidence that was generated now helps me to carry myself on the world stage where students from diverse backgrounds and countries rub shoulders with one another. I am indeed most thankful to my professors and teachers of B. Arch and E.O.D. who were so caring and understanding that they readily counselled us into balanced academic and emotional behaviour Thank you, Manipal

Directorate of E-Cell

About the Directorate

The sustainable future of any nation depends on towards contributing to the economy being as entrepreneur. The Entrepreneurship Cell (E-Cell) at Manipal University Jaipur, is a non-profit student-driven organization dedicated to ignite and promote the spirit of entrepreneurship and innovation. It has been elevated to the level of Directorate to make it more vibrant and inclusive in its functionality. With mind-numbing events, seminars, industrial visits and multitudinous national workshops, it is the perfect place to bring out the most incredible ideas. We at Entrepreneurship Cell, believe in hard work, dedication, teamwork and unquenched thirst for success. E-Cell houses the incubation centre that nurtures new start-ups of MUJ.

E-cell brings a rush of adrenaline that only a peculiar business can ever bring.

We strive for smooth and efficient networking amongst students, faculty members, professional mentors, entrepreneurs, angel investors and venture capitalists. The ultimate aim is to breakdown the traditional belief and prejudices and ignite the creative thinking and entrepreneurial instincts in the students.

Dr Ravi Kumar Sharma
 Director

Objectives of Entrepreneurship Cell

- To encourage the spirits of entrepreneurship among the students.
- To organize entrepreneurship development and awareness program.
- To transform the vague ideas into successful venture with professional mentorship.
- To facilitate creation of entrepreneur's club in different departments to foster the culture of entrepreneurship amongst students.

Initiatives

- A Panel Discussion on: Innovation and Start-up opportunities with E-cell and AIC, MUJ
- प्रख्यान Prakhyan -2021 (MUJ administration App Development Competition)
- Knowledge Session organized under E-cell and Institution's Innovation Council (MUJ)
 - Orientation session on National Education Policy
 - My Story: Motivational Session by Successful Entrepreneur
 - Orientation session on National Innovation and Start-up Policy
 - Orientation session on Ideation to Valuable Innovation

Major Events

A Panel Discussion on: Innovation and Start-up opportunities with E-cell and AIC, MUJ

E-cell in collaboration with AIC-MUJ have are organized a panel discussion on Innovation and Start-up opportunities with E-Cell and AIC MUJ September 19, 2020 (Saturday) at 11:00 AM to 12:00 PM. Dr. Ravi Kumar Sharma and Dr. Kulwant Singh discussed about the pre-incubation support and initial financial support through E-cell MUJ. They also highlighted the Innovation and startup opportunities at MUJ. Mr. Divya Pritwani (CEO, AIC-MUJ) and Mr. Puneet Dutta (COO AIC-MUJ) from Atal Incubation Centre (AIC-MUJ) also addressed the participants about the startup incubation process. The event was moderated by Dr. Dinesh Yadav (Assistant Director, E-cell), Ms Utkarsha Sharma (Executive, AIC-MUJ). Mr. Rohit Sharma presented vote of thanks at the end to all the panellists, moderators and participants.

The poster is for a panel discussion event. It features logos for E-cell, AIC MUJ, and Manipal University Jaipur. The text reads: "BRINGS TO YOU- A PANEL DISCUSSION ON: 'INNOVATION AND STARTUP OPPORTUNITIES WITH E-CELL AND AIC MUJ' ON DATE: SEPTEMBER 19, 2020 (SATURDAY) TIME: 11:00 AM TO 12:00 PM FOR REGISTRATION SCAN THE QR CODE". It lists the moderators as Dr. Dinesh Yadav (Assistant Director, E-Cell) and Ms. Utkarsha Sharma (Executive, AIC-MUJ). The panelists are listed on the right: Dr. Ravi Kumar Sharma (In-Charge Director, E-Cell), Mr. Divya Pritwani (Chief Executive Officer, AIC-MUJ), Dr. Kulwant Singh (Deputy Director, E-Cell), Mr. Puneet Dutta (Chief Operating Officer, AIC-MUJ), and Mr. Rohit Sharma (Portfolio Manager, AIC-MUJ).

प्रख्यान Prakhyan -2021 (MUJ administration App Development Competition)

The aim of this event was to build a mobile application, which would provide all necessary information on a single platform for MUJ administration. This intends to identify, celebrate, and support young technocrats to develop a commercially feasible solution for the administrative level.

The orientation session was organized by E-Cell on 28th of November 2020 from 02:00 PM to 3:30 PM on Microsoft Teams. Participants were instructed to submit the synopsis of their proposal till 30th of

November 2020. The first stage evaluation based on the synopsis, was held on 16th of December 2020. In this round, based on the current status of App development, inputs were given by the committee members to all the participants. In second stage evaluation was the elimination round, held on 29th of December 2020 from 12:00 PM to 02:30 PM. Each team was given 10 minutes for explaining their App. Final round of the event was held in Feb 2021, in which best three were shortlisted.

Technocare - National Hackathon on Medical and Healthcare (Jointly organized by E-cell, AIC- MUJ and R&C SECTION, NIT Uttarakhand)

National Hackathon – Technocare (Medical and Healthcare) was jointly organized by E-Cell, AIC MUJ and R&C SECTION, NIT Uttarakhand on 20th – 21st Feb 2021 in virtual mode. The health problem is an issue that is rising at an alarming rate in India as well as the world. Techno-care required students to work on overcoming the major problems that are hindering the country's growth towards becoming a healthier nation.

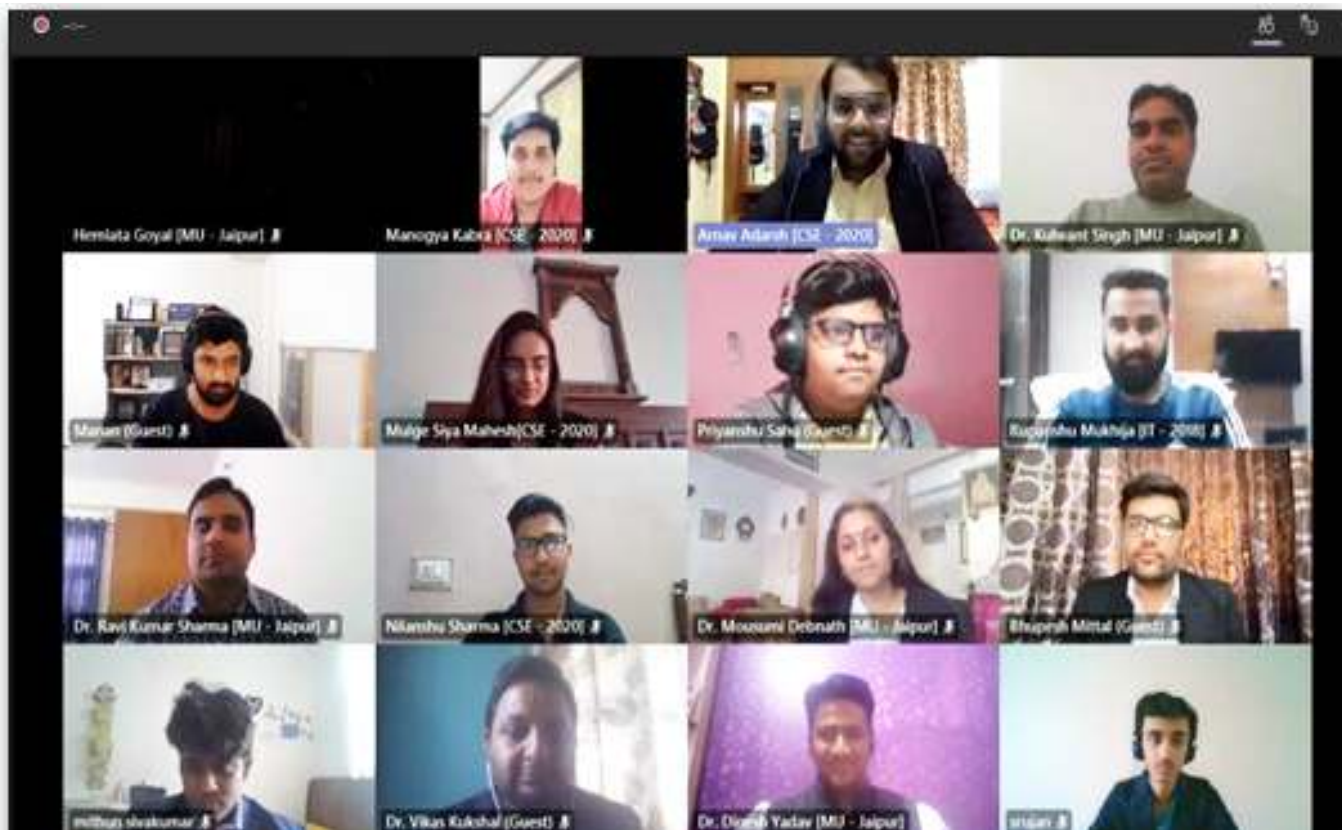

The hackathon was open to all the enthusiasts from colleges and schools across India. The participants were divided into two categories i.e., Track 1 having school students (9th to 12th standard) and Track 2 having college students (Higher Educational Institution's (HEI) students) were expected to figure out ideas and concepts related to the theme and build a prototype on the problem statement to test their application skills.

In round 1, the synopsis of the idea with the names and contact number of all the team members was submitted. Based on the synopsis, the result of synopsis qualifiers was announced on 18th Feb 2021. A total of 30 teams (10 track-1 + 20 track-2) were

shortlisted by our evaluation panel. The 2nd round of Technocare included submission of video. The video was to be uploaded on YouTube. Based on the video submission, the result of video submission, qualifiers were announced on 20th Feb 2021. A total of 12 teams (5 track 1 + 7 track 2) were shortlisted by our evaluation panel. Date of final round was 21st Feb 2021: Day of pitching of the project. This round was organized in the presence of three judges one for industry, start up and academia. Among shortlisted teams, the winners were announced. The winners and runner-ups of both the tracks were rewarded with cash prize along with certificates.

- Track 1: school students: (9th to 12th standard students)
First prize: Rs. 25000/-
Second prize: Rs. 15000/-
Third prize: Rs. 10000
- Track 2: University or colleges students: (Higher Educational Institution's (HEI) students)
First prize: Rs. 50,000/-
Second prize: Rs. 25,000/-
Third prize: Rs. 15,000/-

Google Start-up Weekend Jaipur

E-cell, MUJ in Collaboration with MUJ ACM Student Chapter and Turing Sapiens had organized the Startup Weekend which is known as the world's starting point for entrepreneurship from 7th May to 9th May 2021 in virtual mode. The startup weekend is a 54-hour event where designers, developers, marketers, and startup enthusiasts come together to share ideas, form teams, and launch startups. Following is highlight of the Startup weekend -

Day 1 - Marked the beginning of the event with a

networking session which helped the participants build teams and choose projects.

Day 2 - This day was marked by the teams attending a workshop on marketing and Prototype building and the enthusiasm of the teams hurrying to complete their projects.

Day 3 - This was the final day of the event with the mentorship session and the final pitch submission. The final results were also announced on this day.

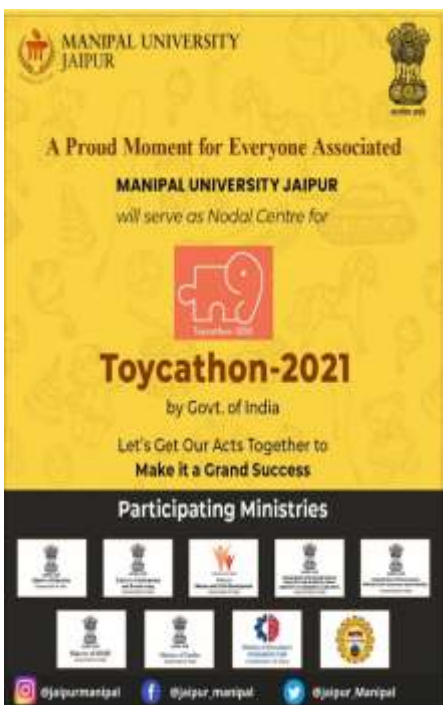

National Hackathon

Toycathon 2021 was an inter-ministerial initiative organized by the Ministry of Education's Innovation Cell with support from the All-India Council for Technical Education, Ministry of Women and Child Development, Ministry of Commerce and Industry, Ministry of MSME, Ministry of Textiles and Ministry of Information and Broadcasting. This was a mega event in which approximately 2500 participants were taking part and for them, there were 87 Nodal centers chosen by MIC. In Rajasthan, only 03 such nodal centers and Manipal University Jaipur was one of them.

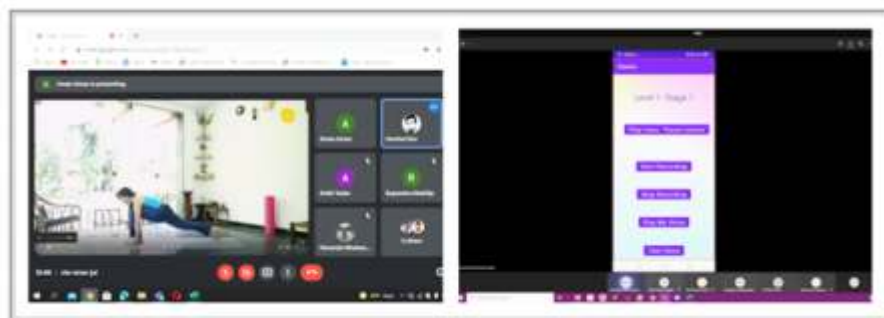

Toycathon 2021 provided a unique opportunity to

Students, Teachers, Start-ups and Toy experts and professionals in India to submit their innovative toys as well as games concepts and win large number of prizes. Under the ‘AatmaNirbhar Bharat Abhiyan’ initiated by our Hon’ble Prime Minister, Shri. Narendra Modi, Toycathon-2021 was conceived to challenge India’s innovative minds to conceptualize novel Toy and Games based on Bhartiya civilization, history, culture, mythology, and ethos. The ‘Grand Finale’ of Toycathon 2021 was scheduled over 3 days from the 22nd to the 24th of June 2021. Each day offered new opportunities to the participants to learn and enhance their toys and game concepts.

Day 1- Inaugural Ceremony of Toycathon -2021

Day 2- Mentorship Session

Hon'ble Prime Minister's
Address on
Day 3 of Toycathon -2021

Atal Incubation Centre (AIC)

About the Directorate

Atal Incubation Centre (AIC), Manipal University Jaipur is the joint Initiative of Atal Innovation Mission and Manipal University Jaipur to jointly promote Entrepreneurship in around the region.

AIC-MUJ aims to support and encourage innovative technology based start-ups that have an application and/or impact in the core sectors of the economy. AIC-MUJ provides the necessary guidance, tech support, infrastructure, access to investors, networking, and facilitating a host of other resources that may be required for the Startup to survive and scale.

Opportunities and Challenges for startups in Current scenario	Mr. Puneet Datta & Mr. Ravindra Yadav
One week workshop on 3D printing technology	Mr. Shubham Sharma, Mr. Rushil Soni
University to Unicorn	TiE Rajasthan

Directorate of International Collaborations

About the Directorate

The Directorate of International Collaborations (DoIC) is established to promote internationalization and partnerships with international institutes. The Directorate facilitates collaboration and partnerships with institutions globally for student and faculty exchange, semester abroad Programme, student mobility and higher education opportunities through signing of MoU with institutions and organizations. The Directorate is headed by Prof. Amit Soni, Director and supported by Dr. Santosh Patil, Deputy Director and Dr. Praveen Surolia, Assistant Director. A team of faculty members acting as nucleus members further strengthen and support the activities of the Directorate.

The nodal officer and Nucleus member initiates, coordinates and keeps track of activities with respect to the MoU. The nodal officers submit a quarterly report to Director- DoIC.

With international tie ups the Directorate facilitates networking of students and faculty across partner institutions and impart training to gain practical experience in international work environment, fast changing industrial scenarios, academic and industrial research. The Directorate organizes and coordinates several activities and programmes to improve social and cultural skills of all stakeholders like International Culture Day, Cross Cultural Culinary workshops, Cultural Immersion Trips and Explore India Programmes. The Directorate on periodic basis organizes presentations and interaction session of academic and industry partners with both students and faculty of MUJ. Interaction of visiting guests with leadership team of MUJ is arranged to further strengthen the ties at the highest level leading to MoU's or Agreements. Departmental heads confirm credit exchange possibilities & parity (Credit Mapping) in terms of courses on offer during the semester. Students and faculty of partner institutes willing for association with MUJ are always welcome. Manipal University Jaipur has over 112 Memorandum of Understanding (MoU) signed with Universities and Institutes from 35 countries. Out of these 19 MoU have been signed in 2020-2021. With many more MoU in the pipeline, MUJ is striving to leave its impression across the globe.

Dr Ajay Kumar Sharma
 Director

Online webinar on "Opportunities at Nottingham Trent University, UK, for MUJ students."

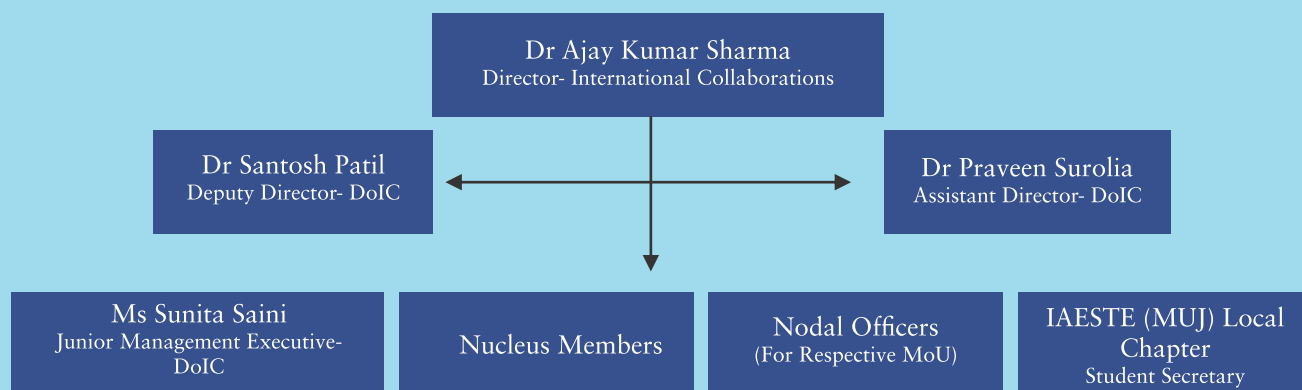

Participation of the Directorate of International Collaboration in a Virtual International fair organised by Rennes School of Business France

Online event for creating awareness on pursuing Masters in France(MBA) for final year students (19-02-2021).

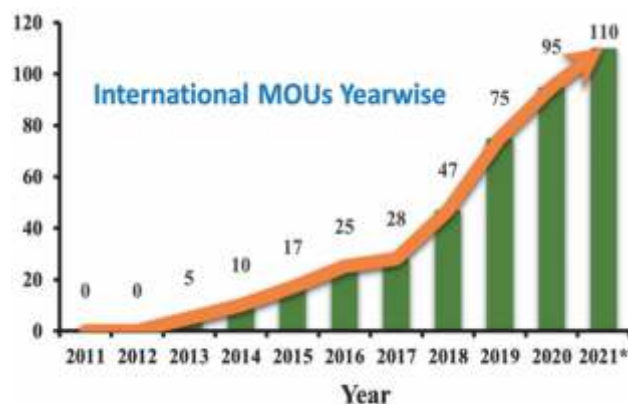

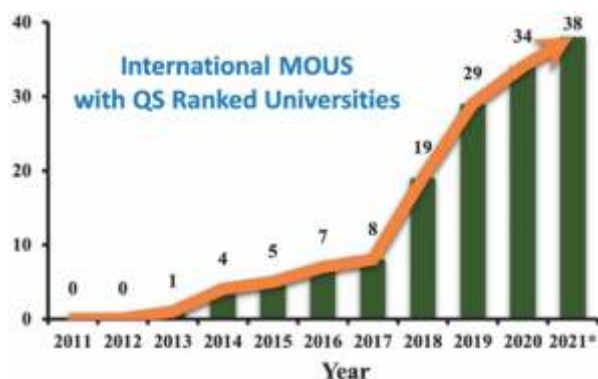

Organizational Structure of DoIC

MUJ's Global presence in 35 Countries

MUJ is committed to provide quality global experience to its students and faculties with best Academic and Research Collaborations. MUJ is close to 45 collaborations are with top QS/THE Ranked Universities.

New Initiatives by DoIC

The Directorate of International Collaborations (DoIC) in its endeavor to promote international collaborations and active participation from MUJ has initiated some major step in the past challenging year. Pandemic year has boosted more of virtual events and MUJ was on the frontrunner in online events and has imitated many such events and activities. Some of them are as listed below:

MUJ Virtual Summer School (MVSS 2021) during 15th July to 31st July 2021.

International Winter School 2021 (online mode), during 30th January to 15th February 2021
Remote Exchanges and Internships

International MoU's / Agreements Signed between 1 August 2020 and 31 July 2021

Name of University	Year of Signing	Duration
Russian University of Transport, Russia	2020	No periodicity

ADMINISTRATIVE BLOCK

Directorate of Quality and Compliance

About the Directorate

Directorate of Quality and Compliance at MUJ is instrumental with enabling vision to be Global Leadership in Higher Education and Human Development. It works under the quality policy to Provide students, excellence in research-based education to transform them into professionals with good human values.

Team Q&C aims, MUJ to be the most preferred University for Innovation and Interdisciplinary learning. To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Dr Amit Soni
 Director

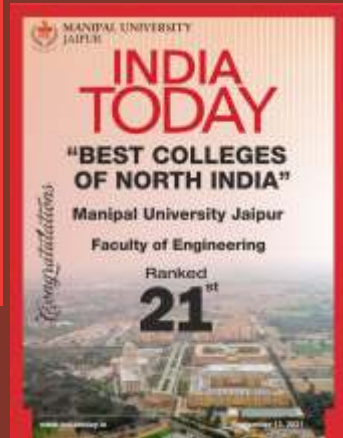

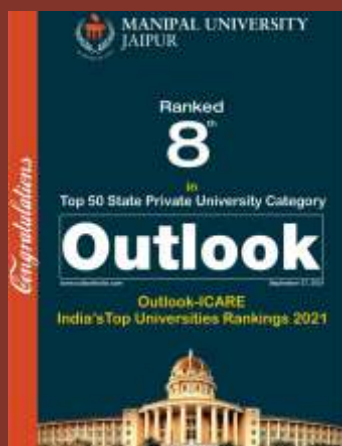

Vision:

- To develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- Ensure clarity and focus on institutional functioning towards quality enhancement
- Dissemination of information on various quality parameters to all stakeholders

Objectives:

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the University.
- Documentation of the various programmes/activities of the University, leading to quality improvement
- Dissemination of information on the various quality parameters to all stakeholders
- Acting as a nodal agency of the University for coordinating quality-related activities, including adoption and dissemination of good practices.

Media Rankings

Directorate of Research

About the Directorate

At Manipal University Jaipur, research is inherent in all our academic endeavours and faculty members, Ph.D research scholars and UG/PG students are encouraged to be involved in extensive research in their respective domains. All this enables us to discover, create, disseminate, and preserve knowledge. For fostering research and spreading awareness the university has established a dedicated entity in 2018, the “Directorate of Research (DoR)”. The primary purpose of DoR is Research Management and Promotion among different stakeholders as well as to the external world.

It is our mission to pursue the highest standards of research excellence with the most talented academicians, researchers and with possible research outcomes for societal upliftment. With support from University Management & Leadership in the form of various research promotion schemes viz; Faculty Award Incentive for Research (FAIR), Publication and Research Award Incentive for Students to Excel (PRAISE) as part of the Endowment Fund grant, the University is on the upward march towards quality research journey.

MUJ believes in building an innovative, open and collaborative culture, and extensive research facilities involving hi-end equipment in our different research labs, are a testimony to it.

Dr Roheet Bhatnagar
Director

Initiatives/Activities of DoR

- RMS awareness session for Different Modules for Publication, IPR, Research Project and PDA.
- Generation & Circulation of monthly research count report to the HoDs, Directors and Deans.
- Organised Panel Discussion (Talk Show) on “Success Stories of Getting Research Grants”.
- Process of Filing IPR activities such as Patent/Design/Copyright are established at MUJ.
- Amendment in the FAIR & PRAISE Policy for FY 2020-21.
- Revised Endowment Fund “Enhance seed grant” Policy.
- Revised guidelines for Professional Development Allowance (PDA) during Covid-19.
- Revised the policy for engaging the JRF/SRF/Research Project in the external funded research project.

Faculty Development Programme on Plagiarism and usage of Turnitin

Directorate of Research organised a FDP on the awareness of Plagiarism and usage of Turnitin as similarity checking tool for the benefit of Faculty members and PhD & PG scholars. It was held in the online mode over MS Teams platform on February 25, 2021. Mr Varun Piplani, Senior Consultant, Turnitin India Ltd was the resource person.

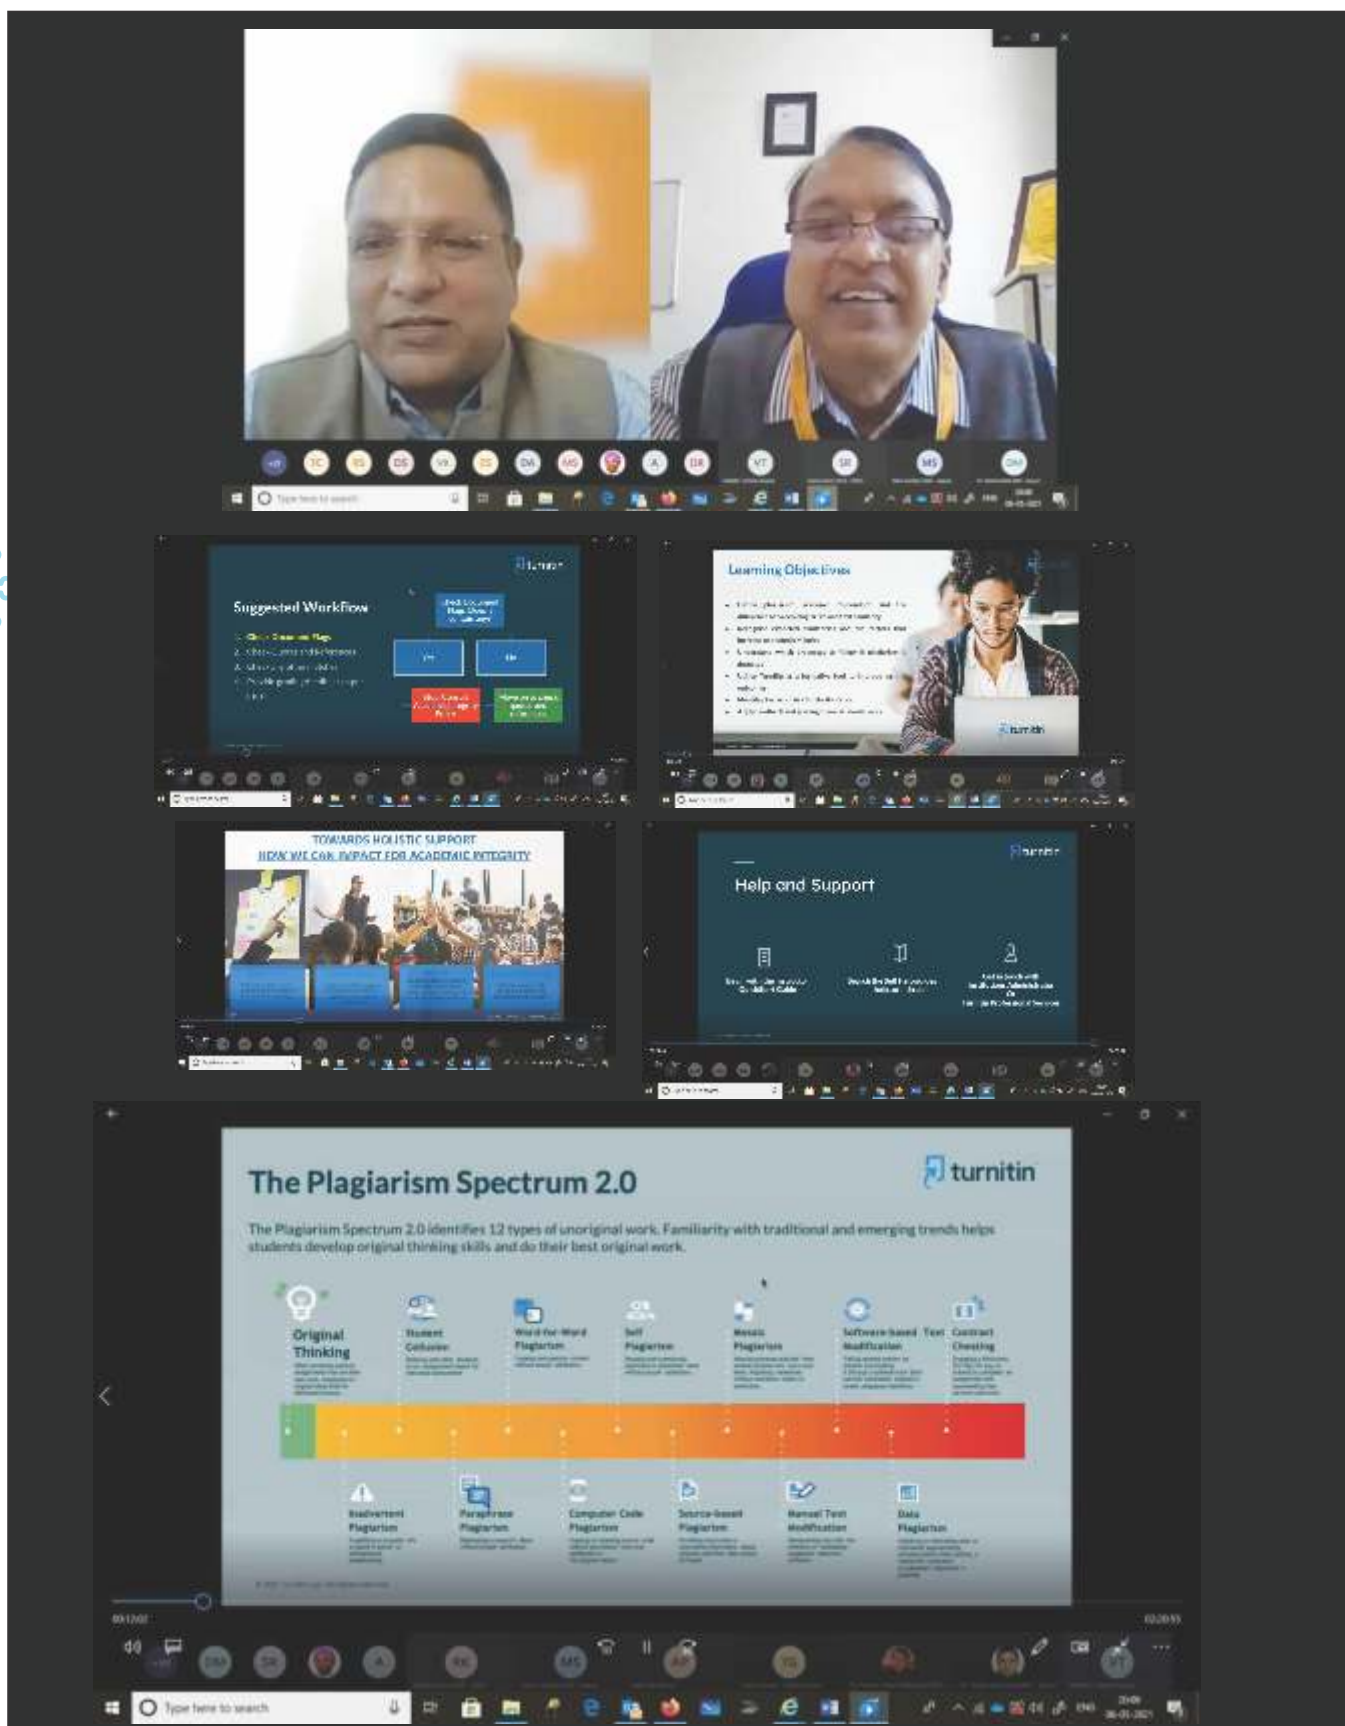

It was attended by around 130 participants involving faculty and scholars. It was well received, and lot of queries were cleared and answered by the resource person.

We all know that ‘Academic & Research Integrity and Ethics’ are very much important in our professional career.

Plagiarism is a serious issue which can have adverse impact on one’s career and is often done unknowingly, but the same cannot be taken as an excuse. One needs to understand the implications, must be well-aware of the stringent regulations, both at the University as well as by regulatory bodies such as UGC, and should abide by them.

In order to spread the awareness on Plagiarism and checking Plagiarism by making use of similarity checking tools such as Turnitin, Directorate of Research (DoR) is conducting a half day Faculty Development Programme (FDP) on ‘Plagiarism and usage of Turnitin’.

The sessions will be conducted by Mr Varun Piplani, Senior Consultant, Turnitin India Education Private Limited, Mumbai.

Yashasvi Trivedi	Jul-2020	3 Y	Project Fellow	JB Joshi Research Foundation

PhD Degree Awarded During the Year 2020-21

Faculty	Department	Name of Scholar	Name of Guide/s	Title of the Thesis
Engineering	Information Technology	Mr. Shashank Sharma	Dr. Sumit Srivastava	An Advanced Process Mining Algorithm For Code Clone Optimization
Engineering	Computer Science and Engineering	Ms. Neha Singh	Dr. Sandeep Joshi	Watermarking Techniques Against Ambiguity Attacks For Color Images
Sciences	Mathematics & Statistics	Ms. Anjali Ahuja	Dr. Anamika Jain	A Study Of Markovian And Non-Markovian Queueing Models With Service Interruptions
Arts & Law	Languages (English)	Ms. Nalini Saxena	Dr. Arun Dev Pareek	Entity And The World Of Freedom : An Existentialistic Study Of The Selected Novels Of Aravind Adiga, Jhumpa Lahiri Anita Nair
Architecture & Design	Architecture	Ar. Ritu Singh	Dr. Madhura Yadav	Energy Efficient Building Clusters For Hot & Dry Climate
Arts & Law	Journalism and Mass Communication	Mr. Tanveer Ahemad	Dr. Ravi Chaturvedi	"A New Media And Culture: A Critical Study Of The Use Of Social Media Among The Unergraduate Students Of The Jaipur And Its Implications On The Traditional Values"

Sciences	Mathematics & Statistics	Ms. Manjeet Kumari	Dr. Shalini Jain	Transport Of Fluid Flow And Heat Transfer On Some Configurations With Chemical Reactions
Sciences	Chemistry	Ms. Avani Pareek	Dr. Nitu Bhatnagar	Psycho-Chemical And Biological Standardization Of Yashada (Zinc) Bhasma
Sciences	Chemistry	Ms. Deepika Sharma	Dr. Lalita Ledwani	Investigation On Characterization And Evaluation Of Anti-Cancer Potential Of Metallic Nanoparticles Synthesized Using The Rheum Emodi
Sciences	Chemistry	Ms. Hiteshi Tandon	Dr. Tanmoy Chakraborty	Theoretical Computation Of Periodic Descriptors & Its Applications
Sciences	Chemistry	Ms. Shalini	Dr. Tanmoy Chakraborty	Theoretical Model To Compute Periodic Descriptors
Engineering	Electronics and Communication Engineering	Mr. Dungar Nath Chouhan	Dr. Tarun Kumar Dubey	Location Estimation Of Wireless Sensor Nodes Using Learning And Non Learning Bases Algorithms
Engineering	Information Technology	Ms. Priyanka Dahiya	Dr. Devesh Kumar Srivastava	Development Of An Efficient Algorithm For Intrusion Detection In Big Data Using Deep Learning
Management & Commerce	Business Administration	Mr. Madhusudan Narayan	Dr. Birajit Mohanty	Marketing Promotion Strategies Of Entrepreneurs: A Study Of Startups In Rajasthan State
Engineering	Mechanical Engineering	Mr. Upendra Kulshrestha	Dr. N. N. Sharma	Microstructural Investigation And Evaluation Of Mechanical, Thermal And Curing Behavior Of Rubber Nanocomposites
Management & Commerce	Commerce	Ms. Pallavi Choudhary	Dr. M. L. Vadera	Performance Evaluation Of Incubator 'Start-Up Oasis' In Capacity Building Of Entrepreneurial Ventures In Rajasthan
Management & Commerce	Commerce	Ms. Parul Bhargava	Dr. M. L. Vadera	Impact Of Income And Investment Avenues On Investor'S Behavioural Pattern In Rajasthan
Arts & Law	Psychology	Ms. Evelyn Raghel Thomas	Dr. Geetika Tankha	Psychological Capital In Relation To Work Engagement, Professional Quality Of Life And Coping Styles Among Doctors
Engineering	Information Technology	Ms. Pallavi Yarde	Dr. Sumit Srivastava	An Energy Efficient Cross Layer Protocol For Wireless Sensor Network
Management & Commerce	Commerce	Ms. Shivani Kampani	Dr. M. L. Vadera	A Study On The Adoption Of International Financial Reporting Standards For Small And Medium Sized Enterprises In India
Management & Commerce	Commerce	Ms. Puja Sharma	Dr. Tanushree Sharma	A Study Of Future Trading And Its Impact On Volatility Of Spot Market In Selected Agricultural Commodities
Engineering	Electronics and Communication Engineering	Mr. Chandra Prakash Gupta	Dr. Shilpi Birla	Investigation On Zno Nanostructur Based Hetrojunctions For Photonic, Gas Sensing And Memory Applications
Engineering	Computer Science and Engineering	Mr. Nanda Gopal Reddy	Dr. Roheet Bhatnagar	Image Retrieval System Using Cloud Computing: A Novel Approach To Medical Image Comparison
Engineering	Mechanical Engineering	Mr. Satish Namdev	Dr. Anand Pandey	Experimental Investigation Of Laser Drilling Of Biometrial Alloys
Arts & Law	Languages (English)	Ms. Rakhi Gupta	Dr. Richa Arora	Fragmented Selves: A Comparative Study Of The African-American Psychological Trajectory In The Selected Works Of Maya Angelou, Roxane Gay Audre Lorde
Management & Commerce	Management (TSB)	Mr. Abhinav Mishra	Dr. Sunishtha Dhaka	A Study On Impact Of Green Practices Of Hotels On Guest Satisfaction
Engineering	Mechatronics Engineering	Ms. Princy Randhawa	Dr. Ajay Kumar	Designing Of Smart Jacket For The Recognition Of Violent Attack Using Machine Learning Techniques
Engineering	Mechanical Engineering	Mr. Ankur Srivastava	Dr. Ravi Kumar Sharma	Numerical And Experimental Investigation Of Heat Transfer Friction Characteristics Of Roughened Solar Air Heater Absorber Plate
Sciences	Mathematics & Statistics	Mr. Ombir Dahiya	Dr. Ashish Kumar	Performance And Availability Analysis Of Complex Industrial Sysyems: A Fuzzy Approach

Arts & Law	Journalism and Mass Communication	Ms. Yogita Swami	Dr. Subhash Kumar	Portrayal Of Courage And Valour Of Indian Army In Hindi War Movies: Study Of Patriotism And Popularity In Post 1962 Era
Arts & Law	Law	Mr. Arpit Totuka	Dr. Mridul Srivastava	White-Collar Crimes: Analysis Of The Legal Aspects And Remedies
Management & Commerce	Commerce	Mr. Arun Gautam	Dr. Gaurav Lodha	Impact Of Gst On Various Stakeholders In Rajasthan: An Empirical Study
Arts & Law	Journalism and Mass Communication	Ms. Ambika Bhagat	Dr. Ravi Chaturvedi	The Construction Of Masculinity In Popular Hindi Cinema: A Critical Study Of Selected Films Of Post 2000 Era
Engineering	Electrical Engineering	Mr. Sheesh Ram Ola	Dr. Amit Saraswat	Some Investigation On Detection And Analysis Of Power System Faults In The Presence Of Renewable Energy Sources Using Soft-Computing Techniques
Engineering	Mechanical Engineering	Mr. Manu Khare	Dr. R. K. Gupta	Fabrication And Characterization Of Al/B4C/Al ₂ O ₃ Hybrid Metal Matrix Composites
Arts & Law	Journalism and Mass Communication	Mr. Rahul Babu Kodali	Dr. Ravi Chaturvedi	Corporate Communication Trends In Service Sector Of India: Comparative Study
Sciences	Physics	Ms. Mamta Kumawat	Dr. Sushil Kumar Jain	A Theoretical Investigation Of Bubble Structure In Nuclei
Engineering	Mechanical Engineering	Mr. Alok Kumar Ansu	Dr. Ravi Kumar Sharma	Development And Reliability Testing Of Higher Thermal Conductive Organic Phase Change Materials For Thermal Energy Storage
Engineering	Electronics and Communication Engineering	Md. Riyaz	Dr. Amit Rathi	Computational Analysis Of Optical Responses Of Type-I And Type-II Nano-Scale Heterostructures For Optoelectronic Applications
Arts & Law	Law	Mr. Mahesh Singh Soopa	Dr. Kuldeep Singh Panwar	Law Relating To Food Adulteration In India: A Socio-Legal Study

Enhanced Seed Grant Completed Projects

Sr. No.	Name of PI	Dept of PI	CoPI	Title of the project	Status(Completed/on going)
1	Dr. Sandeep Srivastava	Biosciences	NA	Structural, functional and bioinformatics studies on nucleoside di phosphate kinases from gram positive bacteria as potential drug targ	Completed
2	Dr. Ravi Kumar Gupta	Mechanical Engineering	Dr. Akhilesh Kumar Sharma	Design and Fabrication of Vehicle Control System for Disabled Person	Completed
3	Dr.Sanchita B Ghosh	Mechanical Engineering	NA	Hydrogel Scaffold for Bone Tissue Repair	Completed
4	Dr.Santosh Patil	Mechanical Engineering	Prof.S S Ghosh	Numerical and Experimental study of Bending Fatigue Failure for Modified Gears with Different Materials	Completed
5	Dr. Ravi Kumar Sharma	Mechanical Engineering	NA	Development of High Thermal Conductive Organic Phase Change Materials for Thermal Energy Storage	Completed
6	Dr. Tanmoy Chakraborty	Chemistry	Dr. Prabhat Ranjan	A computational Study of Nano-Composite Materials Invoking Conceptual Density Functional Based Descriptors	Completed
7	Dr. Nitu Bhatnagar	Chemistry	NA	Physico-Chemical Standardization of Some Ayurvedic Bhasma	Completed

List of Projects and Consultancies

Name of The Project	PI / Co PI	Funding Agency	Status
Charpy Impact Test on Steel Plate Samples	Mr. Kamal Kumar */ Dr. Bhavna Tripathi Dr. Shaik Hussain	Jaipur Development Authority	Sanctioned
Biosolids Upgradation for Generating Energy And Fertilizers Using Technological Integration	Dr. Abhishek Sharma */ Mr. Sagar Gupta Dr. Rohit Jain Dr. Rakesh Kumar Sharma Dr. Meena Kumari	Inch Enviro Technologies Pvt. Ltd.	Sanctioned
Design of Performance Based Concrete Using Sand Reclaimed From Construction & Demolition Wastes	Dr. Bhavna Tripathi*/ Prof. Tarush Chandra	Dept of Science & Technology (DST)	Sanctioned
Forecasting The Power Output of Sensitized Solar Cells (SSC) With Varying Structural And Weather Parameters Using Soft Computing Techniques	Dr. Praveen Kumar Surolia */ Dr. Vijaypal Singh Dhaka	Science and Engineering Research Board (SERB)	Sanctioned
Customized Bioactive Composite Bone Scaffold With Controlled Microstructure	Dr. Sanchita B Ghosh */ Dr. Subrata Bandhu Ghosh	Science and Engineering Research Board (SERB)	Sanctioned
Providing Mental Health Support In Ob-Gyn Settings	Dr. Bhawna Chahar */ Dr. Bhavana Arya	Dept of Science & Technology (DST)	Sanctioned
Structural And Functional Studies on Signaling System Associated With Bacitracin Sensing and Resistance In Multi-drug Resistant Staphylococcus Aureus	Dr. Sandeep Kumar Srivastava */ Dr. J. V. Pratap	Science and Engineering Research Board (SERB)	Sanctioned
Chemical Tailoring of Epoxy/ Steel Interface to Enhance Their Synergistic Effect for Corrosion Protection: Modelling and Experimental Investigations	Dr. Veena Dhayal */ Prof. S. Gopalakrishnan	Dept of Science & Technology (DST)	Sanctioned
Municipal Solid Waste Conversion to Fuel And Energy (ext.)	Dr. Abhishek Sharma *	Bharuch Enviro Infrastructure Limited, Gujarat, India	Sanctioned
Effect Of Lithium And Europium Co-doping on The Opto-electronic And Magnetic Properties of Transition Metal ION Doped ZnO Nanostructures	Dr. Saikat Chattopadhyay */ Dr. Kamakhya Prakash Misra	UGC-DAE Consortium for Scientific Research	Sanctioned
Testing of Samples	Mr. Kamal Kumar, Prof. Bhavna Tripathi, Dr. Shaik Hussain	Jaipur Development Authority, Jaipur	Sanctioned
Adb -west Bengal Water Sector Interventions	Prof A D Vyas	West Bengal PHED Dept.	Sanctioned
Training and Certification	Mrs. Kuntal Gaur	1A, Vishveshvariya Nagar, Near Bata Showroom Gopalpura Bypass, near Triveni Flyover, Jaipur, Rajasthan 302018	Sanctioned
Installation of Sewing Machines and Plant Layout	Mr. Mahboob Anwer	Arham Traders	Sanctioned

Directorate of Student's Welfare

About the Directorate

University life is exhilarating, but it can also be hard for young people. Transitioning to higher education is critical, and the transition process has a significant impact on a student's academic, personality, social, and career development. At MUJ, we recognize that students are the central point of focus, and that all the university's activities revolve around their holistic development. The five essential elements of positive transition for a student in the University are (i) Personality and Personal development (ii) Academic life (iii) Career and Life Goals (iv) Personal Organization and Decision-making (v) Personal Values, Social Norms, and Integrity. As a result, DSW has been established to meet the above-mentioned goals for an all-round development of the students through six unique functions: athletics, student technical, literary, and cultural groups, grievance redress, need-based counselling, and campus discipline.

DSW works hard to keep the campus dynamic through student involvement while also maintaining overall discipline on campus and in the dorms. Aside from that, there are Nucleus Members from other departments who assist the Directorate in executing routine tasks as needed for various student engagement activities/events. We ensure that you feel at home and would provide you guidance and every possible assistance during this journey of yours at MUJ.

Anil Dutt Vyas
Director

Vision

Embellish students with integrity and humane touch, nurture their talent to make them socially responsible global citizens.

Mission

Facilitate multi-skilled development. Cultivate an environment that respects diversity and promote healthy and positive relation among students, faculty & community. Understanding of students' needs. Synergizing academic and co- curricular activities.

Values

Sincerity, Accomplishment, Integrity, Teamwork and Honesty are the five values that we aim our students to imbibe.

Sports Activities

S.No.	Name of Sports Activity	Dates of the Activity
1	Intra University Online Chess (Men) Championship 2020-2021	22-01-2021 to 25-01-2021
2	Intra University Online Chess (Women) Championship 2020- 2021	22-01-2021 to 25-01-2021
3	Lawn Tennis	28-01-2021
4	Badminton (M)	12-03-2021 to 14-03-2021
5	Badminton (W)	12-03-2021 to 14-03-2021
6	Table Tennis (M)	12-03-2021 to 15-03-2021
7	Football(M)	15-03-2021 to 17-03-2021
8	International Virtual Conference on Physical Education and Sports Science (IVCPSS-2021)	30-03-2021 to 31-03-2021

Awards and Appreciation (Societal Connect)

- Appreciation Letter from Aashrey Care Home, Positive Women Network of Rajasthan.
- Appreciation Letter from Shri Hindu Anath Ashram Jaipur.
- Appreciation Letter from Anmol Educational & Social Welfare Society.
- Appreciation Letter from Government Senior Secondary School Sanjhariya.
- Appreciation Letter from Rotaract Club Chandigarh Midtown.
- Appreciation Letter from Muskaan for Road Safety.

S.No.	Date	Title of the Event	Brief of the Event	No. of Cadets Participate
1	23-09-2020	Fit India	Briefed cadetson Fit India Freedom Run, encouraged them to participate with exercising safety and obeyingthe social distancing norms	
2	01-10-2020	Fit India Freedom run	Collected data from cadets and submitted for Fit India Freedom Run	8
3	02-10-2020	No Mask No Entry (Oath Ceremony)	On occasion of Gandhi Jayanti an oath taking ceremony was held online where cadets took pledge to wear mask and educate people, they are in contact with to wear mask and maintain social distancing. 3rd and 2nd year cadets of MUJ took part in this activity.	20
4	15-10-2020 to 26-10-2020	NCC recruitment for 1 st year cadets 2020	Recruitment drive conducted online with senior cadets enrolled in NCC coordinating the drive.	80+ Students
5	07-12-2020	Armed Forces Flag Day	Collected data from cadets and submitted for Armed Forces Flag Day	11
6	23-01-2021	Webinar on PARAKRAM DIWAS	Directorate of Student welfare & Department of Arts organized NCC webinar on (PARAKRAM DIWAS) FOR In order to honour and remember Netaji's indomitable spirit and selfless service to the nation, the Government of India has decided to celebrate his birthday on the 23rd day of January every year as "PARAKRAM DIWAS".	11

Hostel & Mess

About the Hostel & Mess

Manipal University boasts of a state-of-the-art hostel facility that provide secure and comfortable accommodation for students to learn and groom themselves into smart, independent citizens. Situated just across the street from the University Complex, the campus is well endowed with all facilities and essential amenities. It also has an underpass subway between the two compounds to facilitate safe and easy movement for the students without crossing the roads. Managed by Good Host Spaces, the hostels are equipped with all essential services like healthcare, multipurpose grounds for sports, eateries and food joints, convenience stores etc., thus enabling students to avail all facilities at their doorsteps while pursuing their education.

To cater to the taste buds of students coming from different parts of the country, the hostel mess of Manipal University Jaipur endeavors to provide healthy and hygienic food to the students. Managed by Qness Corporation Limited, the mess provides a variety of healthy food options to the boarders to ensure an enjoyable stay in the campus while keeping in mind their nutritional requirements.

MUJ Teacher Empowerment Center (MUJ-TEC)

About the Directorate

The Teacher Empowerment Centre at Manipal University Jaipur was established in the year 2017 with the intent to invest in teacher training to help them grow professionally and personally. Teachers who are made to feel efficacious are able to participate and contribute fully in the process of achieving the institutional goals and objectives.

MUJ TEC through its various programmes provide the teaching staff a platform for experiential learning and hands-on-training by experts to enhance their potential and engage in Continuous Professional Development. Through MUJ TEC training programmes teachers are encouraged to collaborate, share and apply innovative teaching-learning tools and strategies, use resources and learn skills, which further help them cater to student needs. Empowered and skilled teachers play a very significant role in improving learning outcomes for every student.

MUJ TEC strives to equip all faculty members to synergize with millennial learners, foster active learning, impart value-laden knowledge, remain motivated, be aware of and practice objective assessment and enhance academic leadership.

Dr Devi Prasad Sharma
Director

Mentors

- Dr K Ramnarayan, Chairperson, MUJ
- Dr G K Prabhu, President, MUJ

Controller of Examination

About the Directorate

Controller of Examination, Manipal University Jaipur is accountable for enabling smooth conduction of examination as per the annual schedule and declaration of results as per the university calendar. In the academic year 2020-2021, the cell organized examinations for 38 undergraduate and 18 postgraduate programs including Ph.D program. All the exams were conducted in online mode.

The cell organized online entrance examinations towards admission to various undergraduate and postgraduate programs. Mid Term Examination (MTE) and End Term examination (ETE) conducted in online mode as per Annual Academic Calendar notified by the Registrar. Other than Mid Term 1, one special Mid Term was conducted for the student who were not able to perform well in MTE-1 or could not attempt MTE-1 due to any emergency or COVID.

Make-Up examinations were conducted along with the Regular ETE of a semester only for the courses running in that semester. An additional make up examination in online mode was conducted in the month of July for the students who got F or I grade in the course.

Dr Sumit Srivastava
CoE

Online Examination have also been conducted in the Month of Oct 23 to Oct 31, 2021 and Nov 20 to Nov 28, 2021 and results of the said examination also were published online.

General Services & Administration

About the GS&A

Director General Services & Administration, Manipal University Jaipur is custodian of the upkeep and maintenance of entire infrastructure at MUJ landscaped over 66.67 acres having built up area over 12.3 lakh sq ft. The administration under the wings of DGS&A is supported by the teams of various sections e.g. Engineering & Project, Purchase, Security, Admin, Housekeeping, Horticulture, Transportation etc.

The DGS&A portfolio encompasses a bouquet of services ranging from developing a new infrastructure projects, addition, modifications and augmentation of existing infrastructure by way of extending Engineering & Maintenance support, catering the need of all types of Purchases, ensuring security of campus always 24x7x365, Estate management, Faculty & Guest House Maintenance, Controlling Central Stores, handling & maintaining a fleet of University transport, Liaisoning with civil and government agencies, extending administrative & logistic support to all functions and activities of the University etc.

The DGS&A position also plays an active role in the 'Student Hostel' through GHSPL and 'Chef on Wheels' (the agency which provides catering services). Management of Creche facility and allotment and supervision of MUJ Shops also falls under the purview of DGS&A.

Col. Vipul Vikram Mathur
Head General Services
& Administration

SOP

23 well defined SOP's have been put in place covering major departments like Purchase, Engineering & Maintenance, Transport, Admin, Central Stores, Horticulture etc.

- **Solid Waste Management:**

The solid waste segregation yard at MUJ is established to transfer solid waste for recycling on monthly basis. The students at the campus are encouraged to dispose off any unwanted electronics with IT Dept to reduce the amount of waste production. There are more than 740 recycling bins in the campus which are used to collect paper, plastic and aluminium cans, newspaper, and cardboard waste for recycling. The university diverts more than 50% of its waste to landfills, but it aims to reach 70% in coming years.

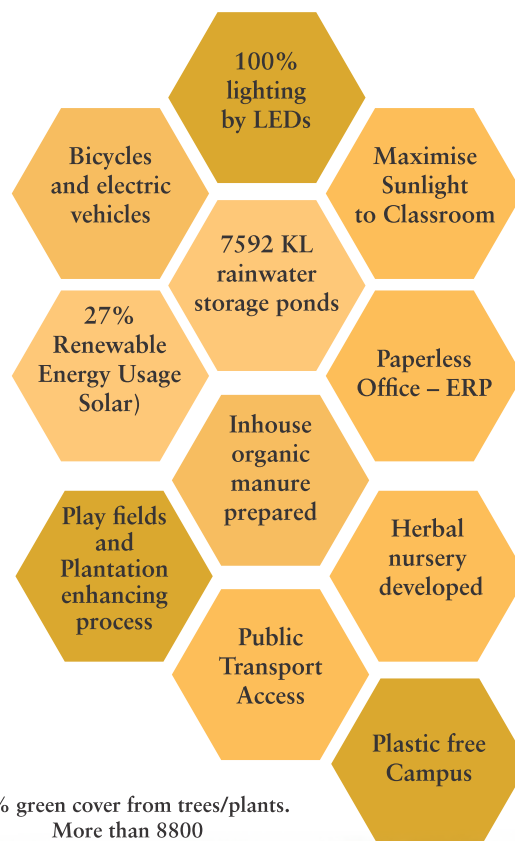

- **Liquid Waste Management:**

The system is in place at MUJ where in entire waste water of MUJ is being recycled. Approximately quantity of 63506 KLD (average) wastewater is treated through 4 STPs (740 KLD Plant) is 126529 KLD. The entire treated wastewater is used for toilet flushing, gardening, lawns etc and sillage used to produce manure for gardens.

- **E-Waste Management**

The campus e-waste is transferred for wiping or recycling to the local vendors on monthly basis. Examples of electronic waste are TVs, Computer Monitor, Printers, Scanner, Keyboards, Mics, cable, television tubes (CTRs) and kitchen and laboratory equipment.

Green Practice at Manipal University Jaipur

48% green cover from trees/plants.
More than 8800 trees and plants blooming in the campus.

Major Activities

The department is consistently engaged in delivering quality services round the clock. The notable activities of the year are enumerated below:

Events Organised & Supported

- Republic Day Celebration on 26th January
- Independence Day celebration on 15th August
- Diwali Decoration & Lighting

Supported the National level 103rd & 104th Indian Economic Association Conference held at MUJ on short notice with optimum utilisation of own resources the most economically. The chief

guest Hon'ble minister of Govt of Rajasthan especially complimented the cleanliness and upkeep of campus.

Supported the NBA accreditation with facts & figures and other administrative support.

An active partner to successful conduction of 7th Convocation.

Major Infrastructure Development

- Old Food Court renovation and foot path extension work completed.
- Experience Theatre Work in Progress
- Developed Moot Court for Law Department.
- Created new laboratories e.g. Cancer Lab, SCIT Lab, AIC Lab, Bio Informatics Lab, R & I Lab for XRD Machine etc.

Cancer Lab

XRD Lab

Chemical Engineering Lab

Bio Informatic Lab

Moot Court 2AB-208

Experience theatre work in progress

Major Milestone

Sourcing of an ex import sophisticated instrument called XRD worth Rs. 2.5 Cr from Japan for MUJ Research & Innovation.

- Organising and arranging for vaccination thereby 100% vaccinated staff at MUJ.
- Providing road side assistance to desperate calls and road accidents
- Added new Innova Crysta SUV to the fleet of transport.
- Effective measures adopted like auto dispensing sanitization machines placed, routine fogging of staff sitting place done to fight with CORONA VIRUS.
- Support for implementation of covid protocol and Its appropriate behaviour guidelines.

EHS Trainings at Site

- MUJ is continuously achieving > 80% EHS excellence score since last two years to better earlier 75% EHS. To successfully achieve the target, MUJ has been providing different training and educating members towards safety and spread awareness amongst them to accommodate their best efforts to make target easier.

Human Resource

About Human Resource

The HR department at MUJ drives strategies around Talent, Culture, Process Excellence and Organizational effectiveness. The entire HR process and framework are built and dovetailed towards University & Academic perspective to drive efficiency in the areas of talent acquisition, development, management and engagement, research outcomes, building process excellence towards University quality framework like NAAC, NBA, NIRF and other rankings.

The HR at MUJ is nimble and firmly believes the culture of the organization is key for the success and also to create a High-Performance Culture. Hence the entire HR framework revolves round the Vision & Values of the University.

The HR at MUJ welcomes talents who are young and aspiring to be part of this journey.

Mr Sridhar M S
Head HR

HR Initiatives: L&d and Employee Engagement

- Learning & Development activity remains paramount for all employees for skilling and reskilling
- MUJ has successfully completed total 22 L&D and Employee Engagement activities in the last year totaling around 4700 man-days.
- Key programs include- Employee Wellness Program, Employer Branding, Academic Leadership Development Program, Blended Mode of Academic Delivery, Transformation on Digital Technology, and various other skill enhancement programs.

Key Initiatives

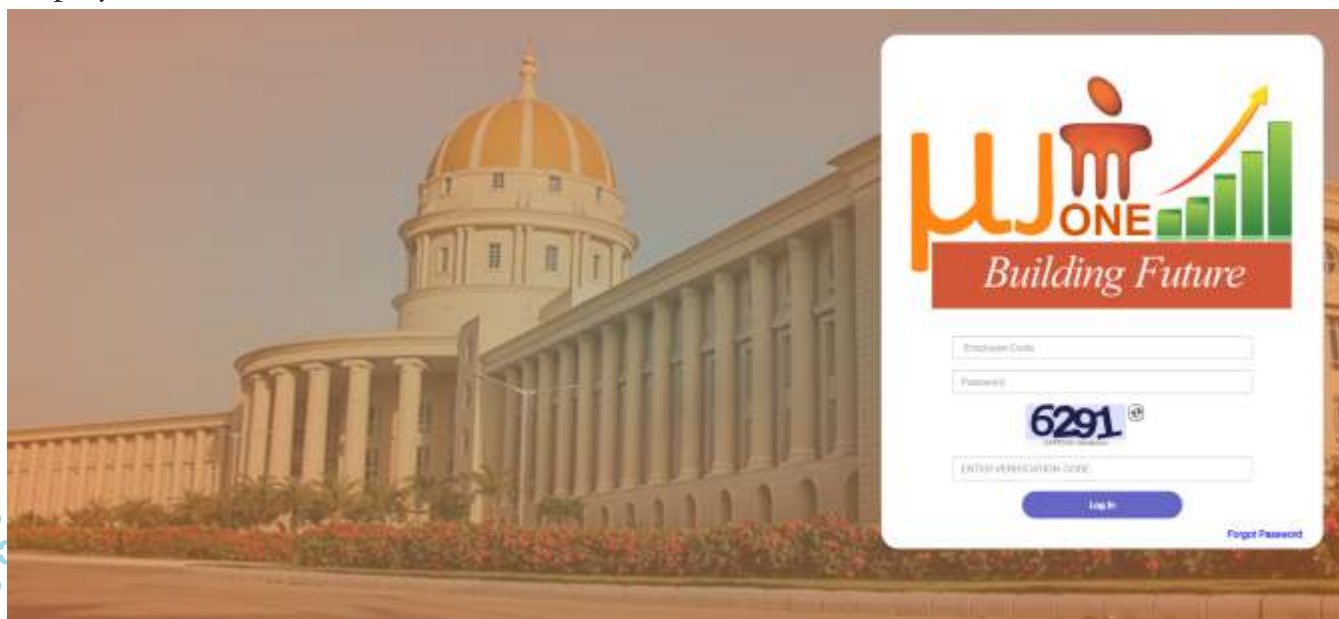

Employee Wellness Program

As a part of employee wellness program and keeping the safety & wellbeing of our employees & their immediate family members on top priority, we extended a “cashless COVID-19 vaccination drive” for Employees and their immediate family members (spouse, dependent children, dependent parents / dependent parents-in-laws) in collaboration with our group hospital Manipal Hospital-Jaipur.

- Awareness program on Covid Vaccination and Vaccination drive for employees & dependents were carried out effective from March 2021
- Several Vaccination drives were carried out with the help of Manipal Hospital and Govt. Authorities.
- Achieved fully vaccinated campus with at least first dose for all categories of employees by 10th Sep, 2021.

Employee Service Platform

MUJ has digitally integrated new HRIS Software and launched our inhouse created platform named as MUJONE for providing seamless HR services to all employees through the Employee service platform for better employee experience and engagement.

International Women's Day Celebration-2021

Manipal University Jaipur (MUJ) strongly believes in Equal Opportunity Employer. MUJ celebrated International Women's Day (8th March 2021) with all employees & students which sets the agenda for realizing women's rights and honoring their achievement. Women are the real architects of the society and International Women's Day was celebrated in grand way welcoming all female co-workers of University.

Dress Theme of the women's day was Pink and Blue color and all women were welcomed in the Indian tradition with a rose and provided with complimentary snacks coupon.

Women achievers in the field of Housekeeping, Horticulture and Security services were felicitated by our Chief Guest along with our Hon'ble Pro-President and Registrar on this great day recognizing their adherence and achievements.

EMPLOYER BRANDING

- Manipal University Jaipur initiated the journey for creating “Great Places to Work” through Employer Branding Activity.
- Employee Value Proposition has been adopted along with various pillars which are distinctive based on the current values at MUJ

IT Infrastructure

About Central Library

MUJ boasts of state-of-the-art IT Infrastructure, offering world class IT service to university core functions, directorate, students, and business users. MUJ IT is accountable for enabling best in class application, tools & technology platform to sustain with HES policies, business vision and accreditation framework. MUJ IT backbone built with 2 tier-3 In-house Data Centre that equipped with robust multi-level Internet link with strong ISP backup, World class core CISCO Network backbone product (Firewall, routers , Switch), High End threat management, Anti-Virus and end point security devices digital footprint through Business ERP, Student life cycle Web portal,.

MUJ IT Infrastructure covering all aspects of the managing and processing of information systems also having IT enabled E-Library High processing and Multi-tasking LAB, including PARAM Chawak. It is based on In-house as well as outsourced support, through MaGE, DVoIS and Dimension Data, Velocis.

Mr Jamnabprasad Jamine
Head, IT Operation at Glance

Hardware

- 50 Servers including Inhouse-Virtual platform,
- 5 Servers on AWS and Microsoft cloud
- CDAC Paramshavak Supercomputer
- 155 High performance workstation machines
- 1338 Desktop Computers and Workstations
- 700 Laptops (700 MUJ staff)
- 205 LCD Projectors +
- 800 IP Telephones
- 180 Printers and Reprographics
- 160 CISCO Network switches
- 1320 Intelligent Wi-Fi Cisco Access Points
- 3 Video Conferencing systems including Cisco SX-80/DX-80 Based
- 35 Smart phones
- Virtual Classroom Based on Cisco SX80 Tele presence System.

Software

- 80 Application and Microsoft windows licensed Software's
- 8 Operating system - Unix, Linux, Microsoft OS, Mac-OS
- Microsoft Dynamics ERP enterprise product licenses
- Microsoft O-365 Enterprise platform for MUJ staff
- Addon to KOHA Easy lib for Library with OPAC tool
- MUJ-ONE HRMS for HR
- RMS- As In-house Research application

IT Infrastructure & technology blueprint

- Robust and world class IT Infrastructure having more than 7000 end points
- High availability WAN link -2.2 Gbps (2 Gbps+ 200 Mbps), through different ISPs like Airtel, BSNL, Reliance.
- 355 Mbps Internet link for faculty and staff.
- Business ERP (Microsoft Dynamic NAV2016) for university core functions
- Easy, Simple and secure Digital footprint system for faculty engagement.
- Enabled Tier -1 threat detection and Anti-Virus end point security platform
- Digital Student Life Cycle Management- SLCM
- High end Network security firewalls and gateway is on CISCO and SOPHOS product
- RMS as a Services for - Research & grant etc.
- Unified collaboration solution using MS TEAM, WebEx and Polycom etc.
- Online education platform through MS Team and O-365 functionalities.
- IP Surveillance system with IR and Night Vision with 750+ Cameras-
- Central Computing Facilities for placement drive and common internet access point.
- Supper computing through CDAC Paramshavak
- Enterprise E-mail on MS Office365
- Wi-Fi facility throughout the campus with more than 1300 Cisco 702i Aps
- Library access through KOHA Cloud
- Automated IT service System

Key Initiatives by department

- Easy, simple and Secure IT Services from HOME - through VPN for business users
- Resilience building through Multiple Internet Network gateway
- Online Education tools & Technology enhancement- through MSTEAM
- Enabling high Computing MSRC -LAB and DATA Science Lab
- Collaborative messaging services in T& P- Setup Video Conferencing facility
- IT LAN Reliability improved through Consolidation of Core Network devices & DC services.
- Deployed Internet gateway for service enhancement and application level filter.
- Enabled IT facility at faculty housing – FH-1/ FH-2
- Upgrade Business ERP platform and Support desk tools.

Directorate of Online Education (DoE)

About the Directorate

DOE established in 2019-20 to support learners who wish to pursue HE in online mode. Directorate offers UGC/AICTE recognised programs delivered in online mode. Graduation and Post-graduation programs in Management, IT, Commerce & Journalism. For the Academic year 21-22, 9199 learners have enrolled to program offered in ONLINE mode.

Dr Mallikarjuna Gadapa
Director

FACULTIES

FACULTY OF ARTS & LAW

Faculty of Arts & Law

Dean's Message

Manipal University Jaipur's Faculty of Arts and Law (FoA&L) believes in the most effective and efficient learning methods. It's critical to plan and facilitate more exciting, difficult, and intriguing lessons if you want to engage learners. The faculty is divided into three schools: the School of Law, the School of Media and Communication, and the School of Humanities and Social Sciences. It includes seven departments that provide Ph.D., PG, and UG courses.

Participative learning is at the heart of FoA&L's pedagogy. The faculty places a high emphasis on real-world learning and has a strong international orientation. The students at MUJ acknowledge that knowledge comes with the responsibility of translating it into creative citizenship. Faculty members at FoA&L go above and beyond to ensure that students not only gain professional competence and the ability to assume leadership roles with efficiency but also break down barriers to success.

School of Humanities and Social Sciences

About the School

School of Humanities & Social Sciences (SHSS) promotes education in the humanities and arts in various subject areas, and is a world-class centre for humanities teaching and research. It offers programs in Economics, English, Psychology, Physical Education etc. through various departments.

The rich experience and intellectual diversity of dedicated faculty, help students to nurture lifelong learning, making them socially responsible, inculcating leadership skills, and professionalism. The School aspires to cultivate passion for lifelong learning in students of diverse groups to be responsible citizens of the inclusive society. The school is committed to excel in teaching, learning, and community outreach.

Department of Arts

About the Department

Art is that by which we “art”iculate our lives. The Department of Arts, consisting of Philosophy, Physical Education, Liberal Arts, Political Science and Sociology seeks to enhance and effect this articulation in unique and creative ways through its specially designed programs.

Humans have the privilege of walking on earth under the sky. Philosophy, as not only “love of wisdom,” but also “wisdom of love,” endeavors to assist the humans to participate in this walk integrally, lovingly and joyfully. The department of Philosophy strives to provide a much needed interdisciplinary and intercultural orientation in this journey.

Since a healthy body is necessary for a healthy mind, physical education as a discipline is intimately concerned with human development along with other educational disciplines.

Political Science is the study of the Government, polity and the State using scientific methods. It is, thereby, a study of political activity and behaviour.

Sociology is the study of human society, which gives a deep insight into the working of social institutions, social relations and human behavior at large.

Department of Economics

About the Department

The Department of Economics provides a strong foundation in economic theories and principles but with a particular focus on examining their relevance to business and managerial situations. Students are asked to analyze the international as well as national economic environment and to assess the impact of external factors on micro and macroeconomic performance and public policy. Along with in depth knowledge in the subject the students are also made accustomed with practical knowledge of computer along with some relevant software in different semesters. Training in communication skills, Research and paper writing are also the part of course module.

Department of Languages

About the Department

The Department of Languages at Manipal University Jaipur is committed to the promotion of critical thinking, humanistic values, connectivity amongst cultures and linguistic competence, through its various programmes in the domain of literature and language. It nurtures an international, multi-lingual and interdisciplinary approach towards academics. The faculty members of the department come from diverse and vibrant academic backgrounds, making the department versatile in its approach and function. Special lectures, workshops, and seminars are organised by the Department to ensure updating in the domain for students, research scholars and faculty members.

The BA Honours programme in English prepares students to develop and upgrade their language competence, gain training in critical inquiry and debate, and develop their literary sensibility through courses in Literary Criticism, British Literature, American Literature, Indian Writing, Women's writing, Linguistics and Literature of the Indian Diaspora.

The Ph. D Programme of the Department of Languages caters to research scholars in English and in Hindi. Scholars, both regular and part-time, are encouraged to take up cutting-edge researches in socially relevant, interdisciplinary areas of research and in new fields of inquiry. Faculty members are doctoral supervisors on a variety of research topics, drawing on theoretical perspectives ranging from the traditional to the contemporary.

The Department of Languages runs a Certificate programme in German. German and French courses are taught in different faculties with a view to preparing students for exchange programmes and work opportunities abroad.

Another important function of the Department of Languages is to provide modular language skills and training to students enrolled in different programmes. The department is committed to develop professional standards of communication in students across various disciplines.

Department of Psychology

About the Department

The Department of Psychology at School of Humanities and Social Sciences was established at Manipal University Jaipur, in 2012. It offers programs at various levels from under-graduation to PhD in psychology. The department aims at providing the psychology students with theoretical foundation and practical knowledge in the areas of organizational psychology, counselling psychology, clinical psychology, military and forensic psychology, as well as the upcoming fields such as positive psychology, health psychology and environmental psychology.

The three year B.A/B.Sc. Honors degree in Psychology (6 semesters) is an eclectic mix of pure and theoretical psychology as well as practical and applied psychology. The students along with in depth knowledge of Psychology are also made well versed with practical skills. Courses on SPSS in 2nd semester, Projects etc are a part of the curriculum of undergraduate programmes. The students are trained for psychological testing and assessment in a well-equipped psychology laboratory. The post graduate programme of MSc Clinical Psychology has been designed keeping in view the need of the hour and globally relevant curriculum to make the graduating students industry ready.

School of Media & Communication

About the School

The growth of Communication and Media Studies beyond their epistemic and ontological boundaries is internationally acknowledged and explored for establishing a system of democratic global community.

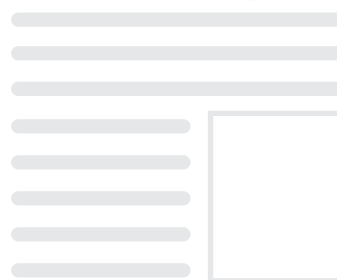

For proliferating the same vision among learners, Manipal University Jaipur established the School of Media & Communication in the year 2012 with BAJ&MC program. The MAJ&MC and Doctoral programs started in the later years.

The school provides a scholarly cum creative environment, supported by advance infrastructure, unique integrated curriculum, highly experienced and qualified faculty. SMC endeavors to combine innovative practices and technology with the traditional pedagogy to groom learners into proficient members of the global community.

Department of Journalism and Mass Communication

About the Department

The department of Journalism and Mass Communication offers a full-fledged undergraduate, postgraduate as well as doctorate program covering all the major areas of Journalism, Communication and Film Studies. The programmes have unique holistic curriculum, placement process, lively co-curricular activities (theatre, dance, music, cinema, literature, debate etc.) and an ambience which encourages students to scale new heights in their areas of interest with a firm root in social sensitivity. The department has well-known industrially skilled and scholars of their specific domain. The faculty also stands for advanced contemporary course in Journalism and Mass Communication.

FACULTY OF DESIGN

Faculty of Design

Dean's Message

Manipal University Jaipur's Faculty of Design (FoD) was founded in 2014 with the goal of cultivating a spirit of industry readiness as its fundamental strength. The faculty has evolved through time into two schools: the School of Architecture and Design and the School of Planning and Design.

The Faculty of Design is supported by excellent infrastructure, intellectual capital within the faculty, and institutional partnerships, as well as recognition from professional societies and high rankings from national accreditation bodies, in keeping with the Manipal Group's legacy of providing quality education to its students. The faculty of Design now provides graduate and postgraduate degrees.

Dr Anuradha Chatterjee

School of Planning and Design

About the School

School of Planning & Design (SP&D) at MUJ is home for the best in-class infrastructure to nurture Design education. SP&D aims to foster creativity and innovation for an intellectually satisfying learning environment as well as to establish MUJ as a globally preferred destination for students, faculty, researchers, and other stakeholders. SP&D constitutes of three departments viz Department of Fashion Design, Department of Fine Arts and Department of Interior Design. The Key features of the programmes include their multidisciplinary nature interconnecting them with the fields of spatial Planning, architecture, engineering, geography, economics, sociology, management, history of design, furniture, traditional crafts, forecasting & promotion, animation, cartoon filmmaking, illustration, painting, poster making, photography, casting, visualization and ornament designing strategies to name a few. Adequate emphasis has been given to practical, projects and research, where students have opportunity of hands-on experience. Seminars, conferences, workshops, guest lectures, exhibitions, fashion shows, site visits, and study tours are organized from time to time. Good number of electives have been introduced to prepare the students for further studies in the area of interest. Project-based teaching enables students to think creatively and fully integrate their understanding with the market. The curriculum has been designed in line with industry demand & choice-based credit system (CBCS) with option of open electives. The Entrepreneur Cell set up by university gives students a platform where they can establish their very own start-ups.

Department of Fine Arts (Applied Art)

About the Department

Department of Fine Arts (Applied Art) aims to develop the students academically as well as professionally. Highly qualified and experienced faculties is providing an exceptional learning experience that empowers, encourage and nurture the students artistically to reach their highest potential in the area of applied art. The department help students discover and develop their unique skills and talents to achieve international standards of excellence in the field of visual communication design. Department maximizes student learning through active schedule of numerous artistic workshops, guest lectures, industry visits, professional practices, educational tours, annual exhibition.

University has number of National & International MoU's and we provide a student exchange programs with Foreign Universities for developing sustainable global collaborations.

Department of Fashion Design

About the Department

The department started in 2013 and has churned out more than 120 fashion designers placed in quality industries across India. The department runs four years of undergraduate program, wherein the curriculum is industry based and the experts from the relevant fields guide the students throughout the program. The department boasts of state-of-the-art infrastructure, laboratory equipment and separate library. The students get enough exposure to the craft clusters, fashion shows and field visits helping them to design garments as per the need of the market. Almost all the faculty are pursuing their doctoral research and have been exposed to the industry and institute.

The department has collaboration with international institutes for student and faculty exchange programs.

Department of Interior Design

About the Department

Department of Interior Design was established in 2015 with the objective of providing the students a foundation of knowledge and skills in all the areas of interior design, interior decoration, and furniture design. The students are trained under the design verticals like hotels and resorts, housing, retail, institutions, offices, heritage, recreation, and hospitals. The course allows the students to become competent professional in this current aggressive market by providing them exposure through field trips, industry visits, hands on experience, live installation sessions, workshops, and seminars. Students learn to use 3D softwares and computer aided drafting softwares which will help them to visualize their ideas and concepts. They also explore interior design from many points of view, giving importance to creative thinking. Faculties are professional designers, architects and artists who are offering their profound knowledge of the respective field. The students are placed in interior design firms, furniture design studios, architecture studios, MNCs & Corporates.

The department offered 24 Courses having focus on Employability / Entrepreneurship/Skill Development and also collaborated with Institute of Indian Interior Design for research and development

FACULTY OF ENGINEERING

Faculty Engineering

Dean's Message

Manipal University Jaipur's Faculty of Engineering (FOE) is divided into four schools: School of Automobile, Mechanical, and Mechatronics Engineering, School of Civil and Chemical Engineering, School of Computing and Information Technology, and School of Electrical, Electronics, and Communication Engineering. The FOE is a collaborative effort amongst teaching professors, staff, students, and administration to impart information and promote excellence.

FOE's plethora of resources stems mostly from the faculty's belief and desire to carry out their goal. This comprises a rare combination of talent among its faculty, cutting-edge resources, and assistance to guarantee that students are allowed to experiment, take risks, develop, and work on ideas. We are brought together by our great desire to advance in our fields of expertise. Our belief in working for a better future in Science and Technology excellence also keeps us in sync.

The Faculty of Engineering provides access to a vast amount of information, allowing for academic excellence and innovation while helping our students, our most valuable assets.

Dr Jagannath Korody
Dean, FoE

School of Automobile, Mechanical & Mechatronics Engineering

About the School

The School of Automobile, Mechanical and Mechatronics Engineering (SAMM) is instituted with a well-defined vision of achieving international repute in education, training and research in the core and allied fields of Mechanical Automobile and Mechatronics Engineering. The school offers basic and advanced training programs to its students and exposes them to related research in contemporary and futuristic technologies, by way of continual improvement and consistent innovation in material and intellectual infrastructure. In SAMM, it recognises the developing sustainable industrial requirements.

The SAMM focus on advanced "smart" ways of technological applications, contributing to the socio-economic growth of the nation, with seamless integration of diverse engineering facets of the industry.

It aims to cultivate core competencies and keep our students abreast with basic & applied research.

Dr Shivaprasad H C
Director

Department of Automobile Engineering

About the Department

Department of Automobile Engineering was established in the year 2012, offering B. Tech degree with an annual intake of 60. The objective of the department is to impart quality education through updated curriculum to meet the changing requirements of automotive industry and preparing graduates to contribute to the society with technically and commercially viable solutions. Department is equipped with well qualified faculty and state-of-the art laboratories to develop Electric Vehicles and alternative fuels, workshop for testing and diagnosis of IC Engine and transmission system in addition to conventional labs such as material testing and CAD/CAE labs along with necessary Softwares. The faculty is actively involved in research and development of alternative fuels, nanomaterials for automotive tyres and battery system for electric vehicles. Students have enough opportunities for working on projects and internships in automobile industries and research institutes to become industry ready engineers. The department has MoU with BOSH and Automotive Skill Development Council, India for skill certification to increase employability of our students. The department has MoU with ESTACA, University in Paris which provide opportunity to study VI semester in France with tuition fee waiver. Department has vibrant student clubs such as SAE India and Road Safety Club in which students design and build vehicles in-house to showcase their talent in SAE competitions at national level such as BAJA, Effi Cycle and Electromotive. Department also facilitates and mentors our students who are interested in start-ups through our Atal Incubation Center, the only center in Rajasthan funded by Govt. of India.

Department of Mechanical Engineering

About the Department

The Department of Mechanical Engineering was established in Manipal University Jaipur in 2011. Mechanical Engineering is one of the major streams in the engineering profession and its principles are involved in the design, study, development and construction of nearly all of the physical devices and systems. Mechanical Engineering degrees are rooted in the real world of industry and the rapidly evolving needs of the engineering sector.

Mechanical Engineering degree equips students with knowledge and skills across a wide range of Mechanical Engineering topics. A degree in Mechanical Engineering is the basis for a career in a profession that offers an extremely wide choice of employment.

Department of Mechatronics Engineering

About the Department

The Department of Mechatronics Engineering was established at Manipal University Jaipur in 2012. The aim of the department is to train the students in design and development of Mechatronic systems, Industrial automation, and Robotics to cater various core disciplines of Engineering. Mechatronics is a multidisciplinary field of engineering with an integrated curriculum designed to provide a broad-based education in the disciplines of Electrical, Electronics, Computing, Mechanical and Control Systems. With continual integration of diverse engineering elements of the sector, the Department also concentrates on sophisticated technical applications, ensuring the nation's socio-economic development.

Its goal is to promote key skills and keep our students up to date on basic and applied engineering as well as research.

School of Chemical and Civil Engineering

About the School

The School of Civil & Chemical Engineering (SCCE) is instituted with a well-defined vision of achieving international repute in education, training and research in the core and allied fields of Civil & Chemical Engineering. The school offers basic and advanced training programs to its students and exposes them to related research in contemporary and futuristic technologies, by way of continual improvement and consistent innovation in material and intellectual infrastructure.

In SCCE, we recognize the developing sustainable industrial requirements. We focus on advanced "smart" ways of technological applications, contributing to the socio-economic growth of the nation, with seamless integration of diverse engineering facets of the industry. We aim to cultivate core competencies and keep our students abreast with basic & applied research.

Dr Bhavna Tripathi
Director

• Chemical Engineering • Civil Engineering

Department of Chemical Engineering

About the Department

The department of chemical engineering was established in 2014 that has been recognized for its significant research contribution on industrial problems such as waste to wealth, porous materials, catalysis, and water treatment. The department works meticulously on the current societal problems in collaboration with the academic and industrial partners to meet the societal needs. The department has recently developed a pilot scale oxygen generator in collaboration with Monash University & Curtin University, Australia and holds a budget of around ₹ 50 million obtained through various funding agencies like DST, SERB and industry. We offer B.Tech (Hons.) program in Petroleum Engineering and Computer Aided Process Engineering and Ph.D. in all major areas of chemical engineering.

We have well equipped dedicated labs to our research and UG programs that cater to the requirements of the students and research scholars.

Department of Civil Engineering

About the Department

The Department of Civil Engineering was established in Manipal University Jaipur in 2011. Ever since its inception, it has been imparting quality education to undergraduate students. The Department presently fosters three PG courses too. A good number of research scholars are carrying out research in various fields. The department aims to meet global changes in development, innovation, and application of technology in the service of humanity. Many highly equipped research-level laboratories are one of the key features of the department.

School of Computing and Information Technology

About the School

SCIT is major school of MUJ with its four UG and two PG programs with commensurate numbers of experienced faculty. Due to large demand in industry, data science is being offered at both UG and PG level. Information Security skills are in huge demand, specially during COVID-19 pandemic, and thus, our PG program aims at addressing scarcity the skills. We also connect with computing experts at large through quality events. Our three series of quality conferences, Smart Systems – Innovation Through Computing (SSIC), Intelligent Communications and Computational Techniques (ICCT), and Innovations in Computational Intelligence and Computer Vision (ICICV) have established themselves well in computing fraternity of India and abroad. Our strong industry partnerships with Amazon, Cisco, Dell, EC Council, IBM, Microsoft, Oracle, RedHat, VMware, etc allows students to participate in their flagship events, beg prestigious internships and many turning into placements. Due to such exposure, our students are selected in large numbers by Fortune 500 companies.

Dr Rajveer Singh Shekhawat
Director

The School has three departments:

- Computer & Communication Engineering
- Computer Science and Engineering • Information Technology

Department of Computer & Communication Engineering

About the Department

Department of Computer and Communication Engineering offers integrated expertise in computer science and communication technologies. The department provides emerging subjects like Machine Learning, Internet of Things (IoT), Network on Chip (NoC), Advance Internet Technologies, Soft Computing Techniques etc. The Department is committed to offer conducive environment for learning with the aim to inculcate problem solving within students.

Department of Computer Science and Engineering

About the Department

The Department of Computer Science and Engineering established in the year 2011, is accredited by National Board of Accreditation (NBA) for 3 years. The department offers UG level Programs as B.Tech. (Computer Science and Engineering), B.Tech (Artificial Intelligence and Machine Learning), PG Program as M.Tech. (Information Security) & PhD.

The aim of the department is to produce versatile students making them ready to be employed in industry/Government Sector/Higher Education/Research & Development/Entrepreneurship from the day one and capable of cross disciplinary collaboration. The department strives for stronger partnerships with industry, the research community, and other educational institutions. The department is manned by 39 qualified faculties, many of them having industrial exposure. The department caters to the requirements of the students in almost all the engineering and other non-engineering disciplines of the University. It aims to become a Centre of excellence in providing in-depth technical knowledge and opportunities for innovation and research with state-of-art computer facilities. The aim of the department is to produce versatile students making them ready to be employed in Industry/Government Sector/Higher Education/Research & Development/Entrepreneurship from the day one and capable of cross disciplinary collaboration. The department strives for stronger partnerships with industry, the research community, and other educational institutions.

Department of Information Technology

About the Department

The Department of Information Technology was established at Manipal University Jaipur in 2012. It caters to the requirements of the students belongs to the branch of Information Technology discipline of the University. The department aims to become a center of excellence in providing in-depth technical knowledge and opportunities for innovation and research with state-of-the-art computer facilities and to produce versatile students making them ready to be employed and capable of cross disciplinary collaboration in industry/government sector/higher education/research and development/entrepreneurship. The Department strives for stronger partnerships with industry pertaining to Networking/Big Data Analytics/Semiconductors etc., research communities like IEEE/CSI/ACM/NVIDIA and other educational institutions.

The Department offers 37 courses focusing on Employability/Entrepreneurship/Skill Development.

It also offers value added courses imparting transferable and life skills, besides the department has introduced one new course also. The Department partner with 110 institutions/ industry for projects and other industry linkages.

School of Electrical, Electronics & Communication Engineering

About the School

School of Electrical, Electronics & Communication Engineering (SEEC) started in the year 2011. It shares the mission and the vision of the institution in imparting high quality education and practical aspects to the students. SEEC is offering various programs at UG, PG and Ph.D. level. The broad emphasis of the teaching at SEEC is design aspects and modern trends of Power System, Power Electronics, Electrical Machines, Control Systems, Electronic devices, Data Communication, Microwave and Antenna etc. SEEC has highly qualified, committed and research-oriented faculty members working in the cutting-edge research areas related to electrical and electronics & communication engineering. The laboratories are well equipped with State-of-Art facilities in diversified field such as Electrical Machines, Power Systems, Control Systems, Advanced Power Electronics, Electrical Measurements, Communications, Microwave and Antenna. SEEC have large number of M. Tech and Ph. D scholars, they are dedicatedly working in the cutting-edge areas. The school have sufficient number of state-of-art laboratories in addition to the curriculum labs to assist the faculty and research scholars to work in the recent technological problems.

Dr Jamil Akhtar
Director

• Electrical Engineering • Electronics & Communication Engineering

Department of Electrical Engineering

About the Department

The Department of Electrical Engineering was established 2011. It aims to offer few comprehensive and interdisciplinary courses in Electrical, Electronics and Computer Engineering enabling students to pursue higher education or professional careers in their field of interest. The department is envisioned to cover some of the latest technologies and cutting-edge domains to the curriculum such as renewable energy sources, electric vehicle technology, control systems, robotics, automation, power electronics & drives, power systems and many more. Moreover, with unique blend of electrical and computer engineering background, the students would shape their future through combining the innovation of latest software tools like machine learning & deep learning, Internet of things, Blockchain technologies, data analytics with electrical systems. It further enables the engineering professionals to design, develop systems that serve everyday needs of society through building real-time embedded systems for the advanced design and reliability of commercial products. An Electrical Engineer, equipped with a broad background in Computer Engineering, would enter in an exciting and unlimited opportunities in industry, government, and higher education. The department has well equipped Laboratories and provides platform to the students and research scholars to carry out all the practical experimentation. Department of Electrical Engineering has best-in-class Technology platforms for Power System Laboratory, Electrical Machine Laboratory, Control & Automation Laboratory, Integrated Electronics Laboratory, Microcontroller & System Simulation Laboratory and Power Electronics & Drives Laboratory.

Department of Electronics & Communication Engineering

About the Department

The Department of Electronics & Communication Engineering(ECE) , Manipal University Jaipur is a centre for advanced research and teaching. The department aims at becoming a leading department that has introduced courses to students that covers larger domains of curriculum such as robotics, imaging, RF engineering, Low power VLSI, MEMS, nanotechnology, microwave engineering and antenna, microchips and many more.

VISION

Global leadership and excellence in academics and research in electronics and communication engineering

MISSION

- To deliver a competitive academic curriculum for intellectual growth and multi-disciplinary skill acquisition
- Promoting quality education, scientific awareness for future endeavors in higher education and career in electronics and communication industry
- To cater to the need of promoting leadership and professionalism with human values

Department of Commerce

About the Department

The department offers two undergraduate programme and one post graduate programme. The commerce programme at MUJ has been designed to address emerging market needs and ensure excellent job opportunities. It aims to provide the students with a wide range of skills and competencies in the area of commerce. The programmes equip students with the knowledge of accounting principles, export & import laws, economic policies, and other aspects that impacts trade & business. The department has been collaborated with ACCA (Association of Chartered Certified Accountants) UK for the program B. Com (Hons.) in accounting, which provides the students with various certificate courses.

Department of Hotel Management

About the Department

Hospitality, tourism, and service operations have become the epitome of success and are three very similar fields that are often clubbed under the academia of 'Hotel Management'. The department offers excellent career opportunities in a wide range of industries like hotels, restaurants, travel & tour, event management, airlines, cruise lines, and other service sectors. It has a strong industry connection and provides on-job internships and placements to students in India and abroad.

TAPMI School of Business

About the Department

TAPMI School of Business (TSB) has been established with a vision to make it a world-class centre of excellence in management education.

TSB is one of the top emerging B- Schools in the country. It imbibes excellence in management education in its entirety. TSB is an institution that believes in making business education highly relevant in the global context, through constant course updates, regular industry interaction and hands-on exposure. It emphasizes experiential learning. The learning environment, curriculum, ambience are conducive for the all-round growth of students.

FACULTY OF SCIENCE

Faculty of Science

Dean's Message

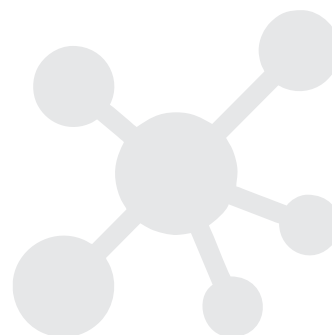

The School of Basic Sciences at Manipal University Jaipur offers undergraduate, postgraduate, and research/PhD programs in physics, chemistry, biosciences, statistics, mathematics, and computer application. Under the aegis of FoS, there is a school and four departments.

FoS is a research-intensive organization, pertaining to the research studies making up most of its resources. Undergraduate and graduate education are inextricably linked to science and education is at the forefront.

The Faculty of Science has a strong commitment to conducting research that improves our real knowledge of the cosmos, which is crucial for laying the scientific groundwork for more pure research.

Dr A K Mukhopadhyay
Dean

• School of Basic Sciences

School of Basic Sciences

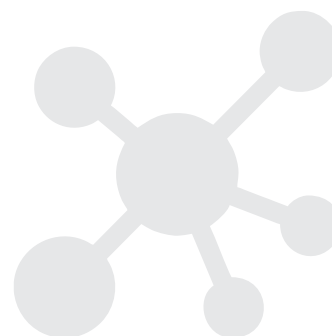

About the School

The School of Basic Sciences endeavour to impart education of fundamentals so that students can well appreciate the particulars of day-to-day problems and attempt to solve applied problems in real life situation. The School of Basic Sciences is well equipped to carry out both teaching and research through its various Departments i.e., Physics, Chemistry, Mathematics, Bioscience and Computer applications. School of Basic Sciences is a blend of experienced teaching methodologies accompanied by best-in-class infrastructure and state-of-the art laboratories that supports and exhibits the practicality of the enriching syllabus that the school offers. The school is committed to imparting knowledge in pure sciences, which not only forms the foundation for further academic pursuits in science and technology but also acts as the foundation for students to pursue a career in research and higher-level teaching.

Department of Biosciences

About the Department

Department of Biosciences was established in the year 2012 with an integrated approach towards higher education, research and development in diverse areas of Life Sciences. The department offers programs at Under-Graduate (BSc) and Post-Graduate (MSc) level in Biotechnology & Microbiology. The BSc (Hons) Biotechnology & BSc (Hons) Microbiology programs are specifically designed to learn about the fundamentals properties of living organisms and their impacts on the quality of life. The department follows the Choice Based Credit System (CBCS) approved by the UGC and offers various Discipline Specific Courses, Skill Enhancement courses and Programme Elective Courses in all the programs. The PG course (MSc Biotechnology) is specifically designed to groom the students for advanced research and development. The department also offers PhD programme in different field of biological sciences such as Experimental Morphogenesis, Bioprocess Engineering and Downstream Processing, Nanotechnology, Bioinformatics, Structural Biology, Microbial Fuel cell Technology, Cancer Biology, Metabolomics, Molecular Biology and Animal Cell Culture etc. The department aims to meet the targeted demands to cater the requirements of biotechnology/ biopharmaceutical/ agriculture/microbiology-based industries apart from fundamental research. The Department train students as per the current requirements of industry and academia. Students are provided an opportunity to carry on research projects which may help them to grasp independent projects in future.

To enhance the research outputs, the department has done MoUs with different universities, industries and research institutes. The department has received external findings in the form of research grants from various agencies such as, DST Rajasthan, DST-SERB New Delhi, ICMR, New Delhi, DBT, New Delhi, ROCL, Rajasthan, DST-Imprint and NMPB, New Delhi. Department of Bio Sciences offers 58 Courses having focus on Employability/Entrepreneurship/Skill Development and introduced 2 Value-added courses.

Department of Chemistry

About the Department

The department of chemistry was established at Manipal University Jaipur in 2011 with a goal to fulfil the gap between industry and academics by providing students one of the best and updated curriculum and ensuring the seamless dissemination of technical practices among students. The department of chemistry caters the need of the chemical industries across the globe by providing in-depth technical knowledge and opportunities for innovation and research with state-of-the-art laboratory facilities to students. The department of Chemistry offers one of the most panoramic curriculums ranging from basic concept of chemistry to advanced subjects associated to organic, Inorganic, physical, analytical and material science etc. The course curriculum is devised keeping in mind the needs of the chemical Industry sector. The Department of Chemistry has a long-term association with Industry and research communities.

Department of Computer Application

About the Department

Department of Computer Applications offers two courses Bachelor of Computer Applications (BCA) & Master of Computer Applications (MCA). Duration of BCA is 3 years & MCA is of 2 years. These courses are among the most popular courses in India, these courses are favored by students who wish to make their career in IT Industry. The Department of Computer Applications prepares students to design, develop and implement software applications. Department of Computer Applications emphasizes on the latest programming languages, cutting edge technologies and tools to make the students ready for the IT Industry. The department aims to become a center of excellence in providing in-depth technical knowledge and opportunities for innovation and research with state-of-the-art computer facilities and is to produce versatile students making them ready to be employed and capable of cross disciplinary collaboration in industry/government sector/higher education/research and development/ entrepreneurship.

Department of Mathematics & Statistics

About the Department

Department established since the inception of the University. The mandate of the department is to conduct the courses for the students of Science, Engineering, Arts, Management & Commerce. There are twenty-three full-time regular faculty members who are deeply engrossed in teaching-learning, research, and mentorship. The department strives for a balance between teaching, research, and student development. Currently, 64 scholars are enrolled in the Ph.D. program. The students are exposed to comprehensive theoretical & practical knowledge through its academic curriculum and teaching-learning pedagogy. The Department enables students to excel in the areas of pure as well as applied Mathematics and Statistics. In addition, the department frequently conducts expert lectures, guest lectures for the benefit of students and faculty members as well. The students showcase their talent by developing several working models/posters and presenting them in various prestigious national and international events.

Department of Physics

About the Department

The Department of Physics offers B.Sc., M.Sc. and Ph.D. programs with syllabi designed as a combination of core sciences & interdisciplinary sciences by adopting Choice Based Credit System (CBCS). We have faculties with research interests ranging from experimental to theoretical aspects of condensed matter physics, material sciences and engineering, plasma physics, biophysics and Nanoelectronics. The department has faculty strength of 13 members, 2 technical assistant and 1 lab technician for the laboratories. There is a synergetic connection and collaboration with professional and industrial leaders for Guest Lectures/Expert talks & Training. The Department enhances scientific knowledge as well as skill and ability of the students, motivating them to think critically, helping them to act independently and to take decisions according to scientific pursuits and other endeavours. It strives to empower its students and faculty members to contribute to the development of society and nation. Our mission is to inspire & transfer lives of our students by providing them innovative learning experience that prepares them to thrive in dynamic & competitive world. Department has state of art Labs for its B.Sc. as well as M.Sc. programs. In particular, the department is proud of fully equipped Labs e.g. Electronics Lab., Spectroscopic Lab., Solid state Physics Lab., Materials research Lab., Nuclear Physics Lab, Optics Lab.

मणिपाल विवि जयपुर का सातवां दीक्षांत समारोह सम्पन्न

जयपुर, समाचार जगत न्यूज। मणिपाल विश्वविद्यालय जयपुर के ऑन लाइन दीक्षांत समारोह में शनिवार को 38 शोध छात्रों, 139 परस्नातक और 1979 स्नातक विद्यार्थियों ने डिग्री प्राप्त की। इसके साथ ही इन 2156 विद्यार्थियों ने अपनी प्रतिभा के जरिये समाज का ऋण उतारने का संकल्प लिया।

पांच व्यक्तिगत स्वर्णपदकों के साथ विभिन्न पाठ्यक्रमों में 41 विद्यार्थियों को गोल्ड मेडल प्रदान किये गये। समारोह के आरंभ में कुलाधिपति प्रो. के. रामनारायण ने विश्वविद्यालय के सातवें दीक्षांत समारोह के उद्घाटन की घोषणा की। मुख्य अतिथि बीईएमएल बेंगलुरु के प्रबंध निदेशक एवं अध्यक्ष डॉ. दीपक कुमार होता ने प्रेरक उद्बोधन में कहा कि मौजूदा महामारी ने देश में कार्य करने की पद्धति बदल दी है। युवाओं के सामने रोजगार का संकट है। पर इससे लड़ना होगा। उन्होंने कहा कि शेर भी हर बार अपने शिकार में कामयाब नहीं होता है, इसी प्रकार ड्रैगन फ्लाई समय के अनुसार अपनी रणनीति ढाल कर अधिकांश बार सफल होती है। नयी चुनौतियों का मुकाबला करने के लिए अपने आपको निरंतर परखना और बेहतर बनाना जरूरी है। व्यावहारिक जीवन में भी सफलता के लिए चरित्र निर्माण जरूरी है। समय प्रबंधन, डिजिटल अवैयारनेस के साथ युवाओं को गीता का कर्मयोग समझना चाहिये, जो विपरीत

परिस्थितियों के बीच व्यक्ति को विजय दिलाती है।

कुलपति एवं एमयूजे प्रेसिडेंट प्रो. जी. के. प्रभु ने विश्वविद्यालय की हाल की उपलब्धियों का उल्लेख करते हुए बताया कि राजस्थान की पहली नैक ए प्लस यूनिवर्सिटी होने का गौरव एमयूजे को इसी वर्ष प्राप्त हुआ। अनेक उपलब्धियों को अर्जित करने साथ विश्वविद्यालय ने लगातार अपने सामाजिक दायित्वों को निभाया है। पैनडैमिक के दौरान पुलिसकर्मियों को फेसशील्ड उपलब्ध करने के साथ कोविड विशेषज्ञों के ज्ञान को आमजनता तक पहुंचाया गया। उन्होंने केसरी, दर्बंग सहित जानी मानी फिल्मों के प्रोडक्शन में योगदान देने वाले मीडिया विद्यार्थियों सहित विविध क्षेत्रों में मिसाल बन रहे विश्वविद्यालय के

पूर्व विद्यार्थियों को बधाई दी। सभी क्षेत्रों में सर्वोत्कृष्ट प्रदर्शन के लिए स्कूल ऑफ आर्किटेक्चर एंड डिजाइन के विद्यार्थी गौरव ख्योरा को चेयरपर्सनस गोल्ड मेडल और शोध के क्षेत्र में सबसे बेहतर कार्य करने के लिए मैकेनिकल डिपार्टमेंट के राकेश कुमार को प्रेसिडेंट गोल्ड मेडल ने सम्मानित किया गया।

उद्यमिता विकास और नेतृत्व क्षमता के लिए डॉ. केकस्तूरी रंगन गोल्ड मेडल अवार्ड सीसीई के सार्थक अग्रवाल, पाठ्यक्रम से इतर क्षेत्रों में सर्वोत्कृष्ट प्रदर्शन के लिए प्रेसिडेंट मेडल क्षितिज गुप्ता और डिजाइन एजुकेशन एवं रिसर्च के लिए चंद्रावती गोल्ड मेडल प्रेरणा तोतलानी को प्राप्त हुआ।

ROLE OF JOURNALISM

CITY PRESS

An interactive session on 'Role of the Journalist in Shaping Pandemic' was organised with the assistance of journalist, Dr. Vishwam Agrawal on Google Meet on Friday. The session was organised by the School of Media and Communication, Marwari University Jaipur. Dr. Agrawal is an internationally acclaimed, award-winning and reputed story teller and recipient of the National Award in Photography conferred by the Ministry of Information and Broadcasting, Government of India. The session discussed how journalists have been working during the pandemic, the importance of multimedia stories during COVID, story ideas for journalists, how to write a pandemic story, the role of a journalist.

Talking about the challenging role of a journalist during the pandemic, Dr. Agrawal said that the journalist's role as a spokesperson becomes even more challenging during the pandemic as the nation is facing during the pandemic. They are not extremely busy, everyone is looking after their safety.

Journalism: Challenges and Opportunities

K.G. Suresh

Jagdish Upasane

CITY FIRST

A Leadership Webinar Series was held at Manipal University, Jaipur (MUJ) where Chairman, Prasar Bharati, Recruitment Board, Jagdish Upasane talked on the topic 'Journalism - Challenges and Opportunities'. The programme was moderated by Director, Journalism and Mass Communication Department, Prof. Amitabh Srivastava, HC Director, School of Au-

tomobiles and Mechatronics, Prof. Shiva Prasad welcomed the guests and spoke briefly about the University.

Jagdish Upasane said that we are a Xerox copy of western thought. He said that there was a time when the editor used to publish news despite not conforming to the policy of the news owner, but now it is not so. He also emphasized that running a digital portal is still a loss. Even

though people are watching content, it is still a challenge to monetize it. Vice-Chancellor, Makhan Lal Chaturvedi National Journalism and Communication University, Professor K.G. Suresh also presented his views during the programme. He said that, the platforms of journalism, which have a revenue generation extension are running better, and this is the harsh truth.

पत्रकारिता के लिए भाषा और विषय दोनों का ज्ञान जरूरी : प्रो. के.जी. सुरेश

जयपुर। प्रेस वाले प्रिंट मीडिया ने अपना काम बखूबी किया है, उसने डिजिटलीकरण देखने को मिलती है, लेकिन जब से प्रेस, मीडिया बना है, उसमें कुछ लक्ष्मणियां आती हैं। देश के ज्यादातर अंग्रेजी और हिंदी समाचार पत्रों में सेल्फ-आइडेंटिटी की कमी है। यह बात जगदीश उपसने, प्रेयरमैन, प्रसार भारती, रिक्रूटमेंट बोर्ड का, वे मणिपाल विश्वविद्यालय, जयपुर में आयोजित लीडरशिप वेबिनार सीरीज के तहत 'पत्रकारिता-चुनौतियां और अवसर' विषय पर संबोधित कर रहे थे। कार्यक्रम का मॉडरेटर अमिताभ श्रीवास्तव, डायरेक्टर, पत्रकारिता एवं जन संचार विभाग ने किया। प्रो. शिवाप्रसाद एच सी. डायरेक्टर, स्कूल ऑफ ऑटोमोबाइल एंड मेकैट्रॉनिक्स ने अतिथियों का स्वागत किया और उन्हें यूनिवर्सिटी के बारे में अवगत कराया। उपसने का कहना था कि देश के ज्यादातर अंग्रेजी और हिंदी समाचार पत्रों में सेल्फ-आइडेंटिटी की कमी है। हम वेस्टर्न वॉर्ल्ड की ही 'सेल्फ कॉपी' हैं' उन्होंने कहा कि एक समय था जब संपादक समाचार मालिक की पालिसी से इतर होते हुए भी खबर प्रकाशित करता था, लेकिन अब ऐसा नहीं है। उन्होंने इस बात पर भी जोर दिया कि डिजिटल प्लेटफॉर्म खाना आज भी घाटे का सौदा है। भले ही लोग कंटेंट देख रहे रहे हैं लेकिन उसे मोनेटाइज कर पाना आज भी एक चुनौती है। उन्होंने स्टूडेंट्स को सम्बोधित करते हुए कहा कि कंटेंट की मांग हमेशा बनी रहेगी। जिसमें कंटेंट समझने का हुनर हो, उसे जॉब की कोई दिक्कत नहीं है, पर जरूरत है कि आप में बिजनेस माइंड भी हो, संस्कृतियों के बीच में संवाद से जुड़े एक सवाल पर उपसने का कहना था कि आज जरूरत है कि संचार के सभी पहलुओं को पाठ्यक्रम में शामिल किया जाये। डोमेन एक्सपर्टीज की देश में बहुत कमी है, अगर डोमेन एक्सपर्ट्स हम तैयार कर लें तो, उन्हें कम्यूनिक्वेट करना आज मुश्किल नहीं होगा।

जयपुर। मणिपाल विश्वविद्यालय जयपुर (एमयूजे) के गणित एवं सांख्यिकी विभाग द्वारा इंटरनेशनल एकेडमी ऑफ फिजिकल साइंसेज (आईएपीएस), प्रयागराज के सहयोग से आयोजित 3 दिवसीय इंटरनेशनल कॉन्फ्रेंस का रविवार को समापन हुआ। इस वर्चुअल कॉन्फ्रेंस का विषय इंटरनेशनल कॉन्फ्रेंस ऑन एडवॉंस्ड इन मैकेनिक्स था। उद्घाटन समारोह के मुख्य अतिथि इंटर यूनिवर्सिटी एक्सेलेरेटर सेंटर, नई दिल्ली के निदेशक, अविनाश चंद्र पांडे थे। इस अवसर पर प्रेसिडेंट एमयूजे, प्रोफेसर जी.के. प्रभु भी उपस्थित थे। इस कार्यक्रम में 7 प्रख्यात अंतरराष्ट्रीय वक्ता और 15 प्रतिष्ठित राष्ट्रीय वक्ता विशेष रूप से शामिल हुए। कॉन्फ्रेंस में देश और विदेश के 250 से अधिक डेलिगेट्स ने भाग लिया और 15 टेक्निकल सेशन के दौरान 61 पेपर्स प्रस्तुत किए गए। इसमें मोंटक्लेयर स्टेट यूनिवर्सिटी, एनजे; जोहान्सबर्ग विश्वविद्यालय; गवर्किन रशियन स्टेट यूनिवर्सिटी ऑफ ऑयल एंड गैस, मॉस्को; आईआईटी; एनआईटी जैसे प्रतिष्ठित संगठनों सहित अन्य कई स्टेट विश्वविद्यालयों से स्पीकर्स शामिल हुए।

कॉन्फ्रेंस का उद्देश्य शोधकर्ताओं के रिसर्च कार्य को साझा करना और मैकेनिक्स ऑफ फ्लुइड्स, गैस एवं सॉलिड, बायोफ्लुइड्स, रियोलॉजी, होट एवं मांस साइंस, कम्प्यूटेशनल फ्लुइड डायनेमिक्स (सीएफडी), मॉडेलिंग इन कान्टिनम मैकेनिक्स और संबंधित क्षेत्रों के रिसर्च में नए आयामों की खोज करना था। उद्घाटन समारोह में प्रो. प्रेसिडेंट प्रो. एन एन शर्मा, डॉन एन एन शर्मा, अनूप मुखोपाध्याय, निदेशक एनओएस ललिता लेदवानी, सदस्य सचिव आरएसएस प्रो. एन एन पाण्डे, आईएपीएस के कार्यकारी परिषद सदस्य प्रो. एम शर्मा और गणित एवं सांख्यिकी विभाग की प्रमुख प्रो. कल्पना शर्मा ने भाग लिया। कॉन्फ्रेंस की सफल रिपोर्ट आईसीएएस-2020 की संपाजक डॉ. कल्पना शर्मा द्वारा प्रस्तुत की गई थी। कॉन्फ्रेंस को लेकर कुछ डेलिगेट्स ने अपने अनुभव साझा किए।

International Conference on Multifunctional Nanomaterials

Dainik Navjyoti, 27 December 2020

अंतरराष्ट्रीय सम्मेलन कल से

ब्यूरो/नवज्योति, जयपुर। मणिपाल विश्वविद्यालय के भौतिकी विभाग की ओर से 28 से 30 दिसंबर तक मल्टीफंक्शनल नैनो-मैटेरियल्स पर अंतरराष्ट्रीय सम्मेलन आयोजित किया जाएगा। इसका उद्घाटन केन्द्र सरकार के विज्ञान और प्रौद्योगिकी विभाग के सचिव प्रो. आशुतोष शर्मा करेंगे। वे सेल्फ ऑर्गेनाइजेशन ऑन नैनो-स्केल्स: नेविगेटिंग कम्प्लेक्सिटी बाई कॉमन सेंस विषय पर अपने विचार साझा करेंगे। इस मौके पर विश्वविद्यालय के अध्यक्ष प्रो. जी.के. प्रभु, प्रो. अध्यक्ष प्रो. एन.एन. शर्मा, कुलसचिव प्रो. एच.आर. कामध, प्रो. एके मुखोपाध्याय, प्रो. ललिता लेदवानी, प्रो. आर.डी.के. मिश्रा, प्रो. कुमार श्रीधरन, प्रो. शंकर घोष सहित अन्य लोग विचार व्यक्त करेंगे।

First India (City First), 28 December 2020

Raj: The department of Physics, Manipal University Jaipur organised an International Conference on Multifunctional Nanomaterials. The conference was inaugurated by Professor Ashutosh Sharma, Secretary, Department of Science and Technology, Government of India. There were 70 oral presentations by the research students from across the globe on their research work.

National Science day observed at MUJ

Dainik Jaltedeeep, 28 February 2021

मणिपाल यूनिवर्सिटी जयपुर में मनाया जाएगा नेशनल साइंस डे

नोबल पुरस्कार विजेता सी. वी. रमन को श्रद्धांजलि देने के लिए

■ जलेश्वरीदीप कान, जयपुर

नोबल पुरस्कार विजेता, सी. वी. रमन को श्रद्धांजलि देने के लिए, 1 मार्च को मणिपाल यूनिवर्सिटी जयपुर (एमयूजे) में नेशनल साइंस डे ऑनलाइन मनाया जाएगा। प्रख्यात विज्ञान पदभूषण प्रो. ज्योत्सना भालचंद्र जोशी राष्ट्रीय विज्ञान दिवस 2021: फ्यूचर ऑफ साइंस, टेक्नोलॉजी एंड इनोवेशन: इम्पैक्ट्स ऑन एज्यूकेशन, रिसर्च एंड वर्क विषय पर सभी उपस्थित लोगों को संबोधित करेंगे। इस अवसर पर, एमयूजे के छात्रों सहित अन्य स्कूल और कॉलेज के छात्रों के लिए ऑनलाइन पोस्टर प्रजेंटेशन और शॉर्ट मूवी मेकिंग प्रतियोगिता का आयोजन किया जा रहा है। विजेता प्रतिभागियों को आकर्षक पुरस्कार प्रदान किए जाएंगे।

प्रो. ज्योत्सना एक केमिकल इंजीनियर, परमाणु वैज्ञानिक, स्टाफावर और प्रोफेसर हैं, जिन्हें व्यापक रूप से परमाणु रिएक्टर डिजाइनों में उनके नवाचारों के लिए और एक सम्मानित शिक्षक के रूप में जाना जाता है। वे डीएल-होमी भाभा चेयर प्रोफेसर, होमी भाभा

नेशनल इंस्टीट्यूट, मुंबई, और इंजीनियरिंग विज्ञान के लिए शक्तिस्वरूप भटनागर पुरस्कार सहित कई अन्य पुरस्कारों से सम्मानित हैं। उन्हें रासायनिक इंजीनियरिंग और परमाणु विज्ञान के क्षेत्र में उनकी सेवाओं के लिए 2014 में तीसरा सर्वोच्च नागरिक सम्मान, पद्म भूषण मिला है।

नेशनल साइंस डे (एनएसडी) हर साल 28 फरवरी को रमन इफेक्ट की खोज के उपलक्ष्य में मनाया जाता है। भारत सरकार ने 1986 में 28 फरवरी को नेशनल साइंस डे (एनएसडी) के रूप में नामित किया था। इस दिन सी.वी. रमन ने रमन इफेक्ट की खोज की घोषणा की थी जिसके लिए उन्हें 1930 में नोबेल पुरस्कार से सम्मानित किया गया। इस अवसर पर पूरे देश में थीम आधारित विज्ञान संचार गतिविधियां आयोजित की जाती हैं।

एमयूजे में बांस पर ऑनलाइन एक्जीक्यूटिव डेवलपमेंट प्रोग्राम

डेली न्यूज, मिक्स रिपोर्टर, जयपुर। भारत दुनिया में बांस का दूसरा सबसे बड़ा उत्पादक है परंतु आजकल नवीनतम भवन निर्माण सामग्रियों जैसे कंक्रीट, स्टील एवं लकड़ी में बांस का उपयोग विलुप्त होता हुआ प्रतीत होता है। ईडीपी का मुख्य उद्देश्य बांस को एक मूल प्राकृतिक भवन निर्माण संसाधन के रूप में निर्माण उद्योग से जुड़े विभिन्न व्यवसाय के बीच प्रोत्साहन देना है। यह विचार एक ऑनलाइन एक्जीक्यूटिव डेवलपमेंट प्रोग्राम में प्रकट किए गए।

एक्जीक्यूटिव डेवलपमेंट प्रोग्राम (ईडीपी) का आयोजन मणिपाल यूनिवर्सिटी जयपुर (एमयूजे) एवं कोनवैक महाराष्ट्र की सहभागिता से किया गया। कार्यक्रम में मुख्य अतिथि सांसद सुरेश प्रभु, डॉ. जी के प्रभु (अध्यक्ष एमयूजे), प्रो. एन एन शर्मा (प्रा-अध्यक्ष एमयूजे), प्रो. डॉ. आर कामध, प्रो. डॉ. अनुराधा चटर्जी (डीन फैकल्टी ऑफ डिजाइन एमयूजे), प्रो. डॉ. मधुरा यादव (निदेशक स्वील ऑफ आर्किटेक्चर एंड डिजाइन एमयूजे) एवं कृणाल एन गांधी (कोनवैक महाराष्ट्र) उपस्थित थे। ईडीपी के प्रथम दिवस में प्राध्यापक सांन येहाओ (सिन्गुआ यूनिवर्सिटी, चीन) ने बांस से संबंधित विभिन्न निर्माण तकनीकियां एवं अपने कार्यों का चित्रण किया जिसमें अनेक वास्तुकारों, इंजीनियर्स एवं अन्य व्यावसायिकों ने सहभागिता दिखाई।

CONFERENCE ON SMART SYSTEM

The 3rd International Virtual Conference on Smart Systems: Innovations in Computing (SSIC-2021) organised by Manipal University Jaipur concluded on Saturday. The 2-day conference was held in collaboration with IOWA State University, University of Technology Sydney, Deakin University Australia, Akasray University (Turkey), and Systems Research Institute (Poland).

SSIC focused on Smart Systems, IoT Innovations, and their applications in smart cities, smart grid, smart health-care,

social computing, and privacy challenges with their theory, specifications, designs, performance, and system building. This conference was an international forum for researchers, engineers, and professionals from industry and academia across the globe to exchange innovative ideas and their research works.—CITY FIRST
